

## Press Release

### For Immediate Release

#### IRASIA.COM'S CLIENT WINS HONOUR IN BEST IR WEBSITE

14 March 2007, Hong Kong - irasia.com Limited, the Online IR Specialist, is pleased to announce that our client - **China Telecom Corporation Limited** (HKEx stock code: 728), has recently won recognition from a renowned competition for its excellent presentation of its Investor Relations website. We are delighted to share the joy of this remarkable achievement that is being acknowledged by the professional authorities.

The corporate website of China Telecom Corporation Limited ([www.chinatelecom-h.com](http://www.chinatelecom-h.com)) has been awarded "**Best Information Services IR Site**" and "**Best Conglomerates IR Site**" in the 2006 Interactive Investor Relations Website Awards (IIR Awards)<sup>1</sup>, sponsored by renowned media The Wall Street Journal Online, American Stock Exchange and popular retail investment website TheStreet.com and etc. Other companies recognized for their industry leading investor relations websites include: ABN AMRO, Dell Inc., The Procter & Gamble Company, Yahoo, just to name a few.

irasia.com is pleased to have played an integral role in the design, development and maintenance of China Telecom's corporate website; and we are proud to have supported the company in gaining wide recognition. This is an example of what irasia.com advocates regarding how a company can best optimize the cost benefits of their online IR strategy:- to build and maintain shareholder value; and demonstrate best practice in disclosure and compliance.

irasia.com will continue our unrelenting commitment to offer our clients both strategic advice and technical expertise, fostering effective online IR strategy, integrating global best IR practice with local regulatory compliance.

*Notes:*

<sup>1</sup> Interactive Investor Relations Awards ([www.iirawards.org](http://www.iirawards.org))

The Interactive Investor Relations Awards (IIR Awards) is a global competition, aims to recognize excellence in online investor relations web development since 2004. Entries have come from more than 19 countries around Europe, the United States and Asia, including Deutsche Telekom, Cisco Systems, Siemens, Symantec, Dell, Yahoo!, Time Warner, General Motors, eBay and more.
