I am pleased to present to shareholders of Allied Group Limited ("Company") the annual results of the Company and its subsidiaries (collectively the "Group") for the year 2017. The performance of the Group has been pleasing as the Group's core operating divisions continued to deliver solid performances.

FINANCIAL RESULTS

For the year ended 31st December, 2017, the Group's revenue was HK\$4,540.7 million (2016: HK\$4,101.9 million). Profit attributable to the owners of the Company was HK\$3,235.9 million in 2017 (2016: HK\$3,263.2 million), a slight decrease of 0.8%. Earnings per share amounted to HK\$18.35, as compared to HK\$18.34 in 2016.

DIVIDEND

The Board has declared a second interim dividend of HK\$2.35 per share (in lieu of a final dividend) for the year ended 31st December, 2017 (2016 second interim dividend (in lieu of a final dividend): HK\$1.85 per share) payable on or around Wednesday, 9th May, 2018 to the shareholders of the Company ("Shareholders") whose names appear on the register of members of the Company on Tuesday, 17th April, 2018, making a total dividend for the year 2017 of HK\$2.5 per share (2016: HK\$2.0 per share).

It should be noted that the Company undertook share repurchases for cancellation during the year at an aggregate consideration (before expenses) of approximately HK\$52.3 million. Accordingly, both net asset value per share and earnings per share have been enhanced. The Board will give consideration to further repurchases of shares for cancellation when opportunities arise.

CLOSURE OF REGISTER OF MEMBERS

(1) For determining the entitlement to the second interim dividend

For determining the entitlement to the second interim dividend (in lieu of a final dividend) for the year ended 31st December, 2017, the register of members of the Company is closed from Friday, 13th April, 2018 to Tuesday, 17th April, 2018 (both days inclusive), during which period no transfer of shares of the Company will be registered. In order for a Shareholder to qualify for the second interim dividend (in lieu of a final dividend), all transfer forms accompanied by the relevant share certificates must be lodged with the Company's share registrar, Computershare Hong Kong Investor Services Limited of Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong for registration not later than 4:30 p.m. on Thursday, 12th April, 2018.

(2) For determining the entitlement to attend and vote at the forthcoming annual general meeting of the Company ("2018 AGM")

The 2018 AGM is scheduled to be held on Friday, 25th May, 2018. For determining the entitlement to attend and vote at the 2018 AGM, the register of members of the Company will be closed from Monday, 21st May, 2018 to Friday, 25th May, 2018 (both days inclusive), during which period no transfer of shares of the Company will be registered. In order for a Shareholder to be eligible to attend and vote at the 2018 AGM, all transfer forms accompanied by the relevant share certificates must be lodged with the Company's share registrar, Computershare Hong Kong Investor Services Limited of Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong for registration not later than 4:30 p.m. on Friday, 18th May, 2018.

FUTURE PROSPECTS

The "Review of Operations" by the Chief Executive, which immediately follows this statement, incorporates the Group's business outlook for the future.

APPRECIATION

We have experienced a strong performance in 2017. The Group expects there will be various challenges arising from economic and geopolitical issues during 2018. We believe that with its prudent strategy, and the dedication, loyalty, professionalism of its staff, the Group is well prepared to meet the challenges.

I would like to express the Group's appreciation for the efforts of our staff and look forward to their continued support. I would also like to thank my fellow Directors, our professional advisors and our Shareholders for their support during the year.

Arthur George Dew Chairman

Hong Kong, 26th March, 2018

INTRODUCTION

The Company is primarily an investment holding company, with a stated strategy of focusing its management and financial resources on its core businesses of property investment and development and financial services together with elderly care services. The Company's interests in property investment and development and elderly care services in Hong Kong and overseas and in mainland China are mainly held through its 74.99% holding in Allied Properties (H.K.) Limited ("Allied Properties"), Allied Properties' associate Tian An China Investments Company Limited ("TACI") and TACI's subsidiary Asiasec Properties Limited. The Company's financial services business is mainly conducted through Allied Properties' 57.29% holding in Sun Hung Kai & Co. Limited ("SHK") as well as SHK's effective 58.18% holding in United Asia Finance Limited ("UAF"). SHK Hong Kong Industries Limited ("SHK HK IND"), a 74.98% subsidiary of the Company, is engaged in investments in listed and unlisted securities.

FINANCIAL REVIEW

Financial Results

The revenue of the Group for the year was HK\$4,540.7 million (2016: HK\$4,101.9 million). The increase is mainly due to higher revenue arising from SHK, higher rental income and building services income, as well as full year income generated from the elderly care business which was acquired in the second half of 2016.

The profit attributable to the owners of the Company for the year was HK\$3,235.9 million (2016: HK\$3,263.2 million), a slight decrease of 0.8%.

The profit attributable to the owners of the Company was primarily a mixed result of:-

- lower contribution from associate TACI;
- good performance of the consumer finance business and principal investments of SHK;
- a turnaround from loss into profit of SHK HK IND; and
- a higher fair value gain on revaluation of the investment properties.

Earnings per share

Earnings per share amounted to HK\$18.35 (2016: HK\$18.34), a slight increase of 0.1%. This increase contrasts with the decrease in the profit amount due to the share repurchase during the year.

Material Acquisitions and Disposals

There were no material acquisitions or disposals of subsidiaries, associates or joint ventures during the year.

Financial Resources, Liquidity and Capital Structure

On 11th September, 2017, under the guaranteed medium term note programme, Sun Hung Kai & Co. (BVI) Limited further issued US\$550 million (including intra-group holdings of US\$4.4 million) 4.65% US dollar denominated notes ("4.65% Notes") for a net consideration of HK\$4,289.0 million. The 4.65% Notes are listed on The Stock Exchange of Hong Kong Limited. The 4.65% Notes will mature on 8th September, 2022. During the year, the Group purchased part of the 4.65% Notes with a total nominal value of US\$\$4.8 million from the market at a total consideration of HK\$37.7 million. The nominal value of the 4.65% Notes after eliminating the intra-group holdings was US\$540.8 million or equivalent to HK\$4,228.0 million at the reporting date.

On 20th November, 2017, under the guaranteed medium term note programme, Sun Hung Kai & Co. (BVI) Limited further issued HK\$447.5 million 2.8% HK dollar denominated notes ("2.8% Notes") at discount for a net consideration of HK\$446.7 million. The 2.8% Notes will mature on 20th November, 2018.

The 6.375% US dollar denominated notes and 3% US dollar denominated notes matured in September and December 2017 respectively and the outstanding balance was repaid.

FINANCIAL REVIEW (CONT'D)

Financial Resources, Liquidity and Capital Structure (Cont'd)

At the end of the reporting period, the equity attributable to owners of the Company amounted to HK\$25,069.4 million, representing an increase of HK\$3,311.1 million or approximately 15.2% from 2016. The Group maintained a strong cash and bank balance position and had cash and bank balances of approximately HK\$4,119.2 million as at 31st December, 2017 (2016: HK\$7,553.8 million). The Group's bank and other borrowings and notes issued totalling HK\$12,283.5 million (2016: HK\$10,630.1 million) of which the portion due on demand or within one year was HK\$3,848.7 million (2016: HK\$5,011.3 million) and the remaining long-term portion was HK\$8,434.8 million (2016: HK\$5,618.8 million). The liquidity of the Group as evidenced by the current ratio (current assets/current liabilities) was 4.01 times (2016: 3.71 times). The Group's gearing ratio (net bank and other borrowings and notes issued/equity attributable to the owners of the Company) was 32.6% (2016: 14.1%).

FINANCIAL REVIEW (CONT'D)

Financial Resources, Liquidity and Capital Structure (Cont'd)

Other than the Renminbi denominated notes, US dollar denominated notes and HK dollar denominated notes, most of the bank and other borrowings of the Group are charged at floating interest rates. There are no known seasonal factors in the Group's borrowing profile.

The banking facilities of the Group are reviewed from time to time and new banking facilities will be obtained or renewed to meet the funding requirements for capital commitments, investments and operations of the Group.

During the year, the Company repurchased 1,066,000 own shares at an aggregate consideration (before expenses) of approximately HK\$52.3 million, details of which are outlined in the section "Purchase, Sale or Redemption of Shares" below.

Segment Information

Detailed segmental information in respect of the revenue and profit or loss is shown in note 6 to the consolidated financial information.

Risk of Foreign Exchange Fluctuation

The Group is required to maintain foreign currency exposure to cater for its recurring operating activities and present and potential investment activities, meaning it will be subject to reasonable exchange rate exposure. However, the Group will closely monitor this risk exposure as required.

Contingent Liabilities

Details of contingent liabilities are set out in note 44 to the consolidated financial statements.

Pledge of Assets

Details regarding pledge of assets are set out in note 47 to the consolidated financial statements.

OPERATIONAL REVIEW

Financial Services

Investment and Finance

- The profit attributable to owners of SHK was HK\$1,824.3 million (2016: HK\$1,109.6 million). The better performance during the year was mainly due to improved performances of all main sectors of SHK's businesses.
- SHK's principal investments division which included the structured finance business provided a pre-tax contribution of HK\$1,082.3 million (2016: HK\$472.6 million) to its earnings. An improved performance from UAF and a net valuation gain of HK\$108.6 million (2016: HK\$203.5 million) from its 30% stake in Everbright Sun Hung Kai Company Limited (previously Sun Hung Kai Financial Limited) also contributed significantly.
- Sun Hung Kai Credit Limited ("SHKC") made a pre-tax profit contribution of HK\$35.0 million for the year (2016: HK\$1.8 million). The loan portfolio of SHKC now exceeds HK\$2 billion and based on the latest data available from the Land Registry, is now the top-ranked non-bank mortgage provider in terms of the number of new loans originated for first mortgages.

Consumer Finance

- Profit before tax of UAF, the 58% owned subsidiary of SHK, amounted to HK\$1,444.7 million for the year, an increase of 99% from 2016.
- The improved performance was due to a turnaround of its mainland China business which registered a profit before tax of HK\$302.6 million whilst UAF's Hong Kong business continued to maintain a steady increase in profitability.
- At the end of the year, the consolidated consumer finance gross loan balance amounted to HK\$9.8 billion, representing an increase of 15% from the end of 2016. The use of technology to improve online reach and productivity has allowed UAF to close 23 underperforming branches in mainland China and 1 branch in Hong Kong during the year. Currently, UAF has 84 branches operating on the mainland and 49 branches in Hong Kong.

OPERATIONAL REVIEW (CONT'D)

Properties

Hong Kong

- Allied Properties reported a profit attributable to its owners of HK\$3,991.1 million (2016: HK\$4,352.9 million).
- Allied Properties' rental income from its Hong Kong property portfolio increased slightly when compared to 2016.
- The net gain in the value of the Allied Properties' property portfolio, including investment properties owned by SHK, was HK\$982.3 million during the year, higher than that of 2016 by HK\$402.2 million.
- The hotel division reported an increase in average room rates and occupancies, resulting in an increased contribution.
- Allied Kajima Limited, Allied Properties' 50% joint venture holding various properties including Allied Kajima Building, Novotel Century Hong Kong hotel, Sofitel Philippine Plaza Hotel and the Wanchai Jaffe Road hotel redevelopment, contributed a profit increase of 176% mainly due to increase in fair value of its property portfolio during the year. Foundation work on the Jaffe Road hotel site is being carried out.
- In December 2017, Allied Properties' associate APAC Resources Limited ("APAC") completed its share repurchase offer. As a result, Allied Properties' interest in APAC increased to 33.91% at the end of 2017 (2016: 28.44%). APAC contributed a profit of HK\$207.5 million (2016: HK\$118.3 million) to Allied Properties during the year.

OPERATIONAL REVIEW (CONT'D)

Properties (Cont'd)

Mainland PRC

- The profit attributable to the owners of TACI was HK\$2,054.1 million (2016: HK\$5,713.0 million).
- The decrease in profit of TACI was mainly due to a lower contribution from disposal of noncore assets and the absence of a large one-off gain from a bargain purchase of an interest in a Hong Kong listed subsidiary, Asiasec Properties Limited. For 2017, disposal of non-core assets contributed HK\$1,634.0 million (2016: HK\$3,937.7 million). By increasing its stake in an Australian listed company, Tian An Australia Limited, at a discount to the stated net asset value, TACI also recorded a gain of HK\$60.9 million in 2017 (2016: HK\$1,588.6 million).
- There are a total of 15 cyberparks over 12 cities. The overall contribution of TACI's cyberpark unit has increased, with sales and leasing improved in most of its cyberparks. Those on the Pearl River Delta have been contributing most and TACI will concentrate on developing new cyberparks and urban renewal projects in this region where it has ample manpower and marketing resources.
- Phase 2 of TACI's urban renewal project, Tian An Cloud Park, in Huawei New City Area in the Longgang District of Shenzhen, with a gross floor area of approximately 599,400 m² is under construction and expected to be completed in 2018.
- Asiasec Properties Limited reported a profit attributable to its shareholders of HK\$169.2 million (2016: HK\$61.8 million).

Investments

SHK HK IND

- SHK HK IND reported a net profit attributable to its owners of HK\$166.7 million (2016: loss of HK\$73.6 million).
- The profit mainly arose from equity related investments and profit contribution from bond investments.

EMPLOYEES

The total number of headcount of the Group as at 31st December, 2017 was 5,080 (2016: 5,343). This net decrease in headcount reflects mainly the rationalisation of UAF's branch network in mainland China. Total staff cost, including Directors' emoluments, amounted to HK\$1,102.7 million (2016: HK\$983.3 million). The Group reviews remuneration packages from time to time. In addition to salary payments, other staff benefits include contributions to employee provident funds, medical subsidies and a discretionary bonus scheme. The Group recognises the importance of continuing professional education and development, and appropriate courses are arranged on a periodical basis as well as subsidies are granted to employees who take job-related courses.

PRINCIPAL RISKS

The Group adopts a comprehensive risk management framework. Risk management policies and procedures are regularly reviewed and updated to react to changes in market conditions and the Group's business strategy. The audit committee of the Company, or in the case of SHK, its risk management committee, reviews risk-related policies and scrutinises that management has performed its duty to have effective risk management and internal control systems necessary for monitoring and controlling major risks arising from the Group's business activities, changing external risks and the regulatory environment, and reports to the Board on the above.

Financial Risk

Financial risk includes market risk, credit risk and liquidity risk. Market risk concerns that the value of an investment will change due to movements in market factors and which can be further divided into equity risk, interest rate risk and foreign exchange risk. Credit risk is the risk of losses arising from clients or counterparties failing to make payments as contracted. Liquidity risk concerns that a given security or asset cannot be traded readily in the market to prevent a loss or make the required profit. Further discussion on financial risk management is outlined in note 42 to the consolidated financial statements.

Operational Risk

Operational risk is concerned with possible losses caused by inadequate or failed internal processes, people, systems or external events. Operational risk is mitigated and controlled through establishing robust internal controls, setting out clear lines of responsibility, proper segregation of duties and effective internal reporting and contingency planning. It is our corporate culture that the business and operating line management are fully aware of, and responsible for, managing the operational risks of their business units on a day-to-day basis. Independent monitoring and reviews are conducted by the internal audit team which reports regularly to the respective senior management and the audit committee.

RELEVANT LAWS AND REGULATIONS

The Group is highly committed to comply with laws and regulations that govern our businesses. As a listed company in Hong Kong, the company has to comply with the listing rules of the Hong Kong Exchange. Our loan businesses in Hong Kong are governed by the Money Lender's Ordinance. The lending businesses in the PRC are operated in accordance with the regional guidelines announced by the provincial governments under the Guiding Opinions of the China Banking Regulatory Commission and the People's Bank of China on the Pilot Operation of Small Loan Companies as well as the Special Rectification Documents of their special working group on cash loans, internet loans and P2P loans including "關於規範整頓現金貸業務的通知", "關於印發小額貸款公司網絡小額貸款業務風險專項整治實施方案的通知 (網貸整治辦函[2017]56號)" and "關於做好P2P網絡借貸風險專項整治整改驗收工作的通知(網貸整治辦函[2017]57號". Our rental businesses are governed by the Landlord and Tenant (Consolidation) Ordinance.

LONG TERM CORPORATE STRATEGIES

The Group is engaged in its businesses of investment, structured finance, consumer finance, property and related businesses, elderly care services and other investments. The Group's policy has been to adopt the following long term strategies:-

- 1. To maintain the organic growth of its core businesses;
- 2. To maintain a balance between the demands of short term returns and long term capital appreciation; and
- 3. To seek investment opportunities that assist in strengthening and broadening its earnings base.

BUSINESS OUTLOOK

It is expected that global economic growth will strengthen in 2018. However, significant risk factors such as geopolitical issues and the pace of the US interest rate hike still remain. It is expected that interest rate pressure will bear upon the local economy.

The outlook for the consumer finance and mortgage loans businesses is expected to remain positive barring any disruptive market development.

The shortage in the supply of land of Hong Kong when compared to demand remains a main issue of the local economy. It is expected that downturn of the property market may happen if mortgage interest rates increase substantially in 2018.

For the mainland property market, there have been various measures by the authorities to regulate the high housing demand and cool down the overheated property market, so as to restore a healthy and stable property market.

The Board will continue to adopt a prudent approach in implementing the Group's stated strategies with the aim of consolidating its solid financial position and diversified income streams for the benefit of the Group and all its shareholders.

APPRECIATION

The Board would like to thank all the staff for their effort and contribution in 2017, and would like to express appreciation to the Shareholders for their continued support.

Mr. Wong was the financial controller of other listed companies in Hong Kong. He is also an executive director of each of APL and SHK HK IND and an alternate director to Mr. Arthur George Dew in APAC, Tanami Gold, Dragon Mining and Tian An Australia. Tanami Gold, Dragon Mining and Tian An Australia are companies listed on the Australian Securities Exchange.

KELVIN LAM KAM WING

Mr. Kelvin Lam Kam Wing, aged 51, is the Assistant Financial Controller of the Company. He obtained a Master's Degree in Business Administration from The Chinese University of Hong Kong in 1999 and is a fellow of the Association of Chartered Certified Accountants and an associate member of the Hong Kong Institute of Certified Public Accountants. Before Mr. Lam joined the Group in 1992, he had worked in an international accounting firm for four years.

The Company is committed to maintaining a high standard of corporate governance within a sensible framework with an emphasis on the principles of transparency, accountability and independence. The board of directors of the Company ("Board") believes that good corporate governance is essential to the success of the Company and to the enhancement of shareholders' value.

CORPORATE GOVERNANCE CODE AND CORPORATE GOVERNANCE REPORT

In the light of the Corporate Governance Code and Corporate Governance Report ("CG Code") contained in Appendix 14 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited ("Listing Rules"), the Board has reviewed the corporate governance practices of the Company with the adoption of the various enhanced procedures which are detailed in this report. The Company has applied the principles of, and complied with, the applicable code provisions of the CG Code during the year ended 31st December, 2017, except for certain deviations as specified with considered reasons for such deviations as explained below. The Board will review the current practices at least annually, and make appropriate changes if considered necessary.

THE BOARD

The Board currently comprises eight directors ("Directors") in total, with three Executive Directors, two Non-Executive Directors ("NEDs") and three Independent Non-Executive Directors ("INEDs"). The composition of the Board during the year and up to the date of this report is set out as follows:

Executive Directors:	Lee Seng Hui <i>(Chief Executive)</i> Edwin Lo King Yau Mak Pak Hung
Non-Executive Directors:	Arthur George Dew <i>(Chairman)</i> Lee Su Hwei
Independent Non-Executive Directors:	David Craig Bartlett Alan Stephen Jones Lisa Yang Lai Sum

The brief biographical details of the Directors are set out in the Profile of Directors and Senior Management on pages 16 to 18. Other than that Mr. Lee Seng Hui, the Chief Executive of the Company, is a brother of Ms. Lee Su Hwei, a NED of the Company, there are no family or other material relationships among members of the Board.

THE BOARD (CONT'D)

Board Process

During the year, the NEDs (a majority of whom are independent) provided the Company and its subsidiaries (collectively "Group") with a wide range of expertise and experience. Their active participation in the Board and committee meetings brought independent judgment on issues relating to the Group's strategy, performance and management process, taking into account the interests of all shareholders of the Company ("Shareholders").

Throughout the year and up to the date of this report, the Company has had at least three INEDs representing not less than one-third of the Board. At least one of the INEDs has the appropriate professional qualifications or accounting or related financial management expertise under Rule 3.10 of the Listing Rules. The Board has received from each INED an annual confirmation of his/her independence and considers that all the INEDs are independent under the guidelines set out in Rule 3.13 of the Listing Rules.

The Board meets regularly to discuss the overall strategy as well as the operation and financial performance of the Group, and to review and approve the Group's annual and interim results and other ad hoc matters which need to be dealt with. During the year, five Board meetings were held and the individual attendance records of each Director at the meetings of the Board, Remuneration Committee, Audit Committee and general meeting during the year ended 31st December, 2017 are set out below:

	Number of meetings attended/held Remuneration Audit			General

THE BOARD (CONT'D)

Board Process (Cont'd)

The Board has reserved for its decision or consideration matters covering mainly the Group's overall strategy, annual operating budget, annual and interim results, approval of Directors' appointment or re-appointment (based on the recommendations made by the Nomination Committee), material contracts and transactions, corporate governance as well as other significant policy and financial matters. The Board has delegated the day-to-day responsibility to the executive management under the instruction/supervision of the Executive Committee which has its specific written terms of reference. The respective functions of the Board and management of the Company have been formalised and set out in writing and will be reviewed and updated by the Board from time to time to ensure that they are consistent with the existing rules and regulations.

Regular Board meetings each year are scheduled in advance to facilitate maximum attendance of Directors. At least 14 days' notice of a Board meeting is normally given to all Directors who are given an opportunity to include matters for discussion in the agenda. The company secretary of the Company ("Company Secretary") assists the Chairman of the Board in preparing the agenda for meetings and ensures that all applicable rules and regulations are complied with. The agenda and the accompanying Board papers are normally sent to all Directors at least 3 days before the intended date of a regular Board meeting (and so far as practicable for such other Board meetings). Draft minutes of each Board meeting are circulated to all Directors for their comment before being tabled at the following Board meeting for approval. All minutes are kept by the Company Secretary and are open for inspection at any reasonable time on reasonable notice by any Director.

According to the current Board practice, if a substantial Shareholder or a Director has a conflict of interest in a matter to be considered by the Board which the Board has determined to be material, the matter will be dealt with by the Board at a duly convened Board meeting. The articles of association of the Company ("Articles of Association") also stipulate that save for the exceptions as provided therein, a Director shall abstain from voting on any Board resolution and not be counted in the quorum at meetings for approving any contract or arrangement in which such Director or any of his/her close associates has a material interest.

Every Director is entitled to have access to Board papers and related materials and has access to the advice and services of the Company Secretary. The Board and each Director also have separate and independent access to the Company's senior management. Directors will be continuously updated on the major development of the Listing Rules and other applicable regulatory requirements to ensure compliance and upkeep of good corporate governance practices. In addition, a written procedure has been established since June 2005 to enable the Directors, in discharge of their duties, to seek independent professional advice in appropriate circumstances at a reasonable cost to be borne by the Company.

THE BOARD (CONT'D)

Directors' Continuous Professional Development

For continuous professional development, in addition to Directors' attendance at meetings and review of papers and circulars sent by the management of the Company, Directors participated in the activities including the following:

Board Diversity

The Company has adopted the Board Diversity Policy in November 2013 which sets out the objectives and principles regarding board diversity for the purpose of achieving the Company's strategic objectives of balanced diversity at the Board as far as practicable. Board appointments will be based on merit and candidates will be considered against measurable objectives, taking into account the Company's business and needs.

Selection of candidates will be based on a range of diversity criteria, including but not limited to gender, age, cultural and educational background, knowledge, professional experience and skills. The ultimate decision will be based on merit and the contribution that the selected candidates may bring to the Board.

ROLES OF CHAIRMAN AND CHIEF EXECUTIVE

Code provision A.2.1 of the CG Code stipulates that the roles of chairman and chief executive should be separate and should not be performed by the same individual. Mr. Arthur George Dew, being the Chairman of the Board, is primarily responsible for the leadership of the Board, ensuring that (i) all significant policy issues are discussed by the Board in a timely and constructive manner; (ii) all Directors are properly briefed on issues arising at Board meetings; and (iii) the Directors receive accurate, timely and clear information. The functions of the chief executive are performed by Mr. Lee Seng Hui, the Chief Executive of the Company, who is responsible for the day-to-day management of the Group's business. Their responsibilities are clearly segregated and have been set out in writing and approved by the Board in June 2005, and subsequently updated in April 2012.

APPOINTMENT AND RE-ELECTION OF DIRECTORS

The terms of reference of the Nomination Committee include the nomination procedure specifying the process and criteria for the selection and recommendation of candidates for directorship of the Company.

Every newly appointed Director will receive an induction package from the Company Secretary on the first occasion of his/her appointment. This induction package is a comprehensive, formal and tailored induction on the responsibilities and on-going obligations to be observed by a director pursuant to the Companies Ordinance, Listing Rules and Securities and Futures Ordinance. In addition, this induction package includes materials briefly describing the operations and business of the Company, the latest published financial reports of the Company and the documentation for the corporate governance practices adopted by the Board. Directors will be continuously updated on any major developments of the Listing Rules and other applicable regulatory requirements to ensure compliance and upkeep of good corporate governance practices.

All NEDs (including INEDs) of the Company were appointed for a specific term, but subject to the relevant provisions of the Articles of Association or any other applicable laws whereby the Directors shall vacate or retire from their office but eligible for re-election. The term of appointment of the NEDs (including INEDs) has been renewed for further two years commencing from 1st January, 2017.

According to the Articles of Association, at each annual general meeting of the Company ("AGM"), one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation. Further, any Director appointed by the Board to fill a casual vacancy shall hold office only until the next following general meeting of the Company whilst for those appointed as an addition to the Board shall hold office until the next following AGM and in both cases, those Directors shall then be eligible for re-election at the relevant meeting. Every Director shall be subject to retirement by rotation at least once every three years.

CORPORATE GOVERNANCE FUNCTION

The Board is responsible for performing corporate governance duties and has adopted the written terms of reference on its corporate governance functions in April 2012.

The duties of the Board in respect of the corporate governance functions include:

- (i) developing and reviewing the Company's policies and practices on corporate governance;
- (ii) reviewing and monitoring the training and continuous professional development of Directors and senior management;
- (iii) reviewing and monitoring the Company's policies and practices on compliance with legal and regulatory requirements;
- (iv) developing, reviewing and monitoring the code of conduct and compliance manual (if any) applicable to employees and Directors; and
- (v) reviewing the Company's compliance with the CG Code and disclosure in the Corporate Governance Report.

In 2017 and up to the date of this report, the Board has performed the corporate governance duties in accordance with its terms of reference.

BOARD COMMITTEES

The Board has established various committees, including a Nomination Committee, a Remuneration Committee, an Audit Committee and an Executive Committee, each of which has its specific written terms of reference. Copies of minutes of all meetings and resolutions of the committees, which are kept by the Company Secretary, are circulated to all Board members and the committees are required to report back to the Board on their decision and recommendations where appropriate. The procedures and arrangements for a Board meeting, as mentioned in the section headed "The Board" of this report, have been adopted for the committee meetings so far as practicable.

Nomination Committee

The Nomination Committee has been established since March 2012 and is chaired by the Chairman of the Board and comprises a majority of INEDs. Currently, the Nomination Committee consists of four members, including Mr. Arthur George Dew (Chairman of the Nomination Committee), being a NED, Mr. David Craig Bartlett, Mr. Alan Stephen Jones and Ms. Lisa Yang Lai Sum, all being the INEDs. The Nomination Committee is provided with sufficient resources to discharge its duties and has access to independent professional advice according to the Company's policy if considered necessary. The major roles and functions of the Nomination Committee are included in its terms of reference, which are available on the websites of The Stock Exchange of Hong Kong Limited ("Stock Exchange") and the Company.

Nomination Committee (Cont'd)

The Nomination Committee will meet as and when necessary in accordance with its terms of reference and may also deal with matters by way of circulation. In 2017, no Nomination Committee meeting was held while the Nomination Committee dealt with matters by way of circulation. In 2017 and up to the date of this report, the Nomination Committee performed the works as summarised below:

- (i) reviewed and recommended for the Board's approval the proposed resolution for re-election of the retiring Directors at 2017 AGM and 2018 AGM; and
- (ii) reviewed the structure, size, composition and diversity of the Board and assessed the independence of each INED.

Remuneration Committee

The Remuneration Committee has been established for more than 10 years and currently consists of four members, including Mr. David Craig Bartlett (Chairman of the Remuneration Committee), Mr. Alan Stephen Jones and Ms. Lisa Yang Lai Sum, all being the INEDs, and Mr. Arthur George Dew, being a NED. The Remuneration Committee is provided with sufficient resources to discharge its duties and has access to independent professional advice according to the Company's policy if considered necessary. The major roles and functions of the Remuneration Committee are included in its terms of reference, which are available on the websites of the Stock Exchange and the Company.

The terms of reference of the Remuneration Committee are in compliance with the code provision B.1.2 of the CG Code, but with a deviation from the code provision that the Remuneration Committee shall make recommendations to the Board on the remuneration packages of the Executive Directors only and not senior management (as opposed to executive directors and senior management under the code provision). The reasons for the above deviation are summarised as below:

- the Board believes that the Remuneration Committee is not properly in a position to evaluate the performance of senior management and that this evaluation process is more effectively carried out by the Executive Directors;
- (ii) the Executive Directors must be in a position to supervise and control senior management and thus must be able to control their compensation; and
- (iii) there is no reason for Executive Directors to pay senior management more than industry standards and thus Shareholders will benefit by reducing costs in the fixing of such compensation packages.

The Remuneration Committee shall meet at least once a year in accordance with its terms of reference. One Remuneration Committee meeting was held in 2017 and the attendance of each member is set out in the section headed "The Board" of this report.

Remuneration Committee (Cont'd)

In addition to the Remuneration Committee meeting, the Remuneration Committee also dealt with matters by way of circulation during 2017. In 2017 and up to the date of this report, the Remuneration Committee performed the works as summarised below:

- (i) reviewed the existing policy and structure for the remuneration of Directors;
- (ii) reviewed the existing remuneration packages of the Executive Directors, the Group Financial Controller and the director of investment;
- (iii) reviewed the existing remuneration of the NEDs (including the INEDs);
- (iv) reviewed and recommended for the Board's approval the bonus for the year ended 31st December, 2016 and the increment in the remuneration for the year 2017 of the Executive Directors, the Chairman, the Group Financial Controller and the director of investment;
- (v) reviewed and recommended for the Board's approval the renewal of a tenancy agreement for provision of an accommodation to the Chief Executive whereby the monthly rental payable by the Company decreased by HK\$5,500 effective from 1st January, 2018; and
- (vi) reviewed and recommended for the Board's approval the change of residence provided to the Chief Executive as accommodation, the relevant surrender agreement and the tenancy agreement thereof.

The remuneration payable to Directors will depend on their respective contractual terms under their employment contracts or service contracts as approved by the Board on the recommendation of the Remuneration Committee. Details of the Directors' remuneration are set out in note 10 to the consolidated financial statements whereas detailed changes in the emoluments of certain Directors during the interim period and up to the date of the Interim Report were also disclosed in the Interim Report of the Company dated 22nd August, 2017. Details of the emolument policy of the Group are also set out in the "Emolument Policy" section contained in the Directors' Report on page 53.

Audit Committee

The Audit Committee has been established for more than 10 years and currently consists of four NEDs, three of whom are INEDs. To retain independence and objectivity, the Audit Committee is chaired by an INED with appropriate professional qualifications or accounting or related financial management expertise. The current members of the Audit Committee are Mr. Alan Stephen Jones (Chairman of the Audit Committee), being an INED, Mr. Arthur George Dew, being a NED, Mr. David Craig Bartlett and Ms. Lisa Yang Lai Sum, both being INEDs. The Audit Committee is provided with sufficient resources to discharge its duties and has access to independent professional advice according to the Company's policy if considered necessary. The major roles and functions of the Audit Committee are included in its terms of reference, which are available on the websites of the Stock Exchange and the Company.

Audit Committee (Cont'd)

The terms of reference of the Audit Committee are revised from time to time to comply with the code provision C.3.3 of the CG Code, but with deviations from the code provision of the audit committee's responsibility to:

- (i) implement policy on the engagement of the external auditors to supply non-audit services;
- (ii) ensure the management has performed its duty to have effective risk management and internal control systems; and
- (iii) ensure co-ordination between the internal and external auditors, and ensure that the internal audit function is adequately resourced and has appropriate standing within the listed company.

The Board considers that the Audit Committee shall recommend (as opposed to implement under the code provision) the policy on the engagement of the external auditors to supply non-audit services for the following reasons:

- (i) it is proper and appropriate for the Board and its committees to develop policy and make appropriate recommendations;
- (ii) the proper and appropriate mechanism for implementation of such policy and recommendations is through the Executive Directors and management; and
- (iii) INEDs are not in an effective position to implement policy and follow up the same on a day-to-day basis.

Further, the Board considers that the Audit Committee only possesses the effective ability to scrutinize (as opposed to ensure under the code provision) whether management has performed its duty to have effective risk management and internal control systems. The Audit Committee is not equipped to ensure that the same is in place as this would involve day-to-day supervision and the employment of permanent experts. The Audit Committee is not in a position either to ensure co-ordination between the internal auditors but it can promote the same. Similarly, the Audit Committee is not in a position to ensure that the internal audit function is adequately resourced but it can check whether it is adequately resourced.

The Audit Committee shall meet at least twice a year in accordance with its terms of reference. Two Audit Committee meetings were held in 2017 and the attendance of each member is set out in the section headed "The Board" of this report.

In addition to the Audit Committee meetings, the Audit Committee also dealt with matters by way of circulation during 2017. In 2017 and up to the date of this report, the Audit Committee performed the works as summarised below:

- (i) reviewed and approved the audit scope and fees proposed by the external auditor;
- (ii) reviewed the reports of findings/independent review report from the external auditor and the management's response in relation to the final audit for the year ended 31st December, 2016, the interim results review for the six months ended 30th June, 2017 and the final audit for the year ended 31st December, 2017 of the Group;

Audit Committee (Cont'd)

- (iii) reviewed and recommended for the Board's approval the financial reports for the year ended 31st December, 2016, for the six months ended 30th June, 2017 and for the year ended 31st December, 2017 together with the relevant management representation letters and announcements;
- (iv) reviewed the Group Internal Audit Plan prepared by the Internal Audit Department ("IAD");
- (v) reviewed and recommended for the Board's approval the updated report on substantiation of the resources, qualifications and experience of staff of the Group's accounting, internal audit and financial reporting functions, and their training programmes and budget;
- (vi) reviewed and recommended for the Board's annual review the Related Party Transaction Policies and Procedures, Procedures for the Identification and Monitoring of Connected Transactions, Whistle Blower Policy, Policy on the Disclosure of Inside Information, Manual of Company Management Authority and Policy on Risk Management, Compliance and Internal Control Procedures; and
- (vii) reviewed and recommended for the Board's annual review the Group's risk management and internal control systems.

Executive Committee

The Executive Committee has been established since January 1993 and currently consists of two Executive Directors, being Messrs. Lee Seng Hui (Chairman of the Executive Committee) and Edwin Lo King Yau. The Executive Committee is vested with all the general powers of management and control of the activities of the Group as are vested in the Board, save for those matters which are reserved for the Board's decision and approval pursuant to the written terms of reference of the Executive Committee. The terms of reference of the Executive Committee were revised in November 2007 following the adoption of the Whistle Blower Policy by the Company.

The Executive Committee will meet as and when necessary to discuss the operating affairs of the Group and may also deal with matters by way of circulation. The Executive Committee is mainly responsible for undertaking and supervising the day-to-day management and is empowered:

- (i) to formulate and implement policies for the business activities, internal control and administration of the Group; and
- (ii) to plan and decide on strategies to be adopted for the business activities of the Group within the overall strategy of the Group as determined by the Board.

COMPANY SECRETARY

Ms. Lau Tung Ni is the Company Secretary of the Company. All Directors have access to the advice and services of the Company Secretary. The Company Secretary reports to the Chairman on board governance matters, and is responsible for ensuring that Board procedures are followed and for facilitating communications among Directors as well as with the Shareholders and management.

Ms. Lau is a fellow member of The Institute of Chartered Secretaries and Administrators and The Hong Kong Institute of Chartered Secretaries. During 2017, Ms. Lau undertook over 15 hours of relevant professional training to update her skills and knowledge.

CODES FOR SECURITIES TRANSACTIONS BY DIRECTORS AND RELEVANT EMPLOYEES

The Company has adopted the Model Code for Securities Transactions by Directors of Listed Issuers ("Model Code") as set out in Appendix 10 of the Listing Rules as its code of conduct regarding securities transactions by the Directors. All Directors have confirmed, following a specific enquiry by the Company, that they have complied with the required standard as set out in the Model Code.

The Company has also adopted the Model Code as the Code for Securities Transactions by Relevant Employees to regulate dealings in securities of the Company by certain employees of the Company or any of its subsidiaries who are considered to be likely in possession of inside information in relation to the Company or its securities.

ACCOUNTABILITY AND AUDIT

Financial Reporting

The Directors acknowledge their responsibility for preparing, with the support from the Accounts Department, the consolidated financial statements of the Group. In preparing the consolidated financial statements for the year ended 31st December, 2017, the accounting principles generally accepted in Hong Kong have been adopted and the requirements of the Hong Kong Financial Reporting Standards (which also include Hong Kong Accounting Standards and Interpretations) issued by the Hong Kong Institute of Certified Public Accountants and the disclosure requirements of the Hong Kong Companies Ordinance were complied with. The Directors believe that they have selected suitable accounting policies and applied them consistently, and made judgments and estimates that are prudent and reasonable and have ensured that the consolidated financial statements are prepared on a going concern basis.

The reporting responsibilities of the Company's external auditor, Deloitte Touche Tohmatsu, are set out in the Independent Auditor's Report on pages 107 to 116.

29

ACCOUNTABILITY AND AUDIT (CONT'D)

Risk Management and Internal Control

The Board has the responsibility to review annually the effectiveness of the Group's risk management and internal control systems covering all material controls, including financial, operational and compliance controls. In 2017, the Board, through the Audit Committee, had reviewed the adequacy of resources, qualifications and experience of staff of the Company's accounting, internal audit and financial reporting functions, and their training programmes and budget.

The Group's risk management and internal control systems are designed to provide reasonable, but not absolute, assurance against material misstatement or loss; to manage rather than completely eliminate the risk of system failure; and to assist in the achievement of the Group's agreed objectives and goals. They have a key role in the management of risks that are significant to the fulfilment of business objectives. In addition, they should provide a basis for the maintenance of proper accounting records and assist in the compliance with relevant laws and regulations.

Systems and procedures are put in place to identify, evaluate and manage the risks of different businesses and activities. The annual assessment is performed through the completion by the relevant business units and department heads of their respective responsibility statements as co-ordinated by the IAD. The result and findings are reported by the management to the Chairman of Executive Committee who puts forward the same to the Audit Committee and the Board for review on the effectiveness of the risk management and internal control systems, which have been considered effective and adequate.

The Company's principal subsidiaries are managed under independent systems of risk management and internal controls. These subsidiaries have provided appropriate assurance to the Company on their compliance with the CG Code regarding risk management and internal control systems in general to the Company.

A discussion of the policies and procedures on the management of each of the major types of risk which the Group is facing is included in note 42 to the consolidated financial statements and under the "Principal Risks" section contained in the Review of Operations on page 13.

Internal Audit

The Head of Internal Audit reports to the Chairman of the Board and the Audit Committee. The IAD generally carries out the analysis and independent appraisal of the adequacy and effectiveness of the Group's risk management and internal control systems.

The Group Internal Audit Plan was prepared by the IAD and issued to the Audit Committee and the Board for review.

Policy on Disclosure of Inside Information

The Board has adopted the Policy on the Disclosure of Inside Information ("Policy") effective on 1st January, 2013 with respect to the procedures and internal controls for the handling and dissemination of inside information. The Policy sets out guidelines and procedures to the directors of the Company and relevant officers of the Group to ensure inside information of the Group is to be disseminated to the public on an equal basis and in timely manner. Directors and relevant officers in possession of potential inside information and/or inside information are required to take reasonable measures to ensure that proper safeguards are in place to preserve strict confidentiality of inside information and to ensure that its recipients recognise their obligations to maintain the information confidential. The Policy shall be updated and revised as and when necessary in light of changes in circumstances and changes in the Listing Rules, Part XIVA of the Securities and Futures Ordinance and relevant statutory and regulatory requirements from time to time.

ACCOUNTABILITY AND AUDIT (CONT'D)

External Auditors' Remuneration

During the year, the remuneration paid to the Group's external auditors is set out as follows:

Services rendered for the Group	HK\$ Million
Audit services	8.2
Non-audit services	
– Taxation services	0.9
- Other professional services	0.8
Total	9.9

COMMUNICATION WITH SHAREHOLDERS

The Board recognises the importance of good communication with Shareholders. Information in relation to the Group is disseminated to Shareholders in a timely manner through a number of formal channels, which include interim and annual reports, announcements and circulars. Such published documents together with the latest corporate information and news are also made available on the website of the Company.

The Company's AGM is a valuable forum for the Board to communicate directly with Shareholders. The Chairman actively participates at the AGM and personally chairs the meeting to answer any questions from Shareholders. The chairmen of the Audit Committee, Remuneration Committee and Nomination Committee or in their absence, another member of the respective committees or failing that their respective duly appointed delegate, are also available to answer questions at the AGM. The chairman of any independent board committee formed as necessary or pursuant to the Listing Rules (or if no such chairman is appointed, at least a member of the independent board committee) will also be available to answer questions at any general meeting of Shareholders to approve a connected transaction or any other transaction that is subject to independent Shareholders' approval.

During the year, the 2017 AGM was held on 26th May, 2017. The attendance records of the Directors at the general meeting are set out in the section headed "The Board" of this report.

Mr. Arthur George Dew ("Mr. Dew", the Chairman of the Board and the chairman of the Nomination Committee), by reason of undergoing a medical procedure, and Mr. David Craig Bartlett ("Mr. Bartlett", the chairman of the Remuneration Committee), due to other business engagements, were unable to attend the 2017 AGM resulting in a deviation from the code provision E.1.2 of the CG Code. Despite his absence, Mr. Dew had reviewed all the documents and procedures of the 2017 AGM before the meeting, and all records and minutes of the 2017 AGM have been circulated to Mr. Dew and Mr. Bartlett after the meeting for information. Moreover, Mr. Lee Seng Hui, the Chief Executive and Executive Director of the Company, who attended and chaired the meeting as Mr. Dew's delegate in the Board, and Mr. Alan Stephen Jones, Independent Non-Executive Director of the Company and a member of each of the Nomination Committee and the Remuneration Committee, who attended the meeting as Mr. Dew's and Mr. Bartlett's delegate in such committees, were available to answer questions to ensure effective communication with the Shareholders.

COMMUNICATION WITH SHAREHOLDERS (CONT'D)

Separate resolutions are proposed at the general meetings for each substantial issue, including the re-election of retiring Directors.

The notice to Shareholders is to be sent in the case of AGM at least 20 clear business days before the meeting and to be sent at least 10 clear business days in case of all other general meetings. An explanation of the detailed procedures of conducting a poll is provided to the Shareholders at the commencement of the meeting. The Chairman answers questions from Shareholders regarding voting by way of a poll. The poll results are published in the manner prescribed under the requirements of the Listing Rules.

Shareholder(s) representing at least 5% of the total voting rights of all Shareholders having a right to vote at general meetings as at the date of deposit of the requisition can request the Directors to convene an extraordinary general meeting ("EGM") by sending a written request to the registered office of the Company ("Registered Office"). Such requisition must state the general nature of the business to be dealt with at the EGM and must be authenticated by the person or persons making it. Besides, Shareholders may make a proposal ("Proposal") at a Shareholders' meeting by submitting it in written form to the Board at the Registered Office in accordance with the Companies Ordinance and the Articles of Association where applicable. The Proposal shall be in the form of a proposed resolution, which shall clearly and concisely set out the Proposal for discussion and be relevant to the Company's business scope.

The Board established a shareholders' communication policy in April 2012, and subsequently updated in December 2015. A Shareholder may serve an enquiry to the Board at the Registered Office for the attention of the Board in written form, which shall state the nature of the enquiry and the reason for making the enquiry. In addition, Shareholders can contact Computershare Hong Kong Investor Services Limited, the share registrar of the Company, for any questions about their shareholdings.

CORPORATE GOVERNANCE ENHANCEMENT

Enhancing corporate governance is not simply a matter of applying and complying with the CG Code of the Stock Exchange but also about promoting and developing an ethical and healthy corporate culture. We will continue to review and, where appropriate, improve our current practices on the basis of our experience, regulatory changes and developments. Any views and suggestions from our Shareholders to promote and improve our transparency are also welcome.

On behalf of the Board

Arthur George Dew Chairman

Hong Kong, 26th March, 2018

APPROACH AND STRATEGY

Allied Group Limited believes in delivering long-term, sustainable value creation to our shareholders. In doing so, we recognise that the choices we make will have an impact on the communities in which we carry on our business and we should make such impact a positive one. The Company has adopted a Sustainability Policy which covers our principles in the area of employment and labour practices, business integrity, the environment and the community and we shall endeavour to embrace these principles as part of our practice and governance to contribute to the sustainable development of society and the environment.

The board of directors of the Company ("Board") has overall responsibility for the Company's strategy and reporting in respect of Environmental, Social and Governance ("ESG") issues and has reviewed the effectiveness of the Group's risk management and internal control systems, which are put in place to identify, evaluate and manage the risks of different businesses and activities, including the ESG-related risks. Based upon the assessments made by the Company's senior management, subsidiaries' respective management and the external auditors, the Board considered that such systems are effective and adequate.

This report outlines the Group's sustainability initiatives and selected Key Performance Indicators ("KPI") that are material to the Group and its stakeholders on ESG issues for the year ended 31st December, 2017. This report supplements information disclosed elsewhere in this Annual Report, and was approved by the Board on 26th March, 2018.

REPORTING SCOPE

The subject areas and aspects are presented based on the "Environmental, Social and Governance Reporting Guide" ("ESG Guide") as set out in Appendix 27 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited ("Stock Exchange").

MATERIALITY ASSESSMENT AND STAKEHOLDER ENGAGEMENT

Amongst various environmental and social issues based on the ESG Guide within the scope of sustainability, the below are the list of issues that are considered to be material and relevant to the Group. The priorities are set based on management's view as well as conclusions from stakeholders' engagement. We regularly engage key stakeholders in daily operations through meetings, events, and other communications and feedback channels. Based on management's assessment, the aspects and KPIs relevant for this report's disclosure are set out as follows:

Material and relevant issues:

Supply chain management (Aspect B5) general disclosure, KPI B5.1, B5.2 Anti-corruption (Aspect B7) general disclosure, KPI B7.2

Other relevant issues:

Emissions (Aspect A1) general disclosure Use of resources (Aspect A2) general disclosure, KPI A2.1 The environment and natural resources (Aspect A3) general disclosure, KPI A3.1 Employment (Aspect B1) general disclosure Health and safety (Aspect B2) general disclosure Development and training (Aspect B3) general disclosure, KPI B3.1, B3.2 Labour standards (Aspect B4) general disclosure Product responsibility (Aspect B6) general disclosure, KPI B6.2, B6.5 Community investment (Aspect B8) general disclosure, KPI B8.1, B8.2

All other aspects of KPI not mentioned above were concluded to be not relevant for disclosure.

The following ESG issues are presented based on the classification of provisions by the Stock Exchange's ESG Guide.

A. ENVIRONMENTAL ISSUES

The Group's Sustainability Policy encompasses our general approach towards environmental issues. We endeavour to:

- observe relevant laws and regulations and aim to go beyond minimum requirements;
- prevent/minimise air and greenhouse gas emissions, discharges into water and land, and generation of hazardous and non-hazardous waste;
- make efficient use of resources, including energy, water and other raw materials;
- minimise the impact of the Group's activities on the environment and natural resources; and
- engage our staff, customers and partners to promote environmentally sustainable business practices and constantly re-assess our processes to minimise environmental impact.

This report does not include the disclosure of all the environmental KPIs as they are not considered material or relevant as a conclusion of our stakeholder engagement as well as management's view. Instead, we have discussed our general approach and effort to reduce the Group's environmental footprint in various aspects.

Emissions (Aspect A1)

The Group is not involved in any manufacturing activities. Emissions produced directly by the Group only related to the executive passenger vehicles (36) and company boats (8) in Hong Kong and mainland China. These are used for senior staff's local travel only as well as for entertainment. It is therefore that the scale and usage are immaterial given the size of the Group's assets and staff.

Other emissions produced are mostly on a "second degree" basis as incurred during occasional business travels.

In line with our policy to minimise air and greenhouse gas emissions, major operations are equipped with video conferencing facilities to reduce the need for face to face meetings and keep business travelling to a minimum. Only a small percentage of employees travel for business.

There are no relevant laws and regulations applicable to our business in this aspect.

A. ENVIRONMENTAL ISSUES (CONT'D)

Use of Resources (Aspect A2), and The Environment and Natural Resources (Aspect A3)

We have adopted a series of internal control policies and procedures to enhance the efficiency in consumption of resources including energy, water and other paper. With 5,080 staff across the Group, we consume considerable amounts of electricity and paper and with the efficient use of such, we hope to minimise our impact on the environment while we grow our businesses. Water consumption is not material to our business as it relates mainly to the personal consumption of our staff or for their personal hygiene.

Since June 2013, electronic board paper systems have been promoted and implemented throughout the Group, allowing our directors to access meeting papers online anytime, anywhere with the use of portable electronic devices, improving Board efficiency whilst saving paper.

The Company has for some years established an electronic communication channel with shareholders, allowing shareholders to select to receive our corporate communications, such as annual reports, interim reports and circulars, by accessing online versions instead of receiving hard copies in mail. As a result, printing quantities of our corporate communications are substantially reduced and consumption of paper are thus minimised.

Environmental protection guidelines for energy savings and reduction in paper consumption are circulated to all staff at head office and branches. For instance, staff are reminded to switch off lights and equipment after work, during lunch break or during the time working outside the office and wherever possible. Energy efficient office equipment is always preferred in making purchase decisions. During 2017, the Group's total electricity consumption was approximately 7.6 million kwh (2016: 8.2 million kwh).

In Hong Kong, United Asia Finance Limited ("UAF") has joined the "Charter on External Lighting" (the "Charter") launched by the Environment Bureau since 2016 and the external lighting of advertising and shop signage be switched off after midnight. One of the Group's subsidiary companies, Protech Property Management Limited, has for many years participated in the Earth Hour Campaign (the "Campaign") and encouraged owners/tenants of the flats and buildings which it manages to turn off lights every year for one hour at 8:30 pm on the Campaign nights. The purpose of the Charter and the Campaign is to minimise light nuisance and energy wastage and to bring general awareness of environmental protection.

Throughout the Group, the following business processes were implemented to improve efficiency and to reduce paper usage:

- On-line or mobile loan applications channels
- Web-based application system such as Document Management Systems of UAF and Sun Hung Kai Credit Limited ("SHK Credit")
- Electronic loan statements
- Recycling schemes of office equipment and supplies
- Internal electronic administration and communication platform

A. ENVIRONMENTAL ISSUES (CONT'D)

Use of Resources (Aspect A2), and The Environment and Natural Resources (Aspect A3) (Cont'd)

In the property and hotel business, eco-friendly options are often considered and where possible/ appropriate are implemented in operations, construction and maintenance works.

These include:

- 1. Building Environmental Assessment Method Plus applied to demolition and new building project.
- 2. Replace air-cool with water-cool air-conditioning system with selection of more efficient oilfree chillers.
- 3. Up-grade building management system with better control for air-handling units.
- 4. Carry out energy audits.
- 5. Replace energy wasting lights with LED lights.
- 6. Change diesel boilers to gas boilers and heat pumps for hot water system.
- 7. Use of syphonic double flush WC units where appropriate.
- 8. Roof waterproofing system using more economical and efficient method to reduce noise, dust and debris.
- 9. Use of non-Chlorofluorocarbon based refrigerants in air-conditioning unit selection.

Recycling scheme for materials, such as paper, plastic, glass bottle, cooking oil and electronic materials, has been launched in certain restaurants and within internal departments. Food saving has also been encouraged in joining the Waste Check Charter with the Environmental Protection Department.

Except for the abovementioned, the Group's businesses have no direct impact on the environment and natural resources.

B. SOCIAL ISSUES

Employment, Health and Safety and Labour Standards (Aspect B1, B2, B4)

The Company is substantially an investment holding company and with subsidiaries involved in real estate, finance and money lending, property leasing, management services and elderly care services. Our people are our most important assets that drive the long-term development and sustainability of the Company. The Group's policy on employment is as follows:

- observing relevant laws and regulations;
- being an equal-opportunity employer, implementing fair practices relating to compensation and dismissal, recruitment and promotion, working hours, rest periods, equal opportunity, diversity, anti-discrimination, and other benefits and welfare for our staff;
- providing a safe, healthy and quality workplace and protecting employees from occupational hazards;
- promoting a good work-life balance for staff;
- investing in training and professional development of our staff for the purpose of improving their knowledge and skills for discharging duties at work;
- maintaining an open dialogue with our staff, facilitating a transparent two-way communication; and
- no child and forced labour.

In Hong Kong, the Group's employment of staff is subject to the Employment Ordinance, the Minimum Wage Ordinance, as well as the Employees' Compensation Ordinance. In mainland China, staff employment is subject to the Labour Law and the Employment Contract Law of the People's Republic of China (「中華人民共和國勞動法及勞動合同法」). The Group has no known non-compliance with the above relevant regulations.

Our compensation and benefits (including working hours, rest periods, welfare) need to be competitive with other peers in the same sectors and in general exceeds the minimum as required by the relevant regulations. Owing to the nature of our businesses, work related injuries, occupational health issues and the incurrence of child labour are not significant risk factors.

Further information on the Group's human resources is also detailed in the section headed "Review of Operations" on page 12 of this Annual Report.

The Group endeavours to provide a safe and pleasant working environment for our staff. On top of this, well-being programmes such as those promoting a good work-life balance are regularly offered to staff such as the handling of stress and parenting skills. The Group also sponsors and organises various company teams across the Group for team sports and community service. Sports teams include dragon boating, soccer, basketball, bowling and charity marathon to name a few whereas Volunteer teams visited Elderly Homes/Centers and joined Recreational Activities for Disabled Persons organised by Hong Kong PHAB Association. The Group also participates in various donation campaigns organised by the Community Chest, The World Wildlife Fund Hong Kong and Oxfam Hong Kong, like Walk for Millions, Walk for Nature @ Mai Po and Oxfam Rice Event. Certain operations also publish staff magazines to share Group, industry and staff news and to promote internal communication.

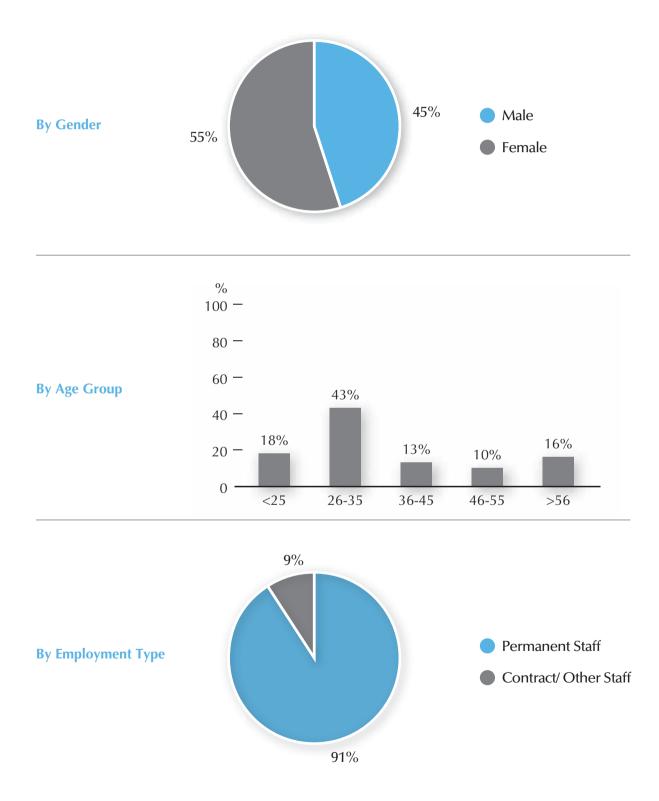

As at 31st December, 2017, the Group employs a total of 5,080 staff compared against 5,343 at the end of 2016 as UAF consolidated its consumer finance branches in mainland China and increased its online presence.

Development and Training (Aspect B3)

The Group is committed to fostering a culture of continuous learning in our organisation. Heavy emphasis is placed on staff training which is tailored to equip our workforce with the necessary knowledge and skills relevant for their work, as well as to build our talent pool. Management is involved, together with professional trainers, in designing training programmes that meet the demands of the workplace. Training content and topics are set to cover the key aspects of our operations. These include:

Compliance and regulatory – general compliance, market and regulatory updates, prevention of bribery, bankruptcy laws, data privacy, the Money Lenders Ordinance ("MLO").

Management skills and personal – leadership skills, supervisory skills, KPI setting, communication and interpersonal skills, creative thinking and problem solving skills, self-development skills.

Job skills – language skills, computer skills, debt collection skills, customer service skills.

UAF has a comprehensive graduate training programme to train up talented university graduates for future advancement to the management team. The 25-month programme provides training on their knowledge and skill sets for consumer financing industry.

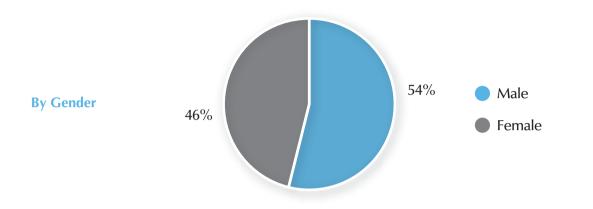

On top of internal training, UAF and SHK Credit also provide a study subsidy for staff to advance their education outside of office hours. UAF Hong Kong has received the honour of "Manpower Developer" from the Employees Retraining Board every year since 2012.

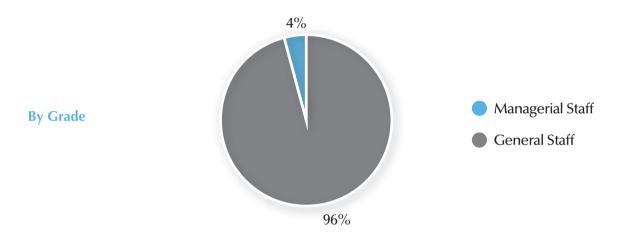

In the hotel sector, as talents are our most valuable assets, we have formulated strategic plans for talent retention, growth and development. We also provide training courses on regular basis for talents.

Staff training across the Group amounted to 85,483 hours in total.

Supply Chain Management (Aspect B5)

The Group's general business suppliers include providers of information technology and communication, premises, legal and other business services as well as vendors for office supplies. These are not considered to pose significant social risks for our business and procurement decisions are based on pricing, suitability as well as the general reputation of suppliers.

For UAF and SHK Credit businesses specifically, external debt collection agents are engaged only after internal collection efforts have failed to collect overdue debts. More than 22 and 45 of such agents were engaged by both businesses in Hong Kong and mainland China respectively. UAF and SHK Credit both have well-defined policies and procedures for the selection, monitoring of their debt collection agents. The agents are selected carefully based on track record of good practices and reputation. They are required to abide by a Code of Conduct and are subject to benchmarking, audits and rotation. As UAF and SHK Credit do not sell their receivables, they can retain control over the collection process. Under the Code of Conduct, the agents shall not:

- sub-contract, delegate the whole or any part of their duties under the debt service agreement with UAF and SHK Credit;
- violate the relevant laws and regulations; and
- engage in any action or conduct which is prejudicial to the business, integrity, reputation or goodwill of UAF and SHK Credit.

As part of monitoring these agents, regular surveys are conducted with customers and the general public for feedback. During 2017, the number of complaints received on debt collection is minimal, which is less than 0.01% of the UAF's and SHK Credit's customer base. We understand that this is a very low ratio by industry standards according to management's knowledge. Over the years, UAF's market share by customer numbers (outside of banks) in Hong Kong continued to lead as a result of its solid reputation.

Product Responsibility (Aspect B6)

The Group provides loan products to individuals and corporates in Hong Kong and mainland China. These include private credit extended to corporates under the Principal Investments Segment of SHK, consumer finance and small business loans through UAF, as well as mortgage loans through SHK Credit.

In Hong Kong, all the relevant loan businesses above operate under the MLO, being licensed money lenders. In mainland China, UAF's operations follow the regional guidelines announced by the provincial governments under the Guiding Opinions of the China Banking Regulatory Commission and the People's Bank of China on the Pilot Operation of Small Loan Companies as well as the Special Rectification Documents of their special working group on cash loans, internet loans and P2P loans including "關於規範整頓現金貸業務的通知", "關於印發小額貸款公司網絡小額貸款業務風險專項整治實施方案的通知(網貸整治辦函[2017]56號)" and "關於做好P2P網絡借貸風險專項整治實施方案的通知(網貸整治辦函[2017]57號". During the year, there were no known cases of non-compliance with the above laws or regulations.

Product Responsibility (Aspect B6) (Cont'd)

In Hong Kong, the MLO focuses on borrowers' rights as well as lenders' practices. UAF, as a founding member of The Hong Kong S.A.R. Licensed Money Lenders Association Limited ("LMLA"), has led the drafting of the Code of Practice (the "Code") for the money lending industry. The Code was promoted for application by all the members of the LMLA including UAF and SHK Credit. The Code is a comprehensive framework of market practice and standard, developed based on the Hong Kong Monetary Authority's guidelines to banks, in the various business aspects such as customer relationships, know-your-customer, anti-money laundering, credit evaluation, collection and recovery and data privacy. UAF is on the executive committee of LMLA and leads the task force for regular review of the Code. UAF also holds regular dialogues with the Companies Registry (which reviews the licensing matters of money lenders) to discuss best practices and industry trends.

Servicing approximately 210,000 customers in Hong Kong and mainland China, UAF and SHK Credit place a very high priority to uphold customers data privacy. Measures and clear guidelines are in place and observed to ensure customers' relevant data are protected against unauthorized or accidental access, processing or erasure. Appropriate levels of security protection were implemented by adequate physical, electronic and managerial measures to safeguard and secure customers' personal data. In addition, all Hong Kong staff are required to complete a Personal Data (Privacy) Ordinance e-learning course annually.

Owing to the nature of the consumer finance business where debt collection is involved, reputational risk monitoring and preventions are of utmost importance. At both UAF and SHK Credit, various measures are in place to minimise risks. Results and response to collection efforts are monitored on a timely basis. Dedicated telephone hotlines are set up for customer complaints and dispute resolution. External agents engaged for collection are tightly monitored as discussed above.

Anti-corruption (Aspect B7)

A Whistle Blower Policy has been established to facilitate employees' direct reporting of any unlawful conduct, any incident of corruption, avoidance of internal controls, incorrect or improper financial or other reporting to senior management. This policy is either circulated to employees periodically or placed on the corporate electronic platform by the Group to facilitate employees' easy access and reporting.

All relevant staff in Hong Kong are required to complete Money Laundering & Counter-Terrorist Financing e-learning courses annually. Seminar of the Independent Commission Against Corruption on anti-corruption is organised periodically for employees.

Community Investment (Aspect B8)

We strive to excel for our customers and undertake the responsibility of a good corporate citizen contributing to the community by encouraging our staff to enrol in charity and social services.

UAF had a long history of participation in volunteering activities to service our communities. It was also named a "Caring Company" by the Hong Kong Council of Social Service for 12 consecutive years. Since 2015, the UAF volunteer team has participated in community services projects serving the underprivileged, such as low-income senior citizens, senior citizens living alone, children from low-income families etc. As at 31st December, 2017, UAF had a total of 53 volunteer members and served a total of 1,040 hours in various community activities during 2017.

The key activities in 2017 include the following:

- Po Leung Kuk: Elderly Visit and Gathering Community Canteen
- HK Family Welfare Society: Cultural Preservation Trip for Elders
- Po Leung Kuk: Eastern Green Community Station Visit
- Po Leung Kuk: Roof Greening for Po Leung Kuk Elderly Centre
- St. James Settlement: Environmental Protection Education for Children from Low Income Family – City Fisherman Experience Day
- St. James Settlement: Go Run Together Charity Run 2017

Community Investment (Aspect B8) (Cont'd)

Apart from charitable activities, the Group is also actively involved in the community via our participation as well as our senior management's roles in industry organisations, schools, chambers and Non-Governmental Organisations. By sharing our knowledge and best practices, we aim to contribute to the long term development of the communities we operate in.

Role of Company/Senior Management	Organisation
SHK	
Committee Member	The Chamber of Hong Kong Listed Companies
Corporate Member	The Malaysian Chamber of Commerce (Hong Kong and Macau) Ltd.
Corporate Member	The Hong Kong Investor Relations Association
UAF	
Founding member, Chairman	The Hong Kong S.A.R. Licensed Money Lenders Association Limited
Trustee member	New Asia College of The Chinese University of Hong Kong
Director	Hong Kong and Macau Taiwanese Charity Fund Limited

The Group's total charitable donations during the year amounted to approximately HK\$23.3 million, benefiting causes for education, health, and charity services for the underprivileged.

In addition the Sun Hung Kai & Co. Foundation (the "Foundation") sponsored by SHK also served as a platform for SHK and its business associates and partners to support our community, in particular, to improve the lives of the underprivileged. The Foundation's principal interests are in the areas of poverty relief, education and the environment.

In the hotel sector, we promote community contribution within the organisation. In 2017, we have committed to reconciliation through Non-Governmental Organisations, e.g. Orbis, St. James Settlement and World Wildlife Fund Hong Kong, for various programmes which encouraged social responsibility between the staff and the community.

The board of directors of the Company ("Board") presents its annual report and the audited consolidated financial statements of the Company and its subsidiaries (collectively "Group") for the year ended 31st December, 2017.

PRINCIPAL ACTIVITIES AND BUSINESS REVIEW

The Company acts as an investment holding company and provides corporate management services. - (x) Mr. Arthur George Dew is the non-executive chairman of Tian An Australia Limited which, through certain of its subsidiaries, is partly engaged in property development.

Although the above-mentioned Directors have competing interests in other companies by virtue of their respective common directorship or shareholding, they will fulfil their fiduciary duties in order to ensure that they will act in the best interests of the Shareholders and the Company as a whole at all times. Hence, the Group is capable of carrying on its businesses independently of, and at arm's length from, the businesses of such companies.

DIRECTORS' INTERESTS IN TRANSACTIONS, ARRANGEMENTS OR CONTRACTS

No transactions, arrangements or contracts of significance to which the Company or any of its subsidiaries was a party and in which the Directors or an entity connected with the Directors had a material interest, whether directly or indirectly, subsisted at the end of the year or at any time during the year. For information only:

- (i) a tenancy agreement dated 19th November, 2015 entered into between Mr. Lee Seng Hui as the tenant and a non wholly-owned subsidiary of the Company as the landlord had expired on 18th November, 2017 and was renewed by a tenancy agreement dated 29th November, 2017 for a term commencing from 19th November, 2017. The total rental of HK\$4.1 million received therefrom during the year ended 31st December, 2017 is considered insignificant in relation to the Group's business. Such tenancy agreement was subsequently terminated on 14th February, 2018.
- (ii) (a) a tenancy agreement dated 12th July, 2016 was entered into between San Pack Properties Limited ("San Pack", a non wholly-owned subsidiary of the Company) as the landlord and San Tai Distribution Company Limited ("San Tai", a company of which Mr. Edwin Lo King Yau can exercise more than 50% of the voting rights at the general meetings) as the tenant for the period from 1st July, 2016 to 30th June, 2019; (b) a tenancy agreement dated 4th November, 2016 was entered into between San Pack as the landlord and China Pacific Group Limited ("China Pacific", a company of which Mr. Edwin Lo King Yau can exercise more than 50% of the voting rights at the general meetings) as the tenant for the period from 1st April, 2016 to 31st March, 2019; and (c) a logistics and warehouse services agreement dated 27th March, 2017 was entered into between San Pack as the service provider for the period from 1st April, 2017 to 30th June, 2019. The total rental of HK\$14.1 million received therefrom and the total service fee of HK\$0.3 million paid thereto during the year ended 31st December, 2017 are considered insignificant in relation to the Group's business.

ALLIED GROUP LIMITED 聯合集團有限公司

ARRANGEMENTS TO PURCHASE SHARES OR DEBENTURES

At no time during the year was the Company or any of its subsidiaries a party to any arrangements to enable the Directors to acquire benefits by means of the acquisition of shares in, or debentures of, the Company or any other body corporate.

MANAGEMENT CONTRACTS

Save for employment contracts, no other contracts, relating to the management and/or administration of the whole or any substantial part of the business of the Company were entered into or subsisted during the year.

PERMITTED INDEMNITY PROVISION

The Articles of Association provides that every Director or other officer of the Company shall be entitled to be indemnified out of the assets of the Company against all losses or liabilities which he/she may sustain or incur in or about the execution of the duties of his/her office or otherwise in relation thereto. In addition, the Company has maintained appropriate directors and officers liability insurance in respect of relevant legal actions against the Directors.

SUBSTANTIAL SHAREHOLDERS' AND OTHER PERSONS' INTERESTS

To the best of Directors' knowledge, at 31st December, 2017, the following Shareholders had interests in the shares or underlying shares of the Company as recorded in the register required to be kept under Section 336 of the SFO:

Name of Shareholders	Number of shares interested	Approximate % of the total number of issued shares	Notes
Cashplus Management Limited ("Cashplus")	55,861,688	31.78%	_
Zealous Developments Limited ("Zealous")	55,861,688	31.78%	1, 2
Minty Hongkong Limited ("Minty")	75,844,692	43.15%	_
Lee and Lee Trust	131,706,380	74.93%	3, 4
Dalton Investments LLC	10,663,938	6.06%	_

Notes:

- 1. This represents the same interest of Cashplus in 55,861,688 shares.
- 2. Cashplus is a wholly-owned subsidiary of Zealous. Zealous was therefore deemed to have an interest in the shares in which Cashplus was interested.
- 3. Minty and Zealous are wholly-owned by the trustees of Lee and Lee Trust, being a discretionary trust.
- 4. Mr. Lee Seng Hui and Ms. Lee Su Hwei, both Directors, together with Mr. Lee Seng Huang are the trustees of Lee and Lee Trust, being a discretionary trust, and were therefore deemed to have an interest in the shares in which Minty and Zealous were interested.
- 5. All interests stated above represent long positions.

CONTINUING CONNECTED TRANSACTIONS

As disclosed in the announcement of the Company dated 27th March, 2017, subsequent to the obtaining of 65% shareholding interests in a target company on 23rd December, 2016 by Mr. Edwin Lo King Yau, Director, which such target company indirectly holds the entire shareholding interest in China Pacific and 68% shareholding interest in San Tai, China Pacific and San Tai became connected persons of the Company within the meaning of the Listing Rules. As a result, the following tenancy agreements entered into between the Group and San Tai and China Pacific respectively prior to them becoming connected persons of the Company constituted continuing connected transactions of the Company:

- (a) a tenancy agreement dated 12th July, 2016 ("Tenancy Agreement I", as supplemented by a side letter dated 26th August, 2016) entered into between San Pack as the landlord and San Tai as the tenant in relation to the leasing of certain industrial premises and parking spaces at Allied Cargo Centre for a term of 3 years from 1st July, 2016 to 30th June, 2019 (both days inclusive) at a monthly rental of HK\$1,156,960 (in respect of the industrial premises, with a rent-free period on the 12th, 24th and 36th month) and HK\$10,800 (in respect of the parking spaces), inclusive of management fees but exclusive of rates; and
- (b) a tenancy agreement dated 4th November, 2016 ("Tenancy Agreement II") entered into between San Pack as the landlord and China Pacific as the tenant in relation to the leasing of certain industrial premises at Allied Cargo Centre for a term of 3 years from 1st April, 2016 to 31st March, 2019 (both days inclusive) at a monthly rental of HK\$105,144 (inclusive of management fees but exclusive of rates).

Allied Cargo Centre is held by San Pack for property investment purposes. The relevant rents were arrived at after arm's length negotiation between San Pack and San Tai/China Pacific with reference to the prevailing market conditions and rental levels of similar properties in the vicinity of the leased premises.

Moreover, on 27th March, 2017, a logistics and warehouse services agreement ("Services Agreement") was entered into between San Pack as the client and San Tai as the service provider, pursuant to which San Tai agreed to provide logistics and warehouse services to San Pack for a term of 27 months from 1st April, 2017 to 30th June, 2019 (both days inclusive) at a service fee of HK\$36,000 per month, which has been determined with reference to the prevailing market conditions and costs of providing such services.

CONTINUING CONNECTED TRANSACTIONS (CONT'D)

The annual caps for the transactions under the Tenancy Agreement I, Tenancy Agreement II and Services Agreement for each of the three financial years ending 31st December, 2019 were set out below. The aggregate amount of rental and service fee for the year ended 31st December, 2017 was HK\$14,441,888.

	Annual cap for the year ended 31st December, 2017 HK\$	Annual cap for the year ending 31st December, 2018 HK\$	Annual cap for the year ending 31st December, 2019 HK\$
Tenancy Agreement I	12,856,160	12,856,160	6,428,080
Tenancy Agreement II	1,261,728	1,261,728	315,432
Services Agreement	324,000	432,000	216,000
Total	14,441,888	14,549,888	6,959,512

Since China Pacific and San Tai became connected persons of the Company, the transactions contemplated under the Tenancy Agreement I, Tenancy Agreement II and Services Agreement (collectively "Continuing Connected Transactions") constituted continuing connected transactions of the Company under Rule 14A.31 of the Listing Rules, which are subject to the reporting, annual review and announcement requirements but are exempt from the independent shareholders' approval requirements under the Listing Rules.

Pursuant to Rule 14A.55 of the Listing Rules, the INEDs have reviewed the Continuing Connected Transactions and have confirmed that the Continuing Connected Transactions were entered into:

- (i) in the ordinary and usual course of business of the Group;
- (ii) on normal commercial terms or better; and
- (iii) according to the relevant agreements governing them on terms that were fair and reasonable and in the interests of the Shareholders as a whole.

Pursuant to Rule 14A.56 of the Listing Rules, the Board engaged the auditor of the Company to perform a review in respect of the above Continuing Connected Transactions and the auditor has reported its conclusion to the Board, confirming the matters set out in Rule 14A.56 of the Listing Rules.

EMOLUMENT POLICY

Details of the Directors' and senior management's emoluments and of the five highest paid individuals in the Group are set out in note 10 to the consolidated financial statements.

The emolument policy of the employees of the Group is set up by the Executive Committee on the basis of their merit, qualifications and competence.

The emoluments payable to Directors will depend on their respective contractual terms under their employment contracts or service contracts as approved by the Board on the recommendation of the Remuneration Committee, having regard to the Company's operating results, individual performance and comparable market statistics.

MAJOR CUSTOMERS AND SUPPLIERS

During the year, the aggregate sales attributable to the Group's five largest customers accounted for less than 30% of the total turnover for the year. Also, the aggregate purchases attributable to the Group's five largest suppliers taken together were less than 30% of the Group's total purchases for the year.

None of the Directors, their close associates or any Shareholders, which to the knowledge of the Directors owned more than 5% of the Company's total number of issued shares, had a beneficial interest in any of the Group's five largest suppliers and customers.

PURCHASE, SALE OR REDEMPTION OF SHARES

Save for the Company's purchases of its own shares on the Stock Exchange as disclosed below, neither the Company nor any of its subsidiaries had purchased, sold or redeemed any of the Company's shares during the year ended 31st December, 2017.

	Number of shares	Purchase co per s	Aggregate consideration paid

DONATIONS

The Group made charitable donations of HK\$23.3 million during the year.

CORPORATE GOVERNANCE

The Company is committed to maintaining a high standard of corporate governance practices. Information on the corporate governance practices adopted by the Company is set out in the Corporate Governance Report on pages 19 to 32.

SUFFICIENCY OF PUBLIC FLOAT

Based on the information that is publicly available to the Company and within the knowledge of the Directors, as at the date of this report, the Company has maintained sufficient public float as required under the Listing Rules.

AUDITOR

A resolution will be submitted to the AGM to re-appoint Deloitte Touche Tohmatsu as the auditor of the Company.

On behalf of the Board

OPINION

We have audited the consolidated financial statements of Allied Group Limited (the "Company") and its subsidiaries (collectively referred to as "the Group") set out on pages 117 to 296, which comprise the consolidated statement of financial position as at 31st December, 2017, and the consolidated statement of profit or loss, consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 31st December, 2017, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

BASIS FOR OPINION

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter 關鍵審核事項

Valuation of investment properties 投資物業之估值

We identified the valuation of investment properties as a key audit matter due to the significance of the balance to the consolidated financial statements as a whole and level of judgment in determining their respective fair values.

Approximately 94% of the investment properties represent residential properties, car parking spaces, commercial properties and a godown located in Hong Kong. The carrying amount of investment properties was HK\$9,048.1 million as at 31st December, 2017 with a resulting change in fair value of HK\$979.1 million recognised in the consolidated statement of profit or loss for the year then ended.

All of the Group's investment properties are held at fair value based on valuations performed by independent qualified professional valuers not connected with the Group (the "Valuers").

Details of the valuation methodology and key inputs used in the valuations are disclosed in note 17 to the consolidated financial statements. The valuations are dependent on certain key inputs that involve management judgment, including term yield, reversionary yield and reversionary rental for investment properties. A table showing the relationship of significant unobservable inputs to fair value is also disclosed in this note.

由於投資物業估值之結餘對綜合財務報表整體而言屬 重大,吾等將投資物業之估值以及於釐定彼等各自公 平價值時涉及之判斷水平視為關鍵審核事項。

約94%之投資物業指位於香港之住宅物業、車位、 商業物業及貨倉。該等投資物業於二零一七年十二月 三十一日之賬面值為9,048.1百萬港元,公平價值變 動979.1百萬港元乃於截至該日止年度的綜合損益表 內確認。

貴集團之全部投資物業根據與 貴集團概無關連之獨 立專業合資格估值師(「估值師」)進行之估值按公平價 值持有。

有關估值所用估值方法及主要輸入數據詳情於綜合財務報表附註17內披露。估值取決於涉及管理層判斷之若干關鍵輸入數據(包括投資物業之年期收益率、復歸收益率及復歸租金)。載列重大不可觀察輸入數據與公平價值之關係之列表亦於本附註內披露。

關鍵審核事項(續)

How our audit addressed the key audit matter 吾等之審核如何處理關鍵審核事項

Our procedures in relation to the valuation of investment properties included:

- Evaluating the competence, capabilities and objectivity of the Valuers and an understanding of the valuation methodology, the performance of the property markets, significant assumptions adopted, critical judgment on key inputs and data used in the valuations;
- Assessing the reasonableness of the key inputs and source data used in the valuations by management and the Valuers by comparing them, on a sample basis to publicly available information of similar comparable properties; and
- Re-performing a sensitivity analysis on the key inputs to evaluate the magnitude of their impacts on the fair values.

吾等就有關評估投資物業所執行之程序包括:

- 評估估值師之勝任能力、專業能力及客觀性並對估 值方法、物業市場表現、所採用的假設、關鍵輸入 數據與用作估值之數據作出的重要判斷進行了解;
- 以抽樣為基礎,通過與類似可資比較物業的公開資料進行比較,評估管理層與估值師於估值中所用關鍵輸入數據及原始數據的合理性;及
- 重新對關鍵輸入數據進行敏感度分析,以評估彼等 對公平價值之影響幅度。

Key audit matter 關鍵審核事項

Impairment assessments of interests in associates 於聯營公司之權益之減值評估

We have identified the impairment assessments of interests in associates as a key audit matter due to the significance of the balance to the consolidated financial statements as a whole and level of judgment (as stated in note 4) in determining the estimated recoverable amount of the relevant interests in the associates.

As at 31st December, 2017, the management has conducted an impairment assessment to ensure that the carrying amount of the interests in Tian An China Investments Company Limited ("TACI") and Sun Hung Kai Financial Group Limited ("SHKFGL") are lower than their respective estimated recoverable amounts. The estimated recoverable amounts of TACI and SHKFGL have been determined with reference to their value in use and fair values less costs of disposal respectively, which are inherently subjective being dependent on the inputs that require management judgment and assumptions about the discounted future cash flows of the respective associates and the related discount rates.

As disclosed in note 23 to the consolidated financial statements, the carrying amounts of TACI and SHKFGL are HK\$10,756.7 million and HK\$1,084.0 million respectively. The management has concluded that there is no impairment in respect of the Group's interest in TACI as its value in use is higher than its carrying amount. An impairment allowance of HK\$572.6 million is recognised for the Group's interest in SHKFGL as the carrying amount is higher than its fair value less cost of disposal.

吾等確認於聯營公司之權益之減值評估為一項關鍵審 核事項乃由於結餘對綜合財務報表整體而言屬重大以 及於釐定於聯營公司之相關權益之估計可收回金額時 涉及判斷水平(如附註4所述)。

於二零一七年十二月三十一日,管理層進行了減值評 估,以確保於天安中國投資有限公司(「天安」)及新鴻 基金融集團有限公司(「新鴻基金融集團」)之權益之賬 面值低於其各自之估計可收回金額。天安及新鴻基金 融集團的估計可收回金額乃分別參考其使用價值及公 平價值減出售成本釐定,帶有主觀性即取決於須管理 層對相關聯營公司的折現未來現金流量及相關的貼現 率作出判斷及假設的輸入數據。

誠如綜合財務報表附註23所披露,天安及新鴻基金融 集團的賬面值分別為10,756.7百萬港元及1,084.0百 萬港元。管理層的結論為 貴集團於天安之權益並無 減值,原因是其使用價值高於其賬面值。就於新鴻基 金融集團之權益而言,由於其賬面值高於其公平價值 減出售成本,故已確認572.6百萬港元的減值撥備。

關鍵審核事項(續)

How our audit addressed the key audit matter 吾等之審核如何處理關鍵審核事項

Our procedures in relation to the impairment assessments of interest in associates included:

- Obtaining an understanding of the process and testing the internal controls over the annual impairment assessment including the Group's assessment of indicators of impairment, preparation of the cash flow forecasts, setting of reasonable and supportable assumptions and inputs to the models used to estimate the recoverable amount;
- Evaluating the appropriateness of the valuation methodology and the models used, with the assistance of our internal valuation specialist, where appropriate;
- Evaluating the reasonableness of the inputs and assumptions used to determine the cash flow forecasts with reference to historical performance, economic and industry indicators, publicly available information and the Group's strategic plans;
- Checking the arithmetic accuracy of the forecast of discounted future cash flows prepared by the respective management; and
- Re-performing the underlying calculations used in the Group's assessment and performing sensitivity testing of the inputs used.

吾等就有關於聯營公司之權益之減值評估所執行之程序 包括:

- 了解進行年度減值評估的程序並對其內部監控進行 測試,包括 貴集團對減值指標的評估、現金流預 測的編製、合理及具支持性假設的設定及輸入模式 用於評估可收回金額的輸入數據;
- 在內部估值專家協助下(倘適用),評估所用估值方 法及模型的適當性;
- 參考過往表現、經濟及行業指標、公開資料及 貴 集團戰略計劃評估釐定現金流預測所用的輸入數據 及假設的合理性;
- 檢查由相關管理層編製對折現未來現金流量的預測的計算準確性;及
- 重新進行於 貴集團評估中所用的相關計算並對所 用的輸入數據進行敏感度測試。

Valuation of loans and advances to consumer finance customers, mortgage loans and term loans 私人財務客戶貸款及墊款、按揭貸款以及有期貸款之估值

We identified the impairment of loans and advances to consumer finance customers, mortgage loans and term loans as a key audit matter due to application of significant judgment and use of subjective assumptions by management.

As shown in notes 26, 27 and 30 to the consolidated financial statements, the Group has loans and advances to consumer finance customers of HK\$9,163.6 million, after recognising an impairment allowance of HK\$663.3 million, mortgage loans of HK\$2,120.4 million, after recognising an impairment allowance of HK\$5.0 million and term loans of HK\$3,458.3 million after recognising an impairment allowance of HK\$87.3 million as at 31st December. 2017.

Loans and advances to consumer finance customers and mortgage loans, which are individually not significant and assessed not to be impaired individually, are assessed for impairment collectively. The collective impairment allowance for loans and advances to consumer finance customers and mortgage loans were based on an evaluation of their collectability with reference to an ageing analysis of accounts and management judgment.

吾等確認私人財務客戶貸款、按揭貸款及墊款以及有 期貸款估值為一項關鍵審核事項乃由於涉及管理層應 用重大判斷及主觀性假設的使用。

誠如綜合財務報表附註26、27及30所示,於二零 一七年十二月三十一日, 貴集團的私人財務客戶貸 款及墊款經確認減值撥備663.3百萬港元後為9.163.6 百萬港元、按揭貸款經確認減值撥備5.0百萬港元 後為2,120.4百萬港元,而有期貸款經確認減值撥備 87.3百萬港元後為3,458.3百萬港元。

私人財務客戶貸款及墊款及按揭貸款(個別屬不重大 且評估為不會個別減值)乃按綜合基準進行減值評 估。私人財務客戶貸款及墊款及按揭貸款之綜合減 值撥備乃根據可收回性評估參考賬齡分析及管理層判 斷。

Our procedures in relation to the collective impairment of loans and advances to consumer finance customers and mortgage loans included:

- Obtaining an understanding of and evaluating • the valuation methodology and assumptions used by management, as well as checking the reasonableness of inputs applied in determining and calculating the collective impairment allowance with reference to the underlying loan data and past collection statistics of respective loan portfolios; and
- . Testing the mathematical accuracy of the collective impairment based on the input data.

吾等就有關私人財務客戶貸款及墊款及按揭貸款之綜合 減值所執行之程序包括:

Term loans are assessed for impairment individually. The consideration for an impairment allowance for term loans is done on an individual basis and involves significant management judgment including the determination of present value of estimated future cash flows taking into account the borrower's financial situation and the net realisable value of the underlying collateral or guarantees received.

The basis of determining the impairment allowances is disclosed in note 4 to the consolidated financial statements.

有期貸款乃按個別基準評估減值。考慮有期貸款減值 撥備乃按個別基準進行且涉及管理層重大判斷,包括 估計未來現金流量現值的釐定;考慮借款人的財務狀 況及已收取相關抵押品或擔保之可變現淨值。

釐定減值撥備的基準披露於綜合財務報表附註4。

Our procedures in relation to the individual impairment of term loans included:

- Obtaining an understanding from management of the established policies and procedures on credit risk approval and monitoring;
- On a sample basis, evaluating management's assessment of the credit quality of the borrowers by examining the credit files, including overdue records, the borrowers' financial information and other relevant information, and checking the existence and recoverable amount of the collateral and the charge over the collateral, as applicable; and
- For those term loans with impairment indicators, checking on a sample basis management's computations of the recoverable amounts and the impairment allowance.

吾等就有關有期貸款之個別減值所執行之程序包括:

OTHER INFORMATION

The directors of the Company are responsible for the other information. The other information comprises the information included in the annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF DIRECTORS AND THOSE CHARGED WITH GOVERNANCE FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The directors of the Company are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

其他信息

貴公司董事須對其他信息承擔責任。其他信息 包括年報中所包含的信息,但不包括綜合財務 報表及吾等就此發出的核數師報告。

吾等對綜合財務報表作出的意見並不涵蓋其他 信息,且吾等不對其他信息發表任何形式的鑒 證結論。

就審核綜合財務報表而言,吾等的責任是閱讀 其他信息,從而考慮其他信息是否與綜合財務 報表或吾等在審核過程中獲悉的信息存在重大 不符,或似乎存在重大錯誤陳述。基於吾等已 執行的工作,如果吾等認為其他信息存在重大 錯誤陳述,吾等須報告此事實。在這方面,吾 等沒有任何報告。

董事及治理層就綜合財務報表須承擔的責 任

貴公司董事須負責根據香港會計師公會頒佈的 香港財務報告準則及香港公司條例編製綜合財 務報表,以令綜合財務報表作出真實而公允的 反映,及落實其認為編製綜合財務報表所必要 的內部監控,以使綜合財務報表不存在由於欺 詐或錯誤而導致的重大錯誤陳述。

在編製綜合財務報表時,董事須負責評估 貴 集團持續經營的能力,並披露與持續經營有關 的事項(如適用),且除非董事有意將 貴集團 清盤或停止營運,或除此之外並無其他實際 可行的辦法,否則董事須採用持續經營會計基 準。

治理層須負責監督 貴集團的財務報告過程。

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion solely to you, as a body, in accordance with section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

核數師就審核綜合財務報表須承擔的責任

吾等的目標乃對綜合財務報表整體是否不存在 由於欺詐或錯誤而導致的重大錯誤陳述取得合 理保證,並出具包括吾等意見的核數師報告, 並按照香港公司條例第405條僅向 閣下(作為 整體)報告,除此之外本報告別無其他目的。 吾等不會就本報告的內容向任何其他人士負上 或承擔任何責任。合理保證為高水平的保證, 但不能保證按照香港審計準則進行的審核總能 發現重大錯誤陳述。錯誤陳述可以由欺詐或錯 誤引起,如果合理預期其單獨或匯總起來可能 影響綜合財務報表使用者依賴綜合財務報表所 作出的經濟決定,則有關的錯誤陳述可被視作 重大。

在根據香港審計準則進行審核的過程中,吾等 運用專業判斷,保持專業懷疑態度。吾等亦:

- 識別及評估由於欺詐或錯誤而導致綜合財務報表存在重大錯誤陳述的風險,設計及執行審核程序以應對該等風險,以及獲取充足及適當的審核憑證,作為吾等意見的基礎。由於欺詐可能涉及串謀、偽造、蓄意遺漏、虛假陳述,或凌駕於內部監控之上,因此未能發現因欺詐而導致的重大錯誤陳述的風險高於未能發現因錯誤而導致的重大錯誤陳述的風險。
- 了解與審核相關的內部監控,以設計在有 關情況下屬適當的審核程序,但目的並非 對 貴集團內部監控的有效性發表意見。
- 評估董事所採用會計政策的適當性以及作出會計估計及相關拔露的合理性。
- 對董事採用持續經營會計基準的適當性作出結論,並根據所獲取的審核憑證,確定是否存在與事項或情況有關的重大不確定性,從而可能導致對 貴集團的持續經營能力產生重大疑慮。倘吾等認為存在重大不確定性,則有必要在核數師報告中提請使用者注意綜合財務報表中的相關披露。假若有關的披露不足,則修訂吾等的意見。吾等的結論乃基於直至核數師報告日期止所取得的審核憑證。然而,未來事項或情況可能導致 貴集團不能持續經營業務。

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS (CONT'D)

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in the independent auditor's report is Sze Ching Yiu.

核數師就審核綜合財務報表須承擔的責任 (續)

- 評估綜合財務報表的整體列報方式、結構 及內容,包括披露,以及綜合財務報表是 否公平反映相關交易及事項。
- 就 貴集團內實體或業務活動的財務資料 獲取充足適當的審核憑證,以便對綜合財 務報表發表意見。吾等負責 貴集團審核 的方向、監督及執行。吾等為審核意見承 擔全部責任。

除其他事項外,吾等與治理層溝通審核的計劃 範圍及時間以及重大審核發現等,其中包括吾 等在審核中識別出內部監控的任何重大不足之 處。

吾等亦向治理層提交聲明,表明吾等已符合有 關獨立性的相關專業道德要求,並與彼等溝通 可能合理被認為會影響吾等獨立性的所有關係 及其他事項以及在適用的情況下相關的防範措 施。

從與治理層溝通的事項中,吾等確定該等對本 期綜合財務報表的審核最為重要的事項,因而 構成關鍵審核事項。吾等在核數師報告中闡釋 該等事項,除非法律或規例不允許公開披露該 等事項,或在極端罕見的情況下,合理預期倘 於吾等之報告中註明某事項造成的負面後果超 過產生的公眾利益,則吾等決定不應在報告中 註明該事項。

出具本獨立核數師報告的審核項目合夥人為施 清耀。

2. APPLICATION OF NEW AND AMENDMENTS TO HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs") (CONT'D)

Amendments to HKFRSs that are mandatorily effective for the current year (Cont'd)

Except as described below, the application of the above new and amendments to HKFRSs in the current year has had no material impact on the Group's financial performance and positions for the current and prior years and/or on the disclosures set out in these consolidated financial statements.

Amendments to HKAS 7 Disclosure Initiative

The Group has applied these amendments for the first time in the current year. The amendments require an entity to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both cash and noncash changes. In addition, the amendments also require disclosures on changes in financial assets if cash flows from those financial assets were, or future cash flows will be, included in cash flows from financing activities.

Specifically, the amendments require the following to be disclosed: (i) changes from financing cash flows; (ii) changes arising from obtaining or losing control of subsidiaries or other businesses; (iii) the effect of changes in foreign exchange rates; (iv) changes in fair values; and (v) other changes.

A reconciliation between the opening and closing balances of these items is provided in note 43. Consistent with the transition provisions of the amendments, the Group has not disclosed comparative information for the prior year. Apart from the additional disclosure in note 43, the application of these amendments has had no impact on the Group's consolidated financial statements.

The same accounting policies, presentation and methods of computation have been followed in these consolidated financial statements as were applied in the preparation of the Group's financial statements for the year ended 31st December, 2016. 綜合財務報表附註(續)

2. APPLICATION OF NEW AND AMENDMENTS TO HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs") (CONT'D)

New and revised HKFRSs in issue but not yet effective (Cont'd)

HKFRS 9 – Financial Instruments

HKFRS 9 introduces new requirements for the classification and measurement of financial assets, financial liabilities, general hedge accounting and impairment requirements for financial assets.

Key requirements of HKFRS 9 which are relevant to the Group are:

- all recognised financial assets that are within the scope of HKFRS 9 are required to be subsequently measured at amortised cost or fair value. Specifically, debt instruments that are held within a business model whose objective is to collect the contractual cash flows, and that have contractual cash flows that are solely payments of principal and interest on the principal outstanding are generally measured at amortised cost at the end of subsequent accounting periods. Debt instruments that are held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets, and that have contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding, are generally measured at fair value through other comprehensive income ("FVTOCI"). All other debt instruments and equity investments are measured at their fair value at subsequent accounting periods. In addition, under HKFRS 9, entities may make an irrevocable election to present subsequent changes in the fair value of an equity investment (that is not held for trading) in other comprehensive income, with only dividend income generally recognised in profit or loss.
- with regard to the measurement of financial liabilities designated as at fair value through profit or loss, HKFRS 9 requires that the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is presented in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss. Changes in fair value attributable to a financial liability's credit risk are not subsequently reclassified to profit or loss. Under HKAS 39 Financial Instruments: Recognition and Measurement, the entire amount of the change in the fair value of the financial liability designated as fair value through profit or loss is presented in profit or loss.

香港財務報告準則第9號一金融工具 香港財務報告準則第9號引入了有關金融 資產之分類及計量、金融負債、一般對沖 會計法,以及金融資產的減值要求的新規 定。

香港財務報告準則第9號中適用於本集團 之主要規定為:

- 所有屬香港財務報告準則第9號範疇 內之已確認金融資產,其後均按攤銷 成本或公平價值計量。尤其是,按商 業模式持有而目的為收取合約現金流 量之債務工具,以及純粹為支付本金 及未償還本金之利息而擁有合約現金 流量之債務工具,一般均於其後會計 期間結算日按攤銷成本計量。於目的 為同時收回合約現金流量及出售金融 資產之業務模式下持有之債務工具, 以及合約條款令於特定日期產生之現 金流純粹為支付本金及未償還本金之 利息的債務工具,一般以按公平價值 計入其他全面收益(「按公平價值計入 其他全面收益」)計量。所有其他債務 工具及股本投資均於其後會計期間按 公平價值計量。此外,根據香港財務 報告準則第9號,實體可作出不可撤 銷地選擇在其他全面收益中呈列股權 投資(並非持作交易)之公平價值變 動,並只在損益賬中確認股息收入。

2. APPLICATION OF NEW AND AMENDMENTS TO HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs") (CONT'D)

HKFRS 9 – Financial Instruments (Cont'd)

- for non-substantial modifications of financial liabilities that do not result in derecognition, the carrying amount of the relevant financial liabilities will be calculated at the present value of the modified contractual cash flows and discounted at the financial liabilities' original effective interest rate. Transaction costs or fees incurred are adjusted to the carrying amount of the modified financial liabilities and are amortised over the remaining term. Any adjustment to the carrying amount of the financial liability is recognised in profit or loss at the date of modification. Currently, the Group revises the effective interest rates for non-substantial modification of financial liabilities with no gain/loss being recognised in profit or loss.
- in relation to the impairment of financial assets, HKFRS 9 requires an expected credit loss model, as opposed to an incurred credit loss model under HKAS 39. The expected credit loss model requires an entity to account for expected credit losses and changes in those expected credit losses at each reporting date to reflect changes in credit risk since initial recognition. In other words, it is no longer necessary for a credit event to have occurred before credit losses are recognised.

Based on the Group's financial instruments and risk management policies as at 31st December, 2017, the directors of the Company anticipate the following potential impact on initial application of HKFRS 9.

- 香港財務報告準則第9號-金融工具(續)
 就不會導致取消確認的非重大金融負債修訂而言,相關金融負債之賬面值乃按經修訂合約現金流量現值計算,並按金融負債之原實際利率貼現。所產生之交易成本或費用調整為經修訂金融負債之賬面值並於餘下期間攤銷。金融負債賬面值之任何調整於修訂日期在損益確認。目前,本集團修訂非重大金融負債修訂之實際利率,而並無於損益確認收益/虧損。
- 就金融資產之減值而言,與香港會計 準則第39號項下按已產生信貸虧損模 式計算相反,香港財務報告準則第9 號規定按預期信貸虧損模式計算。預 期信貸虧損模式規定實體於各結算日 將預期信貸虧損及變動計入該等預期 信貸虧損,以反映信貸風險自初始確 認以來之變動。換言之,毋須再待發 生信貸事件方確認信貸虧損。

根據本集團於二零一七年十二月三十一日 之金融工具及風險管理,本公司董事預期 首次應用香港財務報告準則第9號將有以 下潛在影響。

2. APPLICATION OF NEW AND AMENDMENTS TO HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs") (CONT'D)

New and revised HKFRSs in issue but not yet effective (Cont'd)

HKFRS 9 – Financial Instruments (Cont'd)

(a) Classification and measurement

Based on assessment of the Group, the financial assets currently measured at amortised cost and fair value through profit or loss ("FVTPL") will continue with their respective classification and measurements upon the adoption of HKFRS 9. With respect to the Group's financial assets currently classified as "available-for-sale financial assets", the Group will designate an amount of HK\$666.2 million as FVTOCI. The classification and measurement requirements for financial liabilities under HKFRS 9 are largely unchanged from HKAS 39, except that HKFRS 9 requires the fair value change of a financial liability designated at FVTPL that is attributable to changes of that financial liability's credit risk to be recognised in other comprehensive income (without reclassification to profit or loss). The Group currently has an insignificant amount of financial liabilities designated at FVTPL and therefore this new requirement may not have material impact on the Group's consolidated financial statements upon the application of HKFRS 9.

(b) Impairment

Based on the assessment by the directors of the Company, if the expected credit loss model were to be applied by the Group, it will result in an increase in the amount of impairment and earlier recognition of credit losses. Such further impairment recognised under expected credit loss model, mainly attributable to provision on loans and advances to consumer finance customers, mortgage loans and term loans, would reduce the opening accumulated profits, attributable to owners of the Company and noncontrolling interests and increase the deferred tax assets at 1st January, 2018. 綜合財務報表附註(續)

已頒佈但尚未生效之新訂及經修訂香港財 務報告準則(續)

香港財務報告準則第9號-金融工具(續) (a) 分類及計量

- 根據本集團之評估,目前按攤銷成本 及透過損益賬按公平價值(「透過損益 賬按公平價值處理」)計量之金融資產 將於採用香港財務報告準則第9號時 繼續相關分類及計量。就本集團目前 分類為「可供出售金融資產」之金融資 產而言,本集團將指定金額666.2百 萬港元為按公平價值計入其他全面收 益。根據香港財務報告準則第9號就 金融負債之分類及計量規定大致與香 港會計準則第39號相同,惟香港財務 報告準則第9號規定,指定為透過損 益賬按公平價值處理之金融負債之源 自金融負債信貸風險之公平價值變動 須於其他全面收益確認(並無重新分 類至損益)。本集團指定為透過損益 賬按公平價值處理之金融負債目前金 額微不足道,因此於應用香港財務報 告準則第9號時,該新規定未必對本 集團之綜合財務報表造成重大影響。
- (b) 減值 根據本公司董事之評估,倘本集團應 用預期信貸虧損模型,將導致減值金 額增加及提早確認信貸虧損。根據預 期信貸虧損模型確認之額外減值(主 要由於就私人財務客戶貸款及墊款、 按揭貸款及有期貸款撥備)將導致二 零一八年一月一日的年初累計溢利 (本公司股東及非控股權益應佔)減少 及遞延税項資產增加。

2. APPLICATION OF NEW AND AMENDMENTS TO HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs") (CONT'D)

New and revised HKFRSs in issue but not yet effective (Cont'd)

HKFRS 15 - Revenue from Contracts with Customers

HKFRS 15 was issued which establishes a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers. HKFRS 15 will supersede the current revenue recognition guidance including HKAS 18 Revenue, HKAS 11 Construction Contracts and the related interpretations when it becomes effective. The core principle of HKFRS 15 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, the Standard introduces a 5-step approach to revenue recognition:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligations in the contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Under HKFRS 15, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the goods or services underlying the particular performance obligation is transferred to the customer. Far more prescriptive guidance has been added in HKFRS 15 to deal with specific scenarios. Furthermore, extensive disclosures are required by HKFRS 15. 综合財務報表附註(續)

已頒佈但尚未生效之新訂及經修訂香港財 務報告準則(續)

香港財務報告準則第15號-來自客戶之合 約收入

香港財務報告準則第15條已頒佈,其制定 一項單一全面模式供實體用作將自客戶合 約所產生的收入入賬。於香港財務報告準 則第15號生效後,其將取代現時載於香港 會計準則第18號「收入」、香港會計準則第 11號「建築合約」及相關詮釋的收入確認指 引。香港財務報告準則第15號的核心原則 為實體所確認描述向客戶轉讓承諾貨品或 服務的收入金額,應為能反映該實體預期 就交換該等貨品或服務有權獲得的代價。 具體而言,該準則引入確認收入的五個步 驟:

- 第一步:識別與客戶訂立的合約
- 第二步:識別合約中的履約責任
- 第三步:釐定交易價
- 第四步:將交易價分配至合約中的履 約責任
- 第五步:於實體完成履約責任時(或 就此)確認收入

根據香港財務報告準則第15號,實體於完 成履約責任時(或就此)確認收入,即於特 定履約責任相關之商品或服務之「控制權」 轉讓予客戶時。香港財務報告準則第15 號已就特別情況之處理方法加入更明確指 引。此外,香港財務報告準則第15號規定 作出更詳盡之披露。

HKFRS 15 – Revenue from Contracts with Customers (Cont'd)

In 2016, the HKICPA issued Clarifications to HKFRS 15 in relation to the identification of performance obligations, principal versus agent considerations, as well as licensing application guidance.

The directors of the Company do not expect that the application of HKFRS 15 will have a significant impact, when applied, on the Group's consolidated financial statements.

HKFRS 16 – Leases

HKFRS 16 introduces a comprehensive model for the identification of lease arrangements and accounting treatments for both lessors and lessees. HKFRS 16 will supersede HKAS 17 Leases and the related interpretations when it becomes effective.

HKFRS 16 distinguishes lease and service contracts on the basis of whether an identified asset is controlled by a customer. Distinctions of operating leases and finance leases are removed for lessee accounting, and is replaced by a model where a right-of-use asset and a corresponding liability have to be recognised for all leases by lessees, except for short-term leases and leases of low value assets. 綜合財務報表附註(續)

香港財務報告準則第15號-來自客戶之合 約收入(續)

於二零一六年,香港會計師公會頒佈香港 財務報告準則第15號有關履約責任之識 別、主理人與代理人之考量及特許權應用 指引澄清。

本公司董事預期應用香港財務報告準則第 15號於應用時將不會對本集團之綜合財務 報表造成重大影響。

香港財務報告準則第16號一租賃 香港財務報告準則第16號為識別租賃安 排,以及對出租人及承租人的會計處理方 法引入一個綜合模式。於香港財務報告準 則第16號生效後,其將取代香港會計準則 第17號「租賃」以及相關詮釋。

香港財務報告準則第16號基於是否存在由 客戶控制的已識別資產,來區分租賃合約 與服務合約。承租人會計處理取消經營租 賃與融資租賃之間的區分,並由一個模式 所取代,據此承租人須就所有租賃確認使 用權資產及相應負債,惟短期租賃及低價 值資產租賃則除外。

2. APPLICATION OF NEW AND AMENDMENTS TO HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs") (CONT'D)

New and revised HKFRSs in issue but not yet effective (Cont'd)

HKFRS 16 – Leases(Cont'd)

The right-of-use asset is initially measured at cost and subsequently measured at cost (subject to certain exceptions) less accumulated depreciation and impairment losses, adjusted for any remeasurement of the lease liability. The lease liability is initially measured at the present value of the lease payments that are not paid at that date. Subsequently, the lease liability is adjusted for interest and lease payments, as well as the impact of lease modifications, amongst others. For the classification of cash flows, the Group currently presents upfront prepaid lease payments as investing cash flows in relation to leasehold lands for owned use and those classified as investment properties while other operating lease payments are presented as operating cash flows. Upon application of HKFRS 16, lease payments in relation to lease liability will be allocated into a principal and an interest portion which will be presented as financing and operating cash flows respectively by the Group.

In contrast to lessee accounting, HKFRS 16 substantially carries forward the lessor accounting requirements in HKAS 17, and continues to require a lessor to classify a lease either as an operating lease or a finance lease.

Furthermore, extensive disclosures are required by HKFRS 16.

As at 31st December, 2017, the Group has noncancellable operating lease commitments of HK\$318.5 million as disclosed in note 45(a). A preliminary assessment indicates that these arrangements will meet the definition of a lease. Upon application of HKFRS 16, the Group will recognise a right-of-use asset and a corresponding liability in respect of all these leases unless they qualify for low value or short-term leases.

Furthermore, the application of new requirements may result changes in measurement, presentation and disclosure as indicated above. 综合財務報表附註(續)

與承租人會計處理相比,香港財務報告準則第16號大致轉承香港會計準則第17號的出租人會計處理規定,並且繼續要求出租人將其租賃分類為經營租賃或融資租賃。

此外,香港財務報告準則第16號規定作出 詳盡之披露。

於二零一七年十二月三十一日,本集團擁 有不可撤銷經營租賃承擔318.5百萬港元 (見附註45(a)披露)。初步評估顯示,該等 安排符合香港財務報告準則第16號下的租 賃定義。於應用香港財務報告準則第16號 時,本集團將就所有該等租賃確認使用權 資產及相應負債,除非其符合低價值或短 期租賃。

此外,應用新的規定或會導致上文所述計 量、呈列及披露變動。

2. APPLICATION OF NEW AND AMENDMENTS TO HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs") (CONT'D)

New and revised HKFRSs in issue but not yet effective (Cont'd)

Amendments to HKAS 40 Transfers of Investment Property The amendments clarify that a transfer to, or from, investment property necessitates an assessment of whether a property meets, or has ceased to meet, the definition of investment property, supported by observable evidence that a change in use has occurred. The amendments further clarify that situations other than the ones listed in HKAS 40 may evidence a change in use, and that a change in use is possible for properties under construction. For example, change in use for transfer from properties under development for sale in the ordinary course of business to investment properties could be evidenced by inception of an operating lease to another party.

The directors of the Company anticipate that the application of these amendments will result in early recognition of such transfers on the Group's consolidated financial statements in future periods should there be a change in use of any of its properties.

3. SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

The consolidated financial statements have been prepared in accordance with HKFRSs issued by the HKICPA. In addition, the consolidated financial statements include applicable disclosures required by the Rules Governing the Listing of Securities on the Stock Exchange ("Listing Rules") and by the Hong Kong Companies Ordinance (Cap. 622).

The consolidated financial statements have been prepared on the historical cost basis, except for certain properties and financial instruments, which are measured at fair value, as explained in the significant accounting policies set out below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Basis of preparation (Cont'd)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these consolidated financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of HKFRS 2 Share-based Payment, leasing transactions that are within the scope of HKAS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in HKAS 2 Inventories or value in use in HKAS 36 Impairment of Assets.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

In addition, for financial reporting purposes, fair value measurements are categorised into level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 fair value measurements are those derived from input other than quoted prices included within level 1 that are observable for the assets or liabilities, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 fair value measurements are those derived from valuation techniques that include input for the assets or liabilities that are not based on observable market data.

公平價值是指市場參與者之間在計量日進 行的有序交易中出售一項資產所收取的價 格或轉移一項負債所支付的價格,無論該 價格是直接觀察到的結果還是採用其他估 值方法作出的估計。在對資產或負債的公 平價值作出估計時,本集團考慮了市場參 與者在計量日為該資產或負債進行定價時 將會考慮的那些特徵。在本綜合財務報表 中計量和/或披露目的之公平價值均在此 基礎上予以確定,但香港財務報告準則第 2號「以股份付款」範圍內的以股份為基礎 的支付交易、香港會計準則第17號範圍內 的租賃交易、以及與公平價值類似但並非 公平價值的計量(例如,香港會計準則第2 號「存貨」中的可變現淨值或香港會計準則 第36號「資產減值」中的使用價值)除外。

非金融資產公平價值之計量乃經參考市場 參與者可從使用該資產得到之最高及最佳 效用,或把該資產售予另一可從使用該資 產得到最高及最佳效用之市場參與者所產 生之經濟效益。

此外,就財務呈報而言,公平價值計量根 據公平價值計量之輸入數據之可觀察程度 及輸入數據對公平價值計量整體而言之重 要性分為第一、第二或第三級,現闡述如 下:

- 第一級公平價值計量按相同的資產或 負債於活躍市場的報價(無調整)計 算。
- 第二級公平價值計量乃除第一級計入 之報價外,就資產或負債可直接(即 價格)或間接(即自價格衍生)觀察輸 入數據得出。
- 第三級公平價值計量乃計入並非根據 可觀察市場數據之資產或負債之估值 方法得出。

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Basis of consolidation

The consolidated financial statements incorporate the financial statements of the Company and entities controlled by the Company and its subsidiaries. Control is achieved when the Company:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Group has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally.

Income and expenses of subsidiaries acquired or disposed of during the year are included in profit or loss and other comprehensive income from the effective date of acquisition and up to the effective date of disposal, as appropriate.

Where necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with those used by other members of the Group.

All intra-group transactions, balances, income and expenses within the Group are eliminated on consolidation.

Non-controlling interests in subsidiaries are presented separately from the Group's equity therein. Profit or loss and each items of other comprehensive income are attributable to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributable to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interest having a debit balance. 綜合財務報表附註(續)

綜合基準

綜合財務報表包括本公司及受本公司控制 之公司及其附屬公司之財務報表。倘本公 司符合以下情況,則取得控制權:

- 有權控制被投資方;
- 因其參與被投資方業務而獲得或有權 獲得可變回報;及
- 有能力以其權力影響其回報。

倘事項及狀況顯示上文列示三項控制元素 之一項或多項有變,本集團會重新評估其 是否控制投資對象。

倘本集團於投資對象之投票權未能佔大多 數,但只要投票權足以賦予本集團實際能 力可單方面掌控投資對象之相關業務時, 本公司即對投資對象擁有權力。

於年內所收購或出售的附屬公司,其收入 及費用均自收購生效日期起及截至出售生 效日期止(如適用)計入損益及其他全面收 益。

如有需要,本集團會對附屬公司之財務報 表作出調整,使其會計政策與本集團其他 成員公司所採用者一致。

所有本集團內成員間交易、結餘、收入及 開支均於綜合賬目時全數對銷。

附屬公司之非控股權益與本集團所佔權益 分開呈列。損益及其他全面收益的各部分 歸屬於本公司股東及非控股權益。即使導 致非控股權益出現虧絀結餘,附屬公司的 全面收益總額仍歸屬於本公司股東及非控 股權益。

Basis of consolidation (Cont'd)

Changes in the Group's ownership interests in existing subsidiaries

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's relevant components of equity and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries.

Any difference between the amount by which the noncontrolling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

When the Group loses control of a subsidiary, the assets and liabilities of that subsidiary and non-controlling interests (if any) are derecognised. A gain or loss is recognised in profit or loss and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the carrying amount of the assets (including goodwill), and liabilities of the subsidiary attributable to the owners of the Company. All amounts previously recognised in other comprehensive income in relation to that subsidiary are accounted for as if the Group had directly disposed of the related assets or liabilities of the subsidiary (i.e. reclassified to profit or loss or transferred to another category of equity as specified/permitted by applicable HKFRSs). The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under HKAS 39 or, when applicable, the cost on initial recognition of an investment in an associate or a joint venture.

Business combinations

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred by the Group, liabilities incurred by the Group to the former owners of the acquiree and the equity interests issued by the Group in exchange for control of the acquiree. Acquisition-related costs are generally recognised in profit or loss as incurred.

本集團於現有附屬公司擁有權權益之變動

倘本集團於附屬公司之擁有權權益出現變動,但並無導致本集團失去對該等附屬公司之控制權,則入賬列作權益交易。本集 團之相關權益部分與非控股權益之賬面值 均予以調整,以反映彼等於附屬公司之相 關權益之變動。

非控股權益之調整款額與已付或已收代價 之公平價值兩者間之任何差額,均直接於 權益確認並歸屬於本公司股東。

倘本集團失去一間附屬公司之控制權,則 該附屬公司之資產及負債以及非控股權益 (如有)會被取消確認。於損益內確認收益 或虧損,並按(i)所收取代價之公平價值及 任何保留權益之公平價值之總額及(ii)本公 司股東應佔附屬公司之資產(包括商譽)及 負債之賬面值之差額計算。所有有關該附 屬公司過往於其他全面收益確認之款額, 將按猶如本集團已直接出售有關附屬公司 之相關資產或負債入賬(即按適用香港財 務報告準則之規定/許可重新分類至損益 或轉撥至另一個權益類別)。於失去控制 權當日於前附屬公司保留之任何投資之公 平價值將根據香港會計準則第39號於其 後入賬時被列作初步確認之公平價值,或 (如適用)於初步確認時於聯營公司或合營 公司之投資成本。

業務合併

業務收購採用收購法列賬。業務合併中之 轉讓代價按公平價值計量,而公平價值乃 按於收購日本集團所轉讓之資產、本集團 向被收購公司原股東產生之負債及本集團 於交換被收購公司之控制權發行之股權之 公平價值之總額計算。收購相關費用一般 於產生時在損益賬確認。

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Business combinations (Cont'd)

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their fair value at the acquisition date, except that:

- deferred tax assets or liabilities and liabilities or assets related to employee benefit arrangements are recognised and measured in accordance with HKAS 12 Income Taxes and HKAS 19 Employee Benefits respectively;
- liabilities or equity instruments related to sharebased payment transactions of the acquiree or the replacement of an acquiree's share-based payment transactions with share-based payment transactions of the Group are measured in accordance with HKFRS 2 at the acquisition date; and
- assets (or disposal groups) that are classified as held for sale in accordance with HKFRS 5 Non-current Assets Held for Sale and Discontinued Operations are measured in accordance with that Standard.

Goodwill is measured as the excess of the sum of the consideration transferred, the amount of any noncontrolling interests in the acquiree, and the fair value of the acquirer's previously held equity interest in the acquiree (if any) over the net of the acquisitiondate amounts of the identifiable assets acquired and the liabilities assumed. If, after assessment, the net of the acquisition-date amounts of the identifiable assets acquired and liabilities assumed exceeds the sum of the consideration transferred, the amount of any noncontrolling interests in the acquiree and the fair value of the acquirer's previously held interest in the acquiree (if any), the excess is recognised immediately in profit or loss as a bargain purchase gain.

Non-controlling interests that are present ownership interests and entitle their holders to a proportionate share of the entity's net assets in the event of liquidation may be initially measured at the non-controlling interests' proportionate share of the recognised amounts of the acquiree's identifiable net assets or at fair value. The choice of measurement basis is made on a transaction-bytransaction basis. Other types of non-controlling interests are measured at their fair value or, when applicable, on the basis specified in another Standard. 綜合財務報表附註(續)

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Business combinations (Cont'd)

When the consideration transferred by the Group in a business combination includes assets or liabilities resulting from a contingent consideration arrangement, the contingent consideration is measured at its acquisitiondate fair value and included as part of the consideration transferred in a business combination. Changes in the fair value of the contingent consideration that qualify as measurement period adjustments are adjusted retrospectively, with the corresponding adjustments made against goodwill or gain on bargain purchase. Measurement period adjustments are adjustments that arise from additional information obtained during the "measurement period" (which cannot exceed one year from the acquisition date) about facts and circumstances that existed at the acquisition date.

The subsequent accounting for changes in the fair value of the contingent consideration that do not qualify as measurement period adjustments depends on how the contingent consideration is classified. Contingent consideration that is classified as equity is not remeasured at subsequent reporting dates and its subsequent settlement is accounted for within equity. Contingent consideration that is classified as an asset or a liability is remeasured at subsequent reporting dates in accordance with HKAS 39, or HKAS 37 Provisions, Contingent Liabilities and Contingent Assets, as appropriate, with the corresponding gain or loss being recognised in profit or loss.

When a business combination is achieved in stages, the Group's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date (i.e. the date when the Group obtains control), and the resulting gain or loss, if any, is recognised in profit or loss. Amounts arising from interests in the acquiree prior to the acquisition date that have previously been recognised in other comprehensive income are reclassified to profit or loss where such treatment would be appropriate if that interest were disposed of.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted during the measurement period (see above), or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed as of the acquisition date that, if known, would have affected the amounts recognised as of that date. 綜合財務報表附註(續) 截至二零一七年十二月三十一日止年度

業務合併(續)

倘本集團於業務合併中轉讓之代價包括因 或然代價安排而引致之資產或負債,則 有關或然代價會按收購當日之公平價值 計量,並會包括於業務合併中轉讓之代價 之一部分。倘合資格作出計量期調整之或 然代價公平價值有變,則有關變動會作追 溯調整,而商譽或議價收購收益亦會作出 相應調整。計量期調整指因於「計量期間」 (自收購日期起計不超過一年)內取得有關 於收購當日已存在之事實及情況之額外資 料而產生之調整。

其後是否將不合資格作出計量期調整之或 然代價公平價值之變動入賬,則視乎或然 代價之分類方式而定。被分類為權益之或 然代價不會於往後之結算日重新計量,而 其後償付之款項則於權益內入賬。被分類 為資產或負債之或然代價於往後之結算日 按照香港會計準則第39號或香港會計準則 第37號「撥備、或然負債及或然資產」(視 適用情況而定)重新計量,相應之收益或 虧損則於損益賬內確認。

當業務合併以分階段完成,本集團以往所 持被收購公司之股權會按收購當日(即本 集團取得控制權當日)之公平價值重新計 量,而所產生之收益或虧損(如有)則於損 益賬內確認。就被收購公司權益在收購日 期前於其他全面收益中所確認之數額,會 重新分類至損益賬(若此處理方法適用於 出售該權益)。

倘業務合併未能於進行合併之報告期結束 前完成初步入賬,則本集團會呈報未完成 入賬之項目之臨時金額。該等臨時金額會 於計量期(見上文)內,或確認額外資產或 負債時調整,以反映所取得有關於收購當 日已存在之事實及情況(如已知),並會影 響於當日確認之金額之新資料。

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Interests in associates and joint ventures

An associate is an investment in which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The results and assets and liabilities of associates and joint ventures are incorporated in these consolidated financial statements using the equity method of accounting. Under the equity method, an investment in an associate or a joint venture is initially recognised in the consolidated statement of financial position at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income of the associate or joint venture. Where necessary, adjustments are made to bring the accounting policies of associates and joint ventures in conformity with the Group. When the Group's share of losses of an associate or joint venture exceeds the Group's interest in that associate or joint venture (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate or joint venture), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture.

An investment in an associate or a joint venture is accounted for using the equity method from the date on which the investee becomes an associate or a joint venture. On acquisition of the investment in an associate or a joint venture, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised immediately in profit or loss in the period in which the investment is acquired. 綜合財務報表附註(續)

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Interests in associates and joint ventures (Cont'd)

The requirements of HKAS 39 are applied to determine whether it is necessary to recognise any impairment loss with respect to the Group's investment in an associate or a joint venture. When necessary, the entire carrying amount of the investment (including goodwill) is tested for impairment in accordance with HKAS 36 as a single asset by comparing its recoverable amount (higher of value in use and fair value less costs of disposal) with its carrying amount. Any impairment loss recognised forms part of the carrying amount of the investment. Any reversal of that impairment loss is recognised in accordance with HKAS 36 to the extent that the recoverable amount of the investment subsequently increases.

When the Group ceases to have significant influence over an associate or joint control over a joint venture, it is accounted for as a disposal of the entire interest in the investee with a resulting gain or loss being recognised in profit or loss. The Group discontinues the use of the equity method from the date when the investment ceases to be an associate or a joint venture, or when the investment is classified as held for sale. The difference between the carrying amount of the associate or joint venture at the date the equity method was discontinued, and the fair value of any retained interest and any proceeds from disposing is included in the determination of the gain or loss on disposal of the associate or joint venture. In addition, the Group accounts for all amounts previously recognised in other comprehensive income in relation to that associate or joint venture on the same basis as would be required if that associate or joint venture had directly disposed of the related assets or liabilities. Therefore, if a gain or loss previously recognised in other comprehensive income by that associate or joint venture would be reclassified to profit or loss on the disposal of the related assets or liabilities, the Group reclassifies the gain or loss from equity to profit or loss (as a reclassification adjustment) upon disposal/partial disposal of the relevant associate or joint venture.

Where the Group's interest in associate increases, whether directly or indirectly, the impact of the change should be accounted for as an incremental purchase of the associate and recognised at cost. When the Group's interest in an associate increase due to a decrease in the investee's issued shares, the difference between the Group's share of the net fair value of the investee's identifiable assets and liabilities before and after the change, is recognised directly in equity.

When the Group transacts with an associate or a joint venture of the Group, unrealised profits and losses are eliminated to the extent of the Group's interest in the relevant associate or joint venture. 綜合財務報表附註(續)

Goodwill

Goodwill arising on acquisitions prior to 1st January, 2005

Goodwill arising on an acquisition of a subsidiary, an associate or a joint venture for which the agreement date is before 1st January, 2005 represents the excess of the cost of acquisition over the Group's interest in the fair value of the identifiable assets and liabilities of the relevant subsidiary, associate or joint venture at the date of acquisition.

For previously capitalised goodwill arising on acquisitions after 1st January, 2001, the Group has discontinued amortisation from 1st January, 2005 onwards, and such goodwill is tested for impairment annually, and whenever there is an indication that the cash generating unit to which the goodwill relates may be impaired.

Goodwill arising on acquisitions on or after 1st January, 2005

Goodwill arising on an acquisition of a subsidiary for which the agreement date is on or after 1st January, 2005 represents the excess of the cost of acquisition over the Group's interest in the fair value of the identifiable assets, liabilities and contingent liabilities of the relevant subsidiary at the date of acquisition. Such goodwill is carried at cost less accumulated impairment losses, if any.

On subsequent disposal of the relevant subsidiary, the attributable amount of goodwill capitalised is included in the determination of the amount of profit or loss on disposal. 綜合財務報表附註(續) 截至二零一七年十二月三十一日止年度

Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods sold and services provided in the normal course of business, net of discounts and sales related taxes.

Revenue is recognised when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the Group and when specific criteria have been met for each of the Group's activities, as described below.

Rental income from properties under operating leases, including rentals invoiced in advance, is recognised on a straight-line basis over the terms of the relevant leases.

Income from the provision of services, including elderly care services, is recognised upon the provision of the relevant services or on a time apportionment basis over the terms of the service contracts.

Income from the sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, provided that the Group maintains neither managerial involvement to the degree usually associated with ownership, nor effective control over the goods sold.

Revenue from hotel operations is recognised when services are provided.

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Leasehold land and buildings

When the Group makes payments for a property interest which includes both leasehold land and building elements, the Group assesses the classification of each element as a finance or an operating lease separately based on the assessment as to whether substantially all the risks and rewards incidental to ownership of each element have been transferred to the Group. Specifically, the entire consideration (including any lump-sum upfront payments) are allocated between the land and the building elements in proportion to the relative fair values of the leasehold interests in the land element and building element at initial recognition.

To the extent the allocation of the lease payments can be made reliably, interest in leasehold land that is accounted for as an operating lease is presented as "prepaid land lease payments" in the consolidated statement of financial position and is amortised over the lease term on a straightline basis. When the lease payments cannot be allocated reliably between the leasehold land and building elements, the entire property is generally classified as if the leasehold land is under finance lease.

Foreign currencies

The individual financial statements of each group entity are presented in the currency of the primary economic environment in which the entity operates (its functional currency). For the purpose of the consolidated financial statements, the results and financial position of each entity are expressed in Hong Kong dollars, which is the functional currency of the Company, and the presentation currency for the consolidated financial statements.

In preparing the financial statements of each individual group entity, transactions in currencies other than the functional currency of that entity (foreign currencies) are recognised at the rates of exchanges prevailing on the dates of the transactions. At the end of the reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Nonmonetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the date when the fair value was determined. Nonmonetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on the settlement of monetary items, and on the retranslation of monetary items, are recognised in profit or loss in the period in which they arise. Exchange differences arising on the retranslation of non-monetary items carried at fair value are included in profit or loss for the period except for differences arising on the retranslation of non-monetary items in respect of which gains and losses are recognised directly in equity, in which cases, the exchange differences are also recognised directly in equity. 綜合財務報表附註(續)

Foreign currencies (Cont'd)

For the purpose of presenting consolidated financial statements, the assets and liabilities of the Group's foreign operations are translated into the presentation currency of the Group (i.e. Hong Kong dollars) using exchange rates prevailing at the end of the reporting period. Income and expense items are translated at the average exchange rates for the year, unless exchange rates fluctuate significantly during the period, in which case, the exchange rates prevailing at the dates of transactions are used. Exchange differences arising, if any, are recognised in other comprehensive income and accumulated in equity (the translation reserve). Such translation differences are reclassified to profit or loss in the period in which the operation is disposed of.

Goodwill and fair value adjustments on identifiable asset acquired arising on an acquisition of a foreign operation are treated as assets and liabilities of that foreign operation and retranslated at the rate of exchange prevailing at the end of the reporting period. Exchange differences arising are recognised in the other comprehensive income.

Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets until such time as the assets are substantially ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised on a time apportionment basis, taking into account the principal and the effective interest rates. They are charged to profit or loss in the year in which they are incurred.

Employee benefits

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the end of the reporting period.

The contributions payable to the Group's retirement benefit schemes and the mandatory provident fund scheme are charged to the consolidated statement of profit or loss as an expense when employees have rendered service entitling them to the contribution. 綜合財務報表附註(續) 截至二零一七年十二月三十一日止年度

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Employee benefits (Cont'd)

The Group recognises a liability and an expense for bonuses and profit-sharing, where appropriate, based on approved formulas that take into consideration the profit attributable to the Group after certain adjustments. The Group recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

For shares of SHK ("Awarded Shares") granted under the employee ownership scheme of SHK, the fair value of the employee services received is determined by reference to the fair value of Awarded Shares granted at the grant date and is expensed on a straight-line basis over the vesting period, with a corresponding increase in equity (employee share-based compensation reserve). At the end of each reporting period, the Group revises its estimates of the number of Awarded Shares that are expected to ultimately vest. The impact of the revision of the estimates, if any, is recognised in profit or loss, with a corresponding adjustment to the employee share-based compensation reserve.

Taxation

Taxation represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from "profit before taxation" as reported in the consolidated statement of profit or loss because of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax base used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary difference to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. 綜合財務報表附註(續)

税項

税項指現時應付税項及遞延税項之總和。

現時應付税項乃按本年度應課税溢利計 算。應課税溢利因其他年度的應課税之收 入或可扣税之開支及毋須課税或不可扣税 項目與綜合損益表中所報「除税前溢利」不 同。本集團之即期税項負債乃按報告期末 已頒佈或實際頒佈之税率計算。

遞延税項乃以綜合財務報表資產及負債賬 面值與計算應課税溢利所用相應税基間之 臨時差額確認。遞延税項負債一般會就所 有應課税臨時差額確認。遞延税項資產則 一般於有可能以可扣税臨時差額抵銷之應則 課税溢利之情況下,就該可抵銷部分之所 有可扣税臨時差額予以確認。若於一項交 易中,因商譽或初始確認(不包括業務合 併)其他資產及負債而引致既不影響應課 税溢利亦不影響會計溢利之臨時差額,則 不會確認該等資產及負債。

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Taxation (Cont'd)

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries and interests in associates and joint ventures, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of the reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realised, based on tax rate (and tax law) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amounts of its assets and liabilities.

For the purposes of measuring deferred tax liabilities or deferred tax assets for investment properties that are measured using the fair value model, the carrying amounts of such properties are presumed to be recovered entirely through sale, unless the presumption is rebutted. The presumption is rebutted when the investment property is depreciable and is held within a business model whose objective is to consume substantially all of the economic benefits embodied in the investment property over time, rather than through sale.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination. 綜合財務報表附註(續) 截至二零一七年十二月三十一日止年度

Investment properties

Investment properties are properties held to earn rentals and/or for capital appreciation, is stated at its fair value at the end of the reporting period. Gains or losses arising from changes in the fair value of investment properties are included in profit or loss in the period in which they arise.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from its disposals. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the profit or loss in the period in which the property is derecognised.

Transfers to, or from, investment property are made in the following circumstances:

- commencement of owner-occupation, for a transfer from investment property to owner-occupied property;
- end of owner-occupation, for a transfer from owneroccupied property to investment property; and
- commencement of an operating lease to another party, for a transfer from inventories to investment properties.

For a transfer from investment property carried at fair value to owner-occupied property or inventories, the property's deemed cost for subsequent accounting shall be its fair value at the date of changes in use.

For a transfer from owner-occupied property to investment property, the entity shall treat any difference at that date between the carrying amount of the property and its fair value in the same way as a revaluation surplus. The excess of the fair value of the property at the date of transfer over the carrying amount of the property is credited to other comprehensive income and accumulated in revaluation reserve, except to the extent that it reverses a revaluation decrease of the same asset previously recognised as an expense, in which case the increase is credited to the consolidated statement of profit or loss to the extent of the decrease previously charged to consolidated statement of profit or loss. The excess of the carrying amount of the property at the date of transfer over the fair value of the property is recognised in consolidated statement of profit or loss to the extent it exceeds the balance, if any, on the revaluation reserve relating to a previously revaluation of the same asset. On subsequent disposal of the investment property, the revaluation surplus included in equity may be transferred to accumulated profits. The transfer from revaluation surplus to accumulated profits is not made through profit or loss.

For a transfer from inventories to investment property that will be carried at fair value, any difference between the fair value of the property at that date and its previous carrying amount shall be recognised in profit or loss.

Property, plant and equipment

Property, plant and equipment including land and buildings held for use in the production or supply of goods or services, or for administrative purposes are stated at cost less subsequent accumulated depreciation and accumulated impairment losses.

Depreciation is recognised so as to write off the cost of assets less their estimated residual value over their estimated useful lives, using the straight-line method, at the following rates per annum:

Hotel property	shorter of the estimated useful life and the remaining lease term of land
Leasehold land and buildings	shorter of the estimated useful life and the remaining lease term of land
Leasehold improvements	20%
Furniture, fixtures and equipment	10% to 50%
Motor vehicles and vessels	16 ² / ₃ % to 20%

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

When the nature of the lessee's property interest change from investment property to property, plant and equipment, the lessee shall continue to account for the lease as a finance lease.

Prepaid land lease payments

The up-front prepayments made for the leasehold land and land use rights that are classified as operating leases are amortised in the consolidated statement of profit or loss on a straight-line basis over the period of the lease or when there is impairment, the impairment is expensed in profit or loss.

Intangible assets

Intangible assets acquired in a business combination Intangible assets acquired in a business combination are identified and recognised separately from goodwill where they satisfy the definition of an intangible asset and their fair values can be measured reliably. Such intangible assets are measured at their fair value at the acquisition date.

Intangible assets acquired separately

(i) Club memberships

They comprise the right to use the facilities of various clubs with the management considering that the club memberships do not have a finite useful life.

(ii) Computer software

Acquired computer software licenses are capitalised on the basis of the costs incurred to acquire and bring to use the specific software. These costs are amortised using the straight-line method.

Subsequent to initial recognition, intangible assets with finite useful lives are carried at costs less accumulated amortisation and any accumulated impairment losses. Amortisation for intangible assets with finite useful lives is provided on a straight-line basis over their estimated useful lives. Useful lives are also examined on an annual basis and adjustments where applicable are made on a prospective basis. Alternatively, intangible assets with indefinite lives are carried at cost less any accumulated impairment losses and are tested for impairment annually by comparing their recoverable amount with their carrying amount.

Gains or losses arising from derecognition of an intangible asset are measured at the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in profit or loss when the asset is derecognised.

Impairment of tangible and intangible assets excluding financial assets

For the purposes of impairment testing, goodwill arising from an acquisition is allocated to each of the relevant cash-generating units, or groups of cash-generating units, that are expected to benefit from the synergies of the combination. A cash-generating unit to which goodwill has been allocated is tested for impairment annually or more frequently when there is an indication that the unit may be impaired. For goodwill arising on an acquisition in a reporting period, the cash-generating unit to which goodwill has been allocated is tested for impairment before the end of that reporting period. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit, and then to the other assets of the unit on a pro-rata basis based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised directly in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Impairment of tangible and intangible assets excluding financial assets (Cont'd)

Intangible assets (other than goodwill) that have indefinite useful lives are not subject to amortisation, and are tested at least annually for impairment and reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Assets that are subject to depreciation and amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost to sell and value in use. For the purpose of assessing impairment, assets are grouped at the lowest level for which there are separately identifiable cash flows (cash-generating units) if an impairment test cannot be performed for an individual asset. An impairment loss is recognised immediately as an expense. Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

Financial instruments

Financial assets and financial liabilities are recognised when a group entity becomes a party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets or financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

Financial assets are classified into the following specified categories: financial assets at fair value through profit or loss ("FVTPL"), held-to-maturity investments, available-for-sale ("AFS") financial assets and loans and receivables. The classification depends on the nature and purpose of the financial assets and is determined at the time of initial recognition. All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial asset and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial asset, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. Interest income is recognised on an effective interest basis for debt instruments.

Financial assets at fair value through profit or loss

Financial assets are classified as at FVTPL when the financial assets is either held for trading or it is designated as at FVTPL.

A financial asset is classified as held for trading if:

- it has been acquired principally for the purpose of selling in the near term; or
- on initial recognition it is a part of a portfolio of identified financial instruments that the Group manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

A financial asset other than a financial asset held for trading may be designated as at FVTPL upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise; or
- the financial asset forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Group's documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or

Financial assets (Cont'd) Financial assets at fair value through profit or loss (Cont'd)

 it forms part of a contract containing one or more embedded derivatives, and HKAS 39 permits the entire combined contract (asset or liability) to be designated as at FVTPL.

Financial assets at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss.

Available-for-sale financial assets

AFS financial assets are non-derivatives that are either designated as available-for-sale or not classified as financial assets at FVTPL, held-to-maturity investments or loans and receivables.

Equity and debt securities held by the Group that are classified as AFS financial assets and are traded in an active market are measured at fair value at the end of each reporting period. Changes in the carrying amount of AFS monetary financial assets relating to interest income calculated using the effective interest method and dividends on AFS equity investments are recognised in profit or loss when the Group's right to receive the dividends is established. Other changes in the carrying amount of AFS financial assets are recognised in other comprehensive income and accumulated under the heading of investment revaluation reserve. When the investment is disposed of or is determined to be impaired, the cumulative gain or loss previously accumulated in the investment revaluation reserve is reclassified to profit or loss (see the accounting policy in respect of impairment of financial assets below).

AFS equity investments that do not have a quoted market price in an active market and whose fair value cannot be reliably measured and derivatives that are linked to and must be settled by delivery of such unquoted equity instruments are measured at cost less any identified impairment losses at the end of each reporting period (see accounting policy on impairment of financial assets below). 綜合財務報表附註(續) 截至二零一七年十二月三十一日止年度

Financial instruments (Cont'd)

Financial assets (Cont'd)

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Subsequent to initial recognition, loans and receivables (including trade and other receivables, amounts due from brokers, amounts due from associates, amounts due from joint ventures, short-term pledged bank deposit, bank deposits, cash and cash equivalents, loans and advances to consumer finance customers and mortgage loans) are measured at amortised cost using the effective interest method, less any impairment (see accounting policy on impairment of financial assets below).

Impairment of financial assets

The Group assesses at the end of each reporting period whether there is objective evidence that a financial asset or a group of financial assets other than those at FVTPL is impaired. In the case of equity securities classified as AFS, a significant or prolonged decline in the fair value of the securities below their cost is considered in determining whether the securities are impaired. If any such evidence exists for AFS financial assets, the cumulative loss (measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that financial asset previously recognised in profit or loss) is removed from equity and recognised in profit or loss. Impairment losses recognised in profit or loss on equity investments are not reversed through profit or loss. Any increase in fair value subsequent to an impairment loss is recognised in other comprehensive income and accumulated under the heading of investment revaluation reserve.

For all other financial assets, objective evidence of impairment could include:

- significant financial difficulty of the issuer or counterparty; or
- breach of contract, such as a default or delinquency in interest or principal payments; or
- it becoming probable that the borrower will enter bankruptcy or financial re-organisation; or
- disappearance of an active market for that financial asset because of financial difficulties.

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Financial instruments (Cont'd)

Financial assets (Cont'd) Impairment of financial assets (Cont'd)

For financial assets carried at amortised cost, the amount of the impairment loss recognised is the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the financial asset's original effective interest rate. If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent that the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

For financial assets carried at cost, the amount of the impairment loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the current market rate of return for a similar financial asset. Such impairment loss will not be reversed in subsequent periods.

Each receivable that is individually significant is reviewed for indication of impairment at the end of each reporting period. Loans and receivables that are individually not significant and are assessed not to be impaired individually are reviewed at the end of each reporting period on a collective portfolio basis.

Individual impairment allowance applies to term loans which are individually significant or have objective evidence of impairment. In assessing the individual impairment, management estimates the present value of future cash flows which are expected to be received, taking into account the borrower's financial situation and the net realisable value of the underlying collateral or guarantees in favour of the Group. Each impaired asset is assessed on its merits and the impairment allowance is measured as the difference between the loan's carrying amount and the present value of the estimated future cash flows discounted at the loan's original effective interest rate. 綜合財務報表附註(續) 截至二零一七年十二月三十一日止年度

Impairment of financial assets (Cont'd)

Collective impairment allowances cover credit losses inherent in portfolios of loans receivable and other accounts with similar economic and credit risk characteristics where objective evidence for individual impaired items cannot be identified. In assessing the collective impairment, management makes assumptions both to define the way the Group assesses inherent losses and to determine the required input parameters, based on historical loss experience and current economic conditions. Changes in the carrying amount of the allowance account are recognised in profit or loss.

Financial liabilities and equity instruments

Financial liabilities and equity instruments issued by a group entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities at fair value through profit or loss Financial liabilities are classified as at FVTPL when financial liabilities are either held for trading or those designated as at FVTPL on initial recognition.

A financial liability is classified as held for trading if:

- it has been acquired principally for the purpose of repurchasing in the near term; or
- on initial recognition it is a part of a portfolio of identified financial instruments that the Group manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

Financial instruments (Cont'd)

Financial liabilities and equity instruments (Cont'd) Financial liabilities at fair value through profit or loss (Cont'd)

A financial liability other than a financial liability held for trading may be designated as at FVTPL upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise; or
- the financial liability forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Group's documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and HKAS 39 permits the entire combined contract (asset or liability) to be designated as at FVTPL.

Financial liabilities at FVTPL are measured at fair value, with any gains or losses arising on remeasurement recognised in profit or loss.

Financial guarantee issued

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the original or modified terms of a debt instrument.

A financial guarantee issued for rendering financial guarantee service is initially measured at fair value as represented by the consideration received from the specified customers and the consideration received is recognised as revenue on straight-line basis over the guarantee period. Subsequent to initial recognition, the Group measures the financial guarantee at the higher of: (i) the amount of obligation under the contract, as determined in accordance with HKAS 37; and (ii) the amount initially recognised less cumulative amortisation recognised in accordance with the Group's revenue recognition policy.

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Financial instruments (Cont'd)

Financial liabilities and equity instruments (Cont'd) Financial liabilities for repurchase agreements

Financial liabilities for repurchase agreements continue to be recognised, which do not result in derecognition of the financial assets, and are recorded as "financial assets at FVTPL". Financial assets sold subject to agreements with a commitment to repurchase at a specific future date are not derecognised in the consolidated statement of financial position. The proceeds from selling such assets are presented as "financial liabilities for repurchase agreements" in the consolidated statement of financial position. Financial liabilities for repurchase are initially measured at fair value and are subsequently measured at amortised cost using the effective interest method.

Other financial liabilities

Other financial liabilities including bank and other borrowings, notes issued, trade and other payables, amounts due to associates and amounts due to joint ventures, which are recognised initially at fair value, are subsequently measured at amortised cost, using the effective interest method.

Equity instruments

An equity instrument is any contract that evidence a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. Interest expense is recognised on an effective interest basis (other than those financial liabilities classified as at FVTPL, of which the interest expense is included in net gains or losses.)

Fair value measurement principles

Fair values of quoted investments are based on quoted prices. For unlisted securities or financial assets without an active market, the Group establishes the fair value by using appropriate valuation techniques including the use of recent arm's length transactions, reference to other investments that are substantially the same, discounted cash flow analysis and option pricing models. 綜合財務報表附註(續)

購回本公司權益工具直接於權益確認及扣 除。於購回、銷售、發行或註銷本公司權 益工具時並無於損益確認盈虧。

實際利息法

實際利息法是計算金融負債攤銷成本及分配於相關期間內利息開支的方法。實際利率為於金融負債的預計可使用年期或(如適用)較短期間內可準確折現估計未來現金支出(包括所支付或收取能構成整體實際利率的所有費用及基點、交易成本及其他溢價或折讓)至初始確認賬面淨值的利率。利息開支按實際利率基準確認(該等分類為透過損益賬按公平價值處理之金融負債除外,其中利息開支計入收益或虧損淨額)。

公平價值計算原則

報價投資之公平價值乃基於報價價格。就 非上市證券或無活躍市場之金融資產而 言,本集團使用合適估值方法建立公平價 值,此等方法包括使用新近之公平交易、 參考其他大致相同之投資、折現現金流分 析及期權定價模式等。

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Financial instruments (Cont'd)

Derivative financial instruments

Derivatives are initially recognised at fair value at the date when derivative contracts are entered into and are subsequently remeasured to their fair value at the end of the reporting period. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedge relationship.

Embedded derivatives

Derivatives embedded in non-derivative host contracts are treated as separate derivatives when they meet the definition of a derivative, their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at FVTPL. Generally, multiple embedded derivatives in a single instrument are treated as a single compound embedded derivative unless those derivatives relate to different risk exposures and are readily separable and independent of each other.

Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Group has transferred substantially all the risks and rewards of ownership. On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss.

Financial liabilities are derecognised when the obligation specified in the relevant contract is discharged, cancelled or expires. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

Provisions and contingent liabilities

Provisions are recognised when the Group has a present legal or constructive obligation as a result of a past event, if it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where the Group expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in profit or loss net of any reimbursement. 綜合財務報表附註(續) 截至二零一七年十二月三十一日止年度

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Provisions and contingent liabilities (Cont'd)

A contingent liability is a possible obligation that arises from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. It can also be a present obligation arising from past events that is not recognised because it is not probable that an outflow of economic resources will be required or the amount of obligation cannot be measured reliably.

A contingent liability is not recognised but is disclosed in the notes to the consolidated financial statements. When a change in the probability of an outflow occurs so that the outflow is probable, it will then be recognised as a provision.

Properties held for sale

Properties held for sale are stated at the lower of cost and net realisable value. Cost includes freehold and leasehold land cost, development cost, borrowing costs and other direct costs attributable to such properties until the relevant properties reach a marketable state. Net realisable value is determined by reference to management estimates of the selling price based on prevailing market conditions, less all estimated costs to completion and costs to be incurred in marketing and selling.

Inventories

Inventories are stated at the lower of cost and net realisable value. Cost is calculated using the weighted average method.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, bank balances and short-term time deposits.

4. KEY SOURCES OF ESTIMATION UNCERTAINTY

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are set out as follows.

Estimate of fair value of investment properties

At the end of the reporting period, investment properties are stated at fair value based on the valuation performed by independent professional valuers. In determining the fair value, the valuer has based on a method of valuation which involves certain estimates. In relying on the valuation report, the management has exercised their judgment and is satisfied that the assumptions used in valuation are reflective of the current market conditions. 綜合財務報表附註(續)

4. KEY SOURCES OF ESTIMATION UNCERTAINTY (CONT'D)

Recoverable amount of associates

- (i) In determining the recoverable amount of Tian An China Investments Company Limited ("TACI"), a listed associate included in note 23 (Note (i)), management used appropriate assumptions to estimate the value in use based on shared discounted future cash flows of the associate. Where those assumptions and/or future cash flows are different from expected, impairment may arise.
- (ii) In determining the recoverable amount of APAC Resources Limited ("APAC"), a listed associate included in note 23 (Note (i)), management used the fair value less costs of disposal based on the market value of APAC's interest in its associate plus its other assets and liabilities, and assessed if any impairment may arise.
- (iii) SHK disposed of 70% interest in its wholly-owned subsidiary Sun Hung Kai Financial Group Limited ("SHKFGL") in June 2015 and classified the remaining 30% equity interest as an associate. The Group's interest in SHKFGL is tested for impairment whenever there is an impairment indicator. Determining whether the interest in the associate is impaired requires an estimation of the fair value less costs to sell or value in use on the basis of data available to the Group. Where recoverable amount is less than expected, an impairment loss may arise.

聯營公司之可收回金額

- (i) 在釐定於附註23(註解(i))所包括之一間上市聯營公司天安中國投資有限公司(「天安」)之可收回金額時,管理層利用恰當的假設按聯營公司之分佔折現未來現金流對使用價值作出估計。該等假設及/或未來現金流與預期有所出入時,減值可能產生。
- (ii) 在釐定於附註23(註解(i))所包括之一間上市聯營公司亞太資源有限公司 (「亞太資源」)之可收回金額時,管理 層使用按亞太資源於其聯營公司之權 益的市值加亞太資源其他資產及負債 所得之公平價值減出售成本,及評估 是否可能產生減值。
- (iii) 於二零一五年六月,新鴻基出售於其 全資附屬公司新鴻基金融集團有限公 司(「新鴻基金融集團」)之70%權益, 並將餘下30%股權分類作一間聯營 公司處理。本集團於新鴻基金融集團 的權益當出現減值跡象時進行減值測 試。在釐定於聯營公司之權益是否減 值時,須根據本集團可得到之資料對 公平價值減出售成本或使用價值作出 估計。倘可收回金額低於預期,則可 能產生減值虧損。

ALLIED GROUP LIMITED 聯合集團有限公司

4. KEY SOURCES OF ESTIMATION UNCERTAINTY (CONT'D)

Impairment allowances on loans and advances to consumer finance customers and mortgage loans

The policy for collective impairment allowances for loans and advances to consumer finance customers and mortgage loans of the Group is based on the evaluation of collectability and aging analysis of accounts and on management's judgment. A considerable amount of judgment is required in assessing the ultimate realisation of these loans and advances, including the current creditworthiness, and the past collection history.

Impairment allowances on term loans

In determining individual impairment allowances, the Group periodically reviews its term loans to assess whether objective evidence of impairment exists. In determining whether impairment allowances should be recorded in the profit or loss, the management estimates the present value of future cash flows which are expected to be received, taking into account the borrower's financial situation and the net realisable value of the underlying collaterals or guarantees in favour of the Group.

Estimated impairment of goodwill and intangible assets with indefinite useful lives

The Group conducts tests for impairment of goodwill and intangible assets with indefinite useful lives annually in accordance with the relevant accounting standards. Determining whether the goodwill and the intangible assets are impaired requires an estimation of the fair value less costs to sell or value in use on the basis of data available to the Group. Where future cash flows are less than expected, an impairment loss may arise.

Fair value of derivative and financial instruments

The Group selects appropriate valuation techniques for financial instruments not quoted in an active market. Note 25 provides detailed information about the key assumptions used in the determination of the fair value of material financial instruments.

Deferred tax

Estimating the amount for recognition of deferred tax assets arising from tax losses and other deductible temporary differences requires a process that involves forecasting future years' taxable income and assessing the Group's ability to utilise tax benefits through future earnings. Where the actual future profits generated are more or less than expected, a recognition or reversal of the deferred tax assets may arise, which would be recognised in profit or loss for the period in which such a recognition or reversal takes place. While the current financial models indicate that the recognised tax losses and deductible temporary differences can be utilised in the future, any changes in assumptions, estimates and tax regulations can affect the recoverability of this deferred tax asset. 綜合財務報表附註(續) 截至二零一七年十二月三十一日止年度

4. 估計不確定因素之主要來源(續)

私人財務客戶貸款及墊款及按揭貸款之減 值撥備

本集團私人財務客戶貸款及墊款及按揭貸 款之集體減值撥備政策以可收回性評估、 賬齡分析及管理層判斷為基礎。評估該等 貸款及墊款之最終變現能力需要進行大量 判斷,包括現時信譽及過往收款歷史記錄。

有期貸款之減值撥備

於釐定個別減值撥備時,本集團定期審核 其有期貸款,以評估是否存在客觀減值證 據。於釐定是否應於損益記錄減值撥備 時,管理層在考慮借款人之財務狀況及向 本集團作出的相關抵押或擔保之可變現淨 值後,以估計預期收取未來現金流量之現 值。

商譽及無固定可使用年期之無形資產之估 計減值

本集團根據相關會計準則,每年對商譽及 無固定可使用年期之無形資產進行減值測 試。在釐定商譽及無形資產是否減值時, 要求根據本集團可得到之資料對公平價值 減出售成本或使用價值作出估計。倘未 來現金流量低於預期,則可能產生減值虧 損。

衍生工具及金融工具之公平價值

本集團對於活躍市場無報價的金融工具選 用適當的估值方法。附註25載有釐定重大 金融工具公平價值之主要假設之詳情。

遞延税項

估計因税項虧損及其他可扣税臨時差額產 生之確認遞延税項資產金額需要經過涉 及預測未來數年之應課税收入及評估本 集團透過未來盈利利用税項利益之能力之 過程。倘產生之實際未來溢利高於或低於 預期,則可能產生遞延税項資產確認或撥 回,並將於確認或撥回發生之期間在損益 確認。倘現有財務模式顯示已確認税項虧 損及可扣税臨時性差額可於未來動用,則 任何假設、估計及税務規例之變動可能影 響該遞延税項資產之可收回性。

5. **REVENUE**

11. INFORMATION ABOUT MATERIAL INTERESTS OF DIRECTORS IN TRANSACTIONS, ARRANGEMENTS OR CONTRACTS

No transactions, arrangements or contracts of significance to which the Company or any of its subsidiaries was a party and in which the Directors or an entity connected with the Directors had a material interest, whether directly or indirectly, subsisted at the end of the year or at any time during the year. For information only:

- (i) a tenancy agreement dated 19th November, 2015 was entered into between Mr. Lee Seng Hui as the tenant and a non wholly-owned subsidiary of the Company as the landlord had expired on 18th November, 2017 and was renewed by a tenancy agreement dated 29th November, 2017 for a term commencing 19th November, 2017. The rental of HK\$4.1 million (2016: HK\$4.1 million) received therefrom during the year ended 31st December, 2017 is considered insignificant in relation to the Group's business. Such tenancy agreement was subsequently terminated on 14th February, 2018.
- (a) a tenancy agreement dated 12th July, 2016 was (ii) entered into between San Pack Properties Limited ("San Pack", a non wholly-owned subsidiary of the Company) as the landlord and San Tai Distribution Company Limited ("San Tai", a company of which Mr. Edwin Lo King Yau can exercise more than 50% of the voting rights at the general meetings) as the tenant for the period from 1st July, 2016 to 30th June, 2019; (b) a tenancy agreement dated 4th November, 2016 was entered into between San Pack as the landlord and China Pacific Group Limited ("China Pacific", a company of which Mr. Edwin Lo King Yau can exercise more than 50% of the voting rights at the general meetings) as the tenant for the period from 1st April, 2016 to 31st March, 2019; and (c) a logistics and warehouse services agreement dated 27th March, 2017 was entered into between San Pack as the client and San Tai as the service provider for the period from 1st April, 2017 to 30th June, 2019. The total rental of HK\$14.1 million received therefrom and the total service fee of HK\$0.3 million paid thereto during the year ended 31st December, 2017 are considered insignificant in relation to the Group's business.

11. 關於董事於交易、安排或合約中的重 大權益的資料

於本年度終結時或於本年度內任何時間, 本公司或其任何附屬公司並無訂立董事或 與董事有關連之實體直接或間接擁有重大 權益之任何重要交易、安排或合約。以下 所述僅供參考:

- (i) 李成輝先生(作為承租人)與本公司一間非全資附屬公司(作為業主)於二零一五年十一月十九日訂立之租賃協議已於二零一七年十一月十八日屆滿,並於二零一七年十一月十九日經一項租賃協議重續,自二零一七年十一月十九日起生效。於截至二零一七年十二月三十一日止年度收取4.1百萬港元(二零一六年:4.1百萬港元)之租金總額對本集團業務而言屬不重大。有關租賃協議其後於二零一八年二月十四日終止。
- (a)山栢置業有限公司(「山栢」,本公 (ii) 司之非全資附屬公司)(作為業主)與 三泰集運有限公司(「三泰」,勞景祐 先生可於股東大會行使超過50%投 票權的公司)(作為租戶)訂立一份日 期為二零一六年七月十二日之租賃協 議,租期為二零一六年七月一日至二 零一九年六月三十日;(b)山栢(作為 業主)與中匯亞洲集團有限公司(「中 匯 |, 勞景祐先生可於股東大會行使 超過50%投票權的公司)訂立一份日 期為二零一六年十一月四日之租賃協 議,租期為二零一六年四月一日至二 零一九年三月三十一日;及(c)山栢 (作為客戶)與三泰(作為服務供應商) 訂立日期為二零一七年三月二十七日 之物流及倉庫服務協議,有效期為 二零一七年四月一日至二零一九年六 月三十日。截至二零一七年十二月 三十一日止年度就此收取的租金總 額14.1百萬港元及所支付服務費總額 0.3百萬港元對本集團業務而言屬微 不足道。

SHK disposed of 70% interest in its wholly-owned subsidiary SHKFGL in June 2015 and classified the remaining 30% equity interest as an associate. Affected by the slow recovery of Hong Kong and China stock markets in 2016 after the stock market correction in the second half of 2015, the carrying amount of the 30% equity interest in SHKFGL exceeded the recoverable amount at the reporting date that led to a further impairment loss for the year ended 31st December, 2016. The recoverable amount was measured at fair value less cost of disposal of SHKFGL. There was an improvement of the stock market in 2017 and resulted in a partial reversal of impairment loss for the year ended 31st December, 2017. The fair value was measured by discounted cash flow approach at the reporting date using a discount rate of 16.6% (2016: 19.7%). As part of the disposal in 2015, the Group was awarded a put right on the 30% equity interest of SHKFGL. This put right recorded a valuation gain during the year of HK\$1.0 million (2016: HK\$345.0 million) classified under net gain on financial assets and liabilities.

於二零一五年六月,新鴻基出售其全資附屬公 司新鴻基金融集團之70%權益,並將餘下30% 股權分類作一間聯營公司處理。受到香港及中 國股票市場於二零一五年下半年進行調整後而 於二零一六年復甦步伐緩慢所影響,於新鴻基 金融集團之30%股權之賬面值高於結算日之可 收回金額,以致截至二零一六年十二月三十 日止年度出現進一步減值虧損。可收回金額以 新鴻基金融集團的公平價值減出售成本計量。 股票市場於二零一七年出現改善,減值虧損於 截至二零一七年十二月三十一日止年度有部分 獲得撥回。結算日公平價值以貼現率16.6%(二 零一六年:19.7%)的折現現金流方法所計量。 作為於二零一五年出售事項的一部分,本集團 獲授予新鴻基金融集團的30%股權的認沽權。 該認沽權於年內錄得估值收益1.0百萬港元(二 零一六年:345.0百萬港元),歸類於金融資產 及負債收益淨額。

17. INVESTMENT PROPERTIES (CONT'D)

The fair values of the Group's investment properties on the dates of transfer, acquisition and at the reporting dates have been arrived at on the basis of a valuation carried out at these dates by Norton Appraisals Holdings Limited, Whitney & Associates and Savills (UK) Limited, firms of independent and qualified professional valuers not connected with the Group.

For properties located in Hong Kong, PRC and the United Kingdom ("UK"), the fair value was grouped under level 3 and was determined based on the investment approach, where the market rentals of all lettable units of the properties are assessed and discounted at the market yield expected by investors for this type of properties. The market rentals are assessed taking into account the current passing rents and the reversionary income potential of tenancies. For the properties which are currently vacant, the valuation was based on capitalisation of the hypothetical and reasonable market rents with a typical lease term or direct comparison approach. The discount rate is determined by reference to the yields derived from analysing the sales transactions of similar properties in Hong Kong, PRC and UK and adjusted to take into account the market expectation from property investors to reflect factors specific to the Group's investment properties.

For property located in the United States of America ("USA"), the fair value was grouped under level 3 and was determined based on the sales comparison approach – land analysis, where the market sales of the observable transactions in neighbourhood areas are assessed and adjusted to take into account the location, size, condition and physical characteristic of this investment property.

There has been no change from the valuation technique used in the prior year. In estimating the fair value of the properties, the highest and best use of the properties is their current use.

The following table gives information about how the fair values of these investment properties are determined (in particular, the valuation techniques and inputs used), as well as the fair value hierarchy into which the fair value measurements are categorised (levels 1 to 3) based on the degree to which the inputs to the fair value measurements are observable.

The recoverable amounts of UAF and SHK Finance Limited under the consumer finance segment, SHK, SHK Hong Kong Industries Limited and Yu Ming Investment Management Limited under the investment and finance segment have been determined based on a value-in-use calculation. The calculation uses cash flow projection based on respective financial budgets approved by respective management covering a 1-year period at a discount rate of 11.0% (2016: 11.0%). The recoverable amounts of UAF, SHK Finance Limited, SHK, SHK Hong Kong Industries Limited and Yu Ming Investment Management Limited were determined to be in excess of its net carrying amounts.

The recoverable amount of Cautious Base under the corporate and other operations segment has been determined based on a value-in-use calculation. The calculation uses cash flow projection based on respective financial budgets approved by Cautious Base management covering a 5-year period at a discount rate of 3.3% (2016: 3%). The recoverable amount was determined to be in excess of its net carrying amount.

Management believes that possible changes in any of the above assumptions would not cause the carrying amounts to exceed their recoverable amounts. 於私人財務分部的亞洲聯合財務及新鴻基 財務有限公司與於投資及金融分部的新鴻 基、新工投資有限公司及禹銘投資管理有 限公司的可收回金額均根據使用價值釐 定。該計算方法使用以各管理層批准的一 年期財政預算按折現率11.0%(二零一六 年:11.0%)折讓為基準的現金流量預測。 亞洲聯合財務、新鴻基財務有限公司、新 鴻基、新工投資有限公司及禹銘投資管理 有限公司的可收回金額經確定為超過其各 自之賬面淨值。

於企業及其他業務分部的Cautious Base的 可收回金額乃根據使用價值釐定。該計算 方法使用以Cautious Base管理層批准的 五年期財政預算按折現率3.3%(二零一六 年:3%)折讓為基準的現金流量預測。可 收回金額經確定為超過其賬面淨值。

管理層相信,上述任何假設可能出現的改 變不會使賬面值超出可收回金額。

Management has reviewed the shortfall between the carrying amount of a Hong Kong listed associate, TACI, and the market value of TACI at the end of the reporting period. The management considers that the value in use based on discounted future cash flows of TACI is higher than the carrying amount and the market value of TACI, hence, no impairment needs to be recognised.

On 16th December, 2015, an indirect non whollyowned subsidiary of the Group entered into the sale and purchase agreement to acquire approximately 23.9% of the total issued share capital of APAC, which is listed on the main board of the Stock Exchange (stock code: 1104), for a consideration of approximately HK\$484.0 million. On 29th February, 2016, the acquisition of APAC was completed as all of the conditions of the sale and purchase agreement were fulfilled. On the same day, APAC became an associate of the Group as the Group has significant influence over the associate. After the acquisition, the Group further acquired an additional 4.54% of the total issued share capital of APAC from the market for a consideration of HK\$47.9 million. In total, the Group held 28.44% of the total issued share capital of APAC as at 31st December, 2016.

管理層已審閱一間於香港上市聯營公司天 安的賬面值與天安於報告期末的市值之間 的差額。管理層認為,按天安之折現未來 現金流計算的使用價值減出售成本較天安 之賬面值及市值為高。因此,毋須確認減 值。

於二零一五年十二月十六日,本集團之間 接非全資附屬公司訂立買賣協議,以收 購亞太資源(一間於聯交所主板上市之公 司,股份代號:1104)全部已發行股本約 23.9%,代價約484.0百萬港元。於二零 一六年二月二十九日,買賣協議之所有條 件均已達成,收購亞太資源亦告完成。同 日,亞太資源成為本集團之一間聯營公 司,原因為本集團對其擁有重大影響。 於完成收購事項後,本集團於市場上進 一步收購亞太資源全部已發行股本的額 外4.54%,代價為47.9百萬港元。合併計 算,本集團於二零一六年十二月三十一日 擁有亞太資源全部已發行股本的28.44%。

23. INTERESTS IN ASSOCIATES (CONT'D)

Note (i): (Cont'd)

During the year, the Group further acquired an additional 0.9% of the total issued share capital of APAC from the market for a consideration of HK\$9.9 million and held 29.34% in total. On 16th November, 2017, APAC announced a cash offer to repurchase shares which was completed on 28th December, 2017. After completion of the share repurchase of APAC, the Group's shareholding in APAC increased from 29.34% to 33.91% and the difference between the Group's share of the net fair value of APAC's identifiable assets and liabilities before and after the change is recognised directly in equity.

Management has reviewed the shortfall between the carrying amount of APAC and the market value of APAC at the end of the reporting period. The management has compared the carrying amount of APAC to the fair value less costs of disposal of APAC, which was based on the market value of APAC's interest in its associate plus its other assets and liabilities, and concluded that there is no need to recognise an impairment allowance. The fair value less costs of disposal has been used by management in the impairment assessment of APAC as it reflects the underlying assets value of APAC.

Note: The Group's 48.66% interest in TACI gives the Group 48.66% of the voting rights in TACI. As at 31st December, 2017, the board composition of TACI comprised five executive directors, three non-executive directors and four independent non-executive directors, totalling twelve directors. Of these directors, a non-executive director of TACI is also an executive director of each of the Company and Allied Properties (H.K.) Limited ("APL"), and an executive director of TACI is also an executive director of the Company. China Elite Holdings Limited ("China Elite", a wholly-owned subsidiary of APL that held the 48.66% interest in TACI) has resolved that whilst APL's direct or indirect shareholding in TACI is less than 50%, China Elite will not, without prior public notice required under applicable legislation, exercise its power as a shareholder of TACI to seek to appoint another director to the board of directors of TACI who is or has within the previous twelve months been an employee or a director of China Elite, its holding company or any subsidiary of its holding companies.

TACI's other three significant shareholders hold a total of 34.12% equity interest as at 31st December, 2017 and were independent third parties from the Group.

The Group has considered whether TACI is a subsidiary when preparing its consolidated financial statements for the year ended 31st December, 2017 in view of the provisions of HKFRS 10 Consolidated Financial Statements and has concluded that it does not have unilateral ability to direct the relevant activities of TACI based on the above facts and circumstances, and accordingly, the Group continues to account for TACI as an associate.

The principal activities of TACI are property investment and development in the PRC and are strategic to the Group's activities.

ALLIED GROUP LIMITED 聯合集團有限公司

25. FINANCIAL ASSETS AND LIABILITIES (CONT'D)

Available-for-sale financial assets are intended to be held for a continuing strategic or long-term purpose. Due to insufficient market information and a wide range of possible fair values as input to measure the fair value reliably, some of the unlisted equity investments are carried at cost less impairment.

On the basis of its analysis of the nature, characteristics and risks of the equity securities, the Group has determined that presenting them by nature and type of issuers is appropriate.

Fair values are grouped from level 1 to 3 based on the degree to which the fair values are observable.

Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 fair value measurements are those derived from input other than quoted prices included within level 1 that are observable for the assets or liabilities, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 fair value measurements are those derived from valuation techniques that include input for the assets or liabilities that are not based on observable market data.

In estimating the fair value, the Group uses marketobservable data to the extent it is available. Where level 1 inputs are not available, the Group engages external valuers to perform the valuation for certain complex or material financial assets and liabilities. The valuation working group works closely with the external valuers to establish the appropriate valuation techniques and inputs to the valuation model for those complex or material financial assets and liabilities. For those less complex or not material financial assets and liabilities, the Group establishes appropriate valuation techniques internally to perform the valuation. The valuation working group also analyses changes in fair value measurements from period to period.

Unlisted overseas investment funds included in availablefor-sale financial assets under level 2 are measured at fair value at the end of the reporting period. Based on the relevant agreements, the Group can require the relevant investment manager to redeem the units at net asset value by giving a written redemption notice. The fair value of the unlisted overseas investment funds are provided by the relevant investment managers. 綜合財務報表附註(續)

公平價值按其可觀察度分類為一至三級。

第一級公平價值計量按相同的資產或負債 於活躍市場的報價(無調整)計算。

第二級公平價值計量乃除第一級計入之報 價外,就資產或負債可直接(即價格)或間 接(即自價格衍生)觀察輸入數據得出。

第三級公平價值計量乃計入並非根據可觀 察市場數據之資產或負債之估值方法得 出。

在估計公平價值時,本集團使用可獲得的 市場可觀察數據。倘並無第一級輸入數 據,本集團委聘外部估值師就若干複雜或 重大金融資產及負債進行估值。估值工作 小組與外部估值師緊密合作,為該等複雜 或重大金融資產及負債的估值模型建立合 適之估值技術及輸入數據。就複雜程度或 並不重大之金融資產及負債而言,本集團 內部建立合適之估值技術以進行估值。估 值工作小組亦按期分析公平價值計量之變 動。

計入可供出售金融資產中有第二級別非上 市海外投資基金以報告期末之公平價值計 量。根據相關之協議,本集團可發出一個 書面的贖回通知要求相關投資經理以資產 淨值贖回單位。非上市海外投資基金之公 平價值由相關之投資經理提供。

25. FINANCIAL ASSETS AND LIABILITIES (CONT'D)

Included in available-for-sale financial assets, there are debt securities under level 2, the debt element of which is recognised at fair value at date of initial recognition and subsequent measurement with fair value change at each reporting date recognised directly in equity until the instrument is sold. As at 31st December, 2017, the fair value of the debt element is approximately HK\$112.6 million (2016: HK\$287.4 million) which was calculated based on the present value of contractually determined stream of future cash flows discounted at the required vield, which was determined with reference to instruments of similar terms. The effective interest rates of the debt element at 31st December, 2017 ranging from 3.19% to 6.81% (2016: ranging from 5.63% to 10.83%). The fair values of the debt element have been determined by a firm of independent professional valuers, Greater China Appraisal Limited ("GCA").

The option element of debt securities under availablefor-sale financial assets was classified as "call options embedded in bonds and notes" under the financial assets or liabilities at fair value through profit or loss and grouped under level 2. This derivative element is recognised at fair value at initial recognition and subsequent measurement with fair value change at each reporting date recognised in profit or loss. As at 31st December, 2017 and 2016, Hull-White Term Structure Model is used for valuation of derivative element of certain perpetual bonds and guaranteed notes. Significant inputs into the model were mean reverting rate ranging from 0.00 to 0.01 (2016: 0.00 to 0.04), default intensity ranging from 1.08% to 5.20% (2016: ranging from 3.80% to 8.70%) and short rate volatility of 0.01 (2016: 0.01).

The fair values of bonds and notes under level 2 at the reporting date were derived from quoted prices from pricing services. The fair value of stock borrowings, forward currency contract and contracts for difference under level 2 at the reporting date were derived from observable market prices of the underlying financial assets or liabilities.

The fair values of level 3 financial assets and liabilities are mainly derived from an unobservable range of data. In estimating the fair value of a financial asset or a financial liability under level 3, the Group engages external valuers or establishes appropriate valuation techniques internally to perform the valuation which are reviewed by the relevant management of the group companies. 綜合財務報表附註(續) 截至二零一七年十二月三十一日止年度

計入可供出售金融資產中有第二級別債務 證券,其債務部分於初始確認日按公平價 值確認及隨後按每個結算日之公平價值變 動計量直接於權益中確認,直至該工具售 出。於二零一七年十二月三十一日,債務 部分之公平價值約為112.6百萬港元(二 零一六年:287.4百萬港元),金額乃按 所要求之收益率折現根據合約釐定之未來 現金流量之現值而計算,要求之收益率乃 參照相若條款之工具釐定。債務部分於二 零一七年十二月三十一日之實際利率介乎 3.19%至6.81%(二零一六年:介乎5.63% 至10.83%)。債務部分公平價值乃由獨立 專業估值師漢華評值有限公司(「漢華評 值」)釐定。

可供出售金融資產下的債務證券期權部 份,乃分類為透過損益賬按公平價值處理 之金融資產或負債之「嵌入債券及票據之 可提早贖回期權」並歸類為第二級。衍生 工具部份於初始確認時按公平價值確認, 隨後按各結算日之公平價值變動計量於損 益中確認。於二零一七年及二零一六年 十二月三十一日,對若干永續債券及擔保 票據的衍生工具部份採用了Hull-White有 期架構模型進行估值。該模型之重大輸 入數據為均值回復率介乎0.00至0.01(二 零一六年:介乎0.00至0.04)、違約強度 介乎1.08%至5.20%(二零一六年:介乎 3.80%至8.70%)及短期利率波動性0.01 (二零一六年:0.01)。

於結算日,屬第二級之債券及票據之公平 價值乃源自定價服務所報之價格。於結算 日,屬第二級之借入股票、遠期貨幣合約 及差價合約之公平價值乃源自相關金融資 產或負債之可觀察市場價格。

第三級金融資產及負債之公平價值主要以 所牽涉無法觀察之數據系列計算。於估計 第三級金融資產或金融負債之公平價值 時,本集團委聘外部估值師或由內部設立 合適之估值方法以進行估值,並由集團公 司之相關管理層審閱。

Transferred financial assets

The Group enters into transactions in the normal course of business by which it transfers recognised financial assets to third parties. In some cases where these transfers may give rise to full derecognition of the financial assets concerned. In other cases where the Group has retained substantially all the risks and rewards of these assets, the Group continues to recognise the transferred assets.

The Group transfers financial assets that are not derecognised in their entirety primarily through the sale of debt securities with repurchase agreements.

Sales and repurchase agreements are transactions in which the Group sells a debt security and simultaneously agrees to repurchase it (or an asset that is substantially the same) at the agreed date and price. The repurchase prices are fixed and the Group is still exposed to substantially all the credit risks, market risks and rewards of those debt securities sold. These debt securities are not derecognised from the financial statements but regarded as "collateral" for the liabilities because the Group retains substantially all the risks and rewards of these debt securities. The proceeds received on the transfer are recognised as liabilities under "Financial liabilities for repurchase agreements".

已轉讓金融資產

本集團於正常業務過程中訂立交易,據此 將已確認金融資產轉讓予第三方。在若干 情況下,該等轉讓可能導致全面終止確認 有關金融資產。在其他情況下,倘本集團 保留該等資產的絕大部分風險及回報,則 本集團繼續確認已轉讓資產。

本集團主要透過出售附有回購協議的債務 證券轉讓所有尚未終止確認的金融資產。

出售及回購協議為本集團出售一項證券並 同時同意按協定日期及價格回購該債務證 券或一項大致相同資產的交易。回購價格 為固定,本集團仍須承受該等已出售債務 證券的絕大部分信用風險、市場風險及回 報。由於本集團保留了該等債務證券的絕 大部分風險及回報,故該等債務證券不會 於財務報表內終止確認,但被視作負債的 「抵押品」。轉移所收取的所得款項於「回 購協議下之金融負債」中確認為負債。

Financial assets and financial liabilities offsetting

The disclosures set out in the tables below include financial assets and financial liabilities that are subject to an enforceable master netting arrangement or similar agreement that covers similar financial instruments, irrespective of whether they are offset in the Group's consolidated statement of financial position.

The Group has entered certain derivative transactions that are covered by the International Swaps and Derivatives Association Master Agreements ("ISDA Agreements") signed with various banks. These derivative instruments are not offset in the consolidated statement of financial position as the ISDA Agreements are in place with a right of set off only in the event of default, insolvency or bankruptcy so that the Group currently has no legally enforceable right to set off the recognised amounts.

抵銷金融資產及金融負債

下表所載披露包括金融資產及金融負債, 其為受可強制執行總淨額結算安排或涵蓋 類似金融工具的類似協議所規限,不論其 是否於本集團綜合財務狀況表內抵銷。

本集團已訂立若干衍生工具交易,其受與 各家銀行簽訂的國際掉期及衍生工具主協 議(「ISDA協議」)所涵蓋。由於ISDA協議 訂明抵銷權只可於違約、無力償債或破產 時行使,故本集團目前並無合法可強制執 行權利抵銷已確認的金額,而該等衍生工 具並無於綜合財務狀況表抵銷。

26. LOANS AND ADVANCES TO CONSUMER FINANCE CUSTOMERS (CONT'D)

The main types of collateral and credit enhancement obtained are as follows:

- for personal lending charges over residential properties; and
- for commercial lending, corporate guarantees, charges over real estate properties, pledge of shares or debentures over the borrower's assets.

In general, the loans and advances which are granted on a secured basis, are made to the consumer finance customers with sufficient amount of collateral provided by them. Management requests additional collateral as appropriate in accordance with the underlying agreements, and monitors the market value of collateral during its review of the adequacy of the impairment allowance.

Estimate of fair value of collateral is based on the valuation techniques commonly used for the corresponding assets at the time of borrowing.

It is the Group's policy to dispose of repossessed properties in an orderly fashion. The proceeds are used to reduce or repay the outstanding loan balances. In general, the Group does not retain repossessed properties for business purpose.

In respect of the secured loans and advances to customers with the carrying amount of HK\$266.6 million (2016: HK\$419.7 million), the fair values of the collaterals of such loans and advances can be objectively ascertained to cover the outstanding amount of the loan balances.

The carrying amounts of the loans and advances to consumer finance customers approximate their fair values.

26. 私人財務客戶貸款及墊款(續)

所獲抵押品及信貸增強措拖的主要類別如下:

- 對於個人貸款,以住宅物業質押;及
- 對於商業借貸,以企業擔保、房地產 物業抵押、股份抵押或借款人資產債 券抵押。

一般而言,按擔保基準授出之貸款及墊款,乃供給可提供充足抵押品之私人財務 客戶。管理層會於適當時要求根據相關協 議作出額外抵押,並於檢討減值撥備是否 足夠時,監察抵押品的市值。

估計抵押品公平價值乃於借款時採用一般 適用於相應資產之常用估值方法而釐定。

本集團的方針是有序地變賣沒收物業。所 得款項用作降低或償還未償還貸款結餘。 一般而言,本集團不會保留沒收物業作業 務用途。

就賬面值為266.6百萬港元(二零一六年: 419.7百萬港元)之有抵押客戶貸款及墊款 而言,相關貸款及墊款之抵押品之公平價 值可客觀確定為足以結付貸款結餘之未償 還金額。

私人財務客戶貸款及墊款之賬面值與其公 平價值相若。

In respect of the secured mortgage loans to mortgage loans customers with the carrying amount of HK\$1,890.3 million (2016: HK\$388.3 million), the fair values of the collaterals of such mortgage loans can be objectively ascertained to cover the outstanding amount of the loan balances.

The unsecured mortgage loans include second mortgage loans in respect of which the Group are not entitled to the first charge of relevant mortgage properties. The management consider that the second mortgage loans are classified as unsecured loans due to the impediment in repossession of the mortgage properties and the practical difficulties to ascertain the residual collateral value after claim by first mortgagee.

The carrying amounts of the mortgage loans approximate their fair values.

The Group's mortgage loans carried an average interest rate of 10.15% (2016: 12.03%).

27. 按揭貸款(續)

所獲抵押品及信貸增強措拖的主要類別如 下:

- 對於個人貸款,以住宅物業按揭;及
- 對於商業借貸,以房地產物業抵押。

一般而言,以抵押基準授出的按揭貸款是 提供給具有足夠金額的抵押品客戶。管理 層會於適當時要求根據相關協議作出額外 抵押,並於檢討減值撥備是否足夠時,監 察抵押品的市值。

估計抵押品公平價值乃於借款時採用一般 適用於相應資產之常用估值方法而釐定。

本集團的方針是有序地變賣沒收物業。所 得款項用作降低或償還未償還貸款結餘。 一般而言,本集團不會保留沒收物業作業 務用途。

就給予按揭貸款客戶之賬面值為1,890.3 百萬港元(二零一六年:388.3百萬港元) 之有抵押按揭貸款而言,該按揭貸款之抵 押品之公平價值可客觀確定為足以結付貸 款結餘之未償還金額。

無抵押之按揭貸款包括二按貸款,當中本 集團無權取得相關按揭物業的第一押記。 管理層認為二按貸款須分類為無抵押貸 款,因為收回按揭物業存在困難,及在第 一押記承押人索償後實際情況下難以確定 餘下抵押價值。

按揭貸款之賬面值與其公平價值相若。

本集團按揭貸款之平均利率為10.15%(二 零一六年:12.03%)。

At the end of the reporting period, the Group had unrecognised deductible temporary differences of HK\$5.1 million (2016: HK\$5.2 million) and estimated unused tax losses of HK\$1,749.9 million (2016: HK\$1,993.7 million) available to offset against future assessable profits. A deferred tax asset has been recognised in respect of HK\$526.7 million (2016: HK\$473.5 million) of such losses. No deferred tax asset has been recognised in respect of the remaining HK\$1,223.2 million (2016: HK\$1,520.2 million) of losses due to the unpredictability of future assessable profit streams. The unrecognised tax losses included a sum of HK\$11.2 million that will expire during 2019 to 2022 (2016: HK\$1.5 million will expire during 2018 to 2021). 於報告期末,本集團之未確認可扣税臨時 差額為5.1百萬港元(二零一六年:5.2百萬 港元)及可抵銷未來應課税溢利之估計未 動用税項虧損1,749.9百萬港元(二零一六 年:1,993.7百萬港元)。其中就526.7百 萬港元(二零一六年:473.5百萬港元)之 上述虧損確認遞延税項資產。因未能確 定未來應課税溢利流,故並無確認餘下 1,223.2百萬港元(二零一六年:1,520.2 百萬港元)虧損之遞延税項資產。未確認 税項虧損包括將於二零一九年至二零二二 年內到期之款項11.2百萬港元(二零一六 年:二零一八年至二零二一年內到期之款 項1.5百萬港元)。

28. DEFERRED TAX (CONT'D)

Under the Law of PRC on Enterprise Income Tax, withholding tax is imposed on dividends declared in respect of profits earned by the PRC subsidiaries from 1st January, 2008 onwards. Deferred tax has not been provided for in the consolidated financial statements in respect of temporary differences attributable to accumulated profits of the PRC subsidiaries amounting to HK\$1,026.5 million at the end of the reporting period (2016: HK\$788.1 million). The taxable temporary differences have not been recognised as the Group is able to control the timing of the reversal of the temporary differences will not reverse in the foreseeable future.

There were no other significant temporary differences that are not recognised arising during the year or at the end of the reporting period.

41. CAPITAL RISK MANAGEMENT

The Group manages its capital to ensure that entities in the Group will be able to continue as going concerns while maximising the return to stakeholders through the optimisation of the debt and equity balance. The Group's overall strategy remains unchanged from prior year.

The capital structure of the Group consists of debts (which include bank and other borrowings and notes issued) and equity attributable to owners of the Company comprising issued share capital and reserves.

Gearing ratio

The Group's management reviews the capital structure on an ongoing basis using gearing ratio, which is the net debt divided by equity. Net debt includes the Group's bank and other borrowings and notes issued less short-term pledged bank deposit, bank deposits and cash and cash equivalents. The equity comprises all components of the equity attributable to owners of the Company.

41. 資本風險管理

本集團管理資本旨在透過優化債權平衡, 確保本集團屬下各公司能持續經營並給予 股東最高回報。本集團的整體策略與上年 度保持不變。

本集團的資本架構包括債務(包括銀行及 其他借貸及已發行票據)及本公司股東應 佔權益(包括已發行股本及儲備)。

資本負債比率

本集團管理層運用資本負債比率(即債務 淨額除以權益)持續檢討資本架構。債務 淨額包括本集團的銀行及其他借貸及已發 行票據減短期銀行抵押存款、銀行存款與 現金及現金等價物。權益包括本公司股東 應佔權益之各個組成部分。

42. FINANCIAL RISK MANAGEMENT

Risk is inherent in the financial service business and sound risk management is a cornerstone of prudent and successful financial practice. The Group acknowledges that a balance must be achieved between risks control and business growth. The principal financial risks inherent in the Group's business are market risk (includes equity risk, interest rate risk and foreign exchange risk), credit risk and liquidity risk. The Group's risk management objective is to enhance shareholders' value while retaining exposure within acceptable thresholds. Risk management is managed and controlled through relevant group companies.

The Group's risk management governance structure is designed to cover all business activities and to ensure all relevant risk classes are properly managed and controlled by relevant group companies. The Group has adopted a sound risk management and organisational structure equipped with comprehensive policies and procedures which are reviewed regularly and enhanced when necessary in response to changes in markets, the Group's operating environment and business strategies. The Group's relevant independent control functions play an important role in the provision of assurance to the relevant board of directors and senior management that a sound internal risk management mechanism is implemented, maintained and adhered to.

42. 金融風險管理

金融服務業本身存在風險,因此訂立一個 妥善的風險管理制度,是企業審慎而成功 的做法。本集團深信風險管理與業務增長 兩者同樣重要。本集團的業務存在的主要 金融風險為市場風險(包括股票風險、利 率風險及外匯風險)、信貸風險及流動資 金風險。本集團的風險管理目標是將所面 對的風險局限於可接受水平內之餘,同時 致力提高股東價值。風險管理乃透過相關 集團公司管理及監控。

本集團的風險管治架構旨在涵蓋所有業務 活動,以確保所有有關風險類別已由相關 集團公司妥為管理及監控。本集團已採納 一個妥善的風險管理與組織架構,並附有 完善的政策及程序,有關政策及程序會 定期進行檢討,並在有需要時因應市場、 本集團經營環境及業務策略之變動而加 強。本集團的有關獨立監控職能擔任重要 職務,向相關董事會及高級管理層確保實 施、維持及遵守穩健的內部風險管理機 制。

42. FINANCIAL RISK MANAGEMENT (CONT'D)

- (a) Market Risk
 - (i) Equity Risk

There are many asset classes available for investment in the marketplace. One of the Group's key business undertakings is investing in equity and is concentrated in the investment and finance operating segment. Market risk arising from any equity investments is driven by the daily fluctuations in market prices or fair values. The ability to mitigate such risk depends on the availability of any hedging instruments and the diversification level of the investment portfolios undertaken by the segment. More importantly, the knowledge and experience of the trading staff of the segment managing the risk are also vital to ensure exposure is being properly hedged and rebalanced in the most timely manner. Proprietary trading across the segment is subject to limits approved by the senior management of the relevant group companies. Valuation of these instruments is measured on a "mark-to-market" and "mark-to-fair value" basis depending on whether they are listed or unlisted. Value at Risk ("VaR") and stress tests are employed in the assessment of risk. Meanwhile other non-VaR limits such as "maximum loss" and "position" limits are also set out to restrict excessive risk undertakings. VaR and stress tests are approaches which are widely used in the financial industry as tools to quantify risk by combining the size of a position and the extent of a potential market movement into a potential financial impact.

The Group's market-making and proprietary trading positions and their financial performance are reported daily to the relevant senior management of the group companies in the segment for review. Relevant internal audit also performs regular checks to ensure there is adequate compliance in accordance with the established market risk limits and guidelines. 綜合財務報表附註(續) 截至二零一七年十二月三十一日止年度

There is no material financial impact in the form of profit before taxation for the year for the Group arising from market movements in the global equity indices. Futures, options and knock–out options are hedged by other derivatives in view of the volatile markets and wide trading ranges. 環球股市指數變動對本集團本年 度的除税前溢利並無重大財務影 響。鑒於市場波動及交易範圍廣 泛,期貨、期權及限價期權以其 他衍生工具對沖。

42. FINANCIAL RISK MANAGEMENT (CONT'D)

(a) Market Risk (Cont'd)

(ii) Interest Rate Risk

Interest rate risk is the risk of loss due to changes in interest rates. The Group's interest rate risk exposure arises predominantly from term financing in the investment and finance segment and loans and advances to consumer finance customers in consumer finance segment and bank and other borrowings. Interest spreads are managed with the objective of maximising spreads to ensure consistency with liquidity and funding obligations.

At 31st December, 2017, assuming that market interest rates moved by ± 50 basis points (2016: ± 50 basis points), the profit before taxation for the year for the Group would have been HK\$7.6 million lower or HK\$7.9 million higher respectively (2016: HK\$4.6 million lower or HK\$5.5 million higher respectively). Assets and liabilities bearing interest below 50 basis points are excluded from 50 basis points downward movement.

The exposures of the Group's financial assets (liabilities) bearing variable interest rate to cash flow interest rate risks and the earlier of their contractual repricing dates and contractual maturity dates are as follows: 綜合財務報表附註(續) 截至二零一七年十二月三十一日止年度

42. FINANCIAL RISK MANAGEMENT (CONT'D)

(a) Market Risk (Cont'd)

(iii) Foreign Exchange Risk

Foreign exchange risk is the risk to earnings or capital arising from movements in foreign exchange rates.

The Group's foreign exchange risk primarily arises from currency exposures originating from proprietary trading positions, and loans and advances denominated in foreign currencies, mainly in Australian dollars, British pound, Japanese yen, Malaysian ringgit, New Taiwan dollars, Singapore dollars, Renminbi and Thai Baht. Foreign exchange risk is managed and monitored by senior management of the relevant group companies. The risk arises from open currency positions are subject to management approved limits and are monitored and reported daily.

At 31st December, 2017, assuming that the foreign exchange rates moved $\pm 5\%$ (2016: $\pm 5\%$) with all other variables held constant, the profit before taxation for the year for the Group would be HK\$48.2 million lower/higher (2016: HK\$7.5 million higher/lower).

(b) Credit Risk

Credit risk arises from the failure of a customer or counterparty to meet settlement obligations. As long as the Group lends, trades and deals with third parties, there will be credit risk exposure.

The Group's credit procedures, governed by the relevant executive committee of the relevant group companies, sets out the credit approval processes and monitoring procedures, which are established in accordance with sound business practices.

42. 金融風險管理(續)

(a) 市場風險(續)
 (iii) 外匯風險
 外匯風險乃外幣匯率變動對盈利
 或資本造成之風險。

本集團之外匯風險主要來自自營 買賣活動持倉狀況及以外幣列值 之貸款及墊款,主要為澳元、英 鎊、日圓、馬來西亞林吉特、新 台幣、新加坡元、人民幣及泰 錄。外匯風險由有關集團公司高 級管理層作出管理及監察。就外 幣未平倉合約產生之外匯風險須 受由管理層審批之限額限制,並 須每日受其監控及向其匯報。

於二零一七年十二月三十一日, 假設外幣匯率上下波幅為5%(二 零一六年:上下波幅為5%),所 有其他變數保持不變,則本集團 於本年度之除税前溢利將下降 /上升48.2百萬港元(二零一六 年:上升/下降7.5百萬港元)。

(b) 信貸風險

客戶或交易對手未能履行交收責任, 將導致信貸風險。一旦本集團借款予 第三方,並與之交易及買賣,即會有 信貸風險。

本集團信貸程序(受相關集團公司有 關執行委員會規管)詳列信貸審批及 監管程序。該等程序乃按照完善的商 業慣例而訂定。

The maximum credit exposure at the Group level is spread between "loans and advances to consumer finance customers", "bank deposits, cash and cash equivalents" and "trade and other receivables", which represent more than two thirds of the total exposure. The breakdown and aging analysis of "loans and advances to consumer finance customers" and "trade and other receivables" and the breakdown of "bank deposits, cash and cash equivalents" are disclosed in note 26, 30 and 32 to the consolidated financial statements respectively.

Loans with strategic clients are all properly authorised by the relevant executive committee of the relevant group companies and with other controls in place to monitor their performance. 本集團所面對的最高信貸風險分佈於 「私人財務客戶貸款及墊款」、「銀行 存款、現金及現金等價物」及「貿易及 其他應收款項」之間,佔總風險超過 三分之二。「私人財務客戶貸款及墊 款」及「貿易及其他應收款項」之細目 及賬齡分析及「銀行存款、現金及現 金等價物」之細目分別披露於綜合財 務報表附註26、30及32。

借予策略性客戶之貸款均獲相關集團 公司之相關執行委員會正式批核,並 設立其他管制措施以監察其履約情 況。

42. FINANCIAL RISK MANAGEMENT (CONT'D)

(b) Credit Risk (Cont'd)

Concentration risk of loans and advances to consumer finance customers is managed by reference to individual customers. The aggregate credit exposure in relation to the ten largest outstanding consumer finance customers, including corporate entities and individuals, before taking into account any collateral held or other credit enhancements, at 31st December, 2017 was HK\$930.7 million (2016: HK\$662.5 million) of which 85.8% (2016: 47.1%) was secured by collateral. There was no recent history of individual impairment allowance recognised.

The bonds included in financial asset at fair value through profit or loss is monitored by the management according to its geographic locations and industries.

The unsecured mortgage loans include second mortgage loans in respect of which the Group are not entitled to the first charge of relevant mortgage properties. The management considers that the second mortgage loans are classified as unsecured loans due to the impediment in repossession of the mortgage properties and the practical difficulties to ascertain the residual collateral value after claim by first mortgage. The carrying amount and the loan commitments of the second mortgage loans are as follows:

On demand

Bank and other borrowings with repayment on demand clause are classified as on demand in the above analysis although the demand clause has not been exercised.

- ^ The amount represents the maximum amount the Group could be required by the counterparty bank to indemnity for the loans drawn by a joint venture under a banking facility guaranteed by the Group. Based on the expectation at the end of the reporting period, the Group considers that it is remote for such contingent liabilities to be materialised.
- * The amounts included above for guarantees are the maximum amounts the Group could be required to settle under the arrangement for the full guaranteed amount if that amount is claimed by the counterparty to the guarantees.

具有按要求償還條文之銀行及其他借貸 於上述分析中分類為按要求償還,然而 該條文尚未被行使。

以上數額指對方銀行或會就合營公司根 據由本集團擔保之銀行信貸額提取之貸 款要求本集團彌償之最高金額。按於報 告期末之預期,本集團認為上述或然負 債實現之機會極微。

46. EMPLOYEE BENEFITS

The Group operates defined contribution retirement benefit schemes for all qualifying employees in Hong Kong. The assets of the schemes are held separately from those of the Group under provident funds managed by independent trustees.

The retirement benefits cost charged to the consolidated statement of profit or loss represents contributions paid and payable to the fund by the Group at rates specified in the rules of the schemes. Where there are employees who leave the schemes prior to vesting fully in the contributions, in accordance with the terms of the schemes, the contributions payable by the Group are reduced by the amount of forfeited employer's contributions.

The scheme has been closed in December 2000 to new employees as a consequence of the Mandatory Provident Fund Schemes Ordinance introduced by the Hong Kong Government.

From 1st December, 2000 onwards, new staff in Hong Kong joining the Group are required to join the Mandatory Provident Fund Scheme ("MPF Scheme"). The Group is required to contribute 5% of the employees' salaries, while the employees are required to contribute 5% of their salaries to the MPF Scheme.

The employees of the Company's subsidiaries established in the PRC are members of state-managed retirement benefit schemes operated by the PRC government. These subsidiaries are required to contribute certain percentage of payroll costs to the retirement benefit schemes to fund the benefits. The only obligation of the Group with respect to the retirement benefit schemes is to make the specified contributions. 綜合財務報表附註(續)

46. 僱員福利

本集團為所有香港合資格僱員提供定額供 款退休福利計劃。該等計劃之資產與本集 團資產分開持有,獨立存於獨立信託公司 所管理之公積金。

自綜合損益表扣除之退休福利開支為本集 團按計劃規則所指定比率而已付及應付供 款。倘僱員於完全達到享用退休福利前退 出計劃,則根據計劃之條款,本集團應付 的供款將扣除僱主應繳之金額。

由於香港政府推行強制性公積金計劃條 例,故此本集團於二零零零年十二月起不 再為新僱員提供上述計劃。

自二零零零年十二月一日起,凡於香港新 加盟本集團之員工按規定均須加入強制性 公積金計劃(「強積金計劃」)。本集團及僱 員各自須向強積金計劃作出相當於僱員薪 金5%之供款。

本公司在中國成立之附屬公司之僱員為中 國政府管理之國家退休福利計劃之成員。 此等附屬公司需按工資成本若干百分比向 退休福利計劃作出供款,支持有關福利。 本集團就退休福利計劃之責任僅為作出指 定之供款。

46. EMPLOYEE BENEFITS (CONT'D)

Expenses recognised in profit or loss for the contributions to retirement benefit schemes for the current year amounted to HK\$87.2 million (2016: HK\$95.3 million). The amount of forfeited contributions utilised in the course of the year ended 31st December, 2017 was HK\$0.2 million (2016: Nil).

Under the employee ownership scheme of SHK ("EOS"), which was formally adopted by SHK on 18th December, 2007, selected employees or directors of SHK group (the "Selected Grantees") were awarded shares in SHK. Following management's recommendation of SHK, shares of SHK were granted to the Selected Grantees subject to various terms including, amongst other things, the vesting scale whereby awarded shares of SHK will vest and become unrestricted in various vesting periods. During the vear, 1.2 million shares (2016: 0.8 million shares) of SHK were awarded to Selected Grantees under the EOS. The fair value of the services rendered (by reference to the market value of awarded shares at grant dates) as consideration of the shares awarded during the year was HK\$6.1 million (2016: HK\$3.8 million) which will be amortised to profit or loss during the vesting period. The amount expensed during the year in respect of shares awarded under the EOS was HK\$6.4 million (2016: HK\$2.8 million).

At the extraordinary general meeting of the Company held on 23rd July, 2012, it was resolved that a director's service agreement entered between SHK group and a director of SHK's subsidiary for a term of ten years be approved. Subject to the terms and conditions of the agreement, SHK group has granted the director of a subsidiary an option ("Option") to subscribe for or purchase up to 20% of the issued capital of a new company ("Newco") to be established to hold all equity interests in subsidiaries incorporated or to be incorporated in the PRC for money lending businesses in the PRC ("PRC Subsidiaries") at an exercise price which is determined based on the aggregate carrying amount of shareholders equity and shareholders loans proportional to the shareholding to be taken up by the director of a subsidiary at the time of exercise of the Option. Prior to the period before the Option becomes vested, the director of a subsidiary is also entitled a bonus calculated based on the performance of the PRC Subsidiaries. The transaction constituted a very substantial disposal and a connected transaction and its details were disclosed in the Company's circular dated 29th June, 2012.

46. EMPLOYEE BENEFITS (CONT'D)

The fair value of the Option on grant date of 23rd July, 2012 was HK\$255.1 million which was calculated using the Black-Scholes pricing model and carried out by Norton Appraisals Limited, a firm of independent and qualified professional valuers not connected with the Group. The inputs into the model include an underlying asset value of PRC Subsidiaries as at the grant date of HK\$1.018.1 million, risk free rate of 2.74%, volatility of 39.25% and expected option life of 5 years. No share based payment expense is recognised in the consolidated financial statements for the year ended 31st December, 2017 (2016: Nil) since one of the vesting conditions for the Option is the successful completion of the establishment of the Newco, the date of which, in the opinion of the management, could not yet be estimated with reasonable certainty.

47. PLEDGE OF ASSETS

At the end of the reporting period, certain of the Group's investment properties, land and buildings and properties held for sale with an aggregate carrying value of HK\$7,766.9 million (2016: HK\$6,827.4 million) together with certain securities in respect of a listed subsidiary with investment cost of HK\$276.6 million (2016: HK\$276.6 million) were pledged to secure loans and general banking facilities to the extent of HK\$2,428.5 million (2016: HK\$1,802.3 million) granted to the Group. Facilities amounting to HK\$990.0 million (2016: HK\$840.8 million) were utilised at the end of the reporting period.

At the end of the reporting period, a bank deposit of HK\$1.2 million (2016: Nil) was pledged to secure a guarantee issued to third parties by a bank in favour of a subsidiary to the extent of HK\$1.2 million (2016: Nil).
