MANAGEMENT DISCUSSION AND ANALYSIS

GENERAL

During the three months ended 30 June 2018 (the “Period”), Bingo Group Holdings Limited (the “Company”) and its subsidiaries (collectively, the “Group”) was principally engaged in movie production, licensing and derivatives, crossover marketing and provision of interactive contents (“Filmed Entertainment, New Media Exploitations and Licensing Businesses”) and cinema investment and management (“Cinema Business”).

OPERATION REVIEW

During the Period, the Group continues to focus on Filmed Entertainment, New Media Exploitations and Licensing Businesses and Cinema Business.

In view of the on-going development of the Cinema Business, this segment has become the prime revenue generator of the Group in the Period. Approximately revenue of HK\$8.5 million and gross profit of HK\$5.2 million were generated during the Period. The Group’s revenue and gross profit from the Cinema Business for the Period declined slightly as compared to revenue of HK\$11.0 million and gross profit of HK\$6.5 million generated in the corresponding period of last year (the “Corresponding Period”), due to keen competition in the market. The Group will continue to focus on expanding the audience headcount and improve the financial performance of the Cinema Business accordingly.

In the segment of Filmed Entertainment Business, the Group continued to locate suitable business opportunities. However, no appropriate target was spotted in the Period. Accordingly, no revenue was generated in this sector during the Period.

On 9 February 2018, Bingo Movie Development Limited (“Bingo Movie”), a wholly owned subsidiary of the Company and Lechuang Holdings (HK) Limited (“Lechuang”), an independent third party, entered into an agreement (the “JV Agreement”) in relation to the formation of the joint venture company (“JV Company”). The issued share capital of the JV Company will be owned as to 49% by Bingo Movie and as to 51% by Lechuang. The JV Company will be principally engaged in investment and development of VR (Virtual Reality) and MR (Mixed Reality) projects. Pursuant to the JV Agreement, Bingo Movie will enter into of a loan agreement with the JV Company, pursuant to which Bingo Movie will advance the loan of not less than HK\$25 million and not more than HK\$35 million to the JV Company for investment and development of relevant VR and MR projects. As of the date of this announcement, the loan agreement is yet to be signed. For further details, please refer to the corresponding announcement of the Company dated 9 February 2018.

FINANCIAL REVIEW

During the Period, the Group recorded a total turnover of approximately HK\$8.5 million, representing a decrease of approximately HK\$2.5 million compared with the Corresponding Period. The turnover of the Group for the Period and the Corresponding Period principally represented revenue from Cinema Business. Loss for the Period of approximately HK\$6.7 million was recorded. As compared with the loss of HK\$5.9 million for the Corresponding Period, there was increase in loss of approximately HK\$0.8 million. The increase in loss for the Period was mainly attributable to the net effect of decline in the revenue from Cinema Business, decrease in government grants obtained and decrease in selling and marketing expenses.

OUTLOOK

Owing to the continuing development of the film industry in the PRC, the Group will continue to grasp other business opportunities in investments in cinemas in the PRC and attractive movies. While the Group continued its existing businesses, the Group will put more focus onto locating other business opportunities with enormous potentials, including provision of consultancy services, online games developing and operating businesses, and investments in China cultural industry.

The VR (Virtual Reality) and MR (Mixed Reality) industry is undergoing rapid development and the Company considers that there will be growth potential in investment of VR and MR projects. On 9 February 2018, the Group entered into an agreement with Lechuang in relation to the formation of the JV Company. The formation of the JV Company will allow the Group to utilise its experience in provision of interactive contents with the expertise of Lechuang in developing VR and MR projects. The Company is optimistic as to the prospect of the JV Company, and will grant a loan to the JV Company of not less than HK\$25 million and not more than HK\$35 million.

The Board believes that the Group's existing businesses can create a synergistic effect with the above-mentioned new businesses and will benefit the Group in the future.
