**GENERAL MANDATES TO REPURCHASE SHARES
AND TO ISSUE NEW SHARES,
RE-ELECTION OF DIRECTORS
AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information regarding the ordinary resolutions to be proposed at the AGM to enable you to make an informed decision on whether to vote for or against those resolutions.

LETTER FROM THE BOARD

At the AGM, resolutions will be proposed for the Shareholders to approve, among other things:

- (i) the grant of the General Mandate to the Directors;
- (ii) the grant of the Repurchase Mandate to the Directors; and
- (iii) the proposed re-election of retiring Directors.

GENERAL MANDATE

At the AGM, an ordinary resolution will be proposed that the Directors be granted the General Mandate in order to provide flexibility and discretion to the Directors to allot, issue and deal with Shares with an aggregate value of not more than 20% of the aggregate nominal value of the share capital of the Company in issue. As at the Latest Practicable Date, the Company had 8,007,350,000 Shares in issue. Subject to the passing of an ordinary resolution approving the proposed General Mandate and on the basis that no further Shares will be issued, allotted or repurchased by the Company prior to the AGM, the exercise of the proposed General Mandate in full would result in up to a maximum of 1,601,470,000 Shares, representing 20% of the total number of Shares in issue, being issued by the Company during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by laws or the Articles to be held; or (iii) the date upon which the authority given to the Directors to exercise the proposed General Mandate is revoked or varied by way of an ordinary resolution of the Shareholders in general meeting. In addition, an ordinary resolution will also be proposed by the Company to extend the proposed General Mandate by adding to it the number of such Shares repurchased under the proposed Repurchase Mandate.

THE REPURCHASE MANDATE

At the annual general meeting of the Company held on August 28, 2012, a general mandate was granted by the Shareholders to the Directors to exercise the powers of the Company to repurchase Shares. Such mandate will lapse at the conclusion of the AGM. An ordinary resolution will be proposed at the AGM to grant the Repurchase Mandate to the Directors. As at the Latest Practicable Date, the Company had 8,007,350,000 Shares in issue. Subject to the passing of an ordinary resolution approving the proposed Repurchase Mandate and on the basis that no further Shares will be issued, allotted or repurchased by the Company prior to the AGM, the exercise of the proposed Repurchase Mandate in full would result in up to a maximum of 800,735,000 Shares, representing 10% of the total number of Shares in issue, being repurchased by the Company. An explanatory statement as required under the Listing Rules to provide the requisite information of the proposed Repurchase Mandate is set out in Appendix I to this Circular.

LETTER FROM THE BOARD

RECOMMENDATION

The Directors consider that the proposed resolutions for the granting of the proposed General Mandate and the proposed Repurchase Mandate to the Directors and the re-election of retiring Directors are in the interests of the Company, the Group and the Shareholders as a whole. The Directors therefore recommend all Shareholders to vote in favour of the corresponding resolutions to be proposed at the AGM, respectively.

Yours faithfully,
For and on behalf of the Board
Bosideng International Holdings Limited
Gao Dekang
Chairman of the Board

This appendix serves as an explanatory statement as required under the Listing Rules, to provide the requisite information to the Shareholders for consideration of the proposed Repurchase Mandate.

Share capital

As at the Latest Practicable Date, the issued share capital of the Company comprised 8,007,350,000 fully paid-up shares. As at the Latest Practicable Date, there were no outstanding Shares granted under the Share Option Scheme.

Subject to the passing of the proposed ordinary resolution approving the proposed Repurchase Mandate and on the basis that no further Shares are issued, allotted or repurchased by the Company prior to the AGM, the exercise of the proposed Repurchase Mandate in full would result in up to a maximum of 800,735,000 Shares, representing 10% of the total number of Shares in issue, being repurchased by the Company during the period ending at the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by laws or the Articles to be held; or (iii) the date upon which the authority given to the Directors to exercise the proposed Repurchase Mandate is revoked or varied by way of an ordinary resolution of the Shareholders in general meeting.

Reasons for Shares repurchase

The Directors believe that the flexibility afforded by the proposed Repurchase Mandate would be beneficial to the Company and the Shareholders. At any time in the future when the Shares are trading at a discount to their underlying value, the ability of the Company to repurchase the Shares may be beneficial to the Shareholders who retain their investment in the Company as their percentage interest in the assets of the Company would increase in proportion to the number of Shares repurchased by the Company from time to time. This may, depending on market conditions and funding arrangements at the time, result in an increase in the net asset value and/or earnings per Share. Such repurchases will only be made when the Directors believe that such exercises will benefit the Company and the Shareholders as a whole.

Funding of repurchase

The Directors propose that the repurchase of Shares under the proposed Repurchase Mandate would be financed from the Company's internal resources.

Pursuant to the Repurchase Mandate, repurchases would be funded entirely from the Company's available cash flow or working capital facilities which will be funds legally available under the laws of the Cayman Islands and the Memorandum and the Articles for such purpose.

The exercise of the proposed Repurchase Mandate in full will not have a material adverse impact on the working capital or the gearing level of the Company (as compared with the position disclosed in the audited accounts of the Company for the year ended March 31, 2014 in the results announcement of the Company dated June 26, 2014). The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or the gearing level of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

The number of the Shares to be repurchased on any occasion and the price and other terms upon which the same are purchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

Takeovers Code

If, as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, the controlling Shareholders (as defined in the Listing Rules) of the Company, namely Kong Bo Investment Limited, Kong Bo Development Limited, Kova Group Limited, Mr. Gao Dekang and Ms. Mei Dong (the "**Controlling Shareholders**"), together controlled the exercise of approximately 65.08% of the voting rights in the Company's general meeting. If the Directors fully exercise the proposed Repurchase Mandate, the percentage of voting rights in the Company's general meeting held by the Controlling Shareholders would increase to approximately 72.32% of the Company's issued share capital. To the best knowledge and belief of the Directors, such increase will not give rise to an obligation to make a mandatory offer under the Takeovers Code. The Directors also have no intention to repurchase Shares to such an extent which will result in the number of Shares held by the public being reduced to less than 25% as required under Rule 8.08 of the Listing Rules.

Share prices

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous 12 months preceding the Latest Practicable Date were as follows:
