IMPLICATIONS UNDER THE LISTING RULES

As the highest applicable percentage ratio (as defined in the Listing Rules) in respect of the Sale and Leaseback Arrangement exceeds 25% but is less than 100%, the Sale and Leaseback Arrangement constitutes a major transaction of the Company and is subject to the notification, announcement, circular and Shareholders' approval requirements under Chapter 14 of the Listing Rules.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder or any of his/her/its close associate(s) (as defined in the Listing Rules) has a material interest in the Sale and Leaseback Arrangement. Thus, no Shareholder is required to abstain from voting if the Company were to convene a general meeting to approve the Sale and Leaseback Arrangement. In light of the foregoing, written Shareholders' approval may be accepted in lieu of holding a general meeting pursuant to Rule 14.44 of the Listing Rules. The Company has obtained written Shareholder's approval in respect of the Sale and Leaseback Arrangement from China Chengtong Hong Kong Company Limited, which is a controlling Shareholder (as defined in the Listing Rules) of the Company holding 3,169,656,217 issued shares of the Company, representing approximately 53.14% of the issued share capital of the Company as at the date of this announcement. Accordingly, no general meeting of the Company will be convened for the purpose of approving the Sale and Leaseback Arrangement.

A circular containing, among other things, (i) information on the Sale and Leaseback Arrangement, and (ii) other information required under the Listing Rules will be despatched to the Shareholders on or before 6 January 2026, which is within 15 business days after the publication of this announcement.

SALE AND LEASEBACK ARRANGEMENT

On 11 December 2025, Chengtong Financial Leasing, an indirect wholly-owned subsidiary of the Company, entered into the Sale and Leaseback Agreements with the Lessee in respect of the Sale and Leaseback Arrangement, the major terms of which are set out below.

Date of the Sale and Leaseback Agreements

11 December 2025

Parties

Lessor: Chengtong Financial Leasing

Lessee: Lessee

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, and based on the information publicly available as of the date of this announcement, (i) the Lessee is a direct wholly-owned subsidiary of Guarantor I, which is wholly owned by Zhaoqing Guoying Investment Co., Ltd., which is in turn wholly owned by SASAC of the Zhaoqing Municipal People's Government; (ii) the Lessee and its ultimate beneficial owners are Independent Third Parties; and (iii) the Lessee is principally engaged in the business of asset operation services, hotel and catering services, sales of water, electricity, oil and gas, and industrial investment.

Subject matter

Subject to the fulfilment of the conditions as set out in the Sale and Leaseback Agreements (including but not limited to the provision of all necessary documents or information by the Lessee evidencing its ownership of the Leased Assets, and the obtaining of all necessary approvals by the Lessee in relation to the Sale and Leaseback Arrangement), Chengtong Financial Leasing will purchase the Leased Assets from the Lessee at a total Purchase Price of RMB300 million (equivalent to approximately HK\$327 million), and the Leased Assets will be leased back to the Lessee for a period of three (3) years from the date on which the Purchase Price is paid by Chengtong Financial Leasing in respect of the Leased Assets, subject to early termination in accordance with the terms and conditions of the Sale and Leaseback Agreements.

If any of the conditions under the Sale and Leaseback Agreements is not satisfied on or before 31 March 2026, Chengtong Financial Leasing shall have the right to unilaterally terminate the Sale and Leaseback Agreements.

Purchase Price

The Purchase Price of the Leased Assets was agreed between Chengtong Financial Leasing and the Lessee with reference to the appraised value of the Leased Assets of approximately RMB303.30 million (equivalent to approximately HK\$330.6 million) as at 28 November 2025, as assessed by way of cost method by the Valuer. The Leased Assets are not revenue generating assets with identifiable income stream. The Purchase Price represents approximately 98.91% of the appraised value, which was determined after arm's length negotiation between the parties with reference to the risk profile, asset condition and financing costs.

The cost method determines the value of an appraised asset by estimating its replacement cost and deducting various estimated depreciation factors that currently exist in the appraised asset. The appraised value is determined by multiplying the replacement cost of the appraised asset by its newness rate.

In accordance with the purpose of the appraisal, and the characteristics and current situation of the assets being appraised, the cost method is adopted.

The replacement costs include the relevant costs and fees incurred in purchasing equipment. Based on the valuation, the total appraised replacement cost of the Leased Assets is approximately RMB352.68 million (equivalent to approximately HK\$384.42 million). The newness rate of the appraised asset is determined after taking into account the economic life of the appraised asset, the remaining service life of the appraised asset and the status of the appraised asset through an on-site inspection. The newness rates for the Leased Assets, evaluated by the Valuer, are approximately 86%.

The Purchase Price will be satisfied by the general working capital of the Group.

Legal title

Chengtong Financial Leasing owns the legal title to the Leased Assets during the Lease Term.

Lease payment

The total amount of lease payment over the Lease Term is estimated to be approximately RMB323.49 million (equivalent to approximately HK\$352.60 million) which shall be payable by the Lessee to Chengtong Financial Leasing in twelve (12) quarterly installments during the Lease Term.

The total amount of lease payment represents the sum of the lease principal amount (being the amount of the Purchase Price to be paid by Chengtong Financial Leasing) and the lease interest which is estimated to be approximately RMB23.49 million (equivalent to approximately HK\$25.60 million).

Service Fee

The Lessee shall pay a one-off service fee of RMB7.50 million (equivalent to approximately HK\$8.18 million) (“**Service Fee**”) to Chengtong Financial Leasing for the preliminary services provided by Chengtong Financial Leasing in respect of the Sale and Leaseback Arrangement. Such services include the provision of corporate finance consulting services, including but not limited to advising the Lessee on strategic analysis, investment and financing channels and models, as well as macroeconomic and market research. The Service Fee is non-refundable.

The lease payment and the Service Fee under the Sale and Leaseback Arrangement have been agreed between the parties after arm’s length negotiation taking into account a number of factors, such as the amount of lease principal, the lease term, the overall return rate attained by the Group having considered the amount of lease interests, the Service Fee and the prevailing market conditions.

Each of Guarantor I and Guarantor II has provided a guarantee in favour of Chengtong Financial Leasing as security for all amounts payable by the Lessee under the Sale and Leaseback Agreements including but not limited to liquidated damages, outstanding and prospective lease payments and other payables. The guarantees are irrevocable and continuing in nature.
