Reference is made to the announcement of the Company dated 7 September 2020 in respect of the Notes Issue. On 10 September 2020 (after trading hours), the Company entered into the Purchase Agreement with the Joint Lead Managers in connection with the issue of US\$750,000,000 2.625% Green Senior Notes due 2030.

The Company intends to use the net proceeds of the Notes for the refinancing of certain existing indebtedness of the Group and to fund and/or refinance capital or operating expenditures, including, without limitations, the research and development, construction, acquisition and operations on new or existing eligible green projects that promote a green and low-carbon economy, improve pollution control and energy efficiency and provide clear environmental sustainability and climate change benefits in accordance with certain prescribed eligibility criteria as described under the green finance framework.

The Company will seek a listing of the Notes on the Stock Exchange. A confirmation of eligibility of the Notes for listing has been received from the Stock Exchange. The listing of the Notes on the Stock Exchange and quotation of any Notes on the Stock Exchange is not to be taken as an indication of the merits of the Company or the Notes. The Notes are expected to be issued on or about 17 September 2020.

As the conditions precedent to completion of the Purchase Agreement may or may not be satisfied and the Purchase Agreement may be terminated upon the occurrence of certain events, prospective investors and Shareholders are urged to exercise caution when dealing in the securities of the Company.

Reference is made to the announcement of the Company dated 7 September 2020 in respect of the Notes Issue. The Board is pleased to announce that on 10 September 2020 (after trading hours), the Company entered into the Purchase Agreement with the Joint Lead Managers in connection with the issue and sale of US\$750,000,000 2.625% Green Senior Notes due 2030.

THE PURCHASE AGREEMENT

Date: 10 September 2020

Parties to the Purchase Agreement

- (a) the Company as the Issuer; and
- (b) the Joint Lead Managers

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, each of the Joint Lead Managers is an independent third party and not a connected person of the Company.

The Notes have not been, and will not be, registered under the Securities Act. Accordingly, the Notes are being offered or sold in the United States only to Qualified Institutional Buyers, as defined in, and in reliance on, Rule 144A under the Securities Act, or outside the United States in offshore transactions in compliance with Regulation S under the Securities Act. The Notes will not be offered to the public in Hong Kong or placed to any connected persons of the Company.

Principal Terms of the Notes

Notes Offered

The Company will issue the Notes in the aggregate principal amount of US\$750,000,000 which will mature on 17 September 2030, unless earlier redeemed, purchased or cancelled pursuant to the terms thereof.

Offering Price

The offering price of the Notes will be 99.164% of the aggregate principal amount of the Notes. At maturity, the Notes are payable at their principal amount.

Interest

The Notes will bear interest from and including 17 September 2020 at the rate of 2.625% per annum, payable semi-annually in arrear on 17 March and 17 September in each year commencing on 17 March 2021.

Other Terms of the Notes

Ranking of the Notes

The Notes constitute (subject to certain covenants set out in the Description of the Notes) direct, unconditional, unsubordinated and unsecured obligations of the Company which shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Company under the Notes shall, save for such exceptions as may be provided by applicable law and subject to certain covenants set out in the Description of the Notes, at all times rank at least equally with all its other present and future unsecured and unsubordinated obligations.

Events of Default

The events of default under the Notes include, among others: (a) default in any payment of (i) principal, or premium (if any) on any Note or (ii) interest on any Note, continues for 14 days; (b) failure by the Company to comply, for 30 days after written notice of such default by the Trustee, with certain of its other obligations in the Notes and the Indenture; (c)(i) any failure to pay upon final maturity when due or, as the case may be, within any originally applicable grace period, the principal of any indebtedness of the Company or any of its subsidiaries; (ii) any other present or future indebtedness of the Company or any of its subsidiaries for or in respect of moneys borrowed or raised becomes due and payable prior to its stated maturity by reason of any event of default (howsoever described) or (iii) any failure to pay any amount payable by the Company or any of its subsidiaries under any guarantee or indemnity in respect of any indebtedness of any other person thereof, when such amount is due; provided that, no such event set forth in (i), (ii) or (iii) of this paragraph (c) shall constitute an event of default unless the aggregate outstanding indebtedness to which all such events relate exceeds US\$70,000,000; (d) a distress, attachment, execution, seizure before judgment or other legal process being levied, enforced or sued out on or against any part of the property, assets or revenues of the Company aggregating in excess of US\$70,000,000, which is not discharged or stayed within 30 days; or (e) certain events of insolvency and winding-up of the Company or its Principal Subsidiaries (as defined in the Description of the Notes) as provided for in the Description of the Notes.

If an event of default (other than an event of default described in clause (e) above) with respect to the Notes shall occur and be continuing, either the Trustee or the holders of at least 25% in aggregate principal amount of the Notes then outstanding by written notice as provided in the Indenture may declare the principal amount of the Notes and any accrued and unpaid interest thereon to be due and payable immediately. If an event of default in clause (e) above with respect to the Notes shall occur, the unpaid principal amount of all the Notes and any accrued and unpaid interest thereon will automatically, and without any action by the Trustee or any holder of the Notes, become immediately due and payable.

Covenants

Description of the Notes will limit the Company's ability and the ability of its subsidiaries (as the case may be) to, among other things:

- (a) create any encumbrance; and
- (b) enter into mergers, acquisitions or reorganizations.

Redemption

Unless previously redeemed, or purchased and cancelled, the Notes will be redeemed at their principal amount on 17 September 2030.

The Company may at any time and from time to time, on giving not less than 30 nor more than 60 days' notice to the holders of the Notes and the Trustee, redeem the Notes, in whole or in part, (a) in the case of an Optional Redemption Date as defined in the Description of the Notes before 17 June 2030 (the date that is three months prior to the Maturity Date for the Notes) at the greater of (1) 100% of the principal amount of the applicable Notes to be redeemed and (2) the sum of the present values of the remaining scheduled payments of principal and interest on the applicable Notes to be redeemed (not including interest accrued and unpaid to the date of redemption), discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of 12 months of 30 days each and, in the case of an incomplete month, the actual number of days elapsed) at the Adjusted Treasury Rate (as defined in the Description of the Notes) plus 50 basis points, plus accrued and unpaid interest on the applicable Notes to be redeemed, if any, to (but not including) the Optional Redemption Date; or (b) in the case of an Optional Redemption Date on or after 17 June 2030 (the date that is three months prior to the Maturity Date for the Notes), 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, to, but not including, the Optional Redemption Date.

The Notes will be redeemable at the option of the Company, in whole but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the holders of the Notes and the Trustee, at their principal amount, together with interest accrued to the date fixed for redemption and Additional Amounts as defined in the description of the Notes, upon certain changes in the tax laws of any relevant tax jurisdiction becoming effective that would impose withholding taxes or other deductions on the payments on the Notes.

At any time following the occurrence of a Change of Control, which definition includes, without limitation, Mr. Wang Yusuo, Ms. Zhao Baoju (spouse of Mr. Wang Yusuo) and their Affiliates, as defined in the Description of the Notes, as a group becomes the beneficial owners of less than 20% of the total voting power of the Voting Stock of the Company, the holder of each Note will have the right, at such holder's option, to require the Company to redeem all, or some only, of such holder's Notes on the Put Date at 101% of their principal amount, together with interest accrued to the Put Date.

Reason for the Notes Issue

The Company intends to use the net proceeds of the Notes for the refinancing of certain existing indebtedness of the Group and to fund and/or refinance capital or operating expenditures, including, without limitations, the research and development, construction, acquisition and operations on new or existing eligible green projects that promote a green and low-carbon economy, improve pollution control and energy efficiency and provide clear environmental sustainability and climate change benefits in accordance with certain prescribed eligibility criteria as described under the green finance framework.

Listing and Rating

The Company will seek a listing of the Notes on the Stock Exchange. A confirmation of eligibility of the Notes for listing has been received from the Stock Exchange. The Stock Exchange assumes no responsibility for the correctness of any of the statements made, opinions expressed or reports contained herein. The listing of the Notes on the Stock Exchange and quotation of any Notes on the Stock Exchange is not to be taken as an indication of the merits of the Company or the Notes.

The Notes are expected to be assigned a rating of “BBB” by S&P, a rating of “Baa2” by Moody’s and a rating of “BBB” by Fitch. These ratings do not constitute a recommendation to buy, sell or hold the Notes and may be subject to suspension, reduction or withdrawal at any time by S&P, Moody’s or Fitch.

The Notes are expected to be issued on or about 17 September 2020.

General

As the conditions precedent to completion of the Purchase Agreement may or may not be satisfied and the Purchase Agreement may be terminated upon the occurrence of certain events, prospective investors and Shareholders are urged to exercise caution when dealing in the securities of the Company.
