FEC Receives the Best Case Award in the Second China Excellent IR Award

(11 January, 2019 - Hong Kong) Far East Consortium International Limited (“FEC” or the “Group”; SEHK: 35.HK) is delighted to announce that it was honoured with the “Best Case Award”(「最佳案例獎」) in the “Second China Excellent IR Award”(「第二屆中國卓越 IR 評選」). This achievement is indeed a resounding recognition of the investment community and the public for the Group’s efforts in investor relations.

The “China Excellent IR Award” was organised by “Road Show China”(「路演中」), a leading roadshow service platform in Mainland China, with an aim to recognise investor relations teams and practitioners for their outstanding performance in 2018. All the candidates were evaluated for their creativity, professionalism and service awareness. The final results were based on the survey findings on “Whitepaper on Investor Relations of Listed Companies 2018”, online voting by the public as well as selection by a professional judging panel.

On winning the award, **Mr. Chris HOONG, Managing Director of FEC** said: “We are greatly encouraged to receive an award in the ‘China Excellent IR Award’ again. FEC always attaches great importance to shortening the distance with our investors, the media and general public, and the ‘Best Case Award’ is a fitting testament to the professionalism upheld by the Group’s Investor Relations team. In 2019, we will continue to improve our work on investor relations, actively strengthen our communication with the public and maintain close relationship with all stakeholders.

Ms. Venus Zhao, Head of Investor Relations and Corporate Finance of FEC said: “It is a real privilege to receive such great support from the investment community and the public. This award serves as a perfect conclusion for the effort we devoted to investor relations last year. In order to achieve innovation and strive for further excellence, this year our Investor Relations team and I will continue to adopt a prudent and proactive approach to strengthening our communication with our investors, the media and general public while enhancing the Group’s transparency.
