**GOLDEN MEDITECH’S ASSOCIATE, CELLENKOS NAMES ALICK SUN AS
CORPORATE & BUSINESS DEVELOPMENT SVP**

Hong Kong, 16 April 2018 – Golden Meditech Holdings Limited (SEHK stock code: 00801) (“Golden Meditech” or the “Company”, together with its subsidiaries, the “Group”), a leading integrated healthcare enterprise in China, announced that its associate, Cellenkos, Inc. (“Cellenkos”) has appointed Alick Sun as Senior Vice President (“SVP”) for Corporate & Business Development of Cellenkos, further strengthening Cellenkos’ executive team as Cellenkos continues reinforcing the foundation for long-term growth. He will be responsible for leading all business and corporate development activities of Cellenkos. Alick Sun is the SVP of Golden Meditech, and holds a concurrent position in Cellenkos. Golden Meditech is a major shareholder of Cellenkos.

“Alick is a strong leader with an established track record of successful strategic planning and business development in the clinical and life sciences space,” said Dr. Simrit Parmar, Chief Medical Officer of Cellenkos. “The proven critical thinking he brings to Cellenkos coupled with his comprehensive understanding of the technology and its application will help us achieve our goals.”

In his role, Alick will be responsible for raising capital and global business development activities, including strategic commercial deals, mergers and acquisitions; licensing and partnerships. Alick brings with him 4 years of pharma experience at Managing Director level at Exceltis and 16 years of animal health experience at General Manager/Regional Director level at global pharmaceutical companies including Schering Plough and Merck Sharp & Dohme. Alick has shown extraordinary strength in building up new business and improvement of existing infrastructure. He has unique and extensive experience in working with local and central government for registration of new products and also possesses strong passion in developing talents, team and culture.

“As Cellenkos prepares itself for USA FDA IND application and clinical trial roll out, we are very fortunate to have Alick Sun join our company leadership which will strategically position Cellenkos for success,” said Tara Sadeghi, Senior Clinical Director of Operations, Cellenkos.
