**CAMERLIN GROUP BERHAD (3623-D)
QUARTERLY REPORT ON CONSOLIDATED RESULTS FOR THE FOURTH
QUARTER ENDED 31 DECEMBER 2005**

The figures have not been audited

1. Accounting policies and methods of computation

The interim financial report has been prepared in accordance with Malaysian Accounting Standards Board ("MASB") 26 "Interim Financial Reporting" and should be read in conjunction with the audited financial statements of the Group for the financial year ended 31 December 2004.

The accounting policies and methods of computation adopted by the Group in this interim financial report are consistent with those adopted in the annual financial statements for the financial year ended 31 December 2004.

The financial year end of the Company has been changed from 31 December to 30 June to cover the 18-month period from 1 January 2005 to 30 June 2006 and thereafter, to end on 30 June each year. The reason for the change is to coincide the financial year end of the Company with that of its holding company, Guoco Group Limited.

2. Qualification of audit report of the preceding annual financial statements

The audit report for the preceding annual financial statements was not qualified.

3. Seasonality or cyclicity of interim operations

The Group's operation is not affected materially by any seasonal or cyclical factors.

4. Nature and amount of items affecting assets, liabilities, equity, net income, or cash flows that are unusual because of their nature, size, or incidence

There were no items affecting assets, liabilities, equity, net income, or cash flows that are unusual because of their nature, size, or incidence for the current quarter under review.

7. Dividend

There was no dividend paid during the current financial year-to-date.

The figures have not been audited

8. Segmental Reporting

11. Changes in the composition of the Group

There were no changes in the composition of the Group during the current quarter under review, including business combinations, acquisition or disposal of subsidiaries and long-term investments, restructuring, and discontinuing operations other than as mentioned below:-

- Simen Hidrolik Sdn Bhd, a wholly-owned subsidiary of the Company, had been placed under members' voluntary liquidation ("Liquidation") pursuant to Section 254 (1) (b) of the Companies Act, 1965. The Liquidation is currently pending tax clearance from the Inland Revenue Board.

12. Contingent liabilities or contingent assets

There are no contingent liabilities or contingent assets as at the date of this report.

13. Review of Performance

For the current quarter under review, the Group recorded a profit after tax ("PAT") of RM14.3 million as compared to a PAT of RM9.2 million for the preceding year's corresponding quarter. The higher PAT as compared to the preceding year's corresponding quarter is mainly attributable to the higher profit contribution from its associate, BIL, as a result of reversal of tax provisions.

The lower operating results recorded by BIL in the current quarter were mainly due to the negative effects of London terrorist bombings coupled with the higher lease rental costs consequent to the completion of the sale and leaseback of various hotels previously owned by BIL, in April 2005.

For the current financial year-to-date, the Group recorded a PAT of RM82.2 million as compared to RM52.8 million achieved in the previous year's corresponding period.

The results for the current financial year-to-date include the profit contribution from the sale of six hotels by BIL in the preceding quarter.

Included in the results of the previous year's corresponding period was the profit contribution from the sale of shares in Air New Zealand by BIL.

CAMERLIN GROUP BERHAD (3623-D)**QUARTERLY REPORT ON CONSOLIDATED RESULTS FOR THE FOURTH QUARTER ENDED 31 DECEMBER 2005**

The figures have not been audited

14. Material changes in profit before taxation

For the current quarter under review, the Group recorded a loss before tax of RM0.8 million as compared to a profit before tax ("PBT") of RM22.4 million for the preceding quarter. The higher PBT in the preceding quarter was mainly attributable to the higher profit contribution from BIL resulting from the sale of six hotels by BIL.

15. Prospects

The performance of the Group for the 18-month financial period ending 30 June 2006 will depend on the performance of BIL.

16. Profit forecast / profit guaranteed

This note is not applicable.

17. Tax income

Tax income comprises:-

	Individual Quarter		Cumulative Quarter
