SUMMARY

Introduction

The Offeror and Guoco jointly announce that Standard Chartered Bank will, on behalf of the Offeror, make a voluntary unconditional cash offer to acquire all of the issued shares in the share capital of Guoco (other than those already held by the Offeror).

Consideration for the Offer

Pursuant to the Offer, the Offeror will offer to acquire the Offer Shares for a consideration of HK\$88.00 in cash per Share.

Total consideration and confirmation of financial resources

On the basis of the Offer Price of HK\$88.00 per Share and 329,051,373 Shares in issue as at the date of this announcement, the entire issued share capital of Guoco is valued at approximately HK\$28,956,520,824. After taking into account the 235,348,529 Shares already

held by the Offeror, the Offer is valued at approximately HK\$8,245,850,272 based on the Offer Price and 93,702,844 Offer Shares.

The Offeror intends to finance the cash required for the Offer from a combination of debt financing provided by Standard Chartered Bank (in its capacity as banker to the Offeror) and internal cash resources of the Offeror. Standard Chartered Bank, being the financial adviser to the Offeror in respect of the Offer, is satisfied that sufficient financial resources are, and will remain, available to the Offeror to satisfy full acceptance of the Offer.

Offer to be unconditional

The Offer will be made on a wholly unconditional basis and, as such, all valid acceptances for the Offer Shares may not be withdrawn except in circumstances required by the Executive under Rule 19 of the Takeovers Code.

General information

Independent Board Committee and independent financial adviser to the Independent Board Committee

An Independent Board Committee, which comprises Mr. Volker Stoeckel and Mr. Roderic N.A. Sage (each being an independent non-executive Guoco Director), has been established by the Board to make a recommendation to Guoco Shareholders as to whether the Offer is, or is not, fair and reasonable and as to acceptance.

As Mr. Kwek Leng San is a non-executive Guoco Director and a director of the Offeror and he also holds Offer Shares, he is regarded as being interested in the Offer and does not form part of the Independent Board Committee. Mr. Quek Leng Chan, Mr. Kwek Leng Hai and Mr. Kwek Leng San, by virtue of their being directors of the Offeror and directors and shareholders of Hong Leong (the ultimate holding company of the Offeror), are considered to be interested in the Offer and have therefore not participated in any vote of the Board in relation to the Offer.

An independent financial adviser will be appointed (with the approval of the Independent Board Committee) to advise the Independent Board Committee in connection with the Offer. An announcement will be made by Guoco as soon as possible after an independent financial adviser has been appointed.

No dividend or other distribution

Guoco does not intend to declare or pay any dividend or other distribution on the Shares during the Offer Period.

Compulsory acquisition and withdrawal of listing

Subject to compliance with the relevant requirements under the Companies Act and the Offeror acquiring not less than 90% of the disinterested Shares (as defined in the Takeovers Code) within the period of four months after posting the Offer Document as required by Rule 2.11 of the Takeovers Code, the Offeror intends to exercise its rights under Section 102 or Section 103 of the Companies Act to compulsorily acquire those Shares not acquired by the Offeror pursuant to the Offer, and following which an application will be made for the withdrawal of the listing of the Shares from the Stock Exchange pursuant to Rule 6.15 of the Listing Rules.

Written notice of the Offeror's exercise of its right of compulsory acquisition as described above will be provided by the Offeror to those Guoco Shareholders who do not accept the Offer.

Whilst it is the intention of the Offeror to privatise Guoco, the Offeror's ability to exercise rights of compulsory acquisition is dependent on the level of acceptances of the Offer reaching the prescribed level under the Companies Act and on the requirements of Rule 2.11 of the Takeovers Code being satisfied. If the Offeror is unable to effect the compulsory acquisition set out above, the Offeror will take steps (as and when appropriate) to ensure that there is sufficient public float. In the event that the compulsory acquisition and withdrawal of listing of Guoco do not take place, there can be no assurance that the Shares will trade at or above the Offer Price in future.

Guoco Shareholders and/or potential investors in Guoco should be aware that if, at the close of the Offer, less than 25% of the Shares are held by the public, or if the Stock Exchange believes that:

- (a) a false market exists or may exist in the trading of the Shares; or
- (b) there are insufficient Shares in public hands to maintain an orderly market,

then the Stock Exchange may exercise its discretion to suspend trading in the Shares until a level of sufficient public float is attained, and where the percentage of the public float falls below 15%, the Stock Exchange will normally require suspension of trading in the Shares.

WARNING:

If the level of acceptances of the Offer reaches the prescribed level under the Companies Act and the requirements of Rule 2.11 of the Takeovers Code are satisfied, dealings in the Shares will be suspended from the final Closing Date up to the withdrawal of listing of the Shares from the Stock Exchange pursuant to Rule 6.15 of the Listing Rules.

The making and implementation of the Offer to Guoco Shareholders who are not resident in Hong Kong may be affected by the laws of the relevant jurisdictions in which such Guoco Shareholders are located. U.S. holders of the Shares should consider the Notice to U.S. holders of the Shares on page 16 of this announcement.

The Offeror will comply with the requirements of the Takeovers Code in respect of overseas Guoco Shareholders.

Sage (each being an independent non-executive Guoco Director), has been established by the Board to make a recommendation to Guoco Shareholders as to whether the Offer is, or is not, fair and reasonable and as to acceptance.

As Mr. Kwek Leng San is a non-executive Guoco Director and a director of the Offeror and he also holds Offer Shares, he is regarded as being interested in the Offer and does not form part of the Independent Board Committee. Mr. Quek Leng Chan, Mr. Kwek Leng Hai and Mr. Kwek Leng San, by virtue of their being directors of the Offeror and directors and shareholders of Hong Leong (the ultimate holding company of the Offeror), are considered to be interested in the Offer and have therefore not participated in any vote of the Board in relation to the Offer.

An independent financial adviser will be appointed (with the approval of the Independent Board Committee) to advise the Independent Board Committee in connection with the Offer. An announcement will be made by Guoco as soon as possible after an independent financial adviser has been appointed.

3.5 No dividend or other distribution

Guoco does not intend to declare or pay any dividend or other distribution on the Shares during the Offer Period.

3.6 Reasons for and benefits of the Offer

The Offeror is of the view that:

- (a) the proposed privatisation of Guoco, if successful, will simplify the shareholding structure of Guoco and improve corporate efficiency. Full ownership of Guoco by the Offeror will facilitate integration between the Offeror Group and Guoco and will provide the Offeror Group with greater flexibility to support the future business development of Guoco and its subsidiaries; and
- (b) if successful, the proposed privatisation of Guoco is also expected to lead to cost savings through the simplification of the structure and dispensation of costs associated with compliance and maintaining the listing of Shares, allowing Guoco to solely focus its resources on business operations.

3.7 Intentions of the Offeror

The Offeror intends to continue with the existing business of the Guoco Group and does not intend to introduce significant changes to the existing operations. It is also the intention of the Offeror that there will not be significant changes in the management and employees of the Guoco Group as a result of the Offer.

3.8 Compulsory acquisition and withdrawal of listing

Subject to compliance with the relevant requirements under the Companies Act and the Offeror acquiring not less than 90% of the disinterested Shares (as defined in the Takeovers Code) within the period of four months after posting the Offer Document as required by Rule 2.11 of the Takeovers Code, the Offeror intends to exercise its rights under Section 102 or Section 103 of the Companies Act to compulsorily acquire those Shares not acquired by the Offeror pursuant to the Offer, and following which an application will be made for the withdrawal of the listing of the Shares from the Stock Exchange pursuant to Rule 6.15 of the Listing Rules.

Written notice of the Offeror's exercise of its right of compulsory acquisition as described above will be provided by the Offeror to those Guoco Shareholders who do not accept the Offer.

Whilst it is the intention of the Offeror to privatise Guoco, the Offeror's ability to exercise rights of compulsory acquisition is dependent on the level of acceptances of the Offer reaching the prescribed level under the Companies Act and on the requirements of Rule 2.11 of the Takeovers Code being satisfied. If the Offeror is unable to effect the compulsory acquisition set out above, the Offeror will take steps (as and when appropriate) to ensure that there is sufficient public float. In the event that the compulsory acquisition and withdrawal of listing of Guoco do not take place, there can be no assurance that the Shares will trade at or above the Offer Price in future.

Guoco Shareholders and/or potential investors in Guoco should be aware that if, at the close of the Offer, less than 25% of the Shares are held by the public, or if the Stock Exchange believes that:

- (a) a false market exists or may exist in the trading of the Shares; or
- (b) there are insufficient Shares in public hands to maintain an orderly market,

then the Stock Exchange may exercise its discretion to suspend trading in the Shares until a level of sufficient public float is attained, and where the percentage of the public float falls below 15%, the Stock Exchange will normally require suspension of trading in the Shares.

WARNING:

If the level of acceptances of the Offer reaches the prescribed level under the Companies Act and the requirements of Rule 2.11 of the Takeovers Code are satisfied, dealings in the Shares will be suspended from the final Closing Date up to the withdrawal of listing of the Shares from the Stock Exchange pursuant to Rule 6.15 of the Listing Rules.

3.9 Further terms of the Offer

(a) *Offer Shares*

Under the terms of the Offer, the Offer Shares will be acquired with all rights attached thereto as at the date of this announcement or which subsequently become attached thereto, including the right to receive in full all dividends and other distributions, if any, declared, made or paid, on or after the date of this announcement, and free from all rights of pre-emption, options, liens, claims, equities, charges, encumbrances and third party rights.

(b) *Hong Kong stamp duty*

Seller's ad valorem stamp duty arising in connection with acceptance of the Offer will be payable by each Guoco Shareholder at the rate of HK\$1.00 for every HK\$1,000 or part thereof of the consideration payable by the Offeror for such person's Shares and will be deducted from the cash amount due to such accepting Guoco Shareholder. The Offeror will pay the buyer's ad valorem stamp duty on its own behalf and, subject to such deduction aforesaid, will be responsible to account to the Stamp Office of Hong Kong for all the stamp duty payable for the sale and purchase of the Shares which are validly tendered for acceptance under the Offer.

3.10 General matters relating to the Offer

(a) *Availability of the Offer*

The making and implementation of the Offer to Guoco Shareholders who are not resident in Hong Kong may be affected by the laws of the relevant jurisdictions in which such Guoco Shareholders are located. Such Guoco Shareholders should inform themselves about and observe any applicable legal or regulatory requirements. It is the responsibility of any overseas Guoco Shareholders wishing to take any action in relation to the Offer to satisfy themselves as to the full observance of the laws of the relevant jurisdiction in connection therewith, including the obtaining of any governmental, exchange control or other consents which may be required, or the compliance with other necessary formalities and the payment of any issue, transfer or other taxes due in such jurisdiction. U.S. holders of the Shares should consider the Notice to U.S. holders of the Shares on page 16 of this announcement.

The Offeror will comply with the requirements of the Takeovers Code in respect of overseas Guoco Shareholders.

(b) ***Offer Document and Response Document***

The Offer Document containing, among other things, further details of the Offer, the expected timetable together with forms of acceptance will be despatched to Guoco Shareholders as soon as practicable and in compliance with the requirements of the Takeovers Code, the Companies Act and other applicable laws and regulations.

(c) ***Further agreements or arrangements***

As at the date of this announcement:

- (i) there are no arrangements (whether by way of option, indemnity or otherwise) in relation to the Shares or shares of the Offeror and which might be material to the Offer;
- (ii) there are no agreements or arrangements to which the Offeror is a party which relate to the circumstances in which it may or may not invoke or seek to invoke a condition to the Offer;
- (iii) none of the Offeror nor any of the Concert Parties has borrowed or lent any relevant securities (as defined in Note 4 to Rule 22 of the Takeovers Code) in Guoco; and
- (iv) no irrevocable commitment to accept the Offer has been received by the Offeror or any of the Concert Parties.

(d) ***Completion of the Offer***

Under the Takeovers Code, the first Closing Date of the Offer will, assuming that the Offer Document and the Response Document are posted on the same date, fall on or after the 21st day from the date the Offer Document and the Response Document are posted. If the Response Document is posted after the date of the Offer Document, the first Closing Date will fall on or after the 28th day from the date the Offer Document is posted.

Further, as the Offeror will state in the Offer Document its intention to avail itself of any powers of compulsory acquisition, the Offer may not remain open for acceptance for more than four months from the posting of the Offer Document, unless the Offeror has by that time become entitled to exercise such powers of compulsory acquisition, in which event it must do so without delay.

(e) ***Disclosure of dealings***

Associates of Guoco or the Offeror (as defined in the Takeovers Code, including persons who own or control 5% or more of the relevant securities (as defined in paragraphs (a) to (d) in Note 4 to Rule 22 of the Takeovers Code) of Guoco or the Offeror) are hereby reminded to disclose their dealings in any relevant securities (as defined under Note 4 to Rule 22 of the Takeovers Code) of Guoco under Rule 22 of the Takeovers Code.

In accordance with Rule 3.8 of the Takeovers Code, reproduced below is the full text of Note 11 to Rule 22 of the Takeovers Code:

“Responsibilities of stockbrokers, banks and other intermediaries

Stockbrokers, banks and others who deal in relevant securities on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates and other persons under Rule 22 and that those clients are willing to comply with them. Principal traders and dealers who deal directly with investors should, in appropriate cases, likewise draw attention to the relevant Rules. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any relevant security undertaken for a client during any 7 day period is less than \$1 million.

This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved.

Intermediaries are expected to co-operate with the Executive in its dealings enquiries. Therefore, those who deal in relevant securities should appreciate that stockbrokers and other intermediaries will supply the Executive with relevant information as to those dealings, including identities of clients, as part of that cooperation.”
