NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31 December 2016

1. ADOPTION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS

In the current year, the Group has adopted all the new and revised Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") that are relevant to its operations and effective for its accounting year beginning on 1 January 2016. The adoption of these new and revised HKFRSs did not result in significant changes to the Group's accounting policies, presentation of the Group's financial statements and amounts reported for the current year and prior years.

The Group has not applied the new and revised HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of these new and revised HKFRSs but is not yet in a position to state whether these new and revised HKFRSs would have a material impact on its results of operations and financial position.

2. BASIS OF PREPARATION

These consolidated financial statements have been prepared in accordance with HKFRSs, accounting principles generally accepted in Hong Kong and the applicable disclosures required by the Rules Governing the Listing of Securities on The Stock Exchange of The Hong Kong Limited (the "Listing Rules") and by the Hong Kong Companies Ordinance.

These consolidated financial statements have been prepared under the historical cost convention.

There are pending litigations and winding up petitions against the Group. These conditions indicate the existence of a material uncertainty which may cast significant doubt on the Group's ability to continue as a going concern. Therefore, the Group may be unable to realise its assets and discharge its liabilities in the normal course of business.

These consolidated financial statements have been prepared on a going concern basis. The validity of which are based on the latest progress of the negotiation of settlement agreements in connection with the acquisition of Yield Rise Limited ("Yield Rise") and the legal advices on winding up petitions cause the directors to believe that these litigations ultimately will not have significant impact to the financial position of the Group. Accordingly, the directors of the Company (the "Directors") are of the opinion that it is appropriate to prepare the financial statements on a going concern basis. Should the Group be unable to continue as a going concern, adjustments would have to be made to the financial statements to adjust the value of the Group's assets to their recoverable amounts, to provide for any further liabilities which might arise and to reclassify non-current assets as current assets.

3. REVENUE AND SEGMENT INFORMATION

The Group manages its businesses by divisions, which are organised by a mixture of both business lines (products and services) and geography. In a manner consistent with the way in which information is reported internally to the board of directors of the Company, being the Group's chief operating decision maker, for the purposes of resource allocation and performance assessment. The Group has presented the following two reportable segments. No operating segments have been aggregated to form the following reportable segments.

- Steel – PRC: this segment primarily derive its revenue from the manufacture and trading of steel pipes, steel sheets and other products made of steel. These products are manufactured in the Group's manufacturing facilities located in the People's Republic of China (the "PRC").

- Investments: this segment invests in equity securities to generate dividend income and interest income and/or to gain from the appreciation in the investments' values in the long term.

(a) Segment results, assets and liabilities

For the purposes of assessing segment performance and allocating resources between segments, the Group's chief operating decision maker monitors the results, assets and liabilities attributable to each reportable segment on the following bases:

Segment assets include all tangible assets and current assets with the exception of corporate assets. Segment liabilities include all liabilities including trade and other payables and borrowings managed directly by the segments with the exception of corporate liabilities.

Revenue and expenses are allocated to the reportable segments with reference to sales generated by those segments and the expenses incurred by those segments or which otherwise arise from the depreciation or amortisation of assets attributable to those segments. The accounting policies of the reportable segments are the same as the Group's accounting policies. The measure used for reporting segment profit is "EBIT" i.e. "earnings before interest and taxes".

In addition to receiving segment information concerning EBIT, management is provided with segment information concerning revenue, interest income and expenses from cash balances and borrowings managed directly by the segments, dividend income, depreciation and amortisation, change in fair value of financial assets at fair value through profit or loss, net gain/loss on disposal of property, plant and equipment, impairment loss on trade and other receivables, reversal of impairment loss on trade and other receivables, write down of inventories, reversal of write down of inventories, share of result of joint ventures, income tax expenses and additions to non-current segment assets used by the segments in their operations.

Information regarding the Group's reportable segments as provided to the Group's chief operating decision maker for the purposes of resource allocation and assessment of segment performance for the years ended 31 December 2016 and 2015 is set out below:

EXTRACT OF INDEPENDENT AUDITOR'S REPORT

The following is the extract of the independent auditor's report from the external auditors of the Company:

We do not express an opinion on the consolidated financial statements of the Group. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these consolidated financial statements and whether the consolidated financial statements have been properly prepared in compliance with the disclosure requirements of the Hong Kong Companies Ordinance.

BASIS FOR DISCLAIMER OF OPINION

1 Opening balances and corresponding figures

Our audit opinion on the consolidated financial statements of the Group for the year ended 31 December 2015, which forms the basis for the corresponding figures presented in the current year's consolidated financial statements, was disclaimed because of the significance of the possible effect of the limitations on the scope of our audit, details of which are set out in our auditor's report dated 9 April 2018.

There were no satisfactory audit procedures to ascertain the existence, accuracy, presentation and completeness of certain opening balances and corresponding figures (as further detail explained in the following paragraphs) shown in the current year's consolidated financial statements.

2 Limited accounting books and records of the Group

Due to the insufficiency of supporting documentation and explanations for accounting books and records in respect of a subsidiary of the Company, Guangzhou Mayer Corporation Limited for the year ended 31 December 2015, we were unable to carry out audit procedures to satisfy ourselves as to whether the cost of sales and depreciation charged of RMB300,290,000 and RMB818,000, respectively, for the year ended 31 December 2016 and the following income and expenses for the year ended 31 December 2015 and the certain assets and liabilities as at 31 December 2016 and 2015, and the segment information and other related disclosure notes in relation to the Group, as included in the consolidated financial statements of the Group, have been accurately recorded and properly accounted for in the consolidated financial statements:

Due to the insufficiency of supporting documentation and explanations for accounting books and records as mentioned in point 2 above, no sufficient evidence has been provided to satisfy ourselves as to the existence and completeness of the disclosures of commitments and contingent liabilities as at 31 December 2015.

4 Related party transactions and disclosures

Due to the insufficiency of supporting documentation and explanations for accounting books and records as mentioned in point 2 above, no sufficient evidence has been provided to satisfy ourselves as to the existence and completeness of the disclosures of the related party transactions for the year ended 31 December 2015 and the related party balances as at 31 December 2015 as required by Hong Kong Accounting Standard 24 (revised) "Related Party Disclosures".

5 Unconsolidation of Yield Rise Limited

Due to the dispute between Make Success Limited ("Make Success") and the Company in connection with the acquisition of Yield Rise and its subsidiaries ("Yield Rise Group"), the financial statements of Yield Rise Group have not been consolidated in the Group's consolidated financial statements for the year ended 31 December 2016 and 2015. In addition, the promissory notes and convertible bonds issued for the acquisition were not recognised in the consolidated financial statements.

Under Hong Kong Financial Reporting Standard 10 "Consolidated Financial Statements" ("HKFRS 10"), the Company should consolidate Yield Rise Group if the Company has power to control Yield Rise Group to affect the return from them. We have not been able to obtain sufficient appropriate audit evidence to assess (i) whether the Company has control over Yield Rise Group; and (ii) the validity of the promissory notes and convertible notes. We are unable to determine whether there is an departure from HKFRS 10 and the promissory notes and convertible notes should be recognised in the Group's consolidated financial statements.

6 **Available-for-sale financial assets**

The investment in 29.85% equity interest in Vietnam Mayer Company Limited ("Vietnam Mayer") of approximately RMB11,766,000 is recognised as available-for-sale financial assets and stated at cost for the years ended 31 December 2016 and 2015. We have not been able to obtain sufficient appropriate audit evidence to assess whether the Group has significant influence in Vietnam Mayer. Therefore, we are unable to determine whether Vietnam Mayer should be recognised as an associate and accounted for using equity method of accounting and the dividend income from Vietnam Mayer of approximately RMB13,772,000 should be charged in consolidated profit or loss. In addition, we have not been able to obtain sufficient appropriate audit evidence as to the accuracy of its carrying amount.

BUSINESS REVIEW

The primary business focus for the management of the Group in the year of review is still the publication of all outstanding financial results. In this regard, a number of legal actions have been taken by the Group during the past two years. The progress and the latest updates of those legal efforts, together with all other material information of the Company, had been disclosed in details by the Company's prompt announcements during the financial year under review and the monthly periodic announcements since May 2015.

Up to the date of this results announcement, the only active operating subsidiary of the Company is still Guangzhou Mayer, which is a manufacturer and distributor of steel pipes, steel sheets and other metal products in the PRC. The market territories of Guangzhou Mayer include the domestic sales of the steel products in the PRC and the indirect export distribution. The Company indirectly holds 81.4% equity interest in Guangzhou Mayer through Bamian Investments Pte Limited, a direct wholly-owned subsidiary of the Company incorporated in Singapore. The Group's effective interest in Guangzhou Mayer is 81.4%.

To help the Company understand the latest development of the project of the Dan Tien Port in Vietnam (the “Dan Tien Port Project”, 越南民進港項目), the auditor of the Company (the “Auditor”) commenced the audit procedures in early 2015 in Vietnam over the financial data of the Dan Tien Port Project for the respective financial years ended at 31 December 2011, 31 December 2012, 31 December 2013 and 31 December 2014. Although the Auditor had completed the audit works on the Dan Tien Port Project in April 2016, the Auditor was not able to issue an auditor report at the level of a subsidiary of the Company due to a number of uncertainties which had been fully disclosed in the Company’s periodic announcement dated 3 May 2016.

On 4 March 2016, the Stock Exchange issued a letter to the Company informing that the Stock Exchange has placed the Company into the first delisting stage (the “First Delisting Stage”) under Practice Note 17 to the Listing Rules. The First Delisting Stage will expire on 23 September 2016 and the Company was required to submit a viable resumption proposal to the Stock Exchange at least 10 business days before the First Delisting Stage expires (that is, 8 September 2016) to address the resumption conditions. On 8 April 2016, the Company submitted to the listing committee of the Stock Exchange (the “Listing Committee”) an application for a review of the decision of the First Delisting Stage pursuant to Rule 2B.06(1) of the Listing Rules and the review hearing was arranged and held on 17 May 2016. Thereafter, the Listing Committee informed the Company on 24 May 2016 of the conclusions of the review hearing that the decision of the First Delisting Stage had been upheld. The Company has then engaged legal consultants and a financial adviser to address the matters in respect of the resumption of the trading of the Shares on the Stock Exchange.

On 7 March 2016, the Company was notified by the Securities and Futures Commission (the “SFC”) that it had commenced proceedings in the Market Misconduct Tribunal (the “MMT”) against (i) the Company for failing to disclose price sensitive information as soon as reasonably practicable; and (ii) the nine former Directors and the former company secretary and financial controller of the Company for their reckless or negligent conduct causing the alleged breach by the Company of the provisions of the statutory corporate disclosure regime. The details of the proceedings in the MMT had been disclosed in the Company’s announcement dated 14 March 2016.

On 30 June 2016, the SFC (also, the “Petitioner”) served the Company and its three former Directors a sealed copy of petition (the “Petition”) filed in the High Court of Hong Kong under Miscellaneous Proceedings numbered 1673 of 2016. Pursuant to the Petition, the three former Directors had conducted in a manner involving defalcation, misfeasance or misconduct towards the Company and/or unfairly prejudicial to its members or part of its members under the *Securities and Futures Ordinance*, and in particular, in causing the Company to commit to the alleged wrong-doing transactions, the three former Directors had failed to perform their duties owed to the Company with care, skill, and competence in matters concerning the Company’s financial position, due diligence and assessment of contractual integrity. The Petitioner thereby asked the court to grant disqualification orders and orders against the three former Directors and other parties at fault for seeking recovery of compensation or damage for the loss and damage suffered by the Company as a result of their breach of director’s duties under the common law. The details of this legal action had been disclosed in the Company’s announcement dated 4 July 2016.
