## **VOLUNTARY ANNOUNCEMENT UPDATE ON PRODUCT DEVELOPMENT**

The board of directors (the “Board”) of SSY Group Limited (the “Company”, together with its subsidiaries, the “Group”) is pleased to announce that the Group has obtained the approvals for drug production and registration for Stiripentol for Suspension (500mg and 250mg) from the National Medical Products Administration of China. Stiripentol for Suspension is under type 3 chemical drug, regarded as passing the consistency evaluation, and is mainly used for treatment when infants have severe myoclonic seizures.

Stiripentol for Suspension is a drug for rare diseases (also known as orphan drug) for children, which is given priority for review and approval as encouraged by the authorities in China. Currently, the Group has obtained the exclusive approval for such product.

This announcement is a voluntary announcement made by the Company to keep the shareholders and potential investors informed of the latest business development of the Group.

By order of the Board
