Save as disclosed above, there is no information relating to Mr. Wen that is required to be disclosed pursuant to rules 13.51(2) of the Listing Rules and there is no other matter that needs to be brought to the attention of Shareholders.

This explanatory statement contains the information required to be sent to Shareholders pursuant to rule 10.06(1)(b) of the Listing Rules concerning the repurchase by the Company of its own Shares.

(1) EXERCISE OF THE REPURCHASE MANDATE

Exercise in full of the Repurchase Mandate, on the basis of 500,000,000 Shares in issue as at the Latest Practicable Date, would result in a maximum of 50,000,000 Shares (which are fully paid and represent 10% of the Shares in issue) being repurchased by the Company during the period prior to the earliest of:

- (i) the conclusion of the next annual general meeting of the Company;
- (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or
- (iii) the revocation, variation or renewal of the Repurchase Mandate by an ordinary resolution of the Shareholders in general meeting of the Company.

The total number of Shares which the Company is authorised to repurchase its Shares representing a maximum of 10% of the aggregate nominal value of the share capital of the Company in issue at the date of the resolution granting the Repurchase Mandate. A company may not issue or announce an issue of new shares for a period of 30 days immediately following a repurchase of securities (other than an issue of securities pursuant to an exercise of warrants, share options or similar instruments requiring the company to issue securities which were outstanding prior to such repurchase) without the prior approval of Stock Exchange. The Listing Rules also prohibit a company from making repurchases of its own securities on Stock Exchange if the repurchase would result in the number of the company's listed securities which are in the hands of the public falling below the relevant prescribed minimum percentage as required by Stock Exchange, which is currently 25% in the case of the Company.

The Listing Rules further prohibit a company from purchasing its own shares on Stock Exchange if the purchase price is higher by 5% or more than the average closing market price for the five preceding trading days on which its shares are traded on Stock Exchange or for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of Stock Exchange prevailing from time to time.

The Company shall procure that any broker appointed by it to effect the purchase of its securities to disclose to Stock Exchange such information with respect to purchases made on behalf of the Company as Stock Exchange may request.

(2) REASONS FOR THE REPURCHASE

Although Directors have no present intention to repurchase any Shares, Directors believe that it is in the best interests of the Company and the Shareholders for the Directors to seek a general authority from the Shareholders to enable the Company to repurchase Shares in the market. Repurchases of Shares will only be made when Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share.

(3) FUNDING OF REPURCHASE

At repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Memorandum and Articles of Association and the applicable laws and regulations of the Cayman Islands. Pursuant to the Repurchase Mandate, repurchases will be made out of funds of the Company legally permitted to be utilised in this connection, including profits of the Company or out of a fresh issue of Shares made for the purpose of the repurchase or, subject to the Companies Law of the Cayman Islands, out of capital of the Company and, in the case of any premium payable on the repurchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, subject to the Companies Law of the Cayman Islands, out of capital of the Company.

(4) IMPACT ON THE COMPANY

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited accounts for the year ended 31 December 2017) in the event that the Repurchase Mandate is exercised in full. However, Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing position which in the opinion of Directors are from time to time appropriate for the Company.

(5) DISCLOSURE OF INTEREST

None of the Directors to the best of their knowledge having made all reasonable enquiries, nor any of their respective close associates (as defined in the Listing Rules), have any present intention, if the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company or its subsidiaries.

(6) DIRECTORS' UNDERTAKING

Directors have undertaken to Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the Memorandum and Articles of Association and the applicable laws of the Cayman Islands.

(7) EFFECT ON TAKEOVERS CODE

If the proportionate interest of a Shareholder in the voting rights of the Company increases on exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition of voting rights for the purpose of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the immediate controlling shareholder (as defined in the Listing Rules) of the Company, Ming Fung Investment Limited, was recorded in the registers required to be kept by the Company under section 336 of the SFO as interested in 330,000,000 Shares, representing 66% of the issued share capital of the Company. In the event that the Repurchase Mandate is exercised in full and assuming that there is no change in the number of Shares held by Ming Fung Investment Limited and there is no other change to the issued share capital of the Company, the shareholding of Ming Fung Investment Limited in the Company will be increased to approximately 73.33% of the reduced issued share capital of the Company immediately after the exercise in full of the Repurchase Mandate.

Accordingly, Directors are not aware of the consequences which would give rise under the Takeovers Code as a result of exercising the Repurchase Mandate. In addition, in exercising the Repurchase Mandate (whether in full or otherwise), Directors will ensure that the Company shall comply with the requirements of the Listing Rules, including the minimum percentage of Shares being held in public hands.

(8) SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares has been made by the Company (whether on Stock Exchange or otherwise) during the six months immediately preceding the Latest Practicable Date.

(9) CONNECTED PARTIES

The Listing Rules prohibit a company from knowingly repurchasing securities on Stock Exchange from a “core connected person”, that is, a director, chief executive or substantial shareholder of the company or any of its subsidiaries or their respective close associates (as defined in the Listing Rules), and a core connected person shall not knowingly sell his securities to the Company on Stock Exchange. No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by Shareholders.

(10) SHARE PRICES

The monthly highest and lowest prices at which the Shares had traded on Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:

	Highest <i>HKD</i>	Lowest <i>HKD</i>
2017		
April	1.00	0.95
