DISCLOSEABLE TRANSACTION

CAPITAL CONTRIBUTION TO SHANXI LU'AN CHEMICAL CO., LTD.

CAPITAL CONTRIBUTION AGREEMENT

The Board is pleased to announce that on June 6, 2019 (after trading hours), Wison Engineering (an indirect wholly-owned subsidiary of the Company) and the Other Investors (as the Investors), Shanxi Lu'an Group (as the existing shareholder of the Target Company) and the Target Company entered into the Capital Contribution Agreement, pursuant to which Wison Engineering agreed to make capital contribution in cash of RMB30,000,000 to the Target Company for a 0.2246% equity interest in the Target Company.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, each of the Other Investors, Shanxi Lu'an Group and the Target Company and their respective ultimate beneficial owners are third parties independent of the Company and its connected persons.

The Target Company is a company established in the PRC and is principally engaged in the research and development, transfer and provision of technological services relating to coal chemical technology; proprietary investments in coal chemical projects; production, transportation and sales of coal and coal chemical products; and engineering and construction of coal chemical projects. As at the date of this announcement, Shanxi Lu'an Group is the sole shareholder of the Target Company.

LISTING RULES IMPLICATIONS

As the highest applicable percentage ratio in respect of the transactions contemplated under the Capital Contribution Agreement is more than 5% but less than 25%, the Capital Contribution Agreement constitutes a discloseable transaction for the Company and accordingly, is subject to the reporting and announcement requirements but is exempt from the shareholders' approval requirement under Chapter 14 of the Listing Rules.

CAPITAL CONTRIBUTION AGREEMENT

The Board is pleased to announce that on June 6, 2019 (after trading hours), Wison Engineering (an indirect wholly-owned subsidiary of the Company) and the Other Investors (as the Investors), Shanxi Lu'an Group (as the existing shareholder of the Target Company) and the Target Company entered into the Capital Contribution Agreement.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, each of the Other Investors, Shanxi Lu'an Group and the Target Company and their respective ultimate beneficial owners are third parties independent of the Company and its connected persons.

The Capital Contribution

Pursuant to the Capital Contribution Agreement, Wison Engineering and the Other Investors agreed to make capital contributions of a total of RMB460,000,000 in cash to the Target Company for a total of 3.4442% equity interest in the Target Company, of which Wison Engineering agreed to make capital contribution in cash of RMB30,000,000 to the Target Company for a 0.2246% equity interest in the Target Company. Shanxi Lu'an Group shall waive its pre-emptive right in relation to the Capital Contribution.

The following table sets out the capital to be contributed by each Investor and the percentage of equity interest of each Investor in the Target Company immediately after Completion:

Name of Investor	Amount of capital to be contributed to the Target Company (RMB)	Percentage of equity interest in the Target Company immediately after Completion
Wison Engineering	30,000,000	0.2246%
Synfuels China Engineering	100,000,000	0.7487%
Air Products (China) Investment	100,000,000	0.7487%
Zhongke Lu'an Energy Technology	30,000,000	0.2246%
Datong Coal Mine Group	50,000,000	0.3744%
Yangquan Coal Industry	50,000,000	0.3744%

Shanxi Jincheng Anthracite Mining	50,000,000	0.3744%
Total	460,000,000	3.4442%

The Capital Contribution to be made by each Investor is in proportion to the percentage of equity interest that it will acquire in the Target Company.

The amount of Capital Contribution under the Capital Contribution Agreement was determined after arm's length negotiations between the parties to the Capital Contribution Agreement with reference to the appraised value of the net assets of the Target Company as of June 30, 2018 (being approximately RMB12,896,000,000) as set out on the State-owned assets valuation report prepared by an independent valuer using asset-based approach.

Payment

The Capital Contribution shall be settled in cash by the Investors.

Wison Engineering shall settle its Capital Contribution within five business days after receiving the payment notice from the relevant equity exchange authority for PRC State-owned assets, and such capital contribution will be financed out of the internal financial resources of the Group.

Completion

The Target Company shall make an application to the competent industrial and commercial administration in the PRC for change of registration particulars in connection with the Capital Contribution within ten business days upon receipt from the relevant equity exchange authority for PRC State-owned assets confirming payment of the Capital Contribution.

The profit or loss recorded by the Target Company during the period commencing from the Valuation Benchmark Date and ending on the date of completion of the registration of the Capital Contribution with the competent industrial and commercial administration in the PRC shall be enjoyed or borne by Shanxi Lu'an Group (being the sole shareholder of the Target Company as at the date of this announcement).

The Target Company will not become a subsidiary of the Company as a result of the Capital Contribution and hence, the financial results of the Target Company will not be consolidated into those of the Group.

INFORMATION ON THE TARGET COMPANY

REASONS FOR AND BENEFITS OF ENTERING INTO THE CAPITAL CONTRIBUTION AGREEMENT

The Company is an investment holding company. The principal activity of the Group is the provision of chemical engineering, procurement and construction management, or “EPC”, services. The Group provides a broad range of integrated services spanning the project life cycle from technical appraisal, early project planning, feasibility studies, consulting services, provision of proprietary technologies, design, engineering, raw materials and equipment procurement and construction management to maintenance and after-sale technical support. Wison Engineering is the principal operating subsidiary of the Company.

The Capital Contribution can further strengthen the bond between the Group and its key clients and at the same time benefits the further expansion of the Group into the coal chemical engineering section for business opportunities. The Company considers that the Capital Contribution is in line with the Group's investment strategy and will bring investment returns to the Group.

The Directors (including the independent non-executive Directors) are of the view that the Capital Contribution Agreement was entered into after arm's length negotiation between the parties thereto and reflects normal commercial terms, and that the terms of Capital Contribution Agreement are fair and reasonable and in the interests of the Company and its shareholders as a whole.
