### **POSITIVE PROFIT ALERT**

This announcement is made by WuXi Biologics (Cayman) Inc. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) and the potential investors of the Company that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended December 31, 2017, the Group is expected to record an increase of approximately 75% to 80% in its net profit from RMB141 million for the year ended December 31, 2016 to an amount of approximately RMB247 million to RMB254 million for the year ended December 31, 2017 (the “**Reporting Period**”). During the Reporting Period, the Group incurred an unrealized foreign exchange loss due to a translation loss from the IPO proceeds (in U.S. Dollar) to Renminbi as a result of Renminbi appreciation against the U.S. Dollar. If the unrealized foreign exchange loss is excluded, the Group’s net profit for the year ended December 31, 2017 is expected to be approximately RMB321 million to RMB328 million, representing a year-on-year growth of approximately 128% to 133%. Such increase was primarily attributable to (i) a strong growth in revenue driven by implementing the Group’s “follow-the-molecule” strategy; and (ii) efficiency enhancement of the Group’s business operation.

The Company is still in the process of finalizing the annual results of the Group for the year ended December 31, 2017. The information contained in this announcement is only based on the preliminary assessment of the unaudited consolidated

management accounts of the Group for the year ended December 31, 2017, which are subject to finalization and other potential adjustments, if any, and have not been reviewed or confirmed by the auditors of the Group or the audit committee of the Board. Shareholders and potential investors of the Company should refer to the annual results announcement of the Group for the year ended December 31, 2017, which is expected to be published on or before March 20, 2018.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares and other securities of the Company.**
