China International Electrics & Electronic Appliance City Organizes Investment Invitation and Internet + Electronic Appliance Spring Fair in Leqing City

On 15 February, China International Electrics & Electronic Appliance City organized an Investment Invitation and Internet + Electronic Appliance Spring Fair in Leqing City. During the opening ceremony, Mr. Shu Cewan, Deputy Chairman and President of the Group, stated that Leqing City is in the process of implementing comprehensive reforms and has reached a critical stage of its development. Following the implementation of the 13th Five-Year Plan, the construction of Liubai New District and further industrial upgrades, more investment opportunities and development potential will be created. The venue area of this year's trading fair is 30,000sq.m, and can accommodate 600 international booths. With the aim of providing incentive to businesses and benefitting all parties involved, all booths could be rented for free. This preferential arrangement was applauded by over 600 international and domestic renowned electronic appliance exhibitors. China International Electrics & Electronic Appliance City aims to build a smart trade and logistics eco-system with a complete production chain. It has signed a contract with "易科雲網", an expert in operating e-commerce industrial parks in China, to build the next generation of B2B2C cross-border e-commerce industrial zones that integrate e-commerce operations and services, cross-border e-commerce platforms, integrated foreign trading services, and international logistics ports. The facility will provide a low-cost and extensive mechanism with strong branding to SMEs and businesses, allowing them to capture market opportunities.
