Non-routine business

The following item of non-routine business is being dealt with as an ordinary resolution at the Annual General Meeting:

Resolution 4

This resolution relates to the renewal of the authority for the allotment of shares. If Resolution 4 is passed, the new authority would permit the allotment of relevant securities with an aggregate nominal value of up to US\$18.5 million representing 369,238,783 ordinary shares of US\$5 each and representing approximately 33% of the total ordinary share capital of the Company in issue as at 28th March 2018, the latest practicable date prior to the publication of this document. Included within the authority is the ability to issue ordinary shares for cash consideration (other than by way of a Rights Issue) limited to a total of some 55,385,817 ordinary shares, representing approximately 5% of the total ordinary share capital of the Company in issue as at 28th March 2018. The proposed authority will expire at the conclusion of the next Annual General Meeting or on 9th August 2019, whichever is the earlier, and it is intended to seek its renewal at that and future Annual General Meetings.

The Directors have no present intention to exercise this authority. No pre-emptive rights exist under Bermuda law in relation to issues of new shares by the Company.

In the opinion of the Board the proposal set out in Resolution 4 is in the best interests of shareholders as a whole and the Board recommends that shareholders vote in favour of the resolution.

Notes:

A shareholder entitled to attend and vote is entitled to appoint a proxy or proxies to attend and vote instead of him; a proxy need not also be a shareholder of the Company.
