Material terms of the Share Award Scheme

The Share Award Scheme allows the Board to determine:

- (i) the Participants to be granted Share Awards in its absolute discretion;
- (ii) the terms on which each Share Award is granted, including as to the minimum period for which it must be held and any performance targets that must be reached before it can be exercised; and

The Share Award Mandate

As set out on page 23 of this circular and in resolution no. 7 on the Notice of Annual General Meeting, a resolution has been proposed at the Annual General Meeting to grant to the Directors the Share Award Mandate, being a mandate to grant Share Awards in respect of a maximum number of the underlying new Shares that is equivalent to 3 per cent. of the Shares in issue as at the date of passing such mandate during the Applicable Period, and to allot, issue and deal with the Shares underlying the Options and/or RSUs granted pursuant to such mandate during the Applicable Period as and when such Options and/or RSUs vest. Subject to the passing of the relevant resolution to approve the Share Award Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the Annual General Meeting, the Directors would be authorized to exercise the powers of the Company to grant Share Awards in respect of a maximum number of 245,782,107 underlying new Shares.

For the avoidance of doubt, any Shares issued pursuant to the Share Award Mandate will not be counted towards the Shares to be issued (if any) pursuant to the general mandate proposed under resolution no. 4 in the Notice of Annual General Meeting. As at the Latest Practicable Date, no Participant has been proposed or identified by the Board to be granted any Share Award under the Share Award Mandate. Shareholders who were also Participants under the Share Award Scheme would be required to abstain from voting on the Share Award Mandate at the Annual General Meeting.

As at the Latest Practicable Date, a total of 84 grantees under the Share Award Scheme held 12,015,960 Shares (which represents approximately 0.15% of the total issued Shares as at the Latest Practicable Date) upon exercising and vesting of the Options and the RSUs (as applicable). Such grantees include a Director of the Company, holding 642,000 Shares as result of the vesting of RSUs granted to him, and directors of the subsidiaries of the Company, holding 2,187,150 Shares in total as a result of the vesting of RSUs granted to them. All such 84 grantees are required to abstain from voting on resolution no. 7 in relation to the Share Award Mandate. Except as disclosed herein and to the extent that the Directors are aware having made all reasonable enquiries, none of the Directors and directors of the Company's subsidiaries who are also Participants under the Share Award Scheme who have been granted any Share Awards, holds any Share.

LETTER FROM THE BOARD

Cost of Granting Share Awards

The cost attributable to the grant of any RSUs under the Share Award Scheme will be accounted for by reference to the market value of the Shares at the time of grant, adjusted to take into account the terms and conditions upon which Shares were granted. The Directors consider that it is not appropriate or helpful to the Shareholders to state the value of all Share Awards that can be granted under the Share Award Scheme or the Share Award Mandate being sought as if they had been granted on the Latest Practicable Date. The Directors believe that any statement regarding the value of all Share Awards as at the Latest Practicable Date will not be meaningful to the Shareholders, since the Share Awards to be granted shall not be assignable, and no holder of the Share Awards shall in any way sell, transfer, charge, mortgage, encumber or create any interest in favor of any third party over or in relation to any Share Award. In addition, the calculation of the value of the Share Awards is based on a number of variables such as exercise price, exercise period, interest rate, expected volatility and other relevant variables.

The Directors believe that any calculation of the value of the Share Awards as at the Latest Practicable Date based on a great number of speculative assumptions would not be meaningful and would be misleading to the Shareholders. Details of the Share Award Scheme, including particulars and movements of the Share Awards granted, vested, lapsed and available for grant in the future, and the employee costs arising from the grant of the Share Awards during each financial year of the Company will be disclosed in the Company's annual report and interim report. The Company will give due consideration to any financial impact arising from the grant of the Share Awards under the Share Award Scheme before exercising the Share Award Mandate.

Dilution Effect

The table below is for illustration only and sets out the shareholding structure of the Company:

- (i) as at the Latest Practicable Date;

You will find enclosed a form of proxy for use at the Annual General Meeting. Whether or not you are able to attend the Annual General Meeting, you are requested to complete and return the enclosed form of proxy in accordance with the instructions printed thereon to the office of the Company's Hong Kong branch share registrar, Tricor Secretaries Limited at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong as soon as possible but in any event not later than 48 hours before the time appointed for holding the Annual General Meeting or any adjournment thereof. Completion and return of the form of proxy will not preclude you from attending and voting in person at the Annual General Meeting or any adjournment thereof should you so wish.

Except as disclosed in the paragraph headed "Specific Mandate to Grant Share Awards — The Share Award Mandate" in this letter, no Shareholder is required to abstain from voting at the Annual General Meeting pursuant to the Listing Rules and/or the Bye-Laws.

LETTER FROM THE BOARD

VOTING BY WAY OF POLL

Pursuant to Rule 13.39(4) of the Listing Rules, all votes of the Shareholders at the Annual General Meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. The chairman of the meeting will therefore demand a poll for every resolution set out in the notice of the Annual General Meeting put to the vote of the Annual General Meeting pursuant to bye-law 70 of the Bye-Laws and the Company will announce the results of the poll in the manner prescribed under Rule 13.39(5) of the Listing Rules.

RECOMMENDATION

The Directors (including the independent non-executive Directors) consider that the proposed Issue Mandate, Repurchase Mandate, Share Award Mandate and the re-election of retiring Directors are in the interest of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of the resolutions as set out in the notice of the Annual General Meeting.

Your attention is also drawn to the additional information set out in the Appendix to this circular.

By Order of the Board

WANG Lei

Chief Executive Officer and Executive Director

This Appendix includes an explanatory statement required by the Share Repurchase Rules to be presented to the Shareholders concerning the Repurchase Mandate proposed to be granted to the Directors.

1. STOCK EXCHANGE RULES FOR REPURCHASE OF SHARES

The Listing Rules permit companies with a primary listing on the Stock Exchange to purchase their shares on the Stock Exchange subject to certain restrictions.

The Listing Rules provide that all proposed purchases of shares by a company with a primary listing on the Stock Exchange must be approved by shareholders in advance by an ordinary resolution, either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be purchased must be fully paid up.

2. FUNDING OF REPURCHASE

Any repurchase will be made out of funds which are legally available for the purpose in accordance with the memorandum of association of the Company, the Bye-laws, the Companies Act, the laws of Bermuda and any other applicable laws.

3. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 8,192,736,918 Shares.

Subject to the passing of the relevant ordinary resolution to approve the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the Annual General Meeting, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 819,273,691 Shares.

4. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or its earning per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

The Directors have no present intention to exercise the general mandate in full to repurchase Shares and they would only exercise the power to repurchase Shares in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the general mandate to repurchase Shares were to be exercised in full at the currently prevailing market value, it would have a material adverse impact on the working capital position and gearing position of the Company, as compared with the positions disclosed in the audited consolidated accounts of the Company as at March 31, 2017, being the date to which the latest published audited accounts of the Company were made up. The Directors do not propose to exercise the mandate to

repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of Bermuda and in accordance with the memorandum of association of the Company and the Bye-laws.

6. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control (as defined in the Takeovers Code) of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

In the event that the Repurchase Mandate is exercised in full by the Directors, the Directors believe that such increase will not give rise to an obligation of any Shareholders to make a mandatory general offer under Rules 26 and 32 of the Takeovers Code. The Directors have no intention to exercise the Repurchase Mandate to such an extent that it will result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25% under Rule 8.08 of the Listing Rules.

7. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of the knowledge and belief of the Directors, having made all reasonable enquiries, any of their respective close associates has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company or its subsidiaries.

No core connected person of the Company (as defined in the Listing Rules) has notified the Company that he/she/it has a present intention to sell Shares to the Company or its subsidiaries nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company or its subsidiaries in the event that the Repurchase Mandate is approved by the Shareholders.

8. SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares has been made by the Company in the preceding six months (whether on the Stock Exchange or otherwise) ending on the Latest Practicable Date.

9. SHARE PRICE

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the previous twelve months immediately prior to the Latest Practicable Date quoted on the website of the Stock Exchange were as follows:
