To the Shareholders

**THE PROPOSED CONVERSION OF
THE COMPANY'S LISTING STATUS FROM
A PRIMARY LISTING TO A SECONDARY LISTING
ON THE SGX-ST AND THE PROPOSED ADOPTION OF
THE BYE-LAWS OF THE COMPANY**

Dear Sir/Madam

1. INTRODUCTION

- 1.1** The Directors are convening the SGM to be held on 14 June 2013, the Notice of which is set out on pages 18 to 20 of this Circular, to seek Shareholder's approval for the following matters:—

** For identification purpose only*

LETTER FROM THE BOARD

- the Ordinary Resolution pertaining to the Proposed Change; and
- subject to the approval of the Proposed Change by the Shareholders by way of the Ordinary Resolution, the Special Resolution pertaining to the Proposed Adoption.

1.2 The purpose of this Circular is to provide Shareholders with the information on the abovementioned matters and the implications of the Proposed Change for the Company and its Shareholders.

1.3 The SGX-ST assumes no responsibility for the correctness of any of the statements made or opinions expressed in this Circular.

2. PROPOSED CHANGE

2.1 Listing of the Company

The Company is presently dual primary listed on the mainboard of the SGX-ST and on the mainboard of the SEHK. The Company listed its TDRs on the TWSE. The Company proposes to convert its listing status on the SGX-ST from a primary listing to a secondary listing. If the Ordinary Resolution is approved by the Shareholders at the SGM, the Company shall continue its primary listing on the SEHK and it would have a secondary listing on the SGX-ST.

2.2 Rationale and Benefits of the Proposed Change

The Company undertook a review of the listing status of the Company and, having regard to the reasons stated below, has decided that the Proposed Change is in the best interests of the Company.

(a) Differences in Rules and Regulations, Compliance Costs and Time

Where there is any conflict between the Listing Manual and HK Listing Rules, the Company is required to comply with the stricter requirement. The Company has to incur higher costs and devote more time in order to comply with its continuous compliance obligations under the listing rules of both the SGX-ST and SEHK. The compliance costs are increasing and have become too burdensome for the Company to manage.

The Proposed Change will result in the Company having to comply with the HK Listing Rules only but are still subject to certain requirements under the Listing Manual as contained in the undertakings to be given by the Company to the SGX-ST, details of which are set out below in the section 4.1 below. This will reduce legal and compliance costs to the Company. The Directors consider that the Proposed Change will lead to costs and time savings for the Company and its management which can be channelled into the business operations and growth of the Company.

LETTER FROM THE BOARD

(b) *Business Profile and Expansion of Shareholder base*

The Company's management, business activities and operations are concentrated in Hong Kong and the Greater PRC region. The Directors are of the opinion that maintaining the primary listing on SEHK and reclassifying the listing on the SGX-ST to a secondary listing would better reflect the geographic business profile of the Company. Further, with business expansion of the Company in Hong Kong and the PRC going forward, the Company expects that there will be more new potential investors from the PRC who may prefer to trade the Shares on SEHK.

The Proposed Change will allow the Company to focus on the development and expansion of the Shareholder base in Hong Kong, which the Company intends to do so by way of, *inter alia*, organising investor roadshows and analyst briefings in Hong Kong.

(c) *Shareholder Profile of the Company*

As at the Latest Practicable Date, the Company has issued an aggregate of 635,573,662 Shares. Mr. Wang directly and indirectly owns 184,716,750 Shares, of which 29,500,000 Shares are held as scripless Shares in Singapore and 200,000 as scripless Shares in Hong Kong and the remaining 155,016,750 Shares as scrip Shares.

As at the Latest Practicable Date, 34.33 % of the issued Shares are held in the CDP in Singapore and 26.78% of the issued Shares are held in the CCASS in Hong Kong. Mr. Wang is a citizen of Hong Kong residing permanently in Hong Kong, owns 29.06% of the issued Shares. The Company understands from Mr. Wang that he does not actively trade in the Shares he owns and therefore has not transferred his Shares to the CCASS as at the date hereof. Taking into account Mr. Wang's shareholding, it would appear that 55.83% of the issued Shares are held in CCASS or by persons located in Hong Kong.

Hence, the Proposed Change would more accurately reflect the geographic profile of the Shareholders owning the Shares.

The Company has no current intention to delist from the SGX-ST in the foreseeable future, which the Company regards as its first home, one which has contributed significantly to its growth and expansion.

For the reasons above, the Company is of the opinion that Shareholders registered in Singapore would not be adversely affected with a reclassification to a secondary listing on the SGX-ST and it would not change the Shareholders' rights, either for the Shareholders who hold their Shares in Singapore or Hong Kong. The Company will retain Tricor Barbinder Share Registration Services as the share transfer agent in Singapore to continue to serve the Shareholders in Singapore or Shares which are trading on the SGX-ST. The Board believes that the Shareholders' ability to trade the

LETTER FROM THE BOARD

Shares on the SGX-ST would not be in any way be affected and the Shareholders would not be prejudiced as a result of the Proposed Change as the Company will still comply with the HK Listing Rules. The Board is also of the view that the HK Listing Rules will sufficiently protect minority Shareholders' interests.

3. IMPLICATIONS FOR THE COMPANY

3.1 Implications under the Listing Manual

On 30 January 2013, an application was made by the Company to the SGX-ST to seek confirmations in relation to the Proposed Change. On 7 March 2013, SGX-ST replied that it had no objection to the Proposed Change subject to the following conditions:

- (a) Shareholders' approval on the Proposed Change;
- (b) compliance with the SGX-ST's listing requirements and other such requirements that the SGX-ST may impose from time to time;
- (c) the Company maintaining its primary listing on the SEHK;
- (d) submission of:
 - i. a written undertaking from the Company that it would comply in full with the delisting requirements in the Listing Manual in the event that the Company is delisted from the Official List of the SGX-ST within three years of the Proposed Change;
 - ii. a written undertaking from the Company that it would comply with the following as set out in Rule 217 of the Listing Manual;
 - (1) to release all information and documents in English to the SGX-ST via SGXNET at the same time as they are released to the SEHK;
 - (2) to inform the SGX-ST of any issue of additional ordinary shares and the decision of the SEHK on the listing and quotation of the additional securities issued by the Company; and
 - (3) to comply with such other listing rules as may be applied by the SGX-ST from time to time (whether before or after listing);

LETTER FROM THE BOARD

- iii. a written undertaking from the Company that an announcement via SGXNET will be made as soon as there is any change in the law of its country of incorporation, which may affect or change Shareholders' rights or obligations over its securities, including:
 - (1) the right to attend, speak, vote at Shareholders' meetings and the right to appoint proxies;
 - (2) the right to receive rights offering and any other entitlements;
 - (3) withholding taxes on its securities;
 - (4) stamp duties on its securities; and
 - (5) obligations to file documents or make declarations in respect of its securities; and

- iv. a written undertaking from the Company that in the event of a need for a trading halt in the Shares, the Company would request for a trading halt on all exchanges at the same time.

Shareholders are to note that the approval in-principle of the SGX-ST is not to be taken as an indication of the merits of the Proposed Change, the Company or its subsidiaries or their securities.

3.2 Implications under the Code

On 18 March 2013, the Company made an application to the SIC to seek a ruling on the applicability of the Code following the completion of the Proposed Change. On 26 April 2013, the SIC ruled that the Code will not apply to the Company after the Proposed Change to a secondary listed company on the mainboard of the SGX-ST.

Shareholders are to note that the Code will cease to apply to the Company after the completion of the Proposed Change, and the Company will thereafter, be subject to the The Codes on Takeovers and Mergers and Share Repurchases of Hong Kong (“HK Takeovers Code”).

LETTER FROM THE BOARD

4. IMPLICATIONS FOR SHAREHOLDERS

4.1 Compliance with the HK Listing Rules

The Company notes that upon the completion of the Proposed Change, it will only be subject to the HK Listing Rules and the Company will not be required to comply with the Listing Manual save for Rule 217 of the Listing Manual (requirements set out in section 3.1(d) above) and any other listing rules of the Listing Manual as may be applied by the SGX-ST from time to time.

A comparison of a summary of the principal listing rules of the SGX-ST and the SEHK is set out in Appendix A.

4.2 Non-applicability of the Code

The Code regulates the acquisition of ordinary shares of, *inter alia*, corporations with a primary listing of their equity securities in Singapore.

Under Rule 14 of the Code, mandatory offers are triggered, except with the consent of the SIC, where:

- (a) any person acquires whether by a series of transactions over a period of time or not, shares which (taken together with shares held or acquired by persons acting in concert with him) carry 30% or more of the voting rights of a company; or
- (b) any person who, together with persons acting in concert with him, holds not less than 30% but not more than 50% of the voting rights in a company and such person, or any person acting in concert with him, acquires in any period of six months additional shares carrying more than 1% of the voting rights,

such person must extend offers immediately, on the basis set out in Rule 14 of the Code (collectively, the “**Mandatory Offer Threshold**”), to the holders of any class of share capital of the company which carries votes and in which such person, or persons acting in concert with him, hold shares. In addition to such person, each of the principal members of the group of persons acting in concert with him may, according to the circumstances of the case, have the obligation to extend a take-over offer.

By voting in favour of the Proposed Change, the Code would no longer apply to the Company following the completion of the Proposed Change. Shareholders should note that they will be waiving their rights to receive a mandatory offer for all the Shares should the Mandatory Offer Threshold be exceeded by any person and parties acting in concert with him. A person and parties acting in concert with him would otherwise be obliged to make a mandatory offer to the Shareholders at the highest price paid or agreed to be paid by them in the past six months before

LETTER FROM THE BOARD

the mandatory offer is triggered in the case where the Mandatory Offer Threshold is exceeded. The regulation of the acquisition of Shares, including any take-overs of the Company, would continue to be regulated by the HK Takeovers Code. The Directors are of the opinion that the HK Takeovers Code will continue to afford fair treatment for the Shareholders who are affected by takeovers, mergers and share repurchases of the Company.

Pursuant to Rule 26.1 of the HK Takeovers Code, mandatory offers are required to be made, subject to the granting of a waiver by the Executive, when:

- (a) any person acquires, whether by a series of transactions over a period of time or not, 30% or more of the voting rights of a company;
- (b) two or more persons are acting in concert, and they collectively hold less than 30% of the voting rights of a company, and any one or more of them acquires voting rights and such acquisition has the effect to increasing their collective holding of voting rights to 30% or more of the voting rights of the company;
- (c) any person holds not less than 40%, but not more than 50%, of the voting rights of a company and that person acquires additional voting rights and such acquisition has the effect of increasing that persons' holding of voting rights of the company by more than 2% from the lowest percentage holding of that person in the 12 month period ending on and inclusive of the date of the relevant acquisition; or
- (d) two or more persons are acting in concert, and they collectively hold not less than 40%, but not more than 50%, of the voting rights of a company, and any one or more of them acquires additional voting rights and such acquisition has the effect of increasing their collective holding of voting rights of the company by more than 2% from the lowest collective percentage holding of such persons in the 12 month period ending on and inclusive of the date of the relevant acquisition.

4.3 Rights of Shareholders Following the Completion of the Proposed Change

As the Company is incorporated in Bermuda and continues to be subject to and compliance with, among others, the Companies Act, the general rights of its Shareholders are set out in the Bye-laws.

Shareholders who trade their Shares on the main board of SGX-ST will continue to enjoy the same rights as Shareholders who trade their Shares on the SEHK. Shareholders can also continue to trade their Shares on the SGX-ST after the completion of the Proposed Change.

Shareholders who are in any doubt as to the course of action which they should take following the Proposed Change, including the implication of the non-applicability of the Code to the Company, should consult their stockbroker, bank manager, solicitor, accountant or other professional advisers immediately.

LETTER FROM THE BOARD

5. THE PROPOSED ADOPTION OF THE BYE-LAWS

5.1 Introduction

The Company is a company in Bermuda with limited liability and is therefore subject to the Companies Act.

Following completion of the Proposed Change, the Company will not be required to comply with the Listing Manual (including Appendix 2.2) save for Rule 217 of the Listing Manual (requirements set out in section 3.1(d) above) and any other listing rules as may be applied by the SGX-ST from time to time. As such, the new Bye-laws will not comply with Appendix 2.2 of the Listing Manual.

The Company had during its initial public offering on the SGX-ST amended its Bye-laws to comply with Rule 210(7)¹ of the Listing Manual. Accordingly, the Company is proposing the Proposed Adoption for the purpose of reflecting the limited requirements of the Listing Manual. As the proposed amendments to the existing Bye-laws are expected to be relatively extensive, the Directors recommend that the Company adopts the new Bye-laws set out in Appendix C of this Circular. For avoidance of doubt, the amendments to the Bye-laws set out in the Proposed Adoption will continue to comply with the requirements under the Appendices 3 and 13A of the HK Listing Rules pertaining to bye-laws of companies incorporated in Bermuda and with a primary listing on the SEHK.

Note 1: The text of Rule 210(7) reads: “An issuer must ensure that its Articles of Association or constituent documents meet the requirements in Appendix 2.2”.

5.2 Summary of the Proposed Adoption

As the new Bye-laws will be substantially different from the existing Bye-laws with no correlation in the numbering, division or headings of the existing Bye-laws, an article-to-article mark-up of the differences would not be practical. Instead, a summary of the material changes proposed to be adopted in the new Bye-laws is set out in Appendix B of this Circular. Other than the material changes highlighted in Appendix B, the amendments to the other provisions set out in the existing Bye-laws are editorial or not material in nature or are a simplification and/or clarification or drafting enhancements to the existing Bye-laws but which retain the essence of the existing Bye-laws, or are to conform to the current practices adopted by listed companies in Hong Kong. Appendix B also contains a comparison between the relevant new Bye-laws against their corresponding existing Bye-laws, showing the rationale and the implication on Shareholders with regards to the alterations made to the existing Bye-laws.

A narrative of the key material changes to the Bye-laws is set out in section 5.3 below.

The new Bye-laws are in compliance with Bermuda law, the HK Listing Rules and the conditions set out in the SGX-ST’s approval in-principle dated 7 March 2013.

LETTER FROM THE BOARD

Shareholders should note that Appendix B contains only a summary of the material differences between the existing Bye-laws and the new Bye-laws. Shareholders are advised to refer to the complete set of the Bye-laws set out in Appendix C to this Circular for full details.

5.3 Summary of Amendments to Bye-laws

The material amendments to the existing Bye-laws are set out in Appendix B. The following is a summary and rationale of the key proposed amendments to the Bye-laws:

(a) *Bye-law 12*

The existing Bye-law 12 relates to, *inter alia*, the requirement for approval by Shareholders in a general meeting to grant the Directors authority to issue Shares subject to the conditions set out in the existing Bye-law 12 as well as the pre-emptive right of Shareholders to be offered in proportion, as far as the circumstances admit, to the amount of the existing Shares to which they are entitled. The Company proposes to amend Bye-law 12 to streamline the process for the offer of Shares to reflect compliance only with the HK Listing Rules and Bermuda law.

(b) *Bye-law 33*

The existing Bye-law 33 relates to capital paid on shares in advance calls not being conferred a right to participate in profits. The Company proposes to amend Bye-law 33 to remove such restriction in compliance with only the HK Listing Rules and Bermuda law.

(c) *Bye-law 37*

The existing Bye-law 37 relates to the dealing of forfeited Shares. The Company proposes to amend the Bye-law to allow the Board to sell, re-allot or otherwise dispose of such forfeited Shares to any person in such manner as the Board determines, without having to pay the residue after the satisfaction of the unpaid calls to the person whose shares have been forfeited. The proposed amendment is proposed to reflect compliance with only the HK Listing Rules and Bermuda law.

(d) *Bye-law 48(5)*

The existing Bye-law 48(5) provides that there shall not be any restriction on the transfer of the fully paid Shares (except as provided by the Bye-laws, any relevant law or the rules of the Designated Stock Exchange). The Company proposes to delete the Bye-law such that the new Bye-laws only reflect the compliance only with the HK Listing Rules and Bermuda law.

LETTER FROM THE BOARD

(e) *Bye-law 55*

The existing Bye-law 55 relates to the convening of the annual general meeting of the Company. The Company is proposing to amend the Bye-law to remove the requirement for the interval between the close of the Company's financial year and the date of the annual general meeting to be no longer than 4 months. The Company will continue to conduct the annual general meeting of the Company in accordance with the requirements of the HK Listing Rules and Bermuda law.

(f) *Bye-law 58(2)*

The existing Bye-law 58(2) relates to, *inter alia*, the requirement for the Company to place a notice of any general meeting by advertisement in an English daily newspaper in Singapore and in writing to the SGX-ST. The Company will continue to make the announcement of any notice of general meeting on the website of the SGX-ST but has proposed to delete this Bye-law to reflect compliance with only the requirements of the HK Listing Rules and Bermuda law.

(g) *Bye-law 58(3)*

The existing Bye-law 58(3) relates to the notice of general meetings. The Company proposes to amend the Bye-law to reduce what needs to be contained in the notice. The notice of general meeting will still comply with the requirements of the HK Listing Rules and Bermuda law.

(h) *Bye-law 58(4)*

The existing Bye-law 58(4) authorises the secretary of the Company to postpone the general meeting. The Company proposes to delete this Bye-law as the existing Bye-law 58(4) is not normally included for companies listed on the SEHK and to comply with Bermuda law.

(i) *Bye-law 60(1)*

The existing Bye-law 60(1) relates to the participation by Shareholders in any general meeting by means of other communication facilities. The Company proposes to delete this Bye-law as the existing Bye-law 60(1) is not normally included for companies listed on the SEHK.

(j) *Bye-law 66*

The existing Bye-law 66 which relates to the voting by a show of hands is proposed to be amended to include that the result of a poll shall be deemed to be the resolution of the meeting, and that the Company shall only be required to disclose the voting figures of a poll if such disclosure is required by the HK Listing Rules. This proposed amendment is to reflect the latest amendment to the HK Listing Rules.

LETTER FROM THE BOARD

(k) *Bye-law 87*

The existing Bye-law 87 relates to the eligibility for election of a director. The process for the eligibility of a person to be elected as a director has been streamlined such that there will no longer be a requirement for, *inter alia*, a Shareholder to propose a person to be elected as director in writing 11 clear days before the meeting. The proposed amendment is to streamline the process for the election of directors to reflect the requirements of the HK Listing Rules.

(l) *Bye-law 89(1)*

The existing Bye-law 89(1) relates to the appointment of a managing director. The proposed amendment will remove the restriction that the appointment shall not exceed 5 years if such appointment is for a fixed term. The Company is proposing to delete this restriction as there is no such requirement under the HK Listing Rules.

(m) *Bye-law 97(2)*

The existing Bye-law 97(2) relates to the remuneration in the case of a non-executive director shall not be payable by commission on or a percentage of the profits or turnover, and that no director shall be remunerated by a commission on or a percentage of turnover. The Company proposes to delete this Bye-law as the existing Bye-law 97(2) is not normally included for companies listed on the SEHK.

(n) *Bye-law 145(1) – (2)*

The existing Bye-law 145(1) – (2) provides for the Shareholders to elect to receive scrip dividends. The proposed amendments in Bye-law 142 set out additional requirements on the mechanism of the issue of scrip dividends and provides Shareholders with a choice between cash and scrip dividends in compliance with the HK Listing Rules and Bermuda law.

(o) *Bye-law 167*

The existing Bye-law 167 relates to the disclosure by directors and Substantial Shareholders of their shareholding interest of the Company and any change of such interest. The above requirement is pursuant to the Securities and Futures Act, Chapter 289 (“SFA”) of Singapore. The existing Bye-law 167 is proposed to be deleted because the SFA will continue to apply to all directors and Shareholders of the Company notwithstanding the Company only has a secondary listing. In addition, as the SFA has extra-territorial powers, the existing Bye-law 167 need not be specifically set out in the Bye-laws of the Company.

5.4 Shareholders’ Approval

REPORTING REQUIREMENTS	
Chapter 13 of the HK Listing Rules (Continuing obligations) Part XVIA, Securities and Futures Ordinance	Chapter 7 of the Listing Manual (Continuing Obligations) Rule 703, Listing Manual: Disclosure of Material Information
<p>General obligation of disclosure</p> <p>Rule 13.05 to 13.09 of the HK Listing Rules</p> <p>Where SEHK becomes aware of a possible breach of the Part XIVA of the SFO (“Inside Information Provisions”), it will refer it to the SFC. SEHK will not itself take disciplinary action under the HK Listing Rules unless the SFC considers it not appropriate to pursue the matter under the SFO and SEHK considers action under the HK Listing Rules for a possible breach of the relevant rules appropriate.</p>	<p>(1) An issuer must announce any information known to the issuer concerning it or any of its subsidiaries or associated companies which:–</p> <p>(a) is necessary to avoid the establishment of a false market in the issuer’s securities; or</p> <p>(b) would be likely to materially affect the price or value of its securities.</p> <p>(2) Rule 703(1) does not apply to information which it would be a breach of law to disclose.</p> <p>(3) Rule 703(1) does not apply to particular information while each of the following conditions applies.</p>

HK Listing Rules Hong Kong Laws	Listing Manual and Singapore Laws
<p>SEHK has identified certain circumstances in Chapter 13 of the HK Listing Rules in which an issuer must disclose information to the public. However, these are not alternatives to, and do not in any way detract from, the statutory disclosure obligation found in the Inside Information Provisions. SEHK may require the issuer to make an announcement or halt trading in its listed securities where it considers it appropriate to preserve or ensure an orderly, informed and fair market. SEHK, in discharge of its duty under section 21 of the SFO, will monitor the market, make enquiries when it considers them appropriate or necessary, and may halt trading in an issuer's securities in accordance with the HK Listing Rules as required.</p> <p>An issuer and its directors must take all reasonable steps to maintain strict confidentiality of inside information until it is announced. An issuer must not divulge any information in such a way as to place in a privileged dealing position any person or class or category of persons. It must not release any information in such a way that SEHK transactions may be entered into at prices which do not reflect the latest available information. An issuer and its directors must seek to ensure that dealings do not take place between parties one of whom does not have inside information which the other possesses.</p>	<p>Condition 1: a reasonable person would not expect the information to be disclosed;</p> <p>Condition 2: the information is confidential;</p> <p>and</p> <p>Condition 3: one or more of the following applies:</p> <ul style="list-style-type: none"> (i) the information concerns an incomplete proposal or negotiation; (ii) the information comprises matters of supposition or is insufficiently definite to warrant disclosure; (iii) the information is generated for the internal management purposes of the entity; (iv) the information is a trade secret.

HK Listing Rules Hong Kong Laws	Listing Manual and Singapore Laws
<p>To maintain high standards of disclosure, SEHK may require an issuer to announce further information, and impose additional requirements on it, where SEHK considers that circumstances so justify. However, SEHK will allow the issuer to make representations before imposing any requirements on it which are not imposed on listed issuers generally. The issuer must comply with the additional requirements failing which SEHK may itself publish the information available to it. Conversely, SEHK may waive, modify or not require compliance with any specific obligations in Chapter 13 of the HK Listing Rules in a particular case, but may require the issuer to enter into an agreement or undertaking as a condition of any dispensation.</p> <p>Without prejudice to Rule 13.10, where in the view of SEHK there is or there is likely to be a false market in an issuer's securities, the issuer must, as soon as reasonably practicable after consultation with SEHK, announce the information necessary to avoid a false market in its securities. This obligation exists whether or not SEHK makes enquiries under Rule 13.10. If an issuer believes that there is likely to be a false market in its listed securities, it must contact SEHK as soon as reasonably practicable.</p> <p>Where an issuer is required to disclose inside information under the Inside Information Provisions, it must also simultaneously announce the information. Also, an issuer must simultaneously copy to SEHK any application to the SFC for a waiver from disclosure under the Inside Information Provisions, and promptly upon being notified on the SFC's decision copy SEHK with the SFC's decision.</p>	<p>(4) In complying with the SGX-ST's disclosure requirements, an issuer must:</p> <ul style="list-style-type: none"> (a) observe the Corporate Disclosure Policy set out in Appendix 7.1 of the SGX-ST Listing Manual, and (b) ensure that its directors and executive officers are familiar with the SGX-ST's disclosure requirements and Corporate Disclosure Policy. <p>(5) The SGX-ST will not waive any requirements under this Rule.</p>

HK Listing Rules Hong Kong Laws	Listing Manual and Singapore Laws
<p>Part XIVA of the SFO</p> <p>On 1 January 2013, amendments to the SFO came into effect to provide for a new Part XIVA under the SFO giving statutory backing to one of the most important principles in the HK Listing Rules. The provisions under Part XIVA impose a general obligation of disclosure of price sensitive, or “inside” information by listed corporations.</p> <p>Section 307A(1) of the SFO states that “inside information”, in relation to a listed corporation, means specific information that is about:</p> <ol style="list-style-type: none"> (1) the corporation; (2) a shareholder or officer of the corporation; or (3) the listed securities of the corporation or their derivatives; and <p>is not generally known to the persons who are accustomed or would be likely to deal in the listed securities of the corporation but would if generally known to them be likely to materially affect the price of the listed securities.</p>	

HK Listing Rules Hong Kong Laws	Listing Manual and Singapore Laws
<p>The statutory requirements to disclose inside information are central to the orderly operation and integrity of the market and underpin the maintenance of a fair and informed market. To comply with the obligations, listed corporations should consider their own circumstances when deciding whether any inside information arises and how it should be disclosed properly to the public. Disclosure should be made in a manner that provides for equal, timely and effective access by the public to the information disclosed.</p> <p>To strike an appropriate balance between encouraging timely disclosure of inside information and preventing premature disclosure which might prejudice a listed corporation's legitimate interests, the SFO provides for appropriate "Safe Harbours" as set out below to permit a listed corporation to withhold the disclosure of inside information in specified circumstances:</p> <ol style="list-style-type: none"> <li data-bbox="204 1242 786 1315">(1) disclosure is not required if and so long as it is prohibited under law or court order; <li data-bbox="204 1357 786 1730">(2) disclosure is not required if and so long as ALL of the following conditions apply: <ol style="list-style-type: none"> <li data-bbox="284 1470 786 1613">(i) reasonable precautions have been taken by the listed issuer to preserve confidentiality of the information; <li data-bbox="284 1655 786 1730">(ii) confidentiality of the information is preserved; and

The SFC is empowered to institute disclosure proceedings directly in the Market Misconduct Tribunal (“MMT”) if it appears to the SFC that a breach of a disclosure requirement has or may have taken place. A listed issuer and any officer that are judged to be in breach of a disclosure requirement by the MMT would be subject to civil sanction(s).</p>

DIRECTORS' OBLIGATIONS ON SECURITIES TRANSACTIONS AND INTERESTS IN SHARES	
<p>Model Code for Securities Transactions by Directors of Listed Issuers</p> <p>Appendix 10 of the HK Listing Rules (the “Model Code”) sets a required standard against which directors must measure their conduct regarding transactions in securities of their listed issuers. Any breach of such required standard will be regarded as a breach of the HK Listing Rules. A director must seek to secure that all dealings in which he is or is deemed to be interested be conducted in accordance with the Model Code.</p> <p>Basic Principles</p> <ol style="list-style-type: none"> The Model Code sets a required standard against which directors must measure their conduct regarding transactions in securities of their listed issuers. Any breach of such required standard will be regarded as a breach of the HK Listing Rules. A director must seek to secure that all dealings in which he is or is deemed to be interested be conducted in accordance with the Model Code. A listed issuer may adopt its own code on terms no less exacting than those set out in the Model Code if it so wishes. Any breach of such code will not be a breach of the HK Listing Rules unless it is also a breach of the required standard contained in the Model Code. The SEHK regards it as highly desirable that directors of a listed issuer should hold securities in the listed issuer. 	<p>Directors</p> <p>Under Section 164(1) of the Act (Cap 50), a company shall keep a register showing with respect to each director of the company particulars of:</p> <ol style="list-style-type: none"> shares in that company or in a related corporation, being shares of which the director is a registered holder or in which he has an interest and the nature and extent of that interest; debentures of or participatory interests made available by the company or a related corporation which are held by the director or in which he has an interest and the nature and extent of that interest; rights or options of the director or of the director and another person or other persons in respect of the acquisition or disposal of shares in the company or a related corporation; and contracts to which the director or under which he is entitled to a benefit, being contracts under which a person has a right to call for or to make delivery of shares in the company or in a related corporation; <p>of the company or a related company.</p>

<p>4. Directors wishing to deal in any securities in a listed issuer must first have regard to the provisions of Parts XIII and XIV of the Securities and Futures Ordinance with respect to insider dealing and market misconduct.</p> <p>5. The single most important thrust of the Model Code is that directors who are aware of or privy to any negotiations or agreements related to intended acquisitions or disposals which are notifiable transactions or connected transactions under HK Listing Rules or any inside information must refrain from dealing in the issuer's securities as soon as they become aware of them or privy to them until the information has been announced. Directors who are privy to relevant negotiations or agreements or any inside information should caution those directors who are not so privy that there may be inside information and that they must not deal in the issuer's securities for a similar period.</p> <p>6. In addition, a director must not make any unauthorised disclosure of confidential information, whether to co-trustees or to any other person or make any use of such information for the advantage of himself or others.</p>	<p>A director of a company shall be deemed to hold or have an interest or a right in or over any shares or debentures if the spouse or infant child of the director holds or has an interest or a right in or over any shares or debentures or makes or is granted any contract, assignment or right of subscription. (Section 164(15))</p> <p>Under Section 165(1) of the Act, a director of a company shall give notice in writing to the company of such particulars relating to shares, debentures, participatory interests, rights, options and contracts as are necessary for the purposes of compliance by the first mentioned company with Section 164, among other disclosure requirements.</p>

Subject to the Act and without prejudice to Bye-law 8, all or any of the special rights for the time being attached to the shares or any class of shares may, unless otherwise provided by the terms of issue of the shares of that class, from time to time (whether or not the Company is being wound up) be varied, modified or abrogated either with the consent in writing of the holders of not less than three-fourths of the issued shares of that class or with the sanction of a special resolution passed at a separate general meeting of the holders of the shares of that class. To every such separate general meeting all the provisions of these Bye-laws relating to general meetings of the Company shall, *mutatis mutandis*, apply, but so that:
 - (a) the necessary quorum (other than at an adjourned meeting) shall be two persons (or in the case of a Member being a corporation, its duly authorised representative) holding or representing by proxy not less than one-third in nominal value of the issued shares of that class and at any adjourned meeting of such holders, two holders present in person or (in the case of a Member being a corporation) its duly authorised representative or by proxy (whatever the number of shares held by them) shall be a quorum; and
 - (b) every holder of shares of the class shall be entitled to one vote for every such share held by him.
11. The special rights conferred upon the holders of any shares or class of shares shall not, unless otherwise expressly provided in the rights attaching to or the terms of issue of such shares, be deemed to be varied, modified or abrogated by the creation or issue of further shares ranking *pari passu* therewith.

SHARES

12. (1) Subject to the Act, these Bye-laws, any direction that may be given by the Company in general meeting and, where applicable, the rules of any Designated Stock Exchange and without prejudice to any special rights or restrictions for the time being attached to any shares or any class of shares, the unissued shares of the Company (whether forming part of the original or any increased capital) shall be at the disposal of the Board, which may offer, allot, grant options over or otherwise dispose of them to such persons, at such times and for such consideration and upon such terms and conditions as the Board may in its absolute discretion determine but so that no shares shall be issued at a discount. Neither the Company nor the Board shall be obliged, when making or granting any allotment of, offer of, option over or disposal of shares, to make, or make available, any such offer, option or shares to Members or others with registered addresses in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable. Members affected as a result of the foregoing sentence shall not be, or be deemed to be, a separate class of members for any purpose whatsoever.
- (2) The Board may issue warrants conferring the right upon the holders thereof to subscribe for any class of shares or securities in the capital of the Company on such terms as it may from time to time determine.
13. The Company may in connection with the issue of any shares exercise all powers of paying commission and brokerage conferred or permitted by the Act. Subject to the Act, the commission may be satisfied by the payment of cash or by the allotment of fully or partly paid shares or partly in one and partly in the other.
14. Except as required by law, no person shall be recognised by the Company as holding any share upon any trust and the Company shall not be bound by or required in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any fractional part of a share or (except only as otherwise provided by these Bye-laws or by law) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.
15. Subject to the Act and these Bye-laws, the Board may at any time after the allotment of shares but before any person has been entered in the Register as the holder, recognise a renunciation thereof by the allottee in favour of some other person and may accord to any allottee of a share a right to effect such renunciation upon and subject to such terms and conditions as the Board considers fit to impose.

SHARE CERTIFICATES

16. Every share certificate shall be issued under the Seal or a facsimile thereof or with the Seal printed thereon and shall specify the number and class and distinguishing numbers (if any) of the shares to which it relates, and the amount paid up thereon and may otherwise be in such form as the Directors may from time to time determine. No certificate shall be issued and representing shares of more than one class. The Board may by resolution determine, either generally or in any particular case or cases, that any signatures on any such certificates (or certificates in respect of other securities) need not be autographic but may be affixed to such certificates by some mechanical means or may be printed thereon or that such certificates need not be signed by any person.
17.
 - (1) In the case of a share held jointly by several persons, the Company shall not be bound to issue more than one certificate therefor and delivery of a certificate to one of several joint holders shall be sufficient delivery to all such holders.
 - (2) Where a share stands in the names of two or more persons, the person first named in the Register shall as regards service of notices and, subject to the provisions of these Bye-laws, all or any other matters connected with the Company, except the transfer of the shares, be deemed the sole holder thereof.
18. Every person whose name is entered, upon an allotment of shares, as a Member in the Register shall be entitled, without payment, to receive one certificate for all such shares of any one class or several certificates each for one or more of such shares of such class upon payment for every certificate after the first of such reasonable out-of-pocket expenses as the Board from time to time determines.
19. Share certificates shall be issued within the relevant time limit as prescribed in the Act or as the Designated Stock Exchange may from time to time determine, whichever is the shorter, after allotment or, except in the case of a transfer which the Company is for the time being entitled to refuse to register and does not register, after lodgment of a transfer with the Company.
20.
 - (1) Upon every transfer of shares the certificate held by the transferor shall be given up to be cancelled, and shall forthwith be cancelled accordingly, and a new certificate shall be issued to the transferee in respect of the shares transferred to him at such fee as is provided in paragraph (2) of this Bye-law. If any of the shares included in the certificate so given up shall be retained by the transferor a new certificate for the balance shall be issued to him at the aforesaid fee payable by the transferor to the Company in respect thereof.
 - (2) The fee referred to in paragraph (1) above shall be an amount not exceeding the relevant maximum amount as the Designated Stock Exchange may from time to time determine provided that the Board may at any time determine a lower amount for such fee.

21. If a share certificate shall be damaged or defaced or alleged to have been lost, stolen or destroyed a new certificate representing the same shares may be issued to the relevant Member upon request and on payment of such fee as the Designated Stock Exchange may determine to be the maximum fee payable or such lesser sum as the Board may determine and, subject to compliance with such terms (if any) as to evidence and indemnity and to payment of the costs and reasonable out-of-pocket expenses of the Company in investigating such evidence and preparing such indemnity as the Board may think fit and, in case of damage or defacement, on delivery of the old certificate to the Company provided always that where share warrants have been issued, no new share warrant shall be issued to replace one that has been lost unless the Directors are satisfied beyond reasonable doubt that the original has been destroyed.

LIEN

22. The Company shall have a first and paramount lien on every share (not being a fully paid share) for all moneys (whether presently payable or not) called or payable at a fixed time in respect of that share. The Company shall also have a first and paramount lien on every share (not being a fully paid share) registered in the name of a Member (whether or not jointly with other Members) for all amounts of money presently payable by such Member or his estate to the Company whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person other than such member, and whether the period for the payment or discharge of the same shall have actually arrived or not, and notwithstanding that the same are joint debts or liabilities of such Member or his estate and any other person, whether a Member or not. The Company's lien on a share shall extend to all dividends or other moneys payable thereon or in respect thereof. The Board may at any time, generally or in any particular case, waive any lien that has arisen or declare any share exempt in whole or in part, from the provisions of this Bye-law.
23. Subject to these Bye-laws, the Company may sell in such manner as the Board determines any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable, or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged nor until the expiration of fourteen (14) clear days after a notice in writing, stating and demanding payment of the sum presently payable, or specifying the liability or engagement and demanding fulfilment or discharge thereof and giving notice of the intention to sell in default, has been served on the registered holder for the time being of the share or the person entitled thereto by reason of his death or bankruptcy.
24. The net proceeds of the sale shall be received by the Company and applied in or towards payment or discharge of the debt or liability in respect of which the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the share prior to the sale) be paid to the person entitled to the share at the time of the sale. To give effect to any such sale the Board may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares so transferred and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale.

CALLS ON SHARES

25. Subject to these Bye-laws and to the terms of allotment, the Board may from time to time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value of the shares or by way of premium), and each Member shall (subject to being given at least fourteen (14) clear days' Notice specifying the time and place of payment) pay to the Company as required by such notice the amount called on his shares. A call may be extended, postponed or revoked in whole or in part as the Board determines but no member shall be entitled to any such extension, postponement or revocation except as a matter of grace and favour.
26. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be made payable either in one lump sum or by instalments.
27. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made. The joint holders of a share shall be jointly and severally liable to pay all calls and instalments due in respect thereof or other moneys due in respect thereof.
28. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the amount unpaid from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board may determine, but the Board may in its absolute discretion waive payment of such interest wholly or in part.
29. No Member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another Member) at any general meeting either personally or by proxy, or be reckoned in a quorum, or exercise any other privilege as a Member until all calls or instalments due by him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.
30. On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Member sued is entered in the Register as the holder, or one of the holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book, and that notice of such call was duly given to the Member sued, in pursuance of these Bye-laws; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.
31. Any amount payable in respect of a share upon allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call duly made and payable on the date fixed for payment and if it is not paid the provisions of these Bye-laws shall apply as if that amount had become due and payable by virtue of a call duly made and notified.

32. On the issue of shares the Board may differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.
33. The Board may, if it thinks fit, receive from any Member willing to advance the same, and either in money or money's worth, all or any part of the moneys uncalled and unpaid or instalments payable upon any shares held by him and upon all or any of the moneys so advanced (until the same would, but for such advance, become presently payable) pay interest at such rate (if any) as the Board may decide. The Board may at any time repay the amount so advanced upon giving to such Member not less than one month's Notice of its intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced. Such payment in advance shall not entitle the holder of such share or shares to participate in respect thereof in a dividend subsequently declared.

FORFEITURE OF SHARES

34. (1) If a call remains unpaid after it has become due and payable the Board may give to the person from whom it is due not less than fourteen (14) clear days' Notice:
- (a) requiring payment of the amount unpaid together with any interest which may have accrued and which may still accrue up to the date of actual payment; and
 - (b) stating that if the Notice is not complied with the shares on which the call was made will be liable to be forfeited.
- (2) If the requirements of any such Notice are not complied with, any share in respect of which such Notice has been given may at any time thereafter, before payment of all calls and interest due in respect thereof has been made, be forfeited by a resolution of the Board to that effect, and such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share but not actually paid before the forfeiture.
35. When any share has been forfeited, notice of the forfeiture shall be served upon the person who was before forfeiture the holder of the share. No forfeiture shall be invalidated by any omission or neglect to give such Notice.
36. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references in these Bye-laws to forfeiture will include surrender.
37. Until cancelled in accordance with the requirements of the Act, a forfeited share shall be the property of the Company and may be sold, re allotted or otherwise disposed of to such person, upon such terms and in such manner as the Board determines, and at any time before a sale, re allotment or disposition the forfeiture may be annulled by the Board on such terms as the Board determines.

38. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares but nevertheless shall remain liable to pay the Company all moneys which at the date of forfeiture were presently payable by him to the Company in respect of the shares, with (if the Directors shall in their discretion so require) interest thereon from the date of forfeiture until payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board determines. The Board may enforce payment thereof if it thinks fit, and without any deduction or allowance for the value of the forfeited shares, at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares. For the purposes of this Bye-law any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.
39. A declaration by a Director or the Secretary that a share has been forfeited on a specified date shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration shall (subject to the execution of an instrument of transfer by the Company if necessary) constitute a good title to the share, and the person to whom the share is disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the consideration (if any), nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the forfeiture, sale or disposal of the share. When any share shall have been forfeited, notice of the declaration shall be given to the Member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.
40. Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any shares so forfeited shall have been sold, re allotted or otherwise disposed of, permit the shares forfeited to be bought back upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.
41. The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.
42. The provisions of these Bye-laws as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

REGISTER OF MEMBERS

43. (1) The Company shall keep in one or more books a Register and shall enter therein the following particulars, that is to say:
- (a) the name and address of each Member, the number and class of shares held by him and, in respect of any shares that are not fully paid, the amount paid or agreed to be considered as paid on such shares;
 - (b) the date on which each person was entered in the Register; and
 - (c) the date on which any person ceased to be a Member.
- (2) Subject to the Act, the Company may keep an overseas or local or other branch register of Members resident in any place, and the Board may make and vary such regulations as it determines in respect of the keeping of any such register and maintaining a Registration Office in connection therewith.
44. The Register and branch register of Members, as the case may be, shall be open to inspection between 10 a.m. and 12 noon during business hours by members of the public without charge at the Office or such other place at which the Register is kept in accordance with the Act. The Register including any overseas or local or other branch register of Members may, after notice has been given by advertisement in an appointed newspaper and where applicable, any other newspapers in accordance with the requirements of any Designated Stock Exchange or by any means in such manner as may be accepted by the Designated Stock Exchange to that effect, be closed at such times or for such periods not exceeding in the whole thirty (30) days in each year as the Board may determine and either generally or in respect of any class of shares.

RECORD DATES

45. Notwithstanding any other provision of these Bye-laws the Company or the Directors may fix any date as the record date for:
- (a) determining the Members entitled to receive any dividend, distribution, allotment or issue and such record date may be on, or at any time not more than thirty (30) days before or after, any date on which such dividend, distribution, allotment or issue is declared, paid or made;
 - (b) determining the Members entitled to receive notice of and to vote at any general meeting of the Company.

TRANSFER OF SHARES

46. Subject to these Bye-laws, any Member may transfer all or any of his shares in any manner permitted by and in accordance with the rules of the Designated Stock Exchange or by an instrument of transfer in the usual or common form or in a form prescribed by the Designated Stock Exchange or in any other form approved by the Board and may be under hand or, if the transferor or transferee is a clearing house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Board may approve from time to time.
47. The instrument of transfer shall be executed by or on behalf of the transferor and the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferee in any case which it thinks fit in its discretion to do so. Without prejudice to Bye-law 46, the Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Bye-laws shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.
48. (1) The Board may, in its absolute discretion, and without giving any reason therefor, refuse to register a transfer of any share (not being a fully paid up share) to a person of whom it does not approve, or any share issued under any share incentive scheme for employees upon which a restriction on transfer imposed thereby still subsists, and it may also, without prejudice to the foregoing generality, refuse to register a transfer of any share to more than four (4) joint holders or a transfer of any share (not being a fully paid up share) on which the Company has a lien.
- (2) No transfer shall be made to an infant or to a person of unsound mind or under other legal disability.
- (3) The Board in so far as permitted by any applicable law may, in its absolute discretion, at any time and from time to time transfer any share upon the Register to any branch register or any share on any branch register to the Register or any other branch register. In the event of any such transfer, the shareholder requesting such transfer shall bear the cost of effecting the transfer unless the Board otherwise determines.
- (4) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time determine, and which agreement the Board shall, without giving any reason therefor, be entitled in its absolute discretion to give or withhold), no shares upon the Register shall be transferred to any branch register nor shall shares on any branch register be transferred to the Register or any other branch register and all transfers and other documents of title shall be lodged for registration, and registered, in the case of any shares on a branch register, at the relevant Registration Office, and, in the case of any shares on the Register, at the Office or such other place in Bermuda at which the Register is kept in accordance with the Act.

49. Without limiting the generality of the last preceding Bye-law, the Board may decline to recognise any instrument of transfer unless:
- (a) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable or such lesser sum as the Board may from time to time require is paid to the Company in respect thereof;
 - (b) the instrument of transfer is in respect of only one class of share;
 - (c) the instrument of transfer is lodged at the Office or such other place in Bermuda at which the Register is kept in accordance with the Act or the Registration Office (as the case may be) accompanied by the relevant share certificate(s) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do); and
 - (d) if applicable, the instrument of transfer is duly and properly stamped.
50. If the Board refuses to register a transfer of any share, it shall, within two (2) months after the date on which the transfer was lodged with the Company, send to each of the transferor and transferee notice of the refusal.
51. The registration of transfers of shares or of any class of shares may, after notice has been given by advertisement in any newspapers in accordance with the requirements of any Designated Stock Exchange or by any means in such manner as may be accepted by the Designated Stock Exchange to that effect be suspended at such times and for such periods (not exceeding in the whole thirty (30) days in any year) as the Board may determine.

TRANSMISSION OF SHARES

52. If a Member dies, the survivor or survivors where the deceased was a joint holder, and his legal personal representatives where he was a sole or only surviving holder, will be the only persons recognised by the Company as having any title to his interest in the shares; but nothing in this Bye-law will release the estate of a deceased Member (whether sole or joint) from any liability in respect of any share which had been solely or jointly held by him.
53. Subject to Section 52 of the Act, any person becoming entitled to a share in consequence of the death or bankruptcy or winding up of a Member may, upon such evidence as to his title being produced as may be required by the Board, elect either to become the holder of the share or to have some person nominated by him registered as the transferee thereof. If he elects to become the holder he shall notify the Company in writing either at the Registration Office or Office, as the case may be, to that effect. If he elects to have another person registered he shall execute a transfer of the share in favour of that person. The provisions of these Bye-laws relating to the transfer and registration of transfers of shares shall apply to such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by such Member.

54. A person becoming entitled to a share by reason of the death or bankruptcy or winding up of a Member shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Bye-law 72(2) being met, such a person may vote at meetings.

UNTRACEABLE MEMBERS

55. (1) Without prejudice to the rights of the Company under paragraph (2) of this Bye-law, the Company may cease sending cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise the power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.
- (2) The Company shall have the power to sell, in such manner as the Board thinks fit, any shares of a Member who is untraceable, but no such sale shall be made unless:
- (a) all cheques or warrants in respect of dividends of the shares in question, being not less than three in total number, for any sum payable in cash to the holder of such shares in respect of them sent during the relevant period in the manner authorised by the Bye-laws have remained uncashed;
 - (b) so far as it is aware at the end of the relevant period, the Company has not at any time during the relevant period received any indication of the existence of the Member who is the holder of such shares or of a person entitled to such shares by death, bankruptcy or operation of law; and
 - (c) the Company, if so required by the rules governing the listing of shares on the Designated Stock Exchange, has given notice to, and caused advertisement in newspapers in accordance with the requirements of, the Designated Stock Exchange to be made of its intention to sell such shares in the manner required by the Designated Stock Exchange, and a period of three (3) months or such shorter period as may be allowed by the Designated Stock Exchange has elapsed since the date of such advertisement.

For the purpose of the foregoing, the “relevant period” means the period commencing twelve (12) years before the date of publication of the advertisement referred to in paragraph (c) of this Bye-law and ending at the expiry of the period referred to in that paragraph.

- (3) To give effect to any such sale the Board may authorise some person to transfer the said shares and an instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such net proceeds it shall become indebted to the former Member for an amount equal to such net proceeds. No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Bye-law shall be valid and effective notwithstanding that the Member holding the shares sold is dead, bankrupt or otherwise under any legal disability or incapacity.

GENERAL MEETINGS

56. An annual general meeting of the Company shall be held in each year other than the year in which its statutory meeting is convened at such time (within a period of not more than fifteen (15) months after the holding of the last preceding annual general meeting unless a longer period would not infringe the rules of the Designated Stock Exchange, if any) and place as may be determined by the Board.
57. Each general meeting, other than an annual general meeting, shall be called a special general meeting. General meetings may be held in any part of the world as may be determined by the Board.
58. The Board may whenever it thinks fit call special general meetings, and Members holding at the date of deposit of the requisition not less than one tenth of the paid up capital of the Company carrying the right of voting at general meetings of the Company shall at all times have the right, by written requisition to the Board or the Secretary of the Company, to require a special general meeting to be called by the Board for the transaction of any business specified in such requisition; and such meeting shall be held within two (2) months after the deposit of such requisition. If within twenty one (21) days of such deposit the Board fails to proceed to convene such meeting the requisitionists themselves may do so in accordance with the provisions of Section 74(3) of the Act.

NOTICE OF GENERAL MEETINGS

59. (1) An annual general meeting shall be called by Notice of not less than twenty-one (21) clear days and not less than twenty (20) clear business days and any special general meeting at which the passing of a special resolution is to be considered shall be called by Notice of not less than twenty one (21) clear days and not less than ten (10) clear business days. All other special general meetings may be called by Notice of not less than fourteen (14) clear days and not less than ten (10) clear business days but if permitted by the rules of the Designated Stock Exchange, a general meeting may be called by shorter notice if it is so agreed:
- (a) in the case of a meeting called as an annual general meeting, by all the Members entitled to attend and vote thereat; and
 - (b) in the case of any other meeting, by a majority in number of the Members having the right to attend and vote at the meeting, being a majority together holding not less than ninety-five per cent. (95%) in nominal value of the issued shares giving that right.
- (2) The Notice shall specify the time and place of the meeting and particulars of resolutions to be considered at the meeting and, in case of special business, the general nature of the business. The Notice convening an annual general meeting shall specify the meeting as such. Notice of every general meeting shall be given to all Members other than to such Members as, under the provisions of these Bye-laws or the terms of issue of the shares they hold, are not entitled to receive such notices from the Company, to all persons entitled to a share in consequence of the death or bankruptcy or winding up of a Member and to each of the Directors and the Auditors.
60. The accidental omission to give Notice of a meeting or (in cases where instruments of proxy are sent out with the Notice) to send such instrument of proxy to, or the non-receipt of such Notice or such instrument of proxy by, any person entitled to receive such Notice shall not invalidate any resolution passed or the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS

61. (1) All business shall be deemed special that is transacted at a special general meeting, and also all business that is transacted at an annual general meeting, with the exception of sanctioning dividends, the reading, considering and adopting of the accounts and balance sheet and the reports of the Directors and Auditors and other documents required to be annexed to the balance sheet, the election of Directors and appointment of Auditors and other officers in the place of those retiring, the fixing of the remuneration of the Auditors, and the voting of remuneration or extra remuneration to the Directors.

- (2) No business other than the appointment of a chairman of a meeting shall be transacted at any general meeting unless a quorum is present at the commencement of the business. Two (2) Members entitled to vote and present in person or (in the case of a Member being a corporation) by its duly authorised representative or by proxy shall form a quorum for all purposes.
62. If within thirty (30) minutes (or such longer time not exceeding one hour as the chairman of the meeting may determine to wait) after the time appointed for the meeting a quorum is not present, the meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week at the same time and place or to such time and place as the Board may determine. If at such adjourned meeting a quorum is not present within half an hour from the time appointed for holding the meeting, the meeting shall be dissolved.
63. The president of the Company or the chairman, if one is appointed, shall preside as chairman at every general meeting. If at any meeting the president or the chairman, as the case may be, is not present within fifteen (15) minutes after the time appointed for holding the meeting, or if neither of them is willing to act as chairman, or if no such officer is appointed, the Directors present shall choose one of their number to act, or if one Director only is present he shall preside as chairman if willing to act. If no Director is present, or if each of the Directors present declines to take the chair, or if the chairman chosen shall retire from the chair, the Members present in person or (in the case of a Member being a corporation) by its duly authorised representative or by proxy and entitled to vote shall elect one of their number to be chairman.
64. The chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place as the meeting shall determine, but no business shall be transacted at any adjourned meeting other than the business which might lawfully have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen (14) days or more, at least seven (7) clear days' Notice of the adjourned meeting shall be given specifying the time and place of the adjourned meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting and the general nature of the business to be transacted. Save as aforesaid, it shall be unnecessary to give notice of an adjournment.
65. If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

VOTING

66. (1) Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Bye-laws, at any general meeting on a poll every Member present in person or by proxy or, in the case of a Member being a corporation, by its duly authorised representative shall have one vote for every fully paid share of which he is the holder but so that no amount paid up or credited as paid up on a share in advance of calls or instalments is treated for the foregoing purposes as paid up on the share. A resolution put to the vote of a meeting shall be decided by way of a poll save that the chairman of the meeting may in good faith, allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands in which case every Member present in person (or being a corporation, is present by a duly authorized representative), or by proxy(ies) shall have one vote provided that where more than one proxy is appointed by a Member which is a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands. For purposes of this Bye-law, procedural and administrative matters are those that (i) are not on the agenda of the general meeting or in any supplementary circular that may be issued by the Company to its Members; and (ii) relate to the chairman's duties to maintain the orderly conduct of the meeting and/or allow the business of the meeting to be properly and effectively dealt with, whilst allowing all Members a reasonable opportunity to express their views.
- (2) Where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded:
- (a) by at least three Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy for the time being entitled to vote at the meeting; or
 - (b) by a Member or Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy and representing not less than one-tenth of the total voting rights of all Members having the right to vote at the meeting; or
 - (c) by a Member or Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right.

A demand by a person as proxy for a Member or in the case of a Member being a corporation by its duly authorised representative shall be deemed to be the same as a demand by the Member.

67. Where a resolution is voted on by a show of hands, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the resolution. The result of the poll shall be deemed to be the resolution of the meeting. The Company shall only be required to disclose the voting figures on a poll if such disclosure is required by the rules of the Designated Stock Exchange.
68. On a poll votes may be given either personally or by proxy.
69. A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.
70. In the case of an equality of votes, the chairman of such meeting shall be entitled to a second or casting vote in addition to any other vote he may have.
71. Where there are joint holders of any share any one of such joint holder may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one of such joint holders be present at any meeting the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purposes of this Bye-law be deemed joint holders thereof.
72. (1) A Member who is a patient for any purpose relating to mental health or in respect of whom an order has been made by any court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, by his receiver, committee, *curator bonis* or other person in the nature of a receiver, committee or *curator bonis* appointed by such court, and such receiver, committee, *curator bonis* or other person may vote by proxy, and may otherwise act and be treated as if he were the registered holder of such shares for the purposes of general meetings, provided that such evidence as the Board may require of the authority of the person claiming to vote shall have been deposited at the Office, head office or Registration Office, as appropriate, not less than forty eight (48) hours before the time appointed for holding the meeting, or adjourned meeting, as the case may be.
- (2) Any person entitled under Bye-law 53 to be registered as the holder of any shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that forty-eight (48) hours at least before the time of the holding of the meeting or adjourned meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of his entitlement to such shares, or the Board shall have previously admitted his right to vote at such meeting in respect thereof.

73. (1) No Member shall, unless the Board otherwise determines, be entitled to attend and vote and to be reckoned in a quorum at any general meeting unless he is duly registered and all calls or other sums presently payable by him in respect of shares in the Company have been paid.
- (2) Where the Company has knowledge that any Member is, under the rules of the Designated Stock Exchange, required to abstain from voting on any particular resolution of the Company or restricted to voting only for or only against any particular resolution of the Company, any votes cast by or on behalf of such Member in contravention of such requirement or restriction shall not be counted.
74. If:
- (a) any objection shall be raised to the qualification of any voter; or
 - (b) any votes have been counted which ought not to have been counted or which might have been rejected; or
 - (c) any votes are not counted which ought to have been counted;

the objection or error shall not vitiate the decision of the meeting or adjourned meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be final and conclusive.

PROXIES

75. Any Member entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. A Member who is the holder of two or more shares may appoint more than one proxy to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Member. In addition, a proxy or proxies representing either a Member who is an individual or a Member which is a corporation shall be entitled to exercise the same powers on behalf of the Member which he or they represent as such Member could exercise.
76. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or, if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person authorised to sign the same. In the case of an instrument of proxy purporting to be signed on behalf of a corporation by an officer thereof it shall be assumed, unless the contrary appears, that such officer was duly authorised to sign such instrument of proxy on behalf of the corporation without further evidence of the fact.

77. The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority (if any) under which it is signed, or a certified copy of such power or authority, shall be delivered to such place or one of such places (if any) as may be specified for that purpose in or by way of note to or in any document accompanying the notice convening the meeting (or, if no place is so specified at the Registration Office or the Office, as may be appropriate) not less than forty-eight (48) hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote. No instrument appointing a proxy shall be valid after the expiration of twelve (12) months from the date named in it as the date of its execution, except at an adjourned meeting in cases where the meeting was originally held within twelve (12) months from such date. Delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting in person at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.
78. Instruments of proxy shall be in any common form or in such other form as the Board may approve (provided that this shall not preclude the use of the two-way form) and the Board may, if it thinks fit, send out with the notice of any meeting forms of instrument of proxy for use at the meeting. The instrument of proxy shall be deemed to confer authority to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates.
79. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the instrument of proxy or of the authority under which it was executed, provided that no intimation in writing of such death, insanity or revocation shall have been received by the Company at the Office or the Registration Office (or such other place as may be specified for the delivery of instruments of proxy in the notice convening the meeting or other document sent therewith) two (2) hours at least before the commencement of the meeting or adjourned meeting, at which the instrument of proxy is used.
80. Anything which under these Bye-laws a Member may do by proxy he may likewise do by his duly appointed attorney and the provisions of these Bye-laws relating to proxies and instruments appointing proxies shall apply *mutatis mutandis* in relation to any such attorney and the instrument under which such attorney is appointed.

CORPORATIONS ACTING BY REPRESENTATIVES

81. (1) Any corporation which is a Member may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or at any meeting of any class of Members. The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual Member and such corporation shall for the purposes of these Bye-laws be deemed to be present in person at any such meeting if a person so authorised is present thereat.

- (2) Where a Member is a clearing house (or its nominee(s) and, in each case, being a corporation), it may authorise such persons as it thinks fit to act as its representatives at any meeting of the Company or at any meeting of any class of Members provided that the authorisation shall specify the number and class of shares in respect of which each such representative is so authorised. Each person so authorised under the provisions of this Bye-law shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the clearing house (or its nominee(s)) as if such person was the registered holder of the shares of the Company held by the clearing house (or its nominee(s)) in respect of the number and class of shares specified in the relevant authorisation including, where a show of hands is allowed, the right to vote individually on a show of hands.
- (3) Any reference in these Bye-laws to a duly authorised representative of a Member being a corporation shall mean a representative authorised under the provisions of this Bye-law.

WRITTEN RESOLUTIONS OF MEMBERS

82. (1) Subject to the Act, a resolution in writing signed (in such manner as to indicate, expressly or impliedly, unconditional approval) by or on behalf of all persons for the time being entitled to receive notice of and to attend and vote at general meetings of the Company shall, for the purposes of these Bye-laws, be treated as a resolution duly passed at a general meeting of the Company and, where relevant, as a special resolution so passed. Any such resolution shall be deemed to have been passed at a meeting held on the date on which it was signed by the last Member to sign, and where the resolution states a date as being the date of his signature thereof by any Member the statement shall be prima facie evidence that it was signed by him on that date. Such a resolution may consist of several documents in the like form, each signed by one or more relevant Members.
- (2) Notwithstanding any provisions contained in these Bye-laws, a resolution in writing shall not be passed for the purpose of removing a Director before the expiration of his term of office under Bye-law 83(4) or for the purposes set out in Bye-law 152(3) relating to the removal and appointment of the Auditor.

BOARD OF DIRECTORS

83. (1) Unless otherwise determined by the Company in general meeting, the number of Directors shall not be less than two (2). There shall be no maximum number of Directors unless otherwise determined from time to time by the Members in general meeting. The Directors shall be elected or appointed in the first place at the statutory meeting of Members and thereafter at the annual general meeting in accordance with Bye-law 84 or at any special general meeting called for such purpose and who shall hold office for such term as the Members may determine or, in the absence of such determination, in accordance with Bye-law 84 or until their successors are elected or appointed or their office is otherwise vacated. Any general meeting may authorise the Board to fill any vacancy in their number left unfilled at a general meeting.
- (2) The Directors shall have the power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy on the Board or, subject to authorisation by the Members in general meeting, as an addition to the existing Board but so that the number of Directors so appointed shall not exceed any maximum number determined from time to time by the Members in general meeting. Any Director appointed by the Board to fill a casual vacancy shall hold office until the first general meeting of Members after his appointment and be subject to re-election at such meeting and any Director appointed by the Board as an addition to the existing Board shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election.
- (3) Neither a Director nor an alternate Director shall be required to hold any shares of the Company by way of qualification and a Director or alternate Director (as the case may be) who is not a Member shall be entitled to receive notice of and to attend and speak at any general meeting of the Company and of all classes of shares of the Company.
- (4) The Members may, at any general meeting convened and held in accordance with these Bye-laws, by ordinary resolution remove a Director at any time before the expiration of his period of office notwithstanding anything to the contrary in these Bye-laws or in any agreement between the Company and such Director (but without prejudice to any claim for damages under any such agreement) provided that the Notice of any such meeting convened for the purpose of removing a Director shall contain a statement of the intention so to do and be served on such Director fourteen (14) days before the meeting and at such meeting such Director shall be entitled to be heard on the motion for his removal.
- (5) A vacancy on the Board created by the removal of a Director under the provisions of subparagraph (4) above may be filled by the election or appointment by the Members at the meeting at which such Director is removed to hold office until the next appointment of Directors or until their successors are elected or appointed or, in the absence of such election or appointment such general meeting may authorise the Board to fill any vacancy in the number left unfilled.

- (6) The Company may from time to time in general meeting by ordinary resolution increase or reduce the number of Directors but so that the number of Directors shall never be less than two (2).

RETIREMENT OF DIRECTORS

84. (1) Notwithstanding any other provisions in the Bye-laws, at each annual general meeting one-third of the Directors for the time being (or, if their number is not a multiple of three (3), the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at least once every three years.
- (2) A retiring Director shall be eligible for re election and shall continue to act as a Director throughout the meeting at which he retires. The Directors to retire by rotation shall include (so far as necessary to ascertain the number of directors to retire by rotation) any Director who wishes to retire and not to offer himself for re-election. Any further Directors so to retire shall be those of the other Directors subject to retirement by rotation who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot. Any Director appointed pursuant to Bye-law 83(2) shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation.
85. No person other than a Director retiring at the meeting shall, unless recommended by the Directors for election, be eligible for election as a Director at any general meeting unless a Notice signed by a Member (other than the person to be proposed) duly qualified to attend and vote at the meeting for which such notice is given of his intention to propose such person for election and also a Notice signed by the person to be proposed of his willingness to be elected shall have been lodged at the head office or at the Registration Office provided that the minimum length of the period, during which such Notice(s) are given, shall be at least seven (7) days and that (if the Notices are submitted after the despatch of the notice of the general meeting appointed for such election) the period for lodgment of such Notice(s) shall commence on the day after the despatch of the notice of the general meeting appointed for such election and end no later than seven (7) days prior to the date of such general meeting.

DISQUALIFICATION OF DIRECTORS

86. The office of a Director shall be vacated if the Director:
- (1) resigns his office by notice in writing delivered to the Company at the Office or tendered at a meeting of the Board;
- (2) becomes of unsound mind or dies;

- (3) without special leave of absence from the Board, is absent from meetings of the Board for six consecutive months, and his alternate Director, if any, shall not during such period have attended in his stead and the Board resolves that his office be vacated;
- (4) becomes bankrupt or has a receiving order made against him or suspends payment or compounds with his creditors;
- (5) is prohibited by law from being a Director; or
- (6) ceases to be a Director by virtue of any provision of the Statutes or is removed from office pursuant to these Bye-laws.

EXECUTIVE DIRECTORS

87. The Board may from time to time appoint any one or more of its body to be a managing director, joint managing director or deputy managing director or to hold any other employment or executive office with the Company for such period (subject to their continuance as Directors) and upon such terms as the Board may determine and the Board may revoke or terminate any of such appointments. Any such revocation or termination as aforesaid shall be without prejudice to any claim for damages that such Director may have against the Company or the Company may have against such Director. A Director appointed to an office under this Bye-law shall be subject to the same provisions as to removal as the other Directors of the Company, and he shall (subject to the provisions of any contract between him and the Company) *ipso facto* and immediately cease to hold such office if he shall cease to hold the office of Director for any cause.
88. Notwithstanding Bye-laws 93, 94, 95 and 96, an executive director appointed to an office under Bye-law 87 hereof shall receive such remuneration (whether by way of salary, commission, participation in profits or otherwise or by all or any of those modes) and such other benefits (including pension and/or gratuity and/or other benefits on retirement) and allowances as the Board may from time to time determine, and either in addition to or in lieu of his remuneration as a Director.

ALTERNATE DIRECTORS

89. Any Director may at any time by Notice delivered to the Office or head office or at a meeting of the Directors appoint any person to be his alternate Director. Any person so appointed shall have all the rights and powers of the Director or Directors for whom such person is appointed in the alternative provided that such person shall not be counted more than once in determining whether or not a quorum is present. An alternate Director may be removed at any time by the person or body which appointed him and, subject thereto, the office of alternate Director shall continue until the happening of any event which, if he were a Director, would cause him to vacate such office or if his appointor ceases for any reason to be a Director. Any appointment or removal of an alternate Director shall be effected by Notice signed by the appointor and delivered to the Office or head office or tendered at a meeting of the Board. An alternate Director may also be a Director in his own right and may act as alternate to more than one Director. An alternate Director shall, if his appointor so requests, be entitled to receive notices of meetings of the Board or of committees of the Board to the same extent as, but in lieu of, the Director appointing him and shall be entitled to such extent to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to exercise and discharge all the functions, powers and duties of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these Bye-laws shall apply as if he were a Director save that as an alternate for more than one Director his voting rights shall be cumulative.
90. An alternate Director shall only be a Director for the purposes of the Act and shall only be subject to the provisions of the Act insofar as they relate to the duties and obligations of a Director when performing the functions of the Director for whom he is appointed in the alternative and shall alone be responsible to the Company for his acts and defaults and shall not be deemed to be the agent of or for the Director appointing him. An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified by the Company to the same extent *mutatis mutandis* as if he were a Director but he shall not be entitled to receive from the Company any fee in his capacity as an alternate Director except only such part, if any, of the remuneration otherwise payable to his appointor as such appointor may by Notice to the Company from time to time direct.
91. Every person acting as an alternate Director shall have one vote for each Director for whom he acts as alternate (in addition to his own vote if he is also a Director). If his appointor is for the time being absent from Hong Kong or otherwise not available or unable to act, the signature of an alternate Director to any resolution in writing of the Board or a committee of the Board of which his appointor is a member shall, unless the notice of his appointment provides to the contrary, be as effective as the signature of his appointor.

92. An alternate Director shall *ipso facto* cease to be an alternate Director if his appointor ceases for any reason to be a Director, however, such alternate Director or any other person may be re-appointed by the Directors to serve as an alternate Director PROVIDED always that, if at any meeting any Director retires but is re-elected at the same meeting, any appointment of such alternate Director pursuant to these Bye-laws which was in force immediately before his retirement shall remain in force as though he had not retired.

DIRECTORS' FEES AND EXPENSES

93. The ordinary remuneration of the Directors shall from time to time be determined by the Company in general meeting and shall (unless otherwise directed by the resolution by which it is voted) be divided amongst the Board in such proportions and in such manner as the Board may agree or, failing agreement, equally, except that any Director who shall hold office for part only of the period in respect of which such remuneration is payable shall be entitled only to rank in such division for a proportion of remuneration related to the period during which he has held office. Such remuneration shall be deemed to accrue from day to day.
94. Each Director shall be entitled to be repaid or prepaid all travelling, hotel and incidental expenses reasonably incurred or expected to be incurred by him in attending meetings of the Board or committees of the Board or general meetings or separate meetings of any class of shares or of debentures of the Company or otherwise in connection with the discharge of his duties as a Director.
95. Any Director who, by request, goes or resides abroad for any purpose of the Company or who performs services which in the opinion of the Board go beyond the ordinary duties of a Director may be paid such extra remuneration (whether by way of salary, commission, participation in profits or otherwise) as the Board may determine and such extra remuneration shall be in addition to or in substitution for any ordinary remuneration provided for by or pursuant to any other Bye-law.
96. The Board shall obtain the approval of the Company in general meeting before making any payment to any Director or past Director of the Company by way of compensation for loss of office, or as consideration for or in connection with his retirement from office (not being payment to which the Director is contractually entitled).

DIRECTORS' INTERESTS

97. A Director may:

- (a) hold any other office or place of profit with the Company (except that of Auditor) in conjunction with his office of Director for such period and, subject to the relevant provisions of the Act, upon such terms as the Board may determine. Any remuneration (whether by way of salary, commission, participation in profits or otherwise) paid to any Director in respect of any such other office or place of profit shall be in addition to any remuneration provided for by or pursuant to any other Bye-law;
- (b) act by himself or his firm in a professional capacity for the Company (otherwise than as Auditor) and he or his firm may be remunerated for professional services as if he were not a Director;

Subject as otherwise provided by these Bye-laws the Directors may exercise or cause to be exercised the voting powers conferred by the shares in any other company held or owned by the Company, or exercisable by them as directors of such other company in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them directors, managing directors, joint managing directors, deputy managing directors, executive directors, managers or other officers of such company) or voting or providing for the payment of remuneration to the director, managing director, joint managing director, deputy managing director, executive director, manager or other officers of such other company and any Director may vote in favour of the exercise of such voting rights in manner aforesaid notwithstanding that he may be, or about to be, appointed a director, managing director, joint managing director, deputy managing director, executive director, manager or other officer of such a company, and that as such he is or may become interested in the exercise of such voting rights in manner aforesaid.

98. Subject to the Act and to these Bye-laws, no Director or proposed or intending Director shall be disqualified by his office from contracting with the Company, either with regard to his tenure of any office or place of profit or as vendor, purchaser or in any other manner whatsoever, nor shall any such contract or any other contract or arrangement in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company or the Members for any remuneration, profit or other benefits realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established provided that such Director shall disclose the nature of his interest in any contract or arrangement in which he is interested in accordance with Bye-law 99 herein.
99. A Director who to his knowledge is in any way, whether directly or indirectly, interested in a contract or arrangement or proposed contract or arrangement with the Company shall declare the nature of his interest at the meeting of the Board at which the question of entering into the contract or arrangement is first considered, if he knows his interest then exists, or in any other case at the first meeting of the Board after he knows that he is or has become so interested. For the purposes of this Bye-law, a general Notice to the Board by a Director to the effect that:

 - (b) he is to be regarded as interested in any contract or arrangement which may after the date of the Notice be made with a specified person who is connected with him;
- shall be deemed to be a sufficient declaration of interest under this Bye-law in relation to any such contract or arrangement, provided that no such Notice shall be effective unless either it is given at a meeting of the Board or the Director takes reasonable steps to secure that it is brought up and read at the next Board meeting after it is given.
100. (1) A Director shall not vote (nor be counted in the quorum) on any resolution of the Board approving any contract or arrangement or any other proposal in which he or any of his associates is materially interested, but this prohibition shall not apply to any of the following matters namely:
- (i) any contract or arrangement for the giving to such Director or his associate(s) any security or indemnity in respect of money lent by him or any of his associate(s) or obligations incurred or undertaken by him or any of his associate(s) at the request of or for the benefit of the Company or any of its subsidiaries;

- (2) If any question shall arise at any meeting of the Board as to the materiality of the interest of a Director (other than the chairman of the meeting) or as to the entitlement of any Director (other than such chairman) to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question shall be referred to the chairman of the meeting and his ruling in relation to such other Director shall be final and conclusive except in a case where the nature or extent of the interest of the Director concerned as known to such Director has not been fairly disclosed to the Board. If any question as aforesaid shall arise in respect of the chairman of the meeting such question shall be decided by a resolution of the Board (for which purpose such chairman shall not vote thereon) and such resolution shall be final and conclusive except in a case where the nature or extent of the interest of such chairman as known to such chairman has not been fairly disclosed to the Board.

GENERAL POWERS OF THE DIRECTORS

101. (1) The business of the Company shall be managed and conducted by the Board, which may pay all expenses incurred in forming and registering the Company and may exercise all powers of the Company (whether relating to the management of the business of the Company or otherwise) which are not by the Statutes or by these Bye-laws required to be exercised by the Company in general meeting, subject nevertheless to the provisions of the Statutes and of these Bye-laws and to such regulations being not inconsistent with such provisions, as may be prescribed by the Company in general meeting, but no regulations made by the Company in general meeting shall invalidate any prior act of the Board which would have been valid if such regulations had not been made. The general powers given by this Bye-law shall not be limited or restricted by any special authority or power given to the Board by any other Bye-law.

- (2) Any person contracting or dealing with the Company in the ordinary course of business shall be entitled to rely on any written or oral contract or agreement or deed, document or instrument entered into or executed as the case may be by any two of the Directors acting jointly on behalf of the Company and the same shall be deemed to be validly entered into or executed by the Company as the case may be and shall, subject to any rule of law, be binding on the Company.
- (3) Without prejudice to the general powers conferred by these Bye-laws it is hereby expressly declared that the Board shall have the following powers:
- (a) to give to any person the right or option of requiring at a future date that an allotment shall be made to him of any share at par or at such premium as may be agreed;
 - (b) to give to any Directors, officers or servants of the Company an interest in any particular business or transaction or participation in the profits thereof or in the general profits of the Company either in addition to or in substitution for a salary or other remuneration; and
 - (c) to resolve that the Company be discontinued in Bermuda and continued in a named country or jurisdiction outside Bermuda subject to the provisions of the Act.
102. The Board may establish any regional or local boards or agencies for managing any of the affairs of the Company in any place, and may appoint any persons to be members of such local boards, or any managers or agents, and may fix their remuneration (either by way of salary or by commission or by conferring the right to participation in the profits of the Company or by a combination of two or more of these modes) and pay the working expenses of any staff employed by them upon the business of the Company. The Board may delegate to any regional or local board, manager or agent any of the powers, authorities and discretions vested in or exercisable by the Board (other than its powers to make calls and forfeit shares), with power to sub-delegate, and may authorise the members of any of them to fill any vacancies therein and to act notwithstanding vacancies. Any such appointment or delegation may be made upon such terms and subject to such conditions as the Board may think fit, and the Board may remove any person appointed as aforesaid, and may revoke or vary such delegation, but no person dealing in good faith and without notice of any such revocation or variation shall be affected thereby.

103. The Board may by power of attorney appoint under the Seal any company, firm or person or any fluctuating body of persons, whether nominated directly or indirectly by the Board, to be the attorney or attorneys of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Board under these Bye-laws) and for such period and subject to such conditions as it may think fit, and any such power of attorney may contain such provisions for the protection and convenience of persons dealing with any such attorney as the Board may think fit, and may also authorise any such attorney to sub delegate all or any of the powers, authorities and discretions vested in him. Such attorney or attorneys may, if so authorised under the Seal of the Company, execute any deed or instrument under their personal seal with the same effect as the affixation of the Seal.
104. The Board may entrust to and confer upon a managing director, joint managing director, deputy managing director, an executive director or any Director any of the powers exercisable by it upon such terms and conditions and with such restrictions as it thinks fit, and either collaterally with, or to the exclusion of, its own powers, and may from time to time revoke or vary all or any of such powers but no person dealing in good faith and without notice of such revocation or variation shall be affected thereby.
105. All cheques, promissory notes, drafts, bills of exchange and other instruments, whether negotiable or transferable or not, and all receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Board shall from time to time by resolution determine. The Company's banking accounts shall be kept with such banker or bankers as the Board shall from time to time determine.
106. (1) The Board may establish or concur or join with other companies (being subsidiary companies of the Company or companies with which it is associated in business) in establishing and making contributions out of the Company's moneys to any schemes or funds for providing pensions, sickness or compassionate allowances, life assurance or other benefits for employees (which expression as used in this and the following paragraph shall include any Director or ex Director who may hold or have held any executive office or any office of profit under the Company or any of its subsidiary companies) and ex-employees of the Company and their dependants or any class or classes of such person.
- (2) The Board may pay, enter into agreements to pay or make grants of revocable or irrevocable, and either subject or not subject to any terms or conditions, pensions or other benefits to employees and ex-employees and their dependants, or to any of such persons, including pensions or benefits additional to those, if any, to which such employees or ex-employees or their dependants are or may become entitled under any such scheme or fund as mentioned in the last preceding paragraph. Any such pension or benefit may, as the Board considers desirable, be granted to an employee either before and in anticipation of or upon or at any time after his actual retirement.

BORROWING POWERS

107. The Board may exercise all the powers of the Company to raise or borrow money and to mortgage or charge all or any part of the undertaking, property and assets (present and future) and uncalled capital of the Company and, subject to the Act, to issue debentures, bonds and other securities, whether outright or as collateral security for any debt, liability or obligation of the Company or of any third party.
108. Debentures, bonds and other securities may be made assignable free from any equities between the Company and the person to whom the same may be issued.
109. Any debentures, bonds or other securities may be issued at a discount (other than shares), premium or otherwise and with any special privileges as to redemption, surrender, drawings, allotment of shares, attending and voting at general meetings of the Company, appointment of Directors and otherwise.
110. (1) Where any uncalled capital of the Company is charged, all persons taking any subsequent charge thereon shall take the same subject to such prior charge, and shall not be entitled, by notice to the Members or otherwise, to obtain priority over such prior charge.
- (2) The Board shall cause a proper register to be kept, in accordance with the provisions of the Act, of all charges specifically affecting the property of the Company and of any series of debentures issued by the Company and shall duly comply with the requirements of the Act in regard to the registration of charges and debentures therein specified and otherwise.

PROCEEDINGS OF THE DIRECTORS

111. The Board may meet for the despatch of business, adjourn and otherwise regulate its meetings as it considers appropriate. Questions arising at any meeting shall be determined by a majority of votes. In the case of any equality of votes the chairman of the meeting shall have an additional or casting vote.
112. A meeting of the Board may be convened by the Secretary on request of a Director or by any Director. The Secretary shall convene a meeting of the Board whenever he shall be required so to do by any Director. Notice of a meeting of the Board shall be deemed to be duly given to a Director if it is given to such Director in writing or verbally (including in person or by telephone) or via electronic mail or in such other manner as the Board may from time to time determine.
113. (1) The quorum necessary for the transaction of the business of the Board may be fixed by the Board and, unless so fixed at any other number, shall be two (2). An alternate Director shall be counted in a quorum in the case of the absence of a Director for whom he is the alternate provided that he shall not be counted more than once for the purpose of determining whether or not a quorum is present.

- (2) Directors may participate in any meeting of the Board by means of a conference telephone, electronic or other communications equipment through which all persons participating in the meeting can communicate with each other simultaneously and instantaneously and, for the purpose of counting a quorum, such participation shall constitute presence at a meeting as if those participating were present in person.
- (3) Any Director who ceases to be a Director at a Board meeting may continue to be present and to act as a Director and be counted in the quorum until the termination of such Board meeting if no other Director objects and if otherwise a quorum of Directors would not be present.
114. The continuing Directors or a sole continuing Director may act notwithstanding any vacancy in the Board but, if and so long as the number of Directors is reduced below the minimum number fixed by or in accordance with these Bye-laws, the continuing Directors or Director, notwithstanding that the number of Directors is below the number fixed by or in accordance with these Bye-laws as the quorum or that there is only one continuing Director, may act for the purpose of filling vacancies in the Board or of summoning general meetings of the Company but not for any other purpose.
115. The Board may elect a chairman and one or more deputy chairman of its meetings and determine the period for which they are respectively to hold such office. If no chairman or deputy chairman is elected, or if at any meeting neither the chairman nor any deputy chairman is present within five (5) minutes after the time appointed for holding the same, the Directors present may choose one of their number to be chairman of the meeting.
116. A meeting of the Board at which a quorum is present shall be competent to exercise all the powers, authorities and discretions for the time being vested in or exercisable by the Board.
117. (1) The Board may delegate any of its powers, authorities and discretions to committees, consisting of such Director or Directors and other persons as it thinks fit, and they may, from time to time, revoke such delegation or revoke the appointment of and discharge any such committees either wholly or in part, and either as to persons or purposes. Any committee so formed shall, in the exercise of the powers, authorities and discretions so delegated, conform to any regulations which may be imposed on it by the Board.
- (2) All acts done by any such committee in conformity with such regulations, and in fulfilment of the purposes for which it was appointed, but not otherwise, shall have like force and effect as if done by the Board, and the Board shall have power, with the consent of the Company in general meeting, to remunerate the members of any such committee, and charge such remuneration to the current expenses of the Company.
118. The meetings and proceedings of any committee consisting of two or more members shall be governed by the provisions contained in these Bye-laws for regulating the meetings and proceedings of the Board so far as the same are applicable and are not superseded by any regulations imposed by the Board under the last preceding Bye-law.

119. A resolution in writing signed by all the Directors except such as are temporarily unable to act through ill-health or disability, and all the alternate Directors, if appropriate, whose appointors are temporarily unable to act as aforesaid shall be as valid and effectual as if a resolution had been passed at a meeting of the Board duly convened and held provided that such number is sufficient to constitute a quorum and that a copy of such resolution has been given or the contents thereof communicated to all the Directors for the time being entitled to receive notices of Board meetings in the same manner as notices of meetings are required to be given by these Bye-laws and further provided that no Director is aware of or has received any objection to the resolution from any Director. Such resolution may be contained in one document or in several documents in like form each signed by one or more of the Directors or alternate Directors and for this purpose a facsimile signature of a Director or an alternate Director shall be treated as valid. Notwithstanding the foregoing, a resolution in writing shall not be passed in lieu of a meeting of the Board for the purposes of considering any matter or business in which a substantial shareholder of the Company or a Director has a conflict of interest and the Board has determined that such conflict of interest to be material.
120. All acts bona fide done by the Board or by any committee or by any person acting as a Director or members of a committee, shall, notwithstanding that it is afterwards discovered that there was some defect in the appointment of any member of the Board or such committee or person acting as aforesaid or that they or any of them were disqualified or had vacated office, be as valid as if every such person had been duly appointed and was qualified and had continued to be a Director or member of such committee.

MANAGERS

121. The Board may from time to time appoint a general manager, a manager or managers of the Company and may fix his or their remuneration either by way of salary or commission or by conferring the right to participation in the profits of the Company or by a combination of two or more of these modes and pay the working expenses of any of the staff of the general manager, manager or managers who may be employed by him or them upon the business of the Company.
122. The appointment of such general manager, manager or managers may be for such period as the Board may decide, and the Board may confer upon him or them all or any of the powers of the Board as it may think fit.
123. The Board may enter into such agreement or agreements with any such general manager, manager or managers upon such terms and conditions in all respects as the Board may in their absolute discretion think fit, including a power for such general manager, manager or managers to appoint an assistant manager or managers or other employees whatsoever under them for the purpose of carrying on the business of the Company.

OFFICERS

124. (1) The officers of the Company shall consist of the Directors and Secretary and such additional officers (who may or may not be Directors) as the Board may from time to time determine, all of whom shall be deemed to be officers for the purposes of the Act and, subject to Bye-law 128(4), these Bye-laws.
- (2) The officers shall receive such remuneration as the Directors may from time to time determine.
- (3) Where the Company appoints and maintains a resident representative ordinarily resident in Bermuda in accordance with the Act, the resident representative shall comply with the provisions of the Act.
- (4) The Company shall provide the resident representative with such documents and information as the resident representative may require in order to be able to comply with the provisions of the Act.
- (5) The resident representative shall be entitled to have notice of, attend and be heard at all meetings of the Directors or of any committee of such Directors or general meetings of the Company.
125. (1) The Secretary and additional officers, if any, shall be appointed by the Board and shall hold office on such terms and for such period as the Board may determine. If thought fit, two (2) or more persons may be appointed as joint Secretaries. The Board may also appoint from time to time on such terms as it thinks fit one or more assistant or deputy Secretaries.
- (2) The Secretary shall attend all meetings of the Members and shall keep correct minutes of such meetings and enter the same in the proper books provided for the purpose. He shall perform such other duties as are prescribed by the Act or these Bye-laws or as may be prescribed by the Board.
126. The officers of the Company shall have such powers and perform such duties in the management, business and affairs of the Company as may be delegated to them by the Directors from time to time.
127. A provision of the Act or of these Bye-laws requiring or authorising a thing to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as or in place of the Secretary.

REGISTER OF DIRECTORS AND OFFICERS

128. (1) The Board shall cause to be kept in one or more books at the Office a Register of Directors and Officers and shall enter therein the following particulars with respect to each Director and Officer, that is to say:

- (2) The Board shall within a period of fourteen (14) days from the occurrence of:
- (a) any change among the Directors and Officers; or
 - (b) any change in the particulars contained in the Register of Directors and Officers,
- cause to be entered on the Register of Directors and Officers the particulars of such change.
- (3) The Register of Directors and Officers shall be open to inspection by members of the public without charge at the Office between 10:00 a.m. and 12:00 noon during business hours.
- (4) In this Bye-law “Officer” has the meaning ascribed to it in Section 92A(7) of the Act.

MINUTES

129. (1) The Board shall cause Minutes to be duly entered in books provided for the purpose:
- (a) of all elections and appointments of officers;
 - (b) of the names of the Directors present at each meeting of the Directors and of any committee of the Directors;
 - (c) of all resolutions and proceedings of each general meeting of the Members and meetings of the Board.
- (2) Minutes prepared in accordance with the Act and these Bye-laws shall be kept by the Secretary at the Office.

SEAL

130. (1) The Company shall have one or more Seals, as the Board may determine. For the purpose of sealing documents creating or evidencing securities issued by the Company, the Company may have a securities seal which is a facsimile of the Seal with the addition of the words “Securities Seal” on its face or in such other form as the Board may approve. The Board shall provide for the custody of each Seal and no Seal shall be used without the authority of the Board or of a committee of the Board authorised by the Board in that behalf. Subject as otherwise provided in these Bye-laws, any instrument to which a Seal is affixed shall be signed autographically by one Director and the Secretary or by two Directors or by such other person (including a Director) or persons as the Board may appoint, either generally or in any particular case, save that as regards any certificates for shares or debentures or other securities of the Company the Board may by resolution determine that such signatures or either of them shall be dispensed with or affixed by some method or system of mechanical signature. Every instrument executed in the manner provided by this Bye-law shall be deemed to be sealed and executed with the authority of the Board previously given.
- (2) Where the Company has a Seal for use abroad, the Board may by writing under the Seal appoint any agent or committee abroad to be the duly authorised agent of the Company for the purpose of affixing and using such Seal and the Board may impose restrictions on the use thereof as may be thought fit. Wherever in these Bye-laws reference is made to the Seal, the reference shall, when and so far as may be applicable, be deemed to include any such other Seal as aforesaid.

AUTHENTICATION OF DOCUMENTS

131. Any Director or the Secretary or any person appointed by the Board for the purpose may authenticate any documents affecting the constitution of the Company and any resolution passed by the Company or the Board or any committee, and any books, records, documents and accounts relating to the business of the Company, and to certify copies thereof or extracts therefrom as true copies or extracts, and if any books, records, documents or accounts are elsewhere than at the Office or the head office the local manager or other officer of the Company having the custody thereof shall be deemed to be a person so appointed by the Board. A document purporting to be a copy of a resolution, or an extract from the minutes of a meeting, of the Company or of the Board or any committee which is so certified shall be conclusive evidence in favour of all persons dealing with the Company upon the faith thereof that such resolution has been duly passed or, as the case may be, that such minutes or extract is a true and accurate record of proceedings at a duly constituted meeting.

DESTRUCTION OF DOCUMENTS

132. (1) The Company shall be entitled to destroy the following documents at the following times:
- (a) any share certificate which has been cancelled at any time after the expiry of one (1) year from the date of such cancellation;
 - (b) any dividend mandate or any variation or cancellation thereof or any notification of change of name or address at any time after the expiry of two (2) years from the date such mandate variation cancellation or notification was recorded by the Company;
 - (c) any instrument of transfer of shares which has been registered at any time after the expiry of seven (7) years from the date of registration;
 - (d) any allotment letters after the expiry of seven (7) years from the date of issue thereof; and
 - (e) copies of powers of attorney, grants of probate and letters of administration at any time after the expiry of seven (7) years after the account to which the relevant power of attorney, grant of probate or letters of administration related has been closed;

and it shall conclusively be presumed in favour of the Company that every entry in the Register purporting to be made on the basis of any such documents so destroyed was duly and properly made and every share certificate so destroyed was a valid certificate duly and properly cancelled and that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document destroyed hereunder was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company. Provided always that: (1) the foregoing provisions of this Bye-law shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim; (2) nothing contained in this Bye-law shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (1) above are not fulfilled; and (3) references in this Bye-law to the destruction of any document include references to its disposal in any manner.

- (2) Notwithstanding any provision contained in these Bye-laws, the Directors may, if permitted by applicable law, authorise the destruction of documents set out in subparagraphs (a) to (e) of paragraph (1) of this Bye-law and any other documents in relation to share registration which have been microfilmed or electronically stored by the Company or by the share registrar on its behalf provided always that this Bye-law shall apply only to the destruction of a document in good faith and without express notice to the Company and its share registrar that the preservation of such document was relevant to a claim.

DIVIDENDS AND OTHER PAYMENTS

133. Subject to the Act, the Company in general meeting may from time to time declare dividends in any currency to be paid to the Members but no dividend shall be declared in excess of the amount recommended by the Board. The Company in general meeting may also make a distribution to the Members out of any contributed surplus (as ascertained in accordance with the Act).
134. No dividend shall be paid or distribution made out of contributed surplus if to do so would render the Company unable to pay its liabilities as they become due or the realisable value of its assets would thereby become less than its liabilities.
135. Except in so far as the rights attaching to, or the terms of issue of, any share otherwise provide:
- (a) all dividends shall be declared and paid according to the amounts paid up on the shares in respect of which the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for the purposes of this Bye-law as paid up on the share; and
 - (b) all dividends shall be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid.
136. The Board may from time to time pay to the Members such interim dividends as appear to the Board to be justified by the profits of the Company and in particular (but without prejudice to the generality of the foregoing) if at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof deferred or non preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend and provided that the Board acts bona fide the Board shall not incur any responsibility to the holders of shares conferring any preference for any damage that they may suffer by reason of the payment of an interim dividend on any shares having deferred or non preferential rights and may also pay any fixed dividend which is payable on any shares of the Company half yearly or on any other dates, whenever such profits, in the opinion of the Board, justifies such payment.

137. The Board may deduct from any dividend or other moneys payable to a Member by the Company on or in respect of any shares all sums of money (if any) presently payable by him to the Company on account of calls or otherwise.
138. No dividend or other moneys payable by the Company on or in respect of any share shall bear interest against the Company.
139. Any dividend, interest or other sum payable in cash to the holder of shares may be paid by cheque or warrant sent through the post addressed to the holder at his registered address or, in the case of joint holders, addressed to the holder whose name stands first in the Register in respect of the shares at his address as appearing in the Register or addressed to such person and at such address as the holder or joint holders may in writing direct. Every such cheque or warrant shall, unless the holder or joint holders otherwise direct, be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the Register in respect of such shares, and shall be sent at his or their risk and payment of the cheque or warrant by the bank on which it is drawn shall constitute a good discharge to the Company notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Any one of two or more joint holders may give effectual receipts for any dividends or other moneys payable or property distributable in respect of the shares held by such joint holders.
140. All dividends or bonuses unclaimed for one (1) year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed. Any dividend or bonuses unclaimed after a period of six (6) years from the date of declaration shall be forfeited and shall revert to the Company. The payment by the Board of any unclaimed dividend or other sums payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.
141. Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared, the Board may further resolve that such dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of the Company or any other company, or in any one or more of such ways, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may issue certificates in respect of fractions of shares, disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend, and such appointment shall be effective and binding on the Members. The Board may resolve that no such assets shall be made available to Members with registered addresses in any particular territory or territories where, in the absence of a registration statement or other special formalities, such distribution

of assets would or might, in the opinion of the Board, be unlawful or impracticable and in such event the only entitlement of the Members aforesaid shall be to receive cash payments as aforesaid. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

142. (1) Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared on any class of the share capital of the Company, the Board may further resolve either:
- (a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the shareholders entitled thereto will be entitled to elect to receive such dividend (or part thereof if the Board so determines) in cash in lieu of such allotment. In such case, the following provisions shall apply:
 - (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("the non elected shares") and in satisfaction thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the non elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the non elected shares on such basis; or

- (b) that the shareholders entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:
 - (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised ("the elected shares") and in lieu thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the elected shares on such basis.

- (2) (a) The shares allotted pursuant to the provisions of paragraph (1) of this Bye-law shall rank *pari passu* in all respects with shares of the same class (if any) then in issue save only as regards participation in the relevant dividend or in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of sub paragraph (a) or (b) of paragraph (1) of this Bye-law in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (1) of this Bye-law shall rank for participation in such distribution, bonus or rights.

- (b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (1) of this Bye-law, with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board may authorise any person to enter into on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (3) The Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (1) of this Bye-law a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.
- (4) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (1) of this Bye-law shall not be made available or made to any shareholders with registered addresses in any territory where, in the absence of a registration statement or other special formalities, the circulation of an offer of such rights of election or the allotment of shares would or might, in the opinion of the Board, be unlawful or impracticable, and in such event the provisions aforesaid shall be read and construed subject to such determination. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.
- (5) Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Bye-law shall *mutatis mutandis* apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

RESERVES

143. Before recommending any dividend, the Board may set aside out of the profits of the Company such sums as it determines as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, also at such discretion, either be employed in the business of the Company or be invested in such investments as the Board may from time to time think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute.

CAPITALISATION

144. The Company may, upon the recommendation of the Board, at any time and from time to time pass an ordinary resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including the profit and loss account) whether or not the same is available for distribution and accordingly that such amount be set free for distribution among the Members or any class of Members who would be entitled thereto if it were distributed by way of dividend and in the same proportions, on the footing that the same is not paid in cash but is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members respectively or in paying up in full unissued shares, debentures or other obligations of the Company, to be allotted and distributed credited as fully paid up among such Members, or partly in one way and partly in the other, and the Board shall give effect to such resolution provided that, for the purposes of this Bye-law, a share premium account and any reserve or fund representing unrealised profits, may be applied only in paying up in full unissued shares of the Company to be allotted to such Members credited as fully paid. In carrying sums to reserve and in applying the same the Board shall comply with the provisions of the Act.
145. The Board may settle, as it considers appropriate, any difficulty arising in regard to any distribution under the last preceding Bye-law and in particular may issue certificates in respect of fractions of shares or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract necessary or desirable for giving effect thereto and such appointment shall be effective and binding upon the Members.

SUBSCRIPTION RIGHTS RESERVE

146. The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the Act:

- (1) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions of the conditions of the warrants, would reduce the subscription price to below the nominal value of a share, then the following provisions shall apply:
 - (a) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Bye-law) maintain in accordance with the provisions of this Bye-law a reserve (the "Subscription Rights Reserve") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub paragraph (c) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Rights Reserve in paying up such additional shares in full as and when the same are allotted;
 - (b) the Subscription Rights Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
 - (c) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:
 - (i) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and

- (ii) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par

and immediately upon such exercise so much of the sum standing to the credit of the Subscription Rights Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrantholders; and

- (d) if, upon the exercise of the subscription rights represented by any warrant, the amount standing to the credit of the Subscription Rights Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrantholder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment and allotment, the exercising warrantholder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrantholder upon the issue of such certificate.
- (2) Shares allotted pursuant to the provisions of this Bye-law shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (1) of this Bye-law, no fraction of any share shall be allotted on exercise of the subscription rights.
 - (3) The provision of this Bye-law as to the establishment and maintenance of the Subscription Rights Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating the provisions for the benefit of any warrantholder or class of warrantholders under this Bye-law without the sanction of a special resolution of such warrantholders or class of warrantholders.

- (4) A certificate or report by the auditors for the time being of the Company as to whether or not the Subscription Rights Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Rights Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Rights Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.

147. The Board shall cause true accounts to be kept of the sums of money received and expended by the Company, and the matters in respect of which such receipt and expenditure take place, and of the property, assets, credits and liabilities of the Company and of all other matters required by the Act or necessary to give a true and fair view of the Company's affairs and to explain its transactions.
