REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION TO THE SHAREHOLDERS OF Z-OBEE HOLDINGS LIMITED (PROVISIONAL LIQUIDATORS APPOINTED)

(Incorporated in Bermuda with limited liability)

We were engaged to review the interim financial information set out on pages 6 to 30, which comprise the consolidated statements of financial position of Z-Obee Holdings Limited (the “Company”), and its subsidiaries together (the “Group”) as at 30 September 2016, and the related consolidated statement of profit or loss, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and consolidated statement of cash flows for the period then ended, and other explanatory information.

The Main Board Listing Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited require the preparation of a report on interim financial information to be in compliance with the relevant provisions thereof and International Accounting Standard 34 “Interim Financial Reporting” (“IAS 34”). The directors of the Company are responsible for the preparation and presentation of this interim financial information in accordance with IAS 34. Our responsibility is to express a conclusion on this interim financial information based on our review. Our report is made solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Because of the matters described in the basis for disclaimer of conclusion paragraphs, however, we were not able to obtain sufficient appropriate evidence as a basis of expressing a conclusion on the interim financial information.

BASIS FOR DISCLAIMER OF CONCLUSION

Scope limitation due to incomplete books and record

Up to the date of this report, given the loss of some books and records and serious doubts over the reliability of the Group’s accounting and other records, the directors of the Company believes that, it is almost impossible, and not practicable, to ascertain the correct revenue and profit or loss and the resultant assets and liabilities for the current period as included in the consolidated financial statements of the Group. Also, due to loss of some books and records, the directors of the Company believes that it is almost impossible, and not practicable, to verify the financial information as reported in the consolidated financial statements of the Group for past years. In addition, during the course of our audit for previous years and period ended 30 September 2015, we were unable to satisfy ourselves that the internal control and documentation provided by the management for the purpose of our audit was accurate in all material respects. We have therefore unable to obtain sufficient evidence regarding the completeness, accuracy, existence, valuation, classification and disclosure of the transactions of the Group for the year ended 31 March 2016 and period ended 30 September 2015.

REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION TO SHAREHOLDERS

Given these circumstances, and as disclosed in note 2.1 to the unaudited consolidated financial statements, we were unable to satisfy ourselves that the information and explanations and documents presented to us for the purpose of our review are complete and accurate in all material respects, nor to quantify the extent of any adjustments that might be necessary in respect of the Group's financial information.

Any adjustments found to be necessary in respect thereof had we been able to obtain sufficient evidence would have had a consequential effect on the net assets of the Group as at 1 April 2016 and 30 September 2016 and of its profit for the current period and loss for the prior period, and the related disclosures thereof in the unaudited consolidated financial statements.

Non-compliance with IFRSs and omission of disclosures

As explained in note 2.1 to the unaudited consolidated financial statements, as the unaudited consolidated financial statements of the Group have been prepared by the directors based on incomplete books and records and the directors believe they are almost impossible and not practical to ascertain the correct amounts. Consequently, the directors of the Company were unable to represent that the unaudited consolidated financial statements comply with IFRSs, or that the disclosure requirements of the Rules Governing the Listing of Securities of The Stock Exchange of Hong Kong Limited have been complied with. Given these circumstances, which are more fully described in note 2.1, we were unable to quantify the extent of adjustments that might be necessary in respect of the Group's unaudited consolidated financial statements.

Material uncertainty related to going concern basis

In forming our conclusion, we have considered the adequacy of the disclosures made in note 2.1 to the unaudited consolidated financial statements which explains that a proposal for the resumption of trading in the Company's shares and the restructuring of the Group (the "Resumption Proposal") was submitted to The Stock Exchange of Hong Kong Limited on 19 July 2015. On 14 August 2015, the Company received a decision letter from the Listing Committee that the Resumption Proposal was considered not viable and the Company was placed in the third delisting stage under Practice Note 17 to the Listing Rules. On 24 August 2015, the Company requested for a review hearing of the Listing (Review) Committee for a ruling of the Listing Committee's decision.

The review hearing was held on 17 December 2015. On 29 December 2015, the Company received the decision letter of the Listing (Review) Committee advising that the Listing (Review) Committee decided to uphold the Listing Committee's decision. An announcement was made by the Stock Exchange on 6 January 2016 to place the Company into the third delisting stage with effect on the same day for a period of nine months. The Stock Exchange intends to cancel the listing of the Company after the nine-month period (i.e. 5 October 2016) if the Company does not provide a viable resumption proposal.

REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION TO SHAREHOLDERS

Accordingly, the Revised Proposal was subsequently submitted to the Stock Exchange on 7 September 2016. Nonetheless, similar to the case with the Resumption Proposal submitted by the Company on 19 July 2015, the Listing Division of the Stock Exchange notified the Company on 26 September 2016 that it considered the Revised Proposal not viable and recommended that the Listing Committee approves the cancellation of listing of the Shares on the Stock Exchange under Practice Note 17 to the Listing Rules.

Pursuant to a letter from the Stock Exchange dated 14 October 2016, the Listing Committee considered that although the Company has made certain progress in its mobile handset design and distribution business, the Revised Proposal still does not satisfactorily demonstrate that the Company will carry out a sufficient level of operations or have assets of sufficient value as required under Rule 13.24 of the Listing Rules to warrant a continued listing. The Listing Committee considered the Revised Proposal not viable and therefore decided to cancel the listing of the Shares on the Stock Exchange with effect from 9:00 am on 31 October 2016.

The Company submitted a formal request to the Stock Exchange on 25 October 2016 for a review of the Second Stage Ruling by the Listing (Review) Committee of the Stock Exchange and the review hearing has originally been scheduled on 13 December 2016 but has now been re-scheduled to 14 February 2017. Further announcement(s) will be made by the Company when there are material developments as appropriate.

The unaudited consolidated financial statements have been prepared on a going concern basis on the assumption that the proposed restructuring of the Company will be successfully completed, and that, following the restructuring, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future. The unaudited consolidated financial statements do not include any adjustments that would result from a failure to complete the restructuring. Should the going concern assumption be inappropriate, adjustments may have to be made to reflect the situation that assets may need to be realised at amounts other than those currently recorded in the statement of financial position. In addition, the Group may have to provide for further liabilities that might arise, and to reclassify non-current assets and non-current liabilities as current assets and current liabilities.

The above matters in basis for disclaimer of conclusion paragraphs caused us to disclaim our opinion on the consolidated financial statements in respect of the year ended 31 March 2016.

Disclaimer of conclusion

Because of the significance of the matters described in the basis for disclaimer of conclusion paragraphs, we were unable to obtain sufficient appropriate evidence to form a conclusion on the unaudited consolidated financial statements. Accordingly, we do not express a conclusion on the unaudited consolidated financial statements.

2.1 BASIS OF PREPARATION (continued)

Items included in the unaudited consolidated financial statements of each entity in the Group are measured using the currency of the primary economic environment in which the entity operates (the “functional currency”). These unaudited consolidated financial statements are presented in United States dollars (“US\$”), rounded to the nearest thousand except where otherwise indicated.

Going concern

As at 30 September 2016, the Group had net current liabilities of US\$12,135,712. In preparing these unaudited consolidated financial statements, the Directors of the Company have given careful consideration to the impact of the current and anticipated future liquidity of the Group and the Company and the ability of the Group and the Company to attain profit and positive cash flows from operations in the immediate and longer term.

Based on the cash flow projections of the Group and having taken into account the assumptions that the proposed restructuring of the Company as mentioned below will be successfully completed, the Directors have concluded that the Group and the Company are able to continue as a going concern and to meet their financial liabilities as and when they fall due in the foreseeable future.

Should the Group be unable to continue as a going concern, adjustments would have to be made to restate the values of assets to their recoverable amounts, to provide for any further liabilities which might arise and to classify non-current assets and liabilities as current assets and liabilities respectively. The effects of these potential adjustments have not been reflected in these unaudited consolidated financial statements.

NOTES TO THE FINANCIAL STATEMENTS

2.1 BASIS OF PREPARATION (continued)

Winding up petition and suspension of trading of the shares of the Company

On 4 April 2014, Australia and New Zealand Banking Group Limited (“ANZ”) presented winding-up petitions to the High Court of the Hong Kong Special Administrative Region (the “High Court”) for the winding-up of the Company and Max Sunny Limited (“Max Sunny”), a wholly-owned subsidiary of the Company. On the same day, summonses were filed with the High Court seeking the appointment of provisional liquidators to the Company and Max Sunny. The petitions and summonses were also supported by The Hongkong and Shanghai Banking Corporation Limited (“HSBC”). Following the presentation of the petitions, the Company and Max Sunny engaged in negotiations with ANZ, with the view to reaching a settlement in respect of the petitions and summonses.

On 2 May 2014, the Company, Max Sunny and ANZ agreed on principle terms of settlement. On 7 May 2014, a Deed of Settlement (“the Deed”) was entered into between ANZ, HSBC, the Company and Max Sunny in full and final settlement of the loans due to ANZ and HSBC. The Deed provided for an agreed amount to be paid to ANZ and HSBC in five instalments. Upon full compliance of the Deed by the Company and Max Sunny, ANZ would apply to the Court for the withdrawal or dismissal of the winding-up petitions.

The winding-up petitions were further adjourned to 2 July 2014 and the applications for the appointment of provisional liquidators were adjourned on terms that allowed ANZ to restore the applications on an urgent basis and without objection from the Company and Max Sunny in the event that the Company and Max Sunny failed to meet their obligations under the Deed.

On 6 June 2014, the Company and Max Sunny failed to pay the third instalment due in accordance with the Deed. On 16 June 2014, the applications for appointment of provisional liquidators were restored on an urgent basis and the High Court provided notices to the Company and Max Sunny that the applications would be heard on 27 June 2014.

At the hearing of 27 June 2014 the Court granted orders appointing Yat Kit Jong and Donald Edward Osborn as the Joint and Several Provisional Liquidators of the Company and Max Sunny (the “Provisional Liquidators”). Trading in the Shares on the Stock Exchange was suspended at 2:37 p.m. on 27 June 2014 at the request of the Company. Pursuant to the Court orders dated 2 June 2015, So Man Chun was appointed as an additional Joint and Several Provisional Liquidator of the Company and Max Sunny.

Since their appointment, the Provisional Liquidators have been investigating into the affairs of the Group and have taken all necessary actions to preserve the assets. The Provisional Liquidators have also gathered information relating to the status of the Group through meetings with various parties, including Ms Yang Jian Hui (the executive director and the Chief Financial Officer of the Group) and various former employees.

NOTES TO THE FINANCIAL STATEMENTS

2.1 BASIS OF PREPARATION (continued)

Proposed restructuring of the Group

Given the situation of the Group, the Provisional Liquidators with the assistance of Asian Capital (Corporate Finance) Limited which acted as the financial adviser to the Company, sought to identify potential investors with a view to restructuring the Company and submitting a viable resumption proposal to the Stock Exchange.

As announced by the Company on 24 July 2014, the Company received the a letter from the Stock Exchange, which stated that in view of the Court Order and the appointment of the Provisional Liquidators, the Stock Exchange considered that the Company might have serious financial difficulties. As the Company had not published the annual results for the year ended 31 March 2014, the Stock Exchange was unable to assess the performance and financial position of the Company. Further it was unclear as to the operating status of the Company and whether the Company still had sufficient level and assets and operations to fulfil the requirement under Rule 13.24 of the Listing Rules. The Stock Exchange therefore decided to place the Company in the first delisting stage under Practice Note 17 of the Listing Rules due to the Company's failure to comply with Rule 13.24 of the Listing Rules. The Company was required to submit a viable resumption proposal, which could, among others, demonstrate its compliance with Rule 13.24 of the Listing Rules, at least 10 business days before the expiry of the first delisting stage, i.e. 15 January 2015.

As no resumption proposal was submitted before the expiry date of the first delisting stage, the Company received a letter from the Stock Exchange dated 20 January 2015. In the letter, the Stock Exchange informed the Company that it had been placed in the second stage of delisting procedures commencing on 20 January 2015 pursuant to Practice Note 17 to the Listing Rules. The Company was required to submit a viable resumption proposal 10 business days before the second delisting stage expires i.e. on or before 3 July 2015, which should meet the following conditions:

1. demonstrate sufficient operations or assets to comply with Rule 13.24;
2. address auditors' qualifications and demonstrate adequate internal control system; and
3. withdraw and/or dismiss the winding-up petition against the Company and discharge the Provisional Liquidators.

NOTES TO THE FINANCIAL STATEMENTS

2.1 BASIS OF PREPARATION (continued)

Proposed restructuring of the Group (continued)

On 5 June 2015, the Company, the Provisional Liquidators and an investor entered into a framework agreement, which was subsequently amended and restated by an amendment and restatement framework agreement dated 5 October 2015, pursuant to which the parties agreed on the principal terms of a proposed restructuring of the Group with a view to resume trading in the Shares on the Stock Exchange. The framework agreement was approved by the Honorable Mr. Justice Harris of the High Court on 26 June 2015 and the amended and restated framework agreement was approved by the Honorable Mr. Justice Harris of the Hong Kong High Court on 6 November 2015.

With the sanction from the High Court, Perfect Major Investment Limited (“Perfect Major”) and HK Rich Technology International Company Limited (collectively the “SPVs”), wholly owned subsidiaries of the Company, were set up after the appointment of the Provisional Liquidators for the purpose of restructuring and continuation of the business of the Group. It is anticipated that the management team of the SPVs will run the business of the Group so as to fulfil the resumption requirements of the Stock Exchange.

The Resumption Proposal was prepared and submitted to the Stock Exchange on 19 July 2015. However, without raising any question or query on the Resumption proposal, the Listing Division of the Stock Exchange notified the Company on 31 July 2015 that it considered that the Resumption Proposal had not satisfactorily demonstrated sufficiency of operations or assets as required under Rule 13.24 of the Listing Rules and it would recommend the Listing Committee to place the Company in the third delisting stage.

Pursuant to a letter dated 14 August 2015 from the Stock Exchange, the Listing Committee considered that the Resumption Proposal was not viable and decided to place the Company in the third delisting stage under Practice Note 17 to the Listing Rules (the “Ruling”). In arriving at the above decision, the Listing Committee had considered that, among others, the business of the Company in the Resumption Proposal was insufficient to justify the Company’s continued listing.

NOTES TO THE FINANCIAL STATEMENTS

2.1 BASIS OF PREPARATION (continued)

Proposed restructuring of the Group (continued)

The Company disagrees with the Ruling and on 18 August 2015 formally requested the Listing Committee to provide detailed written reasons for the Ruling. On 24 August 2015, the Company also submitted a formal request to the Stock Exchange for a review of the Ruling by the Listing (Review) Committee of the Stock Exchange. The review hearing was held on 17 December 2015. On 29 December 2015, the Company received the decision letter of the Listing (Review) Committee, and they decided to uphold the Listing Committee's decision. An announcement was made by the Stock Exchange on 6 January 2016 to place the Company into the third delisting stage with effect on the same day for a period of nine months. The Stock Exchange intends to cancel the listing of the Company after the nine-month period (i.e. 5 October 2016) if the Company does not provide a viable resumption proposal.

Accordingly, a revised resumption proposal (the "Revised Proposal") was subsequently submitted to the Stock Exchange on 7 September 2016. The Revised Proposal was highlighted by the introduction of a potential strategic investor, 同方股份有限公司 (Tsinghua Tongfang Co., Ltd.*) ("Tongfang"), one of the top 100 information technology enterprises in the PRC. On 28 June 2016, the Company obtained a letter of intent (the "Letter of Intent") from Tongfang, pursuant to which, Tongfang will (i) invest an amount of HK\$3.0 million into Perfect Major, a subsidiary of the Company in consideration and exchange for a 20% equity interest in Perfect Major to establish a joint venture with the Company (the "Joint Venture"); and (ii) subscribe for not less than 5% of the Company's newly issued shares after the resumption of trading of the Company's shares on the Stock Exchange. The Provisional Liquidators of the Company have obtained the sanction from the High Court of Hong Kong on 26 August 2016 with respect to the establishment of the Joint Venture. A formal joint venture agreement in relation to part or all of the terms of the Letter of Intent will be entered into between the Group and Tongfang in due course. The Joint Venture is expected to distribute Tongfang's products to the Group's existing markets and customers. The Company is of the view that the establishment of the Joint Venture will drive business cooperation between the Group and Tongfang heading to a sound and stable long-term partnership where both parties will benefit from resource-sharing and complementing each other's strengths.

Nonetheless, similar to the case with the Resumption Proposal submitted by the Company on 19 July 2015, the Listing Division of the Stock Exchange notified the Company on 26 September 2016 that it considered the Revised Proposal not viable and recommended that the Listing Committee approves the cancellation of listing of the Shares on the Stock Exchange under Practice Note 17 to the Listing Rules.

NOTES TO THE FINANCIAL STATEMENTS

2.1 BASIS OF PREPARATION (continued)

Proposed restructuring of the Group (continued)

Pursuant to a letter from the Stock Exchange dated 14 October 2016, the Listing Committee considered that although the Company has made certain progress in its mobile handset design and distribution business, the Revised Proposal still does not satisfactorily demonstrate that the Company will carry out a sufficient level of operations or have assets of sufficient value as required under Rule 13.24 of the Listing Rules to warrant a continued listing. The Listing Committee considered the Revised Proposal not viable and therefore decided to cancel the listing of the Shares on the Stock Exchange with effect from 9:00 am on 31 October 2016 (the "Second Stage Ruling").

The Company submitted a formal request to the Stock Exchange on 25 October 2016 for a review of the Second Stage Ruling by the Listing (Review) Committee of the Stock Exchange and the review hearing has originally been scheduled on 13 December 2016 but has now been re-scheduled to 14 February 2017. Further announcement(s) will be made by the Company when there are material developments as appropriate.

As of the date of this report, the management has used its best effort, to the extent commercially practicable, to reconstruct the accounting records of the Group for the six months ended 30 September 2016 applying their best estimates and judgement based on the information of the Group that are available to the management. However, given the loss of some books and records and serious doubts over the reliability of the Group's accounting and other records (except the accounting and other records in relation to the business of SPVs, which were incorporated after the appointment of the Provisional Liquidators), the Board believes that, as at the date of the report, it is almost impossible, and not practical, to ascertain the correct revenue and profit or loss (and the resultant assets and liabilities) for the current period for inclusion in the unaudited consolidated financial statements of the group other than the revenue and profit or loss (and the resultant assets and liabilities) in relation to the business of SPVs. Also, due to loss of some books and records, the Board believes that it is almost impossible, and not practical, to verify the financial information as reported in the consolidated financial statements of the Group for past years.

Any adjustments arising from the matters described above would have a consequential significant effect on the net profit of the Group for the six months ended 30 September 2016 and the net assets of the Group as at 30 September 2016.

NOTES TO THE FINANCIAL STATEMENTS

2.1 BASIS OF PREPARATION (continued)

Proposed restructuring of the Group (continued)

Due to the limited information available and most of the former key accounting personnel of the Group have left without notice, the Directors were unable to obtain sufficient documentary information to satisfy themselves regarding the completeness of books and records and the treatment of various balances as included in the unaudited consolidated financial statements for the six months ended 30 September 2016 and have formed the conclusion as follows:

As the unaudited consolidated financial statements have been prepared based on the incomplete books and records available to the Company, the Directors of the Company are unable to represent that all transactions entered into by the Group for the six months ended 30 September 2016 have been properly reflected in the unaudited consolidated financial statements. In this connection, the Directors of the Company are also unable to represent as to the completeness, existence and accuracy of identification of the unaudited consolidated financial statements and the disclosures of the unaudited consolidated financial statements in accordance with IFRSs and the disclosure requirements of the Hong Kong Companies Ordinance and the Listing Rules.

2.2 APPLICATION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS

The IASB has issued a number of amendments to IFRSs that are first effective for the current accounting period of the group.

The following new standards and amendments are mandatory for the financial year beginning 1 April 2016 and have no significant impact on the results or financial position to the Group.

NOTES TO THE FINANCIAL STATEMENTS

3. SEGMENT REPORTING

The Group manages its businesses by divisions, which are organised by business lines. In a manner consistent with the way in which information is reported internally to the Group's executive directors, the chief operating decision maker, for the purposes of resources allocation and performance assessment, the Group has presented the following one reportable segment. No operating segments have been aggregated to form the following reportable segment.

Trading of mobile handsets

The trading of mobile segment derives its revenue primarily from the sale and distribution of mobile handsets.

(a) Segment results, assets and liabilities

For the purposes of assessing segment performance and allocating resources between segments, the Group's executive directors monitor the results, assets and liabilities attributable to each reportable segment on the following bases:

Segment assets include all tangible, intangible assets and current assets with the exception of interests in associates, financial assets through profit or loss and other corporate assets. Segment liabilities include provisions and trade and other payables attributable to the activities of the individual segment and borrowings managed directly by the segment.

Revenue and expenses are allocated to the reportable segments with reference to sales generated by the segment and the expenses incurred by the segment or which otherwise arise from the depreciation or amortisation of assets attributable to the segment.

The measure used for reporting segment profit is "adjusted EBITDA" i.e. "adjusted earnings before interest, taxes, depreciation and amortisation", where "interest" is regarded as including investment income and "depreciation and amortisation" is regarded as including impairment losses on non-current assets. To arrive at adjusted EBITDA the Group's earnings are further adjusted for items not specifically attributed to individual segments, such as share of profits less losses of associates, directors' remuneration and other head office or corporate administrative costs.

NOTES TO THE FINANCIAL STATEMENTS

3. SEGMENT REPORTING (continued)

(a) Segment results, assets and liabilities (continued)

In addition to receiving segment information concerning adjusted EBITDA, the executive directors are provided with segment information concerning revenue (including inter-segment sales), interest income and expense from cash balances and borrowings managed directly by the segments, depreciation, amortisation and impairment losses and additions to non-current segment assets used by the segment in their operations. Inter-segment sales are priced with reference to prices charged to external parties for similar orders.

BUSINESS AND FINANCIAL REVIEW

Winding up petition, appointment of the Provisional Liquidators and restructuring of the Group

On 4 April 2014, ANZ presented winding-up petitions to the High Court for the winding-up of the Company and Max Sunny. On the same day, summonses were filed with the High Court seeking the appointment of provisional liquidators to the Company and Max Sunny. The petitions and summonses were also supported by HSBC. Following the presentation of the petitions, the Company and Max Sunny engaged in negotiations with ANZ, with the view to reaching a settlement in respect of the petitions and summonses.

On 2 May 2014, the Company, Max Sunny and ANZ agreed on principle terms of settlement. On 7 May 2014, the Deed was entered into among ANZ, HSBC, the Company and Max Sunny in full and final settlement of the loans due to ANZ and HSBC. The Deed provided for an agreed amount to be paid to each of ANZ and HSBC in five instalments. Upon full compliance of the Deed by the Company and Max Sunny, ANZ would apply to the High Court for the withdrawal or dismissal of the winding-up petitions.

Accordingly, the winding-up petitions were further adjourned to 2 July 2014 and the applications for the appointment of provisional liquidators were adjourned on terms that allowed ANZ to restore the applications on an urgent basis and without objection from the Company and Max Sunny in the event that the Company and Max Sunny failed to meet their obligations under the Deed.

On 6 June 2014, the Company and Max Sunny failed to pay the third instalment due in accordance with the Deed. On 16 June 2014, the applications for appointment of provisional liquidators were restored on an urgent basis and the High Court provided notices to the Company and Max Sunny that the applications would be heard on 27 June 2014. At the hearing of 27 June 2014 the High Court handed down orders appointing Yat Kit Jong and Donald Edward Osborn as the Joint and Several Provisional Liquidators of the Company and Max Sunny. Accordingly, trading in the Shares on the Stock Exchange was suspended at 2:37 p.m. on 27 June 2014 at the request of the Company.

Pursuant to the court orders dated 2 June 2015, So Man Chun was appointed as an additional Joint and Several Provisional Liquidator of the Company and Max Sunny.

Since their appointment, the Provisional Liquidators have been investigating into the affairs of the Group and have taken all necessary actions to preserve the assets. The Provisional Liquidators have also gathered information relating to the status of the Group through meetings with various parties, including but not limited to Ms. Yang Jian Hui (the executive director and the Chief Financial Officer of the Group) and various former employees.

Furthermore, the Company and the Provisional Liquidators have entered into agreement with a view to restructure the business of the Group, details of which are set out below.

RESULTS FOR THE PERIOD ENDED 30 SEPTEMBER 2016

Revenue and gross profit

For the reporting period, the Group recorded turnover and gross profit of US\$9,540,944 (2015: US\$592,519) and US\$1,321,078 (2015: US\$102,563) respectively. Profit before tax for the reporting period attributable to owners of the Company was US\$364,931 (2015: loss attributable to owners of the Company was US\$612,507).

Total assets and liabilities

As of 30 September 2016, the total assets and total liabilities of the Group was US\$89,708,037 (31 March 2016: US\$90,717,493) and US\$88,920,025 (31 March 2016: US\$90,158,105) respectively.

Restructuring of the Group

Given the situation of the Group, the Provisional Liquidators, with the assistance of Asian Capital (Corporate Finance) Limited which acted as the financial adviser to the Company, sought to identify potential investors with a view to restructuring the Company and submitting a viable resumption proposal to the Stock Exchange.

As announced by the Company on 24 July 2014, the Company received a letter from the Stock Exchange, which stated that in view of the Court Order and the appointment of the Provisional Liquidators, the Stock Exchange considered that the Company might have serious financial difficulties. As the Company had not published the annual results for the year ended 31 March 2014, the Stock Exchange was unable to assess the performance and financial position of the Company. Further, it was unclear as to the operating status of the Company and whether the Company still had sufficient level of assets and operations to fulfil the requirement under Rule 13.24 of the Listing Rules. The Stock Exchange therefore decided to place the Company in the first delisting stage under Practice Note 17 of the Listing Rules due to the Company's failure to comply with Rule 13.24 of the Listing Rules. The Company was required to submit a viable resumption proposal, which could, among others, demonstrate its compliance with Rule 13.24 of the Listing Rules, at least 10 business days before the expiry of the first delisting stage, i.e. 15 January 2015.

As no resumption proposal was submitted before the expiry date of the first delisting stage, the Company received a letter dated 20 January 2015 from the Stock Exchange and was informed that the Company had been placed in the second stage of delisting procedures commencing on 20 January 2015 pursuant to Practice Note 17 to the Listing Rules. The Company was required to submit a viable resumption proposal 10 business days before the second delisting stage expires i.e. on or before 3 July 2015, which should meet the following conditions:

1. demonstrate sufficient operations or assets to comply with Rule 13.24;
2. address auditors' qualifications and demonstrate adequate internal control system; and
3. withdraw and/or dismiss the winding-up petition against the Company and discharge the Provisional Liquidators.

RESULTS FOR THE PERIOD ENDED 30 SEPTEMBER 2016

On 5 June 2015, the Company, the Provisional Liquidators and the Investor entered into a framework agreement, which was subsequently amended and restated by an amendment and restatement framework agreement dated 5 October 2015, pursuant to which the parties agreed on the principal terms of a proposed restructuring of the Group with a view to resume trading in the Shares on the Stock Exchange. The framework agreement was approved by the Honorable Mr. Justice Harris of the High Court on 26 June 2015 and the amended and restated framework agreement was approved by the Honorable Mr. Justice Harris of the Hong Kong High Court on 6 November 2015.

With the sanction from the High Court, the SPVs, wholly owned subsidiaries of the Company, were set up after the appointment of the Provisional Liquidators for the purpose of restructuring and continuation of the business of the Group. It is anticipated that the management team of the SPVs will run the business of the Group so as to fulfil the resumption requirements of the Stock Exchange.

The Resumption Proposal was prepared and submitted to the Stock Exchange on 19 July 2015. However, without raising any question or query on the Resumption proposal, the Listing Division of the Stock Exchange notified the Company on 31 July 2015 that it considered that the Resumption Proposal had not satisfactorily demonstrated sufficiency of operations or assets as required under Rule 13.24 of the Listing Rules and it would recommend the Listing Committee to place the Company in the third delisting stage.

Pursuant to a letter dated 14 August 2015 from the Stock Exchange, the Listing Committee considered that the Resumption Proposal was not viable and decided to place the Company in the third delisting stage under Practice Note 17 to the Listing Rules. In arriving at the above decision, the Listing Committee had considered that, among others, the business of the Company in the Resumption Proposal was insufficient to justify the Company's continued listing.

The Company disagrees with the Ruling and on 18 August 2015 formally requested the Listing Committee to provide detailed written reasons for the Ruling. On 24 August 2015, the Company also submitted a formal request to the Stock Exchange for a review of the Ruling by the Listing (Review) Committee of the Stock Exchange. A review hearing of the Ruling was held on 17 December 2015.

On 29 December 2015, the Listing (Review) Committee decided to uphold the Listing Committee's decision and to place the Company into the third delisting stage with effect from 6 January 2016 and allowed a period of nine months commenced from the same day for the Company to submit a viable resumption proposal (i.e. 5 October 2016).

RESULTS FOR THE PERIOD ENDED 30 SEPTEMBER 2016

Accordingly, the Revised Proposal was subsequently submitted to the Stock Exchange on 7 September 2016. The Revised Proposal was highlighted by the introduction of a potential strategic investor, Tongfang, one of the top 100 information technology enterprises in the PRC. On 28 June 2016, the Company obtained the Letter of Intent from Tongfang, pursuant to which, Tongfang will (i) invest an amount of HK\$3.0 million into Perfect Major, a subsidiary of the Company in consideration and exchange for a 20% equity interest in Perfect Major to establish a joint venture with the Company; and (ii) subscribe for not less than 5% of the Company's newly issued shares after the resumption of trading of the Company's shares on the Stock Exchange. The Provisional Liquidators of the Company have obtained the sanction from the High Court of Hong Kong on 26 August 2016 with respect to the establishment of the Joint Venture. A formal joint venture agreement in relation to part or all of the terms of the Letter of Intent will be entered into between the Group and Tongfang in due course. The Joint Venture is expected to distribute Tongfang's products to the Group's existing markets and customers. The Company is of the view that the establishment of the Joint Venture will drive business cooperation between the Group and Tongfang heading to a sound and stable long-term partnership where both parties will benefit from resource-sharing and complementing each other's strengths.

The Group has successfully rebuilt its operating team and implemented the business plan that has been put together for the reactivation of the Group's business operations through the operating subsidiaries. During the reporting period, the Company has accomplished the relevant key business performance indicators projected in the forecast submitted to the Stock Exchange in September 2016. For the period ended 30 September 2016, the management team has generated revenue in the amount of US\$9.5 million and profits before tax and restructuring cost in the amount of US\$0.6 million despite adverse circumstances and great uncertainties. It is noted that the Group continues to receive orders from major customers and will have the ability to leverage its strategic alliance with Tongfang with which it is in the process of entering into a joint venture agreement. These are positive signs of progress and building a solid basis for future growth.

Nonetheless, similar to the case with the Resumption Proposal submitted by the Company on 19 July 2015, the Listing Division of the Stock Exchange notified the Company on 26 September 2016 that it considered the Revised Proposal not viable and recommended that the Listing Committee approves the cancellation of listing of the Shares on the Stock Exchange under Practice Note 17 to the Listing Rules.

Pursuant to a letter from the Stock Exchange dated 14 October 2016, the Listing Committee considered that although the Company has made certain progress in its mobile handset design and distribution business, the Revised Proposal still does not satisfactorily demonstrate that the Company will carry out a sufficient level of operations or have assets of sufficient value as required under Rule 13.24 of the Listing Rules to warrant a continued listing. The Listing Committee considered the Revised Proposal not viable and therefore decided to cancel the listing of the Shares on the Stock Exchange with effect from 9:00 am on 31 October 2016.

RESULTS FOR THE PERIOD ENDED 30 SEPTEMBER 2016

The Company submitted a formal request to the Stock Exchange on 25 October 2016 for a review of the Second Stage Ruling by the Listing (Review) Committee of the Stock Exchange and the review hearing has originally been scheduled on 13 December 2016 but has now been re-scheduled to 14 February 2017. Further announcement(s) will be made by the Company when there are material developments as appropriate.

- (i) an issue of new shares of the Company by way of share subscription by the Investor and Tongfang;
- (ii) all claims against, and liabilities of, the Company will be discharged and compromised in full by way of schemes of arrangement in Hong Kong and Bermuda; and
