UPDATE ON PROFIT WARNING

Based on the Group's unaudited financial information currently available to the Board, the Board wishes to update the Shareholders and potential investors that, it is anticipated that the Group will record a net profit attributable to the Shareholders in the range of RMB49.0 million to RMB53.0 million for the Year 2015, representing an improvement when compared with the Expected Decline in Financial Performance as announced in the Announcement. The improvement was a result of the stronger than expected growing demands of the Group's dairy products, in particular the own brand products in the PRC, in the fourth quarter of 2015 and the resolution of the Temporary Instability in Production of the Group's production facilities in the Netherlands.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

This announcement is made by the board of directors (the "**Board**") of Ausnutria Dairy Corporation Ltd (the "**Company**", and together with its subsidiaries, the "**Group**") pursuant to the provisions of inside information under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong) and Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

Based on the Group's unaudited financial information currently available to the Board, the Board wishes to update the shareholders of the Company (the "**Shareholders**") and potential investors that, it is anticipated that the Group will record a net profit attributable to the Shareholders in the range of RMB49.0 million to RMB53.0 million for the year ended 31 December 2015 (the "**Year 2015**"), representing a decrease of 41.2% to 45.7% as compared to a profit attributable to the Shareholders of RMB90.2 million for the corresponding period in 2014. The result represented an improvement when compared with the Expected Decline in Financial Performance as announced in the Announcement.
