Reference is made to the profit warning announcement of the Company dated 18 December 2015 (the “**Profit Warning Announcement**”). Capitalised terms used herein shall have the same meanings as defined in the Profit Warning Announcement, unless otherwise specified.

The Board wishes to inform the shareholders of the Company and the potential investors of the Company that based on the currently available information, it is expected that the net loss for the Group for the year ended 31 December 2015 would be approximately RMB112.0 million (2014: approximately RMB117.0 million).

Despite the decrease in the sales revenue of the continuing operations in the manufacturing and sales of the household and personal care products leading to the net operating loss for the year ended 31 December 2015 as mentioned in the Profit Warning Announcement, the Board wishes to inform the shareholders of the Company and potential investors of the Company that, for the year ended 31 December 2015, the selling, distribution and administration costs dropped by approximately RMB36.0 million as compared to the corresponding period in 2014, which alleviated the impact of the provision for impairment loss of assets of approximately RMB54.0 million (2014: approximately RMB42.6 million) following a valuation of the property, plant and equipment in use in the continuing operations, by reference to their value in use.

The information contained in this announcement is based on the preliminary review of the currently available information, which have not been reviewed or audited by the Company’s auditors. As such, the actual results of the Group for the year ended 31 December 2015 may be different from the disclosure in this announcement.
