A leading integrated utility service provider in China committed to pursuing high-quality diversified business development, focusing on reducing cost while enhancing efficiency, and accelerating transformation and incubation of new quality productive forces, BEHL has made steady progress in its operational development in 2024. Mr. Xiong Bin, Executive Director and CEO of the Company, said: "To us, receiving this honor for three consecutive years is not only a recognition for our past efforts but also an encouragement for future development. The Company will follow established business strategies and enhancement initiatives, seize opportunities in the environmental protection industry, continue to expand resource channels for its public utility businesses, namely gas, water, and environment, and at the same time foster deep innovation and reform in its beer business, so as to fully unleash the new momentum for performance growth."

The "Listed Company Awards of Excellence" is organized by *HKEJ*, a professional financial media in Hong Kong. Adopting a consistently rigorous and professional selection process, it is awarded to those listed companies that demonstrate outstanding performance and are well-regarded in their respective industries and by the capital market. In addition to providing investors with an important reference indicator, the award also encourages enterprises to strive for excellence and progress. With the selection based on *HKEJ*'s EJFQ stock analysis system and the selected enterprises evaluated by a committee comprising fund managers, senior stock commentators and analysts, BEHL's superior performance is affirmed.
