PRESS RELEASE

29 September 2025, Hong Kong

BEHL and Member Companies Make “Top 10 Reports of State-Owned Listed Companies in Beijing” and “ESG Pioneer 30 Index of State-Owned Listed Companies in Beijing”

(29 September 2025, Hong Kong) At the “ESG China · Beijing-Tianjin-Hebei State-Owned Enterprise Social Responsibility Annual Conference” jointly organized by Beijing SASAC, Tianjin SASAC, Hebei Provincial SASAC and related units, held in Tianjin, the Beijing-Tianjin-Hebei Social Responsibility/ESG Blue Book was released. The conference systematically summarized the results of ESG practices by state-owned enterprises in the three regions. The sustainability reports of **Beijing Enterprises Holdings Limited** ("BEHL", stock code: 0392.HK), Beijing Enterprises Water Group Limited ("BE Water", stock code: 0371.HK), Beijing Yanjing Brewery Co., Ltd. ("Yanjing Brewery", stock code: 000729) made the “Top 10 Reports of State-Owned Listed Companies in Beijing” and also joined the first tier of the “ESG Pioneer 30 Index of State-Owned Listed Companies in Beijing”, standing not only as proof of BEHL and its member companies enjoying recognition of regulatory bodies for their ESG performance, but also highlighted their leading comprehensive sustainable development strengths among state-owned listed companies in Beijing.

Since starting to implement its “FUTURE” sustainable development strategy, BEHL has firmly adhered to the “Trustworthy, United, Responsible and Eco-friendly” sustainable development principles and has continued to strengthen and implement its ESG system. The *2024 Beijing Enterprises Holdings Limited Sustainability Report* released this time is the 11th non-financial report published by BEHL. The report strictly benchmarks against various regulatory requirements for ESG information disclosure and effectively visualizes ESG achievements aligned with indicators adopted by mainstream domestic and international rating agencies. In the report, the company’s responsible practices and outcomes in optimizing product quality, fostering win-win partnerships, emphasizing corporate governance, and adhering to green development are explained systemically, showing the shared understanding and coordinated actions on sustainable development across the company to effectively address the strong expectations and reasonable demands of all stakeholders.

Looking ahead, BEHL will enhance its ESG management system aiming for higher standards, promote in-depth integration of ESG concepts from the strategic level into the entire business chain, including production and operation, and investment decision-making. By refining tracking of performance metrics and strengthening process control, BEHL will continuously enhance the quality and effectiveness of its ESG work, collaborate with stakeholders to create sustainable value, thereby drive high-quality growth of the company and contribute to the country realizing the “carbon peaking and carbon neutrality” goals.

About BEHL

After undergoing a series of reforms such as restructuring, transformation and resources integration, BEHL has successfully transformed into an integrated public utilities company, underpinned by gas, water and environmental sectors as well as related upstream and downstream investments as its principal businesses, with the beer business as a complementary segment, forming a collaborative development layout. Member enterprises all occupy leading positions within their industries or regions, and have a strong influence on the market, ecosystem, and development of related sectors.

BEHL’s affiliated companies are among the top-ranking enterprises in their respective industries, including:

- **Beijing Gas Group Company Limited**, China’s largest integrated city gas company;
- **China Gas Holdings Limited (0384.HK)**, one of China’s largest integrated gas

service companies;

- **Beijing Enterprises Water Group Limited (0371.HK)**, the largest integrated water services leader in China and has ranked the first among the Top 10 Influential Enterprises in China's Water Industry for 15 consecutive years;
- **Beijing Enterprises Environment Group Limited (0154.HK)**, one of the largest companies in the solid waste treatment industry in China;
- **EEW Energy from Waste GmbH**, Germany's largest and Europe's leading Waste-to-Energy company;
- **Beijing Yanjing Brewery Co., Ltd. (000729.SZ)**, one of the top three beer brands in China.
