INSIDE INFORMATION EXPECTED IMPROVEMENT IN LOSS POSITION

This announcement is made by Capital Finance Holdings Limited (the “**Company**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the GEM of the Exchange (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong).

The board (the “**Board**”) of the directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors of the Company that, based on the information currently available to the Company and preliminary review of the unaudited consolidated management accounts of the Company and its subsidiaries (the “**Group**”) for the six months ended 30 June 2021 (the “**Interim Period**”), the Group is expected to record a decrease in loss attributable to owners of the Company for the Interim Period by approximately 71% as compared to the loss attributable to owners of the Company of approximately HK\$34.2 million for the six months ended 30 June 2020.

The Board considers that the expected decrease in loss was mainly attributable to the following factors:

1. an increase in total revenue by approximately HK\$3.9 million for the Interim Period as compared to that for the six months ended 30 June 2020;

2. a reversal of loss allowance for expected credit losses (“ECLs”) on loans to customers (net of corresponding deferred tax impacts) of approximately HK\$8.0 million for the Interim Period while a charge of loss allowance for ECLs on loans to customers (net of corresponding deferred tax impacts) of approximately HK\$9.8 million for the six months ended 30 June 2020 mainly due to the improvement on the customers’ aging after the containment of COVID-19 pandemic in the PRC; and
3. a decrease in finance costs for the Interim Period by approximately HK\$4.7 million as compared to that for the six months ended 30 June 2020 as a result of partial redemptions of convertible bonds and redemptions of promissory note made by the Group during the year ended 31 December 2020 and the Interim Period.

As the Company is still in the process of finalising the interim results of the Group for the Interim Period, the information contained in this announcement is only based on the Company’s preliminary assessment of the unaudited consolidated management accounts of the Group and information currently available to the Group. The interim results of the Group for the Interim Period are not yet finalised nor reviewed by the audit committee of the Company. Further details of the Group’s financial information for the Interim Period will be disclosed in the unaudited interim results announcement, which is expected to be published on or around 11 August 2021.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
