To the Shareholders

Dear Sir or Madam,

DISCLOSEABLE TRANSACTION FORMATION OF JOINT VENTURE

1. INTRODUCTION

Reference is made to the announcement of the Company dated 24 October 2007 in which the Board announced that on 23 October 2007, Cheer Gain and Guojia Property entered into the Agreement pursuant to which the parties agreed to establish the JV Company.

2. THE AGREEMENT

Date

23 October 2007

Parties

Cheer Gain, an indirect wholly-owned subsidiary of the Company; and

Guojia Property.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, Guojia Property and its ultimate beneficial owners are third parties independent of the Company and its connected persons (as defined in the Listing Rules).

The JV Company

The parties to the Agreement agree that the JV Company will be established in the PRC and its initial registered capital of RMB500,000,000 (equivalent to approximately HK\$520,000,000) will be provided as to 80% and 20% by Cheer Gain and Guojia Property respectively. The Group intends to fund Cheer Gain's contribution by internal resources. The purposes of establishing the JV Company are to hold and develop the Lands.

Pursuant to the Agreement, the parties thereto agree to finance the amount required for acquisition and development of the Lands by way of further contributions towards the capital of the JV Company. The board of the JV Company will be equally represented by the parties to the Agreement.

The Lands, Funding Requirements and Distribution of Profit

Land No. 1 is situate at Jinjiang District, Chengdu, the PRC with a site area of 83.5259 mu with a plot ratio of 3 and was acquired at the land premium of RMB735 million (equivalent to approximately HK\$764.4 million) by the parties in the name of the JV Company through bidding at an auction. Land No. 1 will be developed for residential use with gross floor area of approximately 167,053 sq. m. Cheer Gain and Guojia Property will contribute additional capital required by the JV Company so that each party will contribute in aggregate 50% of the amount required for the acquisition and development of Land No. 1. Further information in relation to Land No. 1 is set out in the Company's announcement dated 28 September 2007.

LETTER FROM THE BOARD

Land No. 2 lies adjacent to Land No.1 and has a site area of 123.1114 mu with a plot ratio of 3 and was acquired at the land premium of RMB1,132.6 million (equivalent to approximately HK\$1,177.9 million) in the name of the JV Company through bidding at an auction. Land No. 2 will be developed for residential use with gross floor area of approximately 246,224 sq. m. Subject to the approval by relevant governmental authority to the development proposal contemplated under the Agreement in respect of Land No. 2, the amount required for the acquisition and development of Land No. 2 shall be contributed by Cheer Gain and Guojia Property equally. In the event that the relevant PRC approval cannot be obtained, the amount required for the acquisition and development of Land No. 2 shall be contributed by Cheer Gain as to 20% and by Guojia Property as to 80%.

Subject to there being no material changes in the development plan contemplated under the Agreement, the development of the project will be undertaken in stages with each stage being partly financed by presale proceeds. Assuming that the rates of construction costs in the PRC remain unchanged during the construction period, the total investments (including land premium) for Land No. 1 and Land No. 2 will be approximately RMB850,000,000 (equivalent to approximately HK\$884,000,000) and RMB1,300,000,000 (equivalent to approximately HK\$1,352,000,000) respectively.

The land premium and the bidding service fees of Land No. 1 will be payable in three instalments in the following manner: approximately RMB225,000,000 (equivalent to approximately HK\$234,000,000) shall be payable in October 2007, approximately RMB221,000,000 (equivalent to approximately HK\$229,840,000) shall be payable in December 2007 and approximately RMB316,000,000 (equivalent to approximately HK\$328,640,000) shall be payable in January 2008. The land premium and the bidding service fees of Land No. 2 shall be payable in three instalments in the following manner: approximately RMB350,000,000 (equivalent to approximately HK\$364,000,000) shall be payable in October 2007, approximately RMB340,000,000 (equivalent to approximately HK\$353,600,000) shall be payable in December 2007 and approximately RMB487,000,000 (equivalent to approximately HK\$506,480,000) shall be payable in April 2008.

The payment schedule of the land premium and the bidding service fees will be finalised according to the Contract for the Assignment of the Right to Use State-owned Land to be executed. As at the Latest Practicable Date, the Contracts for the Assignment of the Right to Use State-owned Land have not yet been signed and no land premium and bidding service fees have been paid.

LETTER FROM THE BOARD

Under the Agreement, the parties thereto shall be entitled to the profits arising respectively from the development of Land No. 1 and Land No. 2 to be distributed by the JV Company in the same ratio as the parties' total capital contributions towards the development of Land No. 1 and Land No. 2. The initial contribution in the JV Company was agreed between the parties based on estimates made prior to the bidding of the Lands and reflects the ratio of their initial stake in the bidding, being the bidding deposits borne by Cheer Gain as to 80% and Guojia Property as to 20%. Following the successful bidding of the Lands, the parties reviewed the development proposal and the project cost estimate in light of the actual bidding price for the Lands. The capital contribution and profit sharing ratio of the JV Company of 50 : 50 was arrived at in the Agreement based on the parties' respective investment planning and business strategies.

According to the Agreement, the maximum capital commitment of Cheer Gain will be its 50% share of the full amount for the land premium of the Lands and 50% share of the working capital for the project. The aggregate sum is expected to be not exceeding RMB1,100 million (equivalent to approximately HK\$1,144,000,000).

The Group's investment in the JV Company will be treated as an investment in joint venture on the basis that the JV Company is a jointly controlled entity. In the account of the Group, against the contribution(s) towards the capital for the JV Company (reduction in cash), there will be a corresponding amount(s) accounted for as investment in joint venture (increase in investment). Accordingly there will be no change in the net assets of the Group. The Company will be entitled to a share of 50% of the results of the JV Company. Such share of the JV Company's results (and reserves) will be included in the Group's consolidated results (and reserves), and the same share of the JV Company's net assets will be reflected in the consolidated balance sheet of the Group.

3. REASONS FOR AND BENEFITS OF THE TRANSACTION

The Group's investment in the JV Company will further expand the Group's investment in the Chengdu market. It is consistent with the business strategy of the Company to expand its quality land bank in Western China.

The Directors (including the independent non-executive Directors) consider that the terms of the Agreement have been negotiated on an arm's length basis and on normal commercial terms and the terms thereof are fair and reasonable and are in the best interests of the Group and the Shareholders as a whole.

LETTER FROM THE BOARD

4. GENERAL

The core business of the Group is property development and investment in Western China.
