**PROFIT WARNING AND INSIDE INFORMATION  
IN RESPECT OF THE YEAR ENDED 31 MARCH 2014**

This announcement is made by the Company pursuant to Rule 17.10 of the GEM Listing Rule and the Inside Information Provisions under Part XIVA of the SFO.

The Board would like to inform the shareholders of the Company and potential investors that based on the preliminary assessment of the unaudited consolidated management accounts of the Group for FY2014 and the information currently available to the Board, it is expected that the Group's revenue for FY2014 would decrease substantially as compared to that for FY2013. It is also expected that the Group's loss before tax for FY2014 will increase substantially as compared to that for FY2013.

The information contained in this announcement is only the preliminary assessment of the Group based on its unaudited consolidated management accounts for FY2014 which have not been reviewed nor audited by the Company's auditors or the Company's audit committee.

**Shareholders of the Company and potential investors should exercise caution when dealing in the shares of the Company.**

This announcement is made by the board (the "**Board**") of directors ("**Directors**") of Prosten Technology Holdings Limited (the "**Company**") and its subsidiaries (collectively referred to as the "**Group**") pursuant to Rule 17.10 of The Rules (the "**GEM Listing Rules**") Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong) (the "**SFO**").

References are made to the Company's announcements dated 19 June 2012, 31 May 2012, 6 February 2012, 20 January 2012, 25 November 2011, 7 November 2011, 27 October 2011 and 8 August 2011 relating to a cooperation agreement ("**Cooperation Agreement**") previously made between the Group and a subsidiary of China Mobile Limited ("**China Mobile**") in respect of the Group's provision of wireless music search services via China Mobile's network ("**WMS Services**"). The Cooperation Agreement expired in early July 2011. Following its expiry, the Group continued to provide WMS Services from early July 2011 to the date of this announcement.

After prolonged negotiation, an operational support services agreement (“**New Agreement**”) was signed in early July 2012 between the Group and China Mobile (via a subsidiary) in connection with the provision of operational support services regarding the Group’s WMS Services covering the period from July 2011 to July 2012 (which has been subsequently renewed). Pursuant to the New Agreement, both parties have agreed on a different charging model regarding the Group’s WMS Services as compared with that set out in the Cooperation Agreement, and the Group would charge China Mobile a fixed operational support service fee (subject to adjustment) for its services rendered. Please refer to the Company’s announcements dated 6 February 2014, 27 January 2014, 7 November 2013, 29 October 2013, 8 August 2013, 26 July, 2013, 18 June 2013, 4 June 2013, 4 February 2013, 1 February 2013, 8 November 2012, 1 November 2012, 7 August 2012, 31 July 2012 and 6 July 2012 for further details of the New Agreement and its financial impacts.

Income in respect of the Group’s services under the New Agreement and up to 31 March 2013 was recorded for the year ended 31 March 2013 (“**FY2013**”). Such income was higher than that derived from the renewal of the New Agreement for the year ended 31 March 2014 (“**FY2014**”).

On top of the above, the tight control measures imposed by the telecommunication operators over the wireless services providers for FY2014 have also caused a significant adverse impact on the Group’s revenue and revenue from other wireless music search services decreased significantly. The overall decrease in the Group’s FY2014 revenue also attributed by the Group’s strategy of gradually move away from services with less attractive returns such as reading and lottery. The drop in revenue for FY2014 led to a drop in gross profit for FY2014.

Further, the FY2014 overall operating expenses was expected to increase as compared to FY2013 mainly due to certain one-off expenses such as cost of share options granted in FY2014 and impairment against doubtful debts.

For the above reasons, based on the best knowledge of the Board and information currently available to the Board, the Board would like to inform the shareholders of the Company and potential investors that based on the preliminary assessment of the unaudited consolidated management accounts of the Group for FY2014, it is expected that the Group’s revenue for FY2014 would decrease substantially as compared to that for FY2013. It is also expected that the Group’s loss before tax for FY2014 would increase substantially as compared to that for FY2013.

The Group is still in the process of finalising its financial results for FY2014. The information contained in this announcement is only based on the preliminary assessment made by the Board with reference to the unaudited consolidated management accounts of the Group for FY2014 and the information currently available to the Board and the same have not been reviewed nor audited by the Company’s auditors or the Company’s audit committee. Actual financial results of the Group for FY2014 will be disclosed in the annual results announcement in due course.
