DELAY IN DESPATCH OF THE COMPOSITE DOCUMENT

It is the intention of the respective boards of directors of the Offeror and the Company to combine the offer document and the offeree board circular into the Composite Document in accordance with the Takeovers Code. Pursuant to Rule 8.2 of the Takeovers Code, the Composite Document is expected to be despatched within 21 days of the date of the Joint Announcement (i.e. on or before 22 December 2017) or such later date as may be permitted by the Takeovers Code and approved by the Executive in compliance with the requirements of the Takeovers Code and other applicable regulations.

As additional time is required by the Offeror and the Company to finalise certain information to be included in the Composite Document (including but not limited to the letter from Eternal Pearl, letter from the Board and the financial information of the Group), an application was made to the Executive pursuant to Rule 8.2 of the Takeovers Code for its consent to extend the deadline for the despatch of the Composite Document (together with the form of acceptance and transfer) to a date on or before 12 January 2018.

The Executive has indicated that it is minded to grant consent for such extension.

Further announcement(s) will be made jointly by the Offeror and the Company when the Composite Document (together with the form of acceptance and transfer) are despatched.

WARNING

The Directors make no recommendation as to the fairness or reasonableness of the Offer or as to the acceptance of the Offer, and strongly recommend the Independent Shareholders not to form a view on the Offer unless and until they have received and read the Composite Document, including the recommendation of the Independent Board Committee in respect of the Offer and the letter of advice from the independent financial adviser.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the relevant securities of the Company, and if they are in any doubt about their position, they should consult their professional advisers as and when appropriate.
