CHARACTERISTICS OF THE GEM OF THE STOCK EXCHANGE

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Yours faithfully,
For and on behalf of the Board of
PROSTEN TECHNOLOGY HOLDINGS LIMITED
Yip Heon Keung
Chairman

The following is the explanatory statement required to be sent to Shareholders under the GEM Listing Rules in connection with the proposed Repurchase Mandate:

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 756,355,000 Shares.

Subject to the passing of the ordinary resolution set out in item 4 of the notice of AGM respect of the granting of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the date of the AGM, the Directors would be authorised under the Repurchase Mandate to repurchase a maximum of 75,635,500 Shares, representing 10% of the issued share capital of the Company as at the date of passing of the resolution approving the Repurchase Mandate, during the period up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) the revocation, variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

2. REASONS FOR REPURCHASES

The Directors believe that the granting of the Repurchase Mandate is in the interests of the Company and the Shareholders.

Repurchases of Shares may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per share. The Directors are seeking the granting of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum and Articles of Association, the GEM Listing Rules and the applicable laws of the Cayman Islands. The Company may not purchase Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 March 2013) in the event that the proposed repurchase of Shares was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. MARKET PRICES

The highest and lowest prices at which the Shares were traded on the GEM during the previous twelve months preceding the Latest Practicable Date were as follows:

	Price per Share	
	Highest HK\$	Lowest HK\$
2012		
June	0.160	0.127
July	0.145	0.140
August	–	–
September	0.140	0.120
October	0.160	0.135
November	0.140	0.113
December	0.300	0.120
2013		
January	0.199	0.140
February	0.190	0.150
March	0.153	0.123
April	0.165	0.140
May	0.170	0.130
June*	0.155	0.128

Note:

* Up to the Latest Practicable Date

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, the Memorandum and Articles of Association of the Company and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates have any present intention to sell any Shares to the Company under the Repurchase Resolution if such is approved by the Shareholders.

No other connected persons (as defined in the GEM Listing Rules) of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Resolution is approved by the Shareholders.

6. TAKEOVER CODE

If as a result of a share repurchase a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeover Code. Accordingly, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeover Code and the provision may apply as a result of any such increase.

As at the Latest Practicable Date, Greenford Company (PTC) Limited, Century Technology Holding (PTC) Limited, Bakersfield Global (PTC) Corporation and First League Investments Limited were interested in an aggregate of 304,354,000 Shares, together representing approximately 40.24% of the issued share capital of the Company. Based on such shareholding, and in the event that the Directors exercised in full the Repurchase Mandate, the aggregate interests of Greenford Company (PTC) Limited, Century Technology Holding (PTC) Limited, Bakersfield Global (PTC) Corporation and First League Investments Limited in the issued share capital of the Company would be increased to approximately 44.71% of the issued share capital of the Company. The Directors are not aware of any consequences which may arise under the Takeover Code as a consequence of any purchase made under the Repurchase Mandate. However, the Company may not repurchase Shares which would result in the amount of Shares held by the public being reduced to less than 25%, which is the minimum public float as required under the GEM Listing Rules.

7. SHARES PURCHASE MADE BY THE COMPANY

The Company has not purchased any of the Shares (whether on GEM or otherwise) in the previous six months prior to the Latest Practicable Date.
