CHARACTERISTICS OF THE GEM OF THE STOCK EXCHANGE

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

10. GENERAL INFORMATION

Your attention is also drawn to the additional information set out in the appendices to this circular.

For and on behalf of the Board of
CHINA BRILLIANT GLOBAL LIMITED
Zhang Chunhua
Chairman

The following is the explanatory statement required to be sent to Shareholders under the GEM Listing Rules in connection with the proposed Repurchase Mandate:

This explanatory statement contains all information pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules which is set out as follows:

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,518,442,426 Shares.

Subject to the passing of the ordinary resolution set out in item 4 of the notice of AGM in respect of the granting of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the date of the AGM, the Directors would be authorised under the Repurchase Mandate to repurchase a maximum of 151,844,242 Shares, representing 10% of the issued Shares of the Company as at the date of passing of the resolution approving the Repurchase Mandate, during the period up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) the revocation, variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

2. REASONS FOR REPURCHASES

The Directors believe that the granting of the Repurchase Mandate is in the interests of the Company and the Shareholders.

Repurchases of Shares may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per share. The Directors are seeking the granting of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole. The Directors would not make purchases in circumstances where to do so would have a material adverse effect on the capital requirements of the Company.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association, the GEM Listing Rules and the applicable laws of the Cayman Islands. The Company may not purchase Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 March 2025) in the event that the proposed repurchase of Shares was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. MARKET PRICES

The highest and lowest prices at which the Shares were traded on the GEM during the previous twelve months preceding the Latest Practicable Date were as follows:

	Price per Share	
	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2024		
July	0.340	0.250
August	0.340	0.285
September	0.310	0.245
October	0.310	0.219
November	0.360	0.250
December	0.430	0.305
2025		
January	0.395	0.310
February	0.330	0.260
March	0.330	0.270
April	0.315	0.200
May	0.214	0.188
June	0.227	0.180
July (Up to the Latest Practicable Date)	0.240	0.216

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, the Memorandum and Articles of Association of the Company and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates have any present intention to sell any Shares to the Company under the Repurchase Resolution if such is approved by the Shareholders.

No other core connected persons (as defined in the GEM Listing Rules) of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Resolution is approved by the Shareholders.

6. SHARES PURCHASE MADE BY THE COMPANY

The Company has not purchased any of the Shares (whether on GEM or otherwise) in the previous six months prior to the Latest Practicable Date.

7. EFFECT OF THE TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of the Directors exercising the powers of the Company to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition of voting rights for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company and as at the Latest Practicable Date, Mr. Zhang Chunhua ("**Mr. Zhang**"), an executive Director and the chairman of the Company was beneficially interested in 57,098,000 Shares representing approximately 3.76% of the total number of issued Shares and Mr. Zhang is also interested in 80% of the issued share capital of Brilliant Chapter Limited ("**Brilliant Chapter**") a limited liability company incorporated in the Republic of Seychelles which was interested in 834,851,294 Shares of the Company, representing approximately 54.98% of the total number of issued Shares. As Mr. Zhang is deemed to be interested in the shareholding of Brilliant Chapter in the Company, Mr. Zhang is deemed to be interested in approximately 58.74% of the total number of issued Shares. Assuming that there are no alteration to the existing shareholding of the Company, upon exercise of the Repurchase

Mandate in full in accordance with the terms of the ordinary resolution to be proposed at the AGM, the shareholding in the Company deemed to be interested by Mr. Zhang would increase from approximately 58.74% to approximately 65.27% of the total number of Shares in issue.

Accordingly, Mr. Zhang will not have any obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no present intention to exercise in full the power to buy back Shares under the approved Repurchase Mandate.

Assuming that there is no further issue of Shares between the Latest Practicable Date and date of Repurchase, the exercise of Repurchase Mandate whether in whole or in part will not result in the number of Shares being reduced to less than 25% of the total number of Shares in issue being held by the public as required by Rule 8.08 of the GEM Listing Rules. The Directors have no intention to exercise the Repurchase Mandate to an extent as may result in a public shareholding of less than such prescribed percentage.
