[For Immediate Release]

Mastery 'SQUIRREL' Received International Recognition
Prosten Geared to Enter into the Jewellery Industry

Group Chairman and CEO Xu Zhigang (first from the left), accompanied Paul Marks, Executive Chairman of NIMROD Resources Ltd (second from the left) and VIP guests to visit the company's jewellery retail store.

(22nd October, 2015, Hong Kong) Prosten Technology Holdings Limited ('Prosten' or 'the Company', stock code: 8026) is pleased to announce that the Company completed the acquisition of Mastery Jewellery Co., Ltd ('Mastery Jewellery') on 5th October, marking its formal entry into the jewellery industry. The Company has successfully opened its first retail store in Shenzhen, and immediately drew wide attention and received recognition from the international markets.

On 14th October, Paul Marks, Executive Chairman of NIMROD Resources paid a visit to the Shenzhen retail store under Mastery Shenzhen Co., Ltd, a subsidiary wholly owned by Mastery Jewellery. They were accompanied by Xu Zhigang, Chairman and CEO of the

Company. The visitors engaged in active dialogues with the management and highly praised the 'SQUIRREL' series products after the site visit to the Company's latest products.

Mr Xu welcomed Mr Marks' visit and was pleased with the international recognition of Company's products. Mr Xu said, "The completion of Mastery Jewellery acquisition allows the Company to establish its business in the jewellery sector with ample growth opportunities. We uphold the high standards of design and production and have every confidence in building 'SQUIRREL' into a brand name with far-reaching influence. The Company does not rule out the possibilities of seeking more partnerships. We will boost the jewellery business to grow into one of the company's key businesses."

Mr Paul Marks, Executive Chairman of NIMROD Resources highly praised Company's products

As a professional global diamond operator, Mastery Jewellery, leveraged on the top quality of diamond resources of European industry, has built the SQUIRREL brand name, which is dedicated to the modern Asian femininity integrated with delicate, trendy, full of personality and stylish characteristics. They are popular among the young ladies. Furthermore, the Company keeps abreast of the internet development and vigorously develop O2O business in response to the national policies of promoting Internet+, as well as disseminating the Chinese culture. It is aimed to develop online sales combined with retail store sales to promote its products in a faster and broader way, bringing customers with a satisfactory jewellery shopping experience.
