Notes:

- In relation to resolution 4, the details of the proposed Share Appreciation Rights Scheme are as follow:

Reasons for the Share Appreciation Rights Scheme

The Share Appreciation Rights Scheme is aimed to align the interests of target employees with the Company and to enhance the value of the Company and its shareholders. On this basis, the Board has, subject to the requisite shareholders approval, adopted the "Share Appreciation Rights Scheme of China Communications Services Corporation Limited" (the "Scheme") which grants share appreciation rights (the "SAR" or "SARs") to eligible participants subject to terms and conditions as described below.

Under the Scheme, a SAR constitutes the right to receive an amount of cash equivalent to the appreciation, if any, in the fair market value of a H share of our Company (the "Fair Market Value") and the exercise price of the SARs (the "Exercise Price") is determined upon grant according to a pre-set method. No shares will be issued under the Scheme; accordingly, the shareholding of the shareholders of the Company will not be diluted by any grant or exercise of SARs.

Validity Period of the Scheme

The Scheme will be valid for 10 years effective from the date of approval by the shareholders of the Company.

Amount of SARs to be granted

The total number of H shares represented by all SARs to be granted under the Scheme during its term may not exceed 10% of the entire share capital of the Company at the time of completion of the global offering of the Company in 2006. The SARs will be granted every two years within the 10-year validity period of the Scheme. The total number of H shares represented by the SARs to be granted for the first time under the Scheme will not exceed 1% of the share capital of the Company.

A participant who is granted SARs (including both exercised and unexercised) that represent more than 1% of the entire issued share capital of the Company in any 12 consecutive months within the validity period of the Scheme will no longer be eligible for any further grant. As a principle, the maximum expected income from the SARs granted to any member of the senior management of the Company within the validity period of the Scheme should be no more than 40% of his/her total amount of emolument.

Determination of Fair Market Value and Exercise Price

As required by regulations issued by the State-Owned Assets Supervision and Administration Commission of the PRC, the exercise price of any SARs shall be the higher of 1) the closing price of our Company's H shares on the date of grant; and 2) the average closing price of the H shares in the five consecutive trading days prior to the date of grant. "Closing price" refers to the price stated in the daily quote of the Stock Exchange of Hong Kong Limited.

Fair market value will be the lower of 1) the closing price on the date of the exercise of SARs by a grantee; and 2) the average closing price of our Company's H shares in the 5 consecutive days prior to the date of exercise; or, if none of these two approaches apply, a price determined by the remuneration committee of the Company in good faith will apply.

Vesting period and validity period of SARs

There will be a minimum period of two years from the date of grant before such SARs are exercisable subject to the following vesting schedule:

 - after two years from the date of grant, 1/3 of the SARs granted may be exercised by the grantee;
 - after three years from the date of grant, a further 1/3 of the SARs granted may be exercised by the grantee; and
 - after four years from the date of grant, the remaining 1/3 of the SARs granted may be exercised by the grantee.

The SARs granted under the Scheme will be valid for a term of 7 years commencing from the date of grant. Any granted SARs that are not exercised within such 7 years will lapse automatically.

Scope of eligible participants of the Scheme

The eligible participants of the Scheme include:

 - the general manager, vice managers and department managers of the Company; the general manager, deputy managers and department managers of a provincial level subsidiary of the Company; and the general managers and deputy managers of specialized subsidiaries of the Company;
 - directors (excluding independent directors) and members of the supervisory committee of the Company and other senior management members; and
 - other key talents, nominated and designated by the Remuneration Committee of the Company from time to time according to their contribution to the Company.

Method of grant and acceptance

SARs will be granted to qualified eligible participants by way of an agreement subject to the fulfillment of the following conditions:

 - the operational performance of the Company or relevant subsidiary having met the pre-set criteria; and
 - the proposed grantee having been evaluated and meeting the requirements of the Measures of Performance Evaluation In Connection with the Granting of SARs formulated by the Company.

Payment to grantees on exercise of SARs

Upon exercising SARs, the grantee will be paid in cash in Renminbi by the Company an amount that equals the difference between the fair market value and the exercise price as multiplied by the number of SARs exercised, with any tax and fees under applicable laws duly deducted.

The proposed adoption of a SAR scheme was disclosed in the prospectus of the Company dated 27 November 2006. The current Scheme approved by the Board of the Company is in conformity with the said disclosure.
- With regards to resolution 5 above, as the Articles of Association of the Company only exist in Chinese, the Chinese text of the proposed resolution shall prevail over the English text. Further to the Company's listing on the main board of the Stock Exchange of Hong Kong Limited on 8 December 2006, the joint bookrunners fully exercised the over-allotment option (as described in the prospectus of the Company) in full on behalf of the international underwriters on 20 December 2006. As such, both the number of shares and the registered capital of the Company were changed and accordingly corresponding amendments to the Articles of Association are proposed to be made.
- Shareholders who submit the share transfer application forms to the Company's share registrar before 4:30 pm on 11 May 2007 (Friday) and then register as shareholders on the register of members of the Company are entitled to attend the annual general meeting.
- Each shareholder entitled to attend and vote at the annual general meeting may appoint one or more proxies to attend and vote on his behalf at the annual general meeting. A proxy need not be a shareholder. Each shareholder who wishes to appoint one or more proxies should first review the annual report of the Company for the year 2006, which is expected to be despatched to shareholders around 27 April 2007 (Friday).
- To be valid, the form of proxy together with the power of attorney or other authorisation document (if any) signed by the authorized person or notarially certified power of attorney must be delivered to the Office of the Board of the Company for holders of domestic shares and to the Computershare Hong Kong Investor Services Limited for holders of H shares not less than 24 hours before the designated time for the holding of the annual general meeting. Completion and return of a form of proxy will not preclude a shareholder from attending in person and voting at the annual general meeting if he so wishes. The address of the share registrar for the Company's H shares is Computershare Hong Kong Investor Services Limited, 1806-1807, 18/F., Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong.
- A proxy of a shareholder may vote by hand or vote on a poll, but a proxy of a shareholder who has appointed more than one proxy may only vote on a poll.
- The registration procedure for attending the annual general meeting:
 - shareholders attending the annual general meeting in person or by proxy shall present their identity certification.
