

China Comservice's Website Won Various Accolades from Different International Competitions

09 Dec 2019

The revamped website (<https://www.chinaccs.com.hk>) of China Communications Services Corporation Limited won the Silver Award in "Websites - Investor Relations" and the Bronze Award in "Websites - Corporate Web Sites" in the 2019 "Galaxy Awards" and was honored with the "Best IR Website (small to mid-cap)" award in the IR Magazine Awards - Greater China 2019 organized by IR Magazine, a renowned international magazine focusing on investor relations.

China Comservice put forward the new positioning of "New Generation Integrated Smart Service Provider" in 2019. Through measures such as redesigning the webpage and enhancing relevant information and contents that are in accordance with the corporate positioning, the Company demonstrates its corporate image in the new era of digitalization.

Digital and Informatization Solutions

Leveraging our decades of extensive experience in building and managing the supreme networks for telecommunications operators, in recent years, China Comservice has been persistent in deepened reform in order to speed up its transformation towards smart and digital services by extending our service capabilities, innovating in the digital era, and strengthening cooperation with different partners in the ecosystem. The services provided by China Comservice has been extending from telecommunications support services to the provision of informatization and digitalization solutions for different industries and sectors.

The "Galaxy Awards" is an international competition honors excellence in product and service marketing, and also honors the professionals who contribute to the process of building image and making a difference in the market place. The award is judged by top marketing consultant firms and corporate marketing departments throughout the world, in which entries are evaluated on the creativity, effectiveness, performance and success.
