

China Comservice Elected on the "2022 FORTUNE China ESG Influence List"

28 Oct 2022

FORTUNE recently announced the "2022 FORTUNE China ESG Influence List" and elected 40 Chinese companies on the List, and China Communications Services Corporation Limited was honored to be one of the companies on the List. The List was the first ESG List in China by *FORTUNE*, which was compiled to recognize companies' efforts in shouldering the responsibilities in environmental, social and corporate governance, and making excellent efforts in improving environment, protecting employees and supporting the community, while creating wealth at the same time. The List was compiled after the evaluation of different factors, including a combination of data and cases as well as the comparison of companies with respect to highly relevant issues in the industry.
