OBTAINING OPERATING PERMIT FOR 5TH GENERATION DIGITAL CELLULAR MOBILE SERVICE (5G)

This announcement is made by China Mobile Limited (the “**Company**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The Board of Directors of the Company is pleased to announce that it has been informed by its controlling shareholder China Mobile Communications Group Co., Ltd. (the “**Parent Company**”) that, on 6 June 2019, the Ministry of Industry and Information Technology of the People’s Republic of China granted the basic telecommunications service operating permit for “5th Generation Digital Cellular Mobile Service (5G)” to the Parent Company, and at the same time allowed the Parent Company to expand the scope of operations of all “LTE/4th Generation Digital Cellular Mobile Service (LTE FDD)” related businesses including voice services, data services and mobile Internet of Things (IoT) to the whole country.

The Company will devote its full efforts to assist the Parent Company in fully implementing the “5G+” plan, continue to work together with various industry players in meticulously planning and promoting 5G development, and drive the optimization of standards, advancements in devices, enrichment of applications and construction of the ecosystem in respect of 5G. The Company will carry out solid work on 5G network construction and business operations to provide customers with comprehensive, high-quality and efficient information and communications services, thereby supporting the Company’s sustainable, healthy and high-quality growth.

In the meantime, investors are advised to exercise caution in dealing in the securities of the Company.
