

## **Tian Jun Meets with Wang Bing, Vice Executive President of Bank of China (Hong Kong)**

Tian Jun, Executive Director and President of China Power, met with Wang Bin, Vice Executive President of Bank of China (Hong Kong) Limited, and his team at the Hong Kong head office on 22 March.

Tian Jun expressed a warm welcome to Wang Bing and his team for their visit and briefly reviewed China Power's operational development in 2018 and its development and reform at the current stage. He also thanked Bank of China (Hong Kong) for its financial support to China Power and hoped both parties could continue to cooperate and complement with each other to achieve mutual benefits.

Wang Bing briefly introduced the operation and future development of Bank of China (Hong Kong) Limited and expressed appreciation for China Power's support to Bank of China (Hong Kong) Limited over the years. He said Bank of China (Hong Kong) Limited would continue to establish various forms of cooperation with China Power in the financial service sector.

The heads of the finance department and Hong Kong business department of China Power also attended the meeting.
