

## Mr. Wang Qingxian, Governor of Anhui Province, Visits Pingwei Power Generation Company

On May 31, 2022, Mr. Wang Qingxian, Governor of Anhui Province, visited Pingwei Power Generation Company.

Mr. Wang and his delegation visited the site of Phase III Project, learned in detail about the power generation, coal consumption and other production indicators, as well as the implementation of the material transportation and tax rebate policies during the COVID-19 epidemic, and listened to the report on power supply, operations, transformation and development. Mr. Wang expressed his affirmation of the efforts made by the company to overcome the adverse effects of the epidemic and secure energy supply, hoping that the company could spare no efforts to ensure safe production, secure fuel supply, and generate more power to support the production resumption and project construction in Anhui Province and the Yangtze River Delta region in the current critical period of economic recovery and development.

Mr. Pan Zhaohui, Secretary-General of Anhui Provincial Government, and Mr. Ye Xiaoming, Deputy Secretary-General of Anhui Provincial Government and Director of the Policy Research Office of Anhui Province, accompanied the visit. Mr. Zhang Tianpei, Director of the Development and Reform Commission of Anhui Province, Mr. Niu Nutao, Director of the Economy and Information Department of Anhui Province, Mr. Zhu Changcai, Deputy Director of the Finance Department of Anhui Province, Mr. Jin Zongshun, Deputy Director of the General Office of Anhui Provincial Government, and Mr. Ren Zefeng, Secretary of Huainan Municipal Party Committee, participated in the visit activities. Mr. Fang Xiaodong, GM of Pingwei Power Generation Company, accompanied the visit.
