

## He Xi Meets with Eurasia Fund Delegation

Recently, Mr. He Xi, Chief Engineer (New Energy) of SPIC and Chairman of CPID, met with the Eurasia Fund delegation in Shenzhen. Both sides exchanged and communicated with each other on overseas business cooperation. Mr. Shou Rufeng, Vice President of CPID, and Mr. Xu Ji, Chief Accountant of CPID, attended the meeting.

Mr. He welcomed the Eurasia Fund delegation and briefly introduced the transition and development of CPID in the clean energy field, focusing on the results achieved by CPID in international development and overseas project construction in response to China's Belt and Road initiative. Mr. He expressed that it is the common will of both sides to use green and low-carbon energy to benefit human society, hoping that both sides would strengthen business ties and bring their respective strengths into play to create conditions for further cooperation.

Eden, the Eurasia Fund delegation leader, expressed his gratitude to CPID for its warm reception and appreciated its vision of creating green value for domestic and foreign customers. Eden said that Eurasia Fund focuses on investment opportunities in life sciences, clean energy, traditional energy and high-tech fields, supported by capital from several countries, with mature resources and relationship network, and is willing to cooperate with CPID for overseas business.
