

Hubei Branch of SPIC Signs Cooperation Agreement with the People's Government of Artux City

Recently, Mr. Zou Zhenyu, Chairman of Hubei Branch of SPIC, met with Mr. Li Xinbin, Secretary of Artux Municipal Party Committee, and Mr. Romudila Toheti, Deputy Secretary of Artux Municipal Party Committee and Mayor of Artux City, in Kizilsu Kirgiz Autonomous Prefecture, Xinjiang.

Mr. Li, on behalf of Artux Municipal Party Committee and Municipal Government, welcomed Mr. Zou and his delegation to Artux for cooperation promotion, and expressed his gratitude to Hubei Branch of SPIC for its long-standing positive contribution to the economic and social development of Artux. Mr. Li said that Artux would fully support the implementation of the Company's projects, hoping that both sides would continue to expand their cooperation ideas on the basis of good cooperation and achieve more fruitful results.

Mr. Zou expressed his gratitude to Artux Municipal Party Committee and Municipal Government for their long-standing concern and strong support to Hubei Branch of SPIC, and introduced the project construction situation and future development ideas. Mr. Zou pointed out that Hubei Branch of SPIC would fully fulfill its responsibilities as an enterprise directly under the central government, continuously deepen its cooperation with Artux, make continuous efforts in wind power, PV power, integrated smart zero-carbon power generation, distributed integrated smart energy, green power substitution and green power conversion (PtG), promote the efficient development and construction of clean energy in Artux, and contribute to the high-quality economic and social development of Artux.

After the meeting, Mr. Zou and Mr. Li witnessed the signing of the development and cooperation agreement, which was signed by Mr. Xiao Guangwu, Head of Development Department of Hubei Branch of SPIC, and Mr. Romudila Toheti, on behalf of their respective sides. Both sides will continue to promote the implementation of projects on the principle of common development and mutual benefit and win-win situation.
