

## Mr. Gao Ping Meets Mr. Zhang Liwei, Vice Mayor of Shenzhen City

On September 5, 2023, Mr. Gao Ping, Executive Director and President of CPID, met with Mr. Zhang Liwei, Vice Mayor of Shenzhen City and Secretary of Longgang District Party Committee, and his delegation at CPID headquarters, and both sides carried out in-depth exchanges on further deepening the cooperation and promoting the implementation of the cooperation agreement. Mr. Wang Dongrong, Member of the Party Committee and Vice President of CPID, attended the meeting.

Mr. Gao welcomed Mr. Zhang and his delegation, and expressed his gratitude to Longgang District for its care and support given to CPID. Mr. Gao introduced that CPID is actively building a world-class technology-based and innovative clean energy enterprise, focusing on the good practices of CPID's green and low-carbon transition and development in recent years, as well as CPID's outstanding advantages and industrial layout in emerging industries such as new-type energy storage, green electric transportation, color PV power and rural revitalization. Mr. Gao said that the cooperation should be further strengthened, and the implementation should be reinforced and realized in accordance with the cooperation agreement between both sides.

Mr. Zhang expressed his gratitude for the warm welcome, fully affirmed CPID's green energy layout, and hoped that CPID would increase its layout in Longgang District and strengthen exchanges and cooperation. Mr. Zhang said that both sides have a broad space for cooperation in green and low-carbon buildings, green and low-carbon industries, green electric transportation, rural revitalization and others, both sides should strengthen cooperation in color PV power, PEDF, virtual power plants, industrial parks, low-carbon logistics, agricultural and rural construction, etc., and the Government of Longgang District would make every effort to serve and safeguard the good development of CPID in Shenzhen.

The meeting was attended by the relevant personnel of the Government Office, Development and Reform Bureau, Science and Technology Innovation Bureau, Investment Service Center and Industrial Investment Service Group of Longgang District, and the heads of the Strategic Planning Department, Development Department, Science and Innovation Center, Xinyuan Jingwu, China Power New Life Town, Yuetong Qiyuan, Xinyuan Aggregation and CPID Guochen of CPID.
