

China Power and Guotai Junan Hold Cooperation Meeting

On June 17, 2024, Mr. Gao Ping, President and Executive Director of China Power, met with Mr. Li Junjie, President of Guotai Junan Securities Co., Ltd. (Guotai Junan), and his delegation at the Beijing headquarters. Both parties discussed deepening cooperation in the energy and financial sectors.

Mr. Gao welcomed Mr. Li and his delegation, introducing China Power's development history, asset layout, strategic planning, and achievements in emerging industries. Mr. Gao emphasized the importance of synergy between the energy and financial sectors, recognizing Guotai Junan as a key strategic partner and expressing hope for continued support and deeper cooperation for mutual benefit.

Mr. Li highlighted the background, business layout, and expertise of Guotai Junan in providing corporate financial services. He said that Guotai Junan has always been adhering to the concept of "serving the country with finance", giving full play to its own specialized advantages in the field of comprehensive financial services, and will further strengthen its cooperation with China Power to actively provide financial solutions in green finance, carbon trading, capital operation and other aspects, and help China Power's transformation and development strategy come to fruition.
