CIFI Wins “Most Valuable Company in Property Sector” in Golden Hong Kong Stocks Awards 2017

(18 January 2018 – Hong Kong) **CIFI Holdings (Group) Co. Ltd.** ("CIFI" or the "Group", HKEx stock code: 884.HK), one of the “Top 15 Real Estate Developers in China”, which principally focuses on real-estate development and investment in first-, second- and third-tier cities in China, announces that the Group has rewarded the “Most Valuable Company in Property Sector” in Golden Hong Kong Stocks Awards 2017, which honors outstanding listed companies in a wide range of different categories on Hong Kong’s stock market. It recognizes the Group’s remarkable performance in operational management, corporate governance and investor relations.

The Group said that it is a honor to receive this award, which provide an opportunity for mainland investors to know CIFI better. CIFI has been committed to enhance its corporate and investment values. With our leading position in the China real estate industry and excellent operational performances, we will keep up the efforts and deliver sustainable returns to our investors.”

Golden Hong Kong Stocks Awards 2017, jointly organized by Zhitong Caijing and Hithink RoyalFlush Information Network Co., Ltd., aims to give recognition to listed companies with outstanding performance in various industries. Judging criteria of the award are based on specific data indicators in related industries, as well as professional advices from the judging panel comprising renowned financial institutions, analysts and industry experts.
