Two guarantee agreements dated 9 January 2015 were also entered into between HWL and the Husky Sale Shares Vendor and between the trustees of the trust and Husky Sale Shares Purchaser respectively in connection with the Husky Share Exchange.

Save for the above transaction, no transactions, arrangements or contracts of significance in relation to the businesses of the Company and its subsidiaries to which the Company or a subsidiary was a party in which a Director of the Company or an entity connected with a Director had a material interest, whether directly or indirectly, subsisted at the end of the year or at any time during the year.

Report of the Directors

Connected Transactions

During the year ended 31 December 2015 and up to the date of this report, the Group conducted the following transactions which constituted and/or would constitute connected transactions for the Company or Cheung Kong under the Listing Rules:

(1) The Husky Share Exchange and the Hutchison Proposal

On 9 January 2015, Cheung Kong (whose listing status on The Stock Exchange of Hong Kong Limited (the "SEHK") was replaced by the Company on 18 March 2015 and is currently a wholly owned subsidiary of the Company) and HWL (which was privatised by way of a scheme of arrangement on 3 June 2015 and is currently a wholly owned subsidiary of the Company) jointly announced the following proposals related to the reorganisation and combination of the businesses of Cheung Kong and its subsidiaries (the "Cheung Kong Group") and the HWL Group to create two new leading Hong Kong listed companies such that the Company will take over all the non-property businesses of both groups, and Cheung Kong Property Holdings Limited ("Cheung Kong Property") will combine the property businesses of both groups:

- (a) the Cheung Kong Reorganisation Proposal;
- (b) the merger proposal whereby it is proposed that, after completion of the Cheung Kong Reorganisation Proposal, the Husky Share Exchange and the Hutchison Proposal will be implemented subject to the fulfilment (or, where relevant, waiver) of their respective conditions precedent; and
- (c) the Spin-off Proposal.

The Husky Share Exchange

Pursuant to the agreement dated 9 January 2015, the Husky Sale Shares Purchaser agreed to acquire from the Husky Sale Shares Vendor 61,357,010 common shares ("Husky Shares", representing approximately 6.24% of common shares then issue) of Husky Energy, in exchange for the issue of 84,427,246 new shares of the Company credited as fully paid, representing a share exchange ratio of 1.376 new shares of the Company for every one Husky Share acquired.

The Husky Share Exchange was completed in the early morning on 3 June 2015 immediately prior to completion of the Hutchison Proposal.

The Trust, directly and indirectly through companies controlled by it, held approximately 40.43% of the issued shares of the Company upon completion of the Cheung Kong Reorganisation Proposal whereupon the relevant entities under the Trust and the Husky Sale Shares Vendor are connected persons of the Company. Accordingly, the issue of the shares of the Company to the Husky Sale Shares Vendor under the Husky Share Exchange constituted a connected transaction for the Company under the Listing Rules.

(2) Acquisition of Aircraft

The wholly owned subsidiaries of Cheung Kong entered into sale and purchase agreements with, among others, (a) GE Capital Aviation Services Limited to purchase a total of 21 aircraft for a total consideration of approximately US\$816,000,000 on 25 August 2014, (b) BOC Aviation Pte. Ltd. to purchase up to 10 aircraft for a total base purchase price of US\$492,000,000 on 4 November 2014, and (c) Jackson Square Aviation, LLC to purchase up to 14 aircraft for a consideration of US\$584,200,000 on 4 November 2014.

Further, on 4 November 2014, Harrier Global Limited ("Harrier Global", an indirect wholly owned subsidiary of Cheung Kong) entered into a subscription agreement (the "Subscription Agreement") pursuant to which Harrier Global and MC Aviation Partners Inc. ("MCAP") agreed, on a 60:40 basis, to subscribe for the equity interest in JV Aviation (HK) Limited (the "JV Company", now known as Vermillion Aviation Holdings Limited) which will indirectly hold a portfolio of up to 15 aircraft at a consideration payable by the Cheung Kong Group of up to US\$132,000,000. The aggregate base purchase price of the 15 aircraft is expected to be approximately US\$733,500,000.

On 27 January 2015, Cheung Kong, Harrier Global, MCAP, the JV Company, Li Ka Shing (Overseas) Foundation (“LKSOFF”) and Vermilion Global Limited (“VGL”, a wholly owned subsidiary of LKSOFF) entered into a deed of amendment (the “Deed of Amendment”) to amend the Subscription Agreement by the adoption of an amended subscription agreement (the “Amended Agreement”). Under the Amended Agreement, (i) the parties agreed to vary the shareholding structure of the JV Company, by including VGL as a shareholder, and (ii) Harrier Global, MCAP and VGL agreed to subscribe for 50%, 40% and 10% of the equity interest of the JV Company, respectively, for an aggregate maximum consideration of approximately US\$110 million, US\$88 million and US\$22 million, respectively.

Given that LKSOFF may be regarded as an associate of each of Mr Li Ka-shing and Mr Li Tzar Kuoi, Victor, Directors of Cheung Kong, LKSOFF is thus a connected person of Cheung Kong. Therefore, the entering into by Cheung Kong and/or Harrier Global of the transactions contemplated under the Deed of Amendment, the Amended Agreement and the shareholders agreement between Harrier Global, MCAP, VGL and the JV Company, constituted a connected transaction for Cheung Kong under the Listing Rules.

Continuing Connected Transactions

On 5 May 2015, the Company entered into an agreement (the “Master Leasing Agreement”) with Cheung Kong Property in respect of the leasing and licensing by members of the Cheung Kong Property group to members of the Group of premises (including office space, car parks and building areas but excluding hotel premises) owned by the Cheung Kong Property group (the “Leasing Transactions”) for the period from 3 June 2015 to 31 December 2017.

Pursuant to the Master Leasing Agreement, relevant members of the Group and relevant members of the Cheung Kong Property group would enter into separate lease, tenancy or licence agreements with respect to each of the Leasing Transactions to be entered into between them. The terms of, and the consideration payable under, such agreements would be negotiated on a case-by-case and arm's length basis, with normal commercial terms which, from the Group's perspective, would be no less favourable than those which the relevant members of the Group could obtain from independent landlords, lessors or licensors of comparable premises. In particular, the rental or licence fee payable would be at market rates, and the Group would seek competitive quotes (including conducting a comparison of prices of a sufficient number of independent landlords, lessors or licensors of comparable premises in the market) for management review with a view to ensuring that the rental or licence fees payable by the Group to the relevant members of the Cheung Kong Property group are reasonable, having regard to the size, location, facilities and conditions of the premises required. The management/service fees chargeable by the Cheung Kong Property group to the relevant member of the Group would be the same as those chargeable by the Cheung Kong Property group to other tenants or licensees of the same building or property.

Whilst Cheung Kong Property does not fall within the scope of connected persons of the Company under the relevant provisions of the Listing Rules, Cheung Kong Property has been deemed by the SEHK to be a connected person of the Company under the Listing Rules following completion of the Spin-off Proposal. Accordingly, the Leasing Transactions would constitute continuing connected transactions of the Company under the Listing Rules (the “Continuing Connected Transactions”).

The Company announced on 4 June 2015 that the maximum aggregate annual amount payable by the Group in respect of the Leasing Transactions for the year ended 31 December 2015, and for the two years ending 31 December 2016 and 31 December 2017 determined pursuant to Rule 14A.53 of the Listing Rules was not to exceed HK\$683 million, HK\$763 million and HK\$856 million respectively.

The aggregate amount paid by the Group in respect of the Leasing Transactions for the year ended 31 December 2015 which is subject to the annual review requirements under the Listing Rules are approximately HK\$370 million.

All the Independent Non-executive Directors of the Company have reviewed and confirmed that the Continuing Connected Transactions had been entered into (a) in the ordinary and usual course of business of the Group; (b) on normal commercial terms or better and (c) according to the respective relevant agreements governing them on terms that are fair and reasonable and in the interests of the shareholders of the Company as a whole.

Report of the Directors

Based on the work performed, the auditor of the Company has confirmed in a letter to the Board that nothing has come to its attention which causes it to believe that:

- (i) the Continuing Connected Transactions have not been approved by the Board;
- (ii) the Continuing Connected Transactions were not entered into, in all material respects, in accordance with the relevant agreements governing such transactions; and
- (iii) the total transaction value of the Continuing Connected Transactions has exceeded the maximum aggregate annual cap amounts in respect of the Continuing Connected Transactions as disclosed in the announcement of the Company dated 4 June 2015.

A summary of all related parties transactions entered into by the Group during the year ended 31 December 2015 is contained in note 43 to the consolidated financial statements. Save the transaction in relation to the acquisition of HWL pursuant to the Hutchison Proposal resulted in the consolidation of a traded debt securities issued by Husky Energy purchased by a subsidiary of HWL as described in note 43 falls under the definition of "connected transaction" under the Listing Rules and was disclosed previously by HWL pursuant to the Listing Rules, all other related parties transactions as described in note 43 do not fall under the definition of "connected transaction" or "continuing connected transaction" under the Listing Rules.

The Company or Cheung Kong (as appropriate) has complied with the disclosure requirements prescribed in Chapter 14A of the Listing Rules with respect to the connected transactions and continuing connected transactions entered into by the Group during the year ended 31 December 2015.

Directors' Service Contract

None of the Directors of the Company who are proposed for re-election at the forthcoming annual general meeting has a service contract with the Company which is not terminable by the Company within one year without payment of compensation (other than statutory compensation).

Permitted Indemnity Provisions

The Articles of Association of the Company provides that every Director of the Company shall be entitled to be indemnified out of the assets of the Company against all losses or liabilities incurred or sustained by him as a Director of the Company in defending any proceedings, whether civil or criminal, in which judgment is given in his favour, or in which he is acquitted, and against any loss in respect of his personal liability for the payment of any sum primarily due from the Company. On 20 May 2004, 3 UK, which has been a subsidiary of the Company since 3 June 2015, adopted a share option scheme (the "3 UK Plan") for the grant of options to acquire ordinary shares in the share capital of 3 UK ("3 UK Shares").
