(1) Formation of a Joint Venture in connection with the Proposed Acquisition of Stapled Securities of the DUET Group listed on the Australian Securities Exchange by way of Schemes of Arrangement and a Trust Scheme

On 14 January 2017, CK Infrastructure Holdings Limited ("CKI", formerly known as Cheung Kong Infrastructure Holdings Limited, a non-wholly owned subsidiary of the Company), CK Asset Holdings Limited ("CKA", formerly known as Cheung Kong Property Holdings Limited) and Power Assets Holdings Limited ("Power Assets") (together, the "DUET Consortium Members") entered into a consortium formation agreement, pursuant to which, subject to obtaining the necessary independent shareholders' approvals ("DUET Approval(s)"), the relevant DUET Consortium Members would become indirect owners of CK William UK Holdings Limited ("DUET JV Co") and fund the DUET JV Co and its subsidiaries for the proposed acquisition of all of the stapled securities in issue of the DUET group (the "DUET Target") by way of schemes of arrangement and a trust scheme (the "Schemes") as described in the announcement dated 16 January 2017 issued by the Company (the "DUET Acquisition"), and enter into a shareholders' agreement to govern the shareholder relationship in DUET JV Co as well as the downstream business of the DUET Target (the "DUET JV Transaction"). On 14 January 2017, CKI together with CKA, Power Assets, CK William Australia Bidco Pty Ltd and the DUET Target entered into a scheme implementation agreement in relation to the DUET Acquisition. The DUET Target, whose securities were at the time listed on the Australian Securities Exchange, is an owner and operator of energy utility assets in Australia, the United States, Canada and the United Kingdom. Completion of the DUET Acquisition was subject to, among other things, the approval of the DUET Target's securityholders and other governmental approvals. The necessary DUET Approvals for the DUET JV Transaction were obtained at the respective general meetings of CKI, CKA and Power Assets held on 14 March 2017. As the Schemes became effective in May 2017, the DUET JV Transaction proceeded between, and the DUET Target would become indirectly held by, CKI, CKA and Power Assets as to 40%, 40% and 20% respectively upon completion of the DUET Acquisition, and the maximum financial commitment of CKI in relation to the DUET JV Transaction would be up to approximately AUD3,012 million (equivalent to approximately HK\$17,259 million). The DUET Acquisition was completed in May 2017.

Given that CKA is deemed by The Stock Exchange of Hong Kong Limited (the "SEHK") as a connected person of the Company under the Listing Rules, the entering into of the DUET JV Transaction by CKI, which is a subsidiary of the Company, with CKA constituted a connected transaction for the Company under the Listing Rules.

(2) Sale and Purchase of 25% Equity Interests in CKP (Canada) Holdings Limited

On 14 July 2017, Canadian Household Infrastructure Limited (the "Purchaser", formerly known as Roaring Victory Limited, an indirect wholly owned subsidiary of CKI) as purchaser, Rich Heights Limited (the "Vendor", an indirect wholly owned subsidiary of CKA) as vendor and CKI as guarantor of the Purchaser entered into a share purchase, assignment and assumption agreement (the "SPA"), pursuant to which, conditional upon obtaining the approval of the independent shareholders of CKA, the Vendor agreed to dispose of 25% equity interest in CKP (Canada) Holdings Limited (the "Project Company", an indirect wholly owned subsidiary of CKA) to the Purchaser by (i) the sale and purchase of 2,500 common shares, representing 25% of the entire issued shares of the Project Company (the "Shares Transfer"); and (ii) the assignment of a promissory note (the "Note") issued by the Project Company to the Vendor in respect of the advances made by the Vendor in the principal amount of C\$428.95 million, representing 25% of the aggregate principal amount of all loans advanced to the Project Company as of the date of the SPA, with an interest rate of 7.5% per annum (the "Transaction"). Pursuant to the SPA, the Vendor, the Purchaser, CKA, CKI and the Project Company would enter into a shareholders' agreement to govern the operation and management of the Project Company and its subsidiaries and the relationship between the CKA group and the CKI group upon completion of the Transaction. The Project Company holds a group of companies which is principally engaged in the building equipment services sector providing water heaters, HVAC (heating, ventilation and air conditioning) equipment, comfort protection plan and other services to homeowners primarily in Ontario, Canada, under the consumer brand identity of "Reliance Home Comfort". The independent CKA shareholders' approval for the Transaction was obtained at the general meeting of CKA held on 24 August 2017.

The aggregate consideration of the Transaction was approximately C\$714.92 million (equivalent to approximately HK\$4,386.03 million), which comprised (i) an approximate amount of C\$285.97 million (equivalent to approximately HK\$1,754.43 million), being the consideration for the Shares Transfer, and (ii) an approximate amount of C\$428.95 million (equivalent to approximately HK\$2,631.61 million), being the principal amount of the Note with any accrued and unpaid interest, net of any applicable taxes, on the Note as of the closing date that is five business days after fulfilment of the conditions under the SPA or such other date as agreed by the Vendor and the Purchaser. The Transaction was completed in September 2017.

Given that CKA is deemed by the SEHK as a connected person of the Company under the Listing Rules, the entering into of the Transaction by CKI, which is a subsidiary of the Company, with CKA constituted a connected transaction for the Company under the Listing Rules.

Report of the Directors

(3) Formation of a Joint Venture in connection with the Proposed Acquisition of All of the Shares and Preferred Equity Certificates in Issue of ista Luxemburg GmbH

On 27 July 2017, CKI, CKA and Sky Master Ventures Limited (a wholly owned subsidiary of CKA) entered into a joint venture formation agreement (the "JV Formation Agreement"), pursuant to which, subject to the obtaining of the necessary approvals of the independent shareholders of each of CKI and CKA (the "ista Approvals") and closing of ista Acquisition (as defined below), CKA and CKI would, among other things, indirectly own 65% and 35% of the shares in Sarvana S.à r.l. (the "ista JV Co") respectively and partly fund the proposed acquisition of all of the shares and preferred equity certificates in issue of ista Luxemburg GmbH ("ista", together with its subsidiaries, the "ista Group") as described in the announcement dated 27 July 2017 issued by the Company from Trius Holdings S.C.A. ("Trius") (the "ista Acquisition") and enter into a shareholders' agreement under which the parties would agree on rights and obligations in respect of their ongoing investment in the ista Group through ista JV Co (the "ista JV Transaction"). On 27 July 2017, Lamarillo S.à r.l. (a direct wholly owned subsidiary of ista JV Co) as purchaser and Trius entered into a sale and purchase agreement in relation to the ista Acquisition. ista Group is one of the world's leading fully integrated energy management services providers with strong market positions in Europe. The necessary ista Approvals for the ista JV Transaction were obtained at the respective general meetings of CKI and CKA held on 11 October 2017, ista would be (upon completion of the ista Acquisition) indirectly held by CKA and CKI as to 65% and 35% respectively, and the maximum financial commitment of CKI in relation to the ista JV Transaction would be EUR1,575 million (equivalent to approximately HK\$14,490 million). The ista Acquisition and ista JV Transaction were completed in October 2017.

Given that CKA is deemed by the SEHK as a connected person of the Company under the Listing Rules, the entering into of the JV Formation Agreement by CKI, which is a subsidiary of the Company, with CKA constituted a connected transaction for the Company under the Listing Rules.

Continuing Connected Transactions

On 5 May 2015, the Company entered into an agreement (the "Master Leasing Agreement") with CKA setting out the framework terms governing the leasing and licensing of premises owned by the CKA group (including office space, car parks and building areas but excluding hotel premises), by members of the CKA group to members of the Group (the "Leasing Transactions") from 3 June 2015 to 31 December 2017.

Pursuant to the Master Leasing Agreement, relevant members of the Group and of the CKA group would enter into separate lease, tenancy or licence agreements with respect to each of the Leasing Transactions. The terms of, and the consideration payable under, such agreements would be negotiated on a case-by-case and arm's length basis, on normal commercial terms which, from the Group's perspective, would be no less favourable than those which the relevant members of the Group could obtain from independent landlords, lessors or licensors of comparable premises. In particular, the rental or licence fee payable would be at market rates, and the Group would seek competitive quotes (including conducting a comparison of prices of a sufficient number of independent landlords, lessors or licensors of comparable premises in the market) for management review with a view to ensuring that the rental or licence fees payable by the Group to the relevant members of the CKA group are reasonable, having regard to the size, location, facilities and conditions of the premises required. The management/service fees chargeable by the CKA group to relevant members of the Group would be the same as those chargeable by the CKA group to other tenants or licensees of the same building or property.

CKA is deemed by the SEHK as a connected person of the Company under the Listing Rules. Accordingly, the Leasing Transactions constituted continuing connected transactions of the Company under the Listing Rules. An announcement in respect of the Leasing Transactions was made by the Company on 4 June 2015 (the "2015 Announcement").

As disclosed in the 2015 Announcement, the maximum aggregate annual amount payable by the Group in respect of the Leasing Transactions for each of the three years ended 31 December 2017 are HK\$683 million, HK\$763 million and HK\$856 million respectively.

The aggregate amount paid by the Group in respect of the Leasing Transactions for the year ended 31 December 2017 is approximately HK\$680 million (being approximately 79% of the annual cap of HK\$856 million for 2017).

The Group's internal audit has reviewed the Leasing Transactions under the Master Leasing Agreement for the year ended 31 December 2017 (the "2017 CCTs") and the internal control procedures in place in respect of the negotiation, review, approval and management process of the separate leases, tenancy or licence agreements for the Leasing Transactions entered into pursuant to the Master Leasing Agreement as well as the transactions recording, reporting and monitoring process, and is of the view that the 2017 CCTs were conducted in accordance with the terms of the Master Leasing Agreement on fair and reasonable commercial terms and in compliance with the internal control procedures.

All the Independent Non-executive Directors of the Company, having reviewed the 2017 CCTs and the findings provided by the Group's internal audit, confirmed that such transactions had been entered into (a) in the ordinary and usual course of business of the Group; (b) on normal commercial terms or better; and (c) according to the respective agreements governing them on terms that are fair and reasonable and in the interests of the shareholders of the Company as a whole.

The Company has engaged its external auditor to report on the 2017 CCTs in accordance with Hong Kong Standard on Assurance Engagements 3000 (revised) "Assurance Engagements Other Than Audits or Reviews of Historical Financial Information" and with reference to Practice Note 740 "Auditor's Letter on Continuing Connected Transactions under the Hong Kong Listing Rules" issued by the Hong Kong Institute of Certified Public Accountants. Based on the work performed, the external auditor of the Company has confirmed in its letter to the Board that nothing has come to its attention which causes it to believe that:

- (i) the 2017 CCTs have not been approved by the Board;
- (ii) the 2017 CCTs were not entered into, in all material respects, in accordance with the relevant agreements governing such transactions; and
- (iii) the aggregate amount paid by the Group in respect of the 2017 CCTs has exceeded the annual cap for 2017 as disclosed in the 2015 Announcement.

In anticipation of the expiration of the Master Leasing Agreement on 31 December 2017, the Company and CKA had on 15 December 2017 entered into a new master leasing agreement (the "New Master Leasing Agreement") setting out the framework terms governing the Leasing Transactions for the three financial years ending 31 December 2020. The terms of the New Master Leasing Agreement are substantially the same as those of the Master Leasing Agreement. An announcement in respect of the New Master Leasing Agreement was made by the Company on 15 December 2017 (the "2017 Announcement").

As disclosed in the 2017 Announcement, the maximum aggregate annual amount payable by the Group in respect of the Leasing Transactions under the New Master Leasing Agreement for each of the three years ending 31 December 2018, 2019 and 2020 are HK\$770 million, HK\$891 million and HK\$937 million respectively. Details of the Leasing Transactions under the New Master Leasing Agreement will be reported in the next annual report of the Company in accordance with the Listing Rules.

A summary of all related parties transactions entered into by the Group during the year ended 31 December 2017 is contained in note 39 to the consolidated financial statements. All the related parties transactions described in this note do not fall under the definition of "connected transaction" or "continuing connected transaction" under the Listing Rules, other than the transaction in relation to the acquisition of Hutchison Whampoa Limited ("HWL") pursuant to a group reorganisation took place in 2015 and resulted in the consolidation of traded debt securities issued by Husky Energy Inc. as described in note 39 which falls under the definition of "connected transaction" under the Listing Rules and was disclosed previously by HWL pursuant to the Listing Rules.

The Company has complied with the disclosure requirements prescribed in Chapter 14A of the Listing Rules with respect to the connected transactions and continuing connected transactions entered into by the Group during the year ended 31 December 2017.

The Articles of Association of the Company provides that subject to the provisions of the relevant statutes, every Director of the Company shall be entitled to be indemnified out of the assets of the Company against all losses or liabilities incurred or sustained by him as a Director of the Company in defending any proceedings, whether civil or criminal, in which judgment is given in his favour, or in which he is acquitted, and against any loss in respect of his personal liability for the payment of any sum primarily due from the Company. Report of the Directors

(I) Hutchison China MediTech Limited ("Chi-Med")

2006 Share Option Scheme (the "2006 Plan")

On 18 May 2006, Chi-Med adopted the 2006 Plan for the grant of options to acquire ordinary shares in the share capital of Chi-Med (the "Chi-Med Shares"). The 2006 Plan was valid and effective during the period from 18 May 2006 to 17 May 2016, being the date falling 10 years from the date on which the 2006 Plan was adopted. After 17 May 2016, no further share options could be granted under the 2006 Plan but the provisions of the 2006 Plan remained in full force and effect to the extent necessary to give effect to the exercise of any share options granted prior to the end of the validity period or otherwise to the extent as may be required in accordance with the provisions of the 2006 Plan. A summary of the 2006 Plan is as follows:

- (1) The purpose of the 2006 Plan is to provide Chi-Med with a flexible means of either retaining, incentivising, rewarding, remunerating, compensating and/or providing benefits to 2006 Chi-Med Eligible Persons (as defined below).

Subject to and in accordance with the rules of the 2006 Plan, a share option may be exercised during a period which is notified at the offer date of the share option, such period will not exceed the period of 10 years from such offer date.

2016 Share Option Scheme (the "2016 Plan")

On 24 April 2015, Chi-Med conditionally adopted the 2016 Plan for the grant of options to acquire the Chi-Med Shares. The 2016 Plan is valid and effective during the period commencing on 13 May 2016 and ending on 12 May 2026, being the date falling 10 years from the date on which the 2016 Plan became unconditional. The 2016 Plan has a remaining term of approximately eight years as at the date of this report. A summary of the 2016 Plan is as follows:

- (1) The purpose of the 2016 Plan is to provide Chi-Med with a flexible means of either retaining, incentivising, rewarding, remunerating, compensating and/or providing benefits to 2016 Chi-Med Eligible Persons (as defined below).
- (2) Share options may be granted to a "2016 Chi-Med Eligible Person", being any person who is (or will be on and following the date of offer of the relevant option) a non-executive director (excluding any independent non-executive directors) or an employee or director holding salaried office or employment under a contract with Chi-Med, its listed parent company (which is currently the Company) and any of its subsidiaries or affiliates, and any holding company, subsidiaries or affiliates of Chi-Med or other companies which the Chi-Med Board determines will be subject to the 2016 Plan, who is notified by the Chi-Med Board that he or she is an eligible person.
- (3) Share option holders are not required to pay for the grant of any share option.
- (4) Unless otherwise determined by the Chi-Med Board and stated in the offer of the grant of share options to a 2016 Chi-Med Eligible Person, there is no minimum period required under the 2016 Plan for the holding of a share option before it can be exercised.
- (5) Subject to any adjustment according to the rules of the 2016 Plan, the exercise price shall be, in respect of any share option, the 2016 Market Value (as defined below) of the Chi-Med Shares as at the offer date,

where "2016 Market Value" on any particular day means:

- (i) where the Chi-Med Shares of the same class are admitted to trading on any stock exchange, the higher of:
 - (a) the average of the closing prices of the Chi-Med Shares on the five dealing days immediately preceding the offer date;

Report of the Directors

- (b) the closing price of the Chi-Med Shares as stated on a recognised stock exchange's daily quotations sheet of such shares on the offer date; and
 - (c) the nominal value of the Chi-Med Shares; or
 - (ii) where the Chi-Med Shares of the same class are not admitted to trading on any recognised stock exchange, the value of a Chi-Med Share determined in such manner as the Chi-Med Board considers reasonable according to objective criteria.
- (6) The maximum number of Chi-Med Shares which may be allotted and issued pursuant to the 2016 Plan is subject to the following:
- (a) the total number of Chi-Med Shares which may be issued upon the exercise of all options to be granted under the 2016 Plan must not in aggregate exceed 4% of the Chi-Med Shares in issue as at 13 May 2016, being the date on which the 2016 Plan was approved by the shareholders of the Company in general meeting (the "Scheme Limit"). Share options lapsed in accordance with the terms of the 2016 Plan will not be counted for the purpose of calculating the Scheme Limit;
 - (b) the Chi-Med Board may refresh the Scheme Limit by reference to the issued share capital of Chi-Med then prevailing with the approval of the shareholders of its listed parent company (which is currently the Company) if required under the Listing Rules in a general meeting, provided that the total number of Chi-Med Shares which may be issued upon exercise of share options to be granted under the 2016 Plan and any options under any other share option schemes of Chi-Med under the limit as refreshed shall not exceed 10% of the Chi-Med Shares in issue at the date on which shareholders of the listed parent company approve the refreshed limit (where applicable). Share options previously granted under the 2016 Plan and any other share option schemes of Chi-Med (including those outstanding, cancelled, lapsed in accordance with the terms of the relevant scheme, or exercised options) will not be counted for the purpose of calculating the limit as refreshed. As at the date of this report, the total number of Chi-Med Shares available for issue under the 2016 Plan (including the share options granted but yet to be exercised) is 2,425,597, representing approximately 3.65% of the total number of Chi-Med Shares in issue as at that date;
 - (c) share options may be granted to any 2016 Chi-Med Eligible Person(s) specifically identified by the Chi-Med Board which would cause the Scheme Limit (including, for the avoidance of doubt, any such limit as refreshed under paragraph (6)(b) above) to be exceeded, but only with the approval of the shareholders of Chi-Med in a general meeting (and by the shareholders of the listed parent company, if required under the Listing Rules), and subject always to paragraphs (6)(d) and (6)(e) below and restrictions on grant to key individuals under the 2016 Plan;
 - (d)
 - (i) the Chi-Med Board shall not grant any share options (the "Relevant Chi-Med Options") to any 2016 Chi-Med Eligible Person which, if exercised, would result in such person becoming entitled to subscribe for such number of Chi-Med Shares as, when aggregated with the total number of Chi-Med Shares already issued or to be issued to him/her under all share options (including both exercised and outstanding share options) granted to him/her in the 12-month period up to and including the offer date of the Relevant Chi-Med Options, exceeds 1% of the Chi-Med Shares in issue at such date; and
 - (ii) notwithstanding paragraph (6)(d)(i) above, the Chi-Med Board may grant share options to any 2016 Chi-Med Eligible Person(s) which would cause the limit under paragraph (6)(d)(i) above in relation to such 2016 Chi-Med Eligible Person to be exceeded, but only with the approval of the shareholders of the listed parent in a general meeting (with such 2016 Chi-Med Eligible Person and his/her associates abstaining from voting) and subject to paragraph (6)(e) below; and
 - (e) the total number of Chi-Med Shares which may be issued upon exercise of all outstanding share options granted and not yet exercised under the 2016 Plan and under any other share option scheme of Chi-Med must not exceed 10% of the Chi-Med Shares in issue from time to time.

Subject to and in accordance with the rules of the 2016 Plan, a share option may be exercised during a period which is notified at the offer date of the share option, such period will not exceed the period of 10 years from such offer date.

- (2) The share options granted are exercisable subject to, amongst other relevant vesting criteria, the vesting schedule of 25% on each of the first, second, third and fourth anniversaries of the date of grant of share options.
- (3) The share options granted are exercisable subject to, amongst other relevant vesting criteria, the vesting schedule of approximately 50% on the day after the acceptance of the offer, approximately 25% on 20 December 2016 and approximately 25% on 20 December 2017.
- (4) The share options granted are exercisable subject to, amongst other relevant vesting criteria, the vesting schedule of approximately 50% on the day after the acceptance of the offer, approximately 25% on 28 June 2017 and approximately 25% on 28 June 2018.
- (5) The stated price was the closing price of the Chi-Med Shares quoted on AIM on the trading day immediately prior to the date of grant of share options.
- (6) The stated price was the weighted average closing price of the Chi-Med Shares quoted on AIM on the trading day immediately prior to the date on which the share options were exercised.

As at the date of this report, Chi-Med has 282,726 share options and 843,686 share options outstanding under the 2006 Plan and 2016 Plan respectively, representing approximately 0.43% and 1.27% respectively of the Chi-Med Shares in issue as at that date.

The fair value of share options granted during the year, determined using the Polynomial Model was as follows:

Value of each share option	£12.69
Significant inputs into the valuation model:	
Exercise price	£31.05
Share price at effective grant date	£31.05
Expected volatility	36.3%
Risk-free interest rate	1.17%
Contractual life of share options	10 years
Expected dividend yield	0%

The volatility of the underlying stock during the life of the share options was estimated with reference to the historical volatility prior to the issuances of share options. Changes in such subjective input assumptions could affect the fair value estimate.

(II) Hutchison Telecommunications (Australia) Limited ("HTAL")

On 1 June 2007, HTAL adopted a share option plan (the "HTAL Plan") for the grant of options to acquire ordinary shares in the share capital of HTAL (the "HTAL Shares"). The HTAL Plan was valid and effective during the period from 1 June 2007 to 31 May 2017, being the date falling 10 years from the date on which the HTAL Plan was adopted. After 31 May 2017, no further share options could be granted under the HTAL Plan but the provisions of the HTAL Plan remained in full force and effect to the extent as may be required in accordance with the provisions of the HTAL Plan. A summary of the HTAL Plan is as follows:

The HTAL Board may, at its discretion, grant a right to a HTAL Eligible Person to acquire (in the case of a share option that has an exercise price, by subscription or purchase) HTAL Shares (the "Right").
- (3) No payment is required for the grant of a Right unless the HTAL Board determines otherwise.
- (4) Unless otherwise determined by the HTAL Board and stated in the offer of the grant of share options to a HTAL Eligible Person, there is no minimum period required under the HTAL Plan for the holding of a share option before it can be exercised.
- (5) The exercise price (if any) for a Right, subject to any adjustment according to the rules of the HTAL Plan, will be determined by the HTAL Board or by the application of a method of calculating the exercise price that is prescribed by the HTAL Board provided that it shall not be less than the higher of:
 - (a) the closing price of the HTAL Shares as quoted by the Australian Securities Exchange ("ASX") on the grant date; and
 - (b) the average closing price of the HTAL Shares as quoted by the ASX for the five business days immediately preceding the grant date.

- (a) the maximum number of HTAL Shares which may be allotted and issued upon exercise of all outstanding options granted and yet to be exercised under the HTAL Plan and any other share option scheme of HTAL or any of its subsidiaries ("Other HTAL Plan") must not in aggregate exceed 30% of the HTAL Shares in issue from time to time;
 - (b) the total number of HTAL Shares which may be allotted and issued upon the exercise of all Rights and share options (excluding, for this purpose, Rights and share options which have lapsed in accordance with the terms of the HTAL Plan and Other HTAL Plan) to be granted under the HTAL Plan and Other HTAL Plan must not in aggregate exceed 10% of the HTAL Shares in issue as at 1 June 2007 (the "Adoption Date"), being the date of passing the relevant resolution adopting the HTAL Plan (the "HTAL General Scheme Limit") provided that:
 - (i) subject to paragraph (6)(a) above and without prejudice to paragraph (6)(b)(ii) below, the HTAL Board may, with the approval of the shareholders of the Company in a general meeting if required to do so and in compliance with other applicable requirements under the Listing Rules, refresh the HTAL General Scheme Limit provided that the total number of HTAL Shares which may be allotted and issued upon the exercise of all Rights and share options under the HTAL Plan and Other HTAL Plan must not exceed 10% of the HTAL Shares in issue at the date on which shareholders of the Company approve such refreshed limit (where applicable) and for the purpose of calculating the limit, the Rights and share options (including those outstanding, cancelled, lapsed or exercised in accordance with the HTAL Plan and Other HTAL Plan) previously granted under the HTAL Plan and Other HTAL Plan will not be counted; and
 - (ii) subject to paragraph (6)(a) and without prejudice to paragraph (6)(b)(i) above, the HTAL Board may, with the approval of the Company's shareholders in a general meeting if required to do so and in compliance with the other applicable requirements under the Listing Rules, grant Rights beyond the HTAL General Scheme Limit or, if applicable, the extended limit referred to in paragraph (6)(b)(i) to the participants specifically identified by the HTAL Board before such approval is sought;
 - (c) the limits prescribed in this paragraph are subject to any issue limitation prescribed in the Australian Securities & Investments Commission Class Order 03/184 (or any such replacement or amendment). As at the Adoption Date, the Class Order prescribes a limit of that number of HTAL Shares to be issued on exercise of a Right when aggregated with:
 - (i) the number of HTAL Shares which would be issued were each outstanding Right to be exercised; and
 - (ii) the number of HTAL Shares issued during the previous five years pursuant to the HTAL Plan or any other employee share plan,(but disregarding any Rights acquired or HTAL Shares issued by way of, or as a result of, an offer to a person situated at the time of receipt of the offer outside Australia, or an offer that was an excluded offer or invitation within the meaning of the Corporations Act, or an offer that did not require disclosure to investors or the giving of a product disclosure statement because of section 1012D of the Corporations Act, or an offer made under a disclosure document or product disclosure statement) shall not exceed 5% of the total number of HTAL Shares at the time of the grant date of such Right; and
 - (d) the total number of HTAL Shares issued and to be issued upon the exercise of the share options granted to each participant in the HTAL Plan or Other HTAL Plan (including both exercised and outstanding share options) in any 12-month period must not exceed 1% of the issued share capital of HTAL, unless approved by the shareholders of the Company in a general meeting (with such participant and his/her associates (as defined in the Listing Rules) abstaining from voting) in compliance with the requirements of the Listing Rules.

There were no share options outstanding under the HTAL Plan at the beginning or at the end of the financial year ended 31 December 2017 nor was any share option granted, exercised, cancelled or lapsed under the HTAL Plan during the year.

The eligibility of any of the above classes of participants to an offer for the grant of any share options shall be determined by the HTHKH Directors from time to time on the basis of their contribution to the development and growth of the HTHKH Group.
