The Group believes that the IAS 17 basis ("Pre-IFRS 16 basis") metrics, which are not intended to be a substitute for, or superior to, the reported metrics on a IFRS 16 basis ("Post-IFRS 16 basis"), better reflect management's view of the Group's underlying operational performance. IAS 17 basis metrics financial information is regularly reviewed by management and used for resource allocation, performance assessment and internal decision-making. As a result, the Group has provided an alternative presentation of the Group's EBITDA, EBIT, interest expenses and other finance costs, tax, non-controlling interests and perpetual capital securities holders' interests and profit attributable to ordinary shareholders prepared under the Pre-IFRS 16 basis relating to the accounting for leases. Unless otherwise specified, the discussion of the Group's operating results in this Annual Report is on a Pre-IFRS 16 basis as mentioned above.

Note 2: The Hutchison Asia Telecommunications results are reported under Finance & Investments and Others segment from 1 January 2024 and the comparative results for the year ended 31 December 2023 have been reclassified to the Finance & Investments and Others segment to conform with the year ended 31 December 2024 presentation to enable a better comparison of performance.
