

Corporate Profile

CK Hutchison Group (the “Group”) is a renowned multinational conglomerate committed to development, innovation and technology in many different sectors. We operate a variety of businesses in about 50 countries/markets across the world with over 300,000 employees. Our operations consist of four core businesses – ports and related services, retail, infrastructure and telecommunications.

The Group has a strong commitment to the highest standards of corporate governance, transparency and accountability. We take environmental and social sustainability responsibilities seriously with programmes and innovations across our businesses to address related challenges.

Ports and Related Services

As the world’s leading port investor, developer and operator, the Group’s ports division holds interests in 53 ports comprising 295 operational berths in 24 countries. In 2024, the division handled a total throughput of 87.5 million twenty-foot equivalent units (“TEU”). It also engages in river trade, cruise terminal operations and ports related logistic services.

Retail

The Group’s retail division is the world’s largest international health and beauty retailer, with over 16,900 stores in 30 markets worldwide. Its diverse retail portfolio comprises health and beauty products, supermarkets, consumer electronics and electrical appliances, wine and luxury perfumeries & cosmetics. It also manufactures and distributes bottled water and beverage products in Hong Kong and Mainland China.

Infrastructure

The Group's infrastructure business includes its shareholding in CK Infrastructure Holdings Limited ("CKI") and interests in six infrastructure assets that are co-owned with CKI, which is one of the world's largest global infrastructure companies. The company has diversified investments in energy infrastructure, transportation infrastructure, water infrastructure, waste management, waste-to-energy, household infrastructure and infrastructure related businesses. Its investments and operations span across Hong Kong, Mainland China, the United Kingdom, Continental Europe, Australia, New Zealand, Canada and the United States.

Telecommunications

A pioneer in mobile data communication technologies, the Group's telecommunications division is a leading global operator and innovator of converged telecommunication and digital services around the world, implementing innovative technologies in international interconnectivity.
