CONNECTED TRANSACTION DISPOSAL OF A SUBSIDIARY

The Board announces that on 23 October 2009, Zhongnuo Pharmaceutical, a wholly-owned subsidiary of the Company, and SPG entered into the Sale and Purchase Agreement pursuant to which Zhongnuo Pharmaceutical agreed to sell and SPG agreed to acquire the entire equity interest in Zhongchen Pharmaceutical, a wholly-owned subsidiary of Zhongnuo Pharmaceutical, at a consideration of RMB8,000,000.

As SPG is an indirect wholly-owned subsidiary of Legend Holdings, which is regarded as a controlling shareholder of the Company, SPG is a connected person of the Company as defined under the Listing Rules. Since the applicable percentage ratios (other than the profit ratio) exceed 0.1% but are less than 2.5%, the Disposal constitutes a connected transaction of the Company and is subject to the reporting and announcement requirements (but exempt from the independent shareholders' approval requirement) under the Listing Rules.

FINANCIAL EFFECT OF THE DISPOSAL

Upon Completion, the Company will no longer have any interest in Zhongchen Pharmaceutical and Zhongchen Pharmaceutical will cease to be a subsidiary of the Company. Therefore, the assets, liabilities and financial results of Zhongchen Pharmaceutical will no longer be consolidated in the consolidated financial statements of the Company. It is not expected that the Company will realize any material gain or loss upon completion of the Disposal. The proceeds of the Disposal will be used as working capital of the Group.

REASONS FOR AND BENEFITS OF THE DISPOSAL

The Company is an investment holding company with its subsidiaries principally engaged in the manufacture and sales of pharmaceutical products.

Zhongchen Pharmaceutical is principally engaged in the wholesale of pharmaceutical products which is a non-core business of the Group. It has mainly purchased pharmaceutical products from other subsidiaries of the Group and sold to other wholesalers or customers in the PRC. After a recent review of the business of the Group, the Directors consider that the major operating subsidiaries of the Group already had a sufficient sales and distribution network themselves and the wholesale service of Zhongchen Pharmaceutical is not required. The Disposal is a streamlining of the core business of the Company.

The Directors, including the independent non-executive Directors, are of the opinion that the Sale and Purchase Agreement was entered into on normal commercial terms, and that the terms thereof are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

IMPLICATIONS UNDER THE LISTING RULES

The principal activity of SPG is investment holding. By virtue of the arrangement as disclosed in the composite document jointly issued by the Company, Legend Holdings and MGGL dated 19 July 2007, Legend Holdings is entitled to exercise or control the exercise of all the shares held by MGGL in the Company, representing approximately 51.04% of the issued share capital of the Company as at the date of this announcement. Therefore, Legend Holdings is regarded as a controlling Shareholder. SPG, being an indirect wholly-owned subsidiary of Legend Holdings, is an associate of Legend Holdings and thus a connected person of the Company within the meaning of the Listing Rules. Therefore, the Disposal constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules. Given the applicable percentage ratios (other than the profit ratio) exceed 0.1 % but are less than 2.5%, the Disposal constitutes a connected transaction of the Company and is subject to the reporting and announcement requirements (but exempt from the independent shareholders' approval requirement) under the Listing Rules.
