Accordingly, the Directors recommend that all shareholders should vote in favour of the resolutions set out in the notice of Annual General Meeting.

By Order of the Board
CAI Dongchen
Chairman

This appendix serves as an explanatory statement, as required by the Share Repurchase Rules, to provide requisite information to you for your consideration of the proposal to permit the repurchase of Shares up to a maximum of 10% of the issued share capital of the Company as at the date of the Repurchase Resolution.

This appendix also constitutes the memorandum required under Section 49BA(3) of the Companies Ordinance.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,538,124,661 Shares.

Subject to the passing of the Repurchase Resolution and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company would be allowed under the Repurchase Resolution to repurchase a maximum of 153,812,466 Shares representing not more than 10% of the issued share capital at the Latest Practicable Date.

2. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Proposal is in the best interests of the Company and its shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and its shareholders.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association and the Companies Ordinance. The Companies Ordinance provides that the amount of capital repaid in connection with a share repurchase may only be paid from the distributable profits of the Company and/or the proceeds of a new issue of Shares, made for the purpose of the repurchase to such an extent allowable under the Companies Ordinance.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the annual report for the year ended December 31, 2007 in the event that the Repurchase Proposal were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Proposal to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date and for the month of April 2008 up to the Latest Practicable Date were as follows:

	Shares

March	2.72	1.87

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Resolution and in accordance with the Listing Rules and the applicable laws of Hong Kong.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Proposal if such is approved by the shareholders of the Company.

No connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so, in the event that the Repurchase Proposal is approved by the shareholders of the Company.

6. TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Proposal, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a shareholder or group of shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, China Charmaine Pharmaceutical Company Limited was beneficially interested in 783,316,161 Shares representing approximately 50.93% of the issued share capital of the Company. Based on such shareholdings and in the event that the Directors exercised in full the power to repurchase Shares pursuant to the Repurchase Mandate, the shareholdings of China Charmaine Pharmaceutical Company Limited in the Company would be increased to approximately 56.59% of the issued share capital of the Company.

The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made under the Repurchase Proposal. The Company may not repurchase Shares which would result in the amount of Shares held by the public being reduced to less than 25%.
