The following is the Explanatory Statement required to be sent to the Shareholders under the Listing Rules in connection with the general mandate for repurchase of Shares and, together with the letter from the board contained in this circular, also constitutes the memorandum of the terms of the repurchase required under section 49BA(3)(b) of the Companies Ordinance.

GENERAL MANDATE FOR REPURCHASE OF SHARES

(a) Share Capital

As at the Latest Practicable Date, the issued share capital of the Company was HK\$569,535,552.50 divided into 5,695,355,525 Shares. Subject to the passing of the resolution granting the proposed Repurchase Mandate and on the basis that no further Shares will be issued or repurchased before the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 569,535,552 Shares (representing 10% of the said total number of issued Shares) during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held by the Articles or by the laws of Hong Kong; or (iii) the date upon which such authority is revoked or varied by a resolution of the shareholders of the Company in general meeting.

(b) Reasons for Repurchases

The Directors believe that it is in the best interests of the Company and its shareholders to have a general authority from the Shareholders to enable the Directors to repurchase securities in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the value of the Company's securities and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and its shareholders.

(c) Funding of Repurchases

Repurchases of Shares must be funded out of funds legally available for the purpose in accordance with the Memorandum and Articles of Association of the Company and the laws of Hong Kong, being profits available for distribution or the proceeds of a fresh issue of shares made for the purpose of the repurchases, and it is envisaged that the funds required for any repurchase would be derived from such sources.

There could be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements as at 31 December 2009) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

(d) Disclosure of Interests

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective associates (as defined in the Listing Rules), has any present intention to sell Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

No connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Company is authorised to make repurchases of Shares.

(e) Undertaking of the Directors

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules and the laws of Hong Kong and the Articles.

(f) Market Prices of Shares

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the twelve months preceding the Latest Practicable Date were as follows:

	Shares	
	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2009		
April	1.65	1.31
May	1.93	1.37
June	2.12	1.61
July	1.96	1.61
August	2.06	1.48
September	1.65	1.50
October	1.70	1.41
November	2.11	1.58
December	2.47	2.06
2010		
January	2.52	1.89
February	2.10	1.87
March	2.24	2.04
April (<i>up to the Latest Practicable Date</i>)	2.23	2.04

(g) General

Upon the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company will increase. Such increase will be treated as an acquisition for the purposes of the Hong Kong Codes on Takeovers and Mergers and Share Repurchases (the "Takeovers Code"). As a result, a Shareholder or a group of Shareholders, acting in concert could, depending on the level of increase of shareholding interest obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, CTS (Holdings) beneficially owned, directly and indirectly, approximately 52.56% of the issued share capital of the Company. If the Repurchase Mandate is exercised in full, the beneficial interests of CTS (Holdings) in the Company may be increased to approximately 58.4% of the issued share capital of the Company. The Directors consider that such repurchases made under the Repurchase Mandate will not give rise to an obligation for CTS (Holdings) to make a mandatory offer under Rules 26 and 32 of the Takeovers Code. Moreover, the Directors have no present intention to exercise the power of the Company to repurchase Shares to such an extent as would result in the number of Shares in public hands falling below 25%.

During the previous six months preceding the date of this circular, neither the Company nor any of its subsidiaries repurchased any of its securities (whether on the Stock Exchange or otherwise).
