QUARTERLY UPDATE ON RESUMPTION PROGRESS

This announcement is made by China EnerGINE International (Holdings) Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rules 13.09 and 13.24A of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

References are made to the announcements of the Company dated 24 May 2021, 30 June 2021, 30 September 2021, 31 December 2021 and 31 March 2022 (the “**Announcements**”). Unless otherwise stated, capitalised terms used herein shall have the same meanings as those defined in the Announcements.

BUSINESS OPERATION

The Group has continued business operations notwithstanding the suspension of trading in the shares of the Company on the Stock Exchange. In an effort to demonstrate its compliance with Rule 13.24 of the Listing Rules, the Group has continued to strive for commercial opportunities in the development and operation of wind power resources and seek cooperation with business partners in the development of new energy projects to achieve the Group’s financial goals.

The Group has entered into several technical services agreements in relation to the development of new energy projects with business partners. Phased works under certain technical services agreements have been completed by the Group. In particular, the required development filing certificates for a project in Guangdong have been obtained from the local county government in April 2022 and the project is now in the next stage subject to review by the local municipal government department before the requisite filing certificate(s) at the municipal level can be obtained.

In addition, the Group is pushing forward the execution of feasibility studies and assessment on natural resources and other measures for each of the new energy projects to fulfill the requirements from relevant government bodies, and will continue to explore new opportunities from other potential new energy projects.

RESUMPTION GUIDANCE

As disclosed in the Announcements, the Stock Exchange has issued the Resumption Guidance to the Company. The Company will take appropriate steps to fully comply with the Resumption Guidance and the Listing Rules to the Stock Exchange's satisfaction in order to have trading in the Company's shares resumed.

- (i) publish all outstanding financial results required under the Listing Rules and address any audit modifications;
- (ii) demonstrate the Company's compliance with Rule 13.24 of the Listing Rules; and
- (iii) inform the market of all material information for the Company's shareholders and investors to appraise the Company's position.

The Company has published all outstanding financial results as at the date of this announcement. The Group has been making efforts to improve its business operations and to demonstrate its compliance with Rule 13.24 of the Listing Rules as mentioned above.

Further announcement(s) will be made by the Company to update its shareholders and potential investors on any development in this regard, as and when appropriate, in accordance with the Listing Rules.

CONTINUED SUSPENSION OF TRADING

Trading in the shares of the Company on the Stock Exchange has been suspended with effect from 9:00 a.m. on 1 April 2021 and will remain suspended pending fulfilment of the Resumption Guidance and any supplement or modification thereto.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
